Working Hard for Our Community!

Councilman Tony Young is providing our community with leadership and working hard to create jobs, protect our neighborhoods and educate our children.

Fighting Gangs and Protecting Neighborhoods. After an apartment complex was plagued by gang violence, Tony organized public safety agencies and secured resources to solve the problem. Tony's work has reduced gang related incidents.

Creating Jobs in Our Community. Tony is working with business and community leaders to bring businesses to our District. In the last year we have new restaurants, new retailers and banks. Businesses are investing in, and bringing jobs to the community.

Teaching Children and Ensuring Their Safety. A former school teacher, Tony knows how important it is to make sure our children are getting what they need. Tony fought and restored funding to the 6-to-6 Program for schools in our District. Tony also restored money to keep our parks and libraries open.

Building Needed Housing. Community revitalization reduces crime, creates jobs and provides housing. Tony has created new mixed-use revitalization and affordable housing projects. Tony is providing centers and resources for our seniors.

BRUCE WILLIAMS
Community Leader

Dear District 4 Voter:

I'm just like you. I live, worship, shop and have family in the 4th District.

I am a candidate for city council because I love this community and want to see the city function efficiently.

I know we can do better.

I grew up here, attending Knox Elementary and Morse High schools. I want what is best for my family, neighbors and the district.

I will work for a strong police department that is trusted and respected.

I will work to better our infrastructure, attract new businesses and bring opportunities to improve our aging housing stock.

District Four is uniquely diverse. My staff will reflect and respond to that diversity because **all** of our residents deserve and will receive the highest level of citizen service. I will restore confidence in the ability of the Council office to solve our problems.

I have over nine years experience at City Hall. I've served on the staff of a State Assemblyman, a County Supervisor, and a US Congressman. I have a Master's Degree in Public Policy and a Bachelor's Degree in Political Science.

Please vote for me, Bruce Williams, for City Council. You won't be disappointed.
