

BRIAN (BARRY) POLLARD

I am a native San Diegan, raised in the 4th District.

Graduated from Morse High School, and raised 3 daughters in the community. I am active in Valencia Park Neighborhood Council and love my district, and I am a small business owner.

I want to be your councilperson because we need a change. We need someone that focuses on our community, and fights for our residents. I am that person. We cannot afford a whole decade of ineffective leadership.

A vote for me is a vote for action, effectiveness, focus, and responsiveness
