

**CITY OF SAN DIEGO  
COUNCIL PRESIDENT SHERRI S. LIGHTNER  
DISTRICT ONE**

**MEMORANDUM**

DATE: August 10, 2015

TO: Honorable Mayor Kevin Faulconer

FROM: Council President Sherri S. Lightner

SUBJECT: Nomination of Nicole Capretz to the Bicycle Advisory Committee

---

It is my pleasure to nominate Nicole Capretz to the Bicycle Advisory Committee for the District 1 seat.

Ms. Capretz is an environmental attorney with over 15 years of experience, having worked as a legal and policy advisor for local government and the nonprofit sector in San Diego. She is an active bicycle advocate in the San Diego community and commutes to work daily by bike. Some of her leadership roles include serving as the current Executive Director of the non-profit Climate Action Campaign and the former Chair of the City's Economic and Environmental Sustainability Task Force.

In addition to her leadership roles, Nicole Capretz was one of the primary authors of the City's draft Climate Action Plan. As the Bicycle Advisory Committee continues to develop a strategic implementation plan for the City's Bicycle Master Plan, her intimate knowledge of the Climate Action Plan goals related to bicycle ridership will be an excellent resource for this effort.

Ms. Capretz's demonstrated leadership and expertise will make her an invaluable asset to the Bicycle Advisory Committee, and I am extremely pleased to nominate her for your consideration.
