MONICA MONTGOMERY

I advocate economic development, safe communities, and education, which are the cornerstones of a thriving community. I am asking fourth district residents to vote for me, a leader who displays integrity, has innovative ideas to move this community forward, and a leader who has the ability to inspire.

I am committed to helping my community achieve its greatest potential. I am a practicing attorney and owner of a law office dedicated to representing homeowners to keep their homes from foreclosure. I have fought for the rights of small business owners by appearing before the City of San Diego Citizens Equal Opportunity Commission and speaking up against the lack of city contracts for small businesses, and participating in the Small Business Local Enterprise program. Through my work as a board member of the San Diego Youth Action Board, I have advocated for at-risk youth to help break the cycle of poverty. I have expressed my concern for safe communities in my district as a voting member of the Coalition of Neighborhood Councils. I will provide the same expertise, professionalism, and tenacity to serve the Fourth District as your City Council Representative.
