## Fair Political Practices Commission

**The City of San Diego has a local campaign ordinance.** It is your responsibility to review the ordinance and comply with its provisions.

- **Period Covered:** The period covered by any statement begins on the day after the closing date of the last statement filed, or January 1, if no previous statement has been filed.
- **Filing Deadlines:** Deadlines are extended when they fall on a Saturday, Sunday, or an official state holiday. This extension does not apply to any 24-hour independent expenditure reports (Form 496) or to those 24-hour contribution reports (Form 497) that are due the weekend before the election. Such reports must be filed within 24 hours regardless of the day of the week. Statements filed after the deadline are subject to a \$10 per day late fine.
- **Paper Reports:** All paper filings are filed by personal delivery or first class mail unless otherwise noted.
- **Candidates:** After an election, reporting requirements will depend on whether the candidate is successful and whether a campaign committee is open.
- **Prohibition on Candidate/Officeholder Independent Expenditures:** A candidate controlled committee may not make independent expenditures to support or oppose candidates and may not contribute to another committee for the purpose of making independent expenditures to support or oppose other candidates.
- **Public Documents:** All forms are public documents. Campaign manuals and instructional materials are available at [www.fppc.ca.gov](http://www.fppc.ca.gov), click on the [Campaign](#) link.
