*MARISSA ACIERTO* believes in diversity as the foundation for a strong, vibrant and prosperous District 4. The unique richness of the community can be found in its multiple races, languages and cultures. Knowing these, Acierto advocates and commits herself to fair and equal representation for all peoples.

Acierto, 42, is born to a Filipino family of Hispanic descent who has served in the military and civilian government. With that Acierto wants a meaningful role by serving the people in her district she grew up and still lives in.

Acierto's goals are to create more jobs; ensure economic development; pursue peace, order and public safety; and prosperity.

Her work as a professional (licensed to teach Post Secondary Vocational Education in Anatomy, Physiology, Pharmacology and Physics), community experience (co-founder of two organizations) and management skills (CEO of a telecommunications business) have prepared her for those goals. In fact, the San Diego Metropolitan Magazine has cited her in 2000 as one of "San Diego's youngest and brightest entrepreneurs."

Acierto is a member of the Board of Directors of OFarrell Community Foundation.

Acierto tutored Spanish-speaking youths and adults under the California Literacy Campaign Program. She was a participant in the San Diego Urban League Youth Career Development Program.

As a resident of the Fourth District for over 20 years, shop steward and a union Vice President for many years, I know the struggles of the hard working people of the Fourth District.

The people of the Fourth District are among the hardest working, brightest and committed to their community that anyone will ever find. Our problem is that City Hall has ignored us far too long. They have dumped high-density projects that have become a breeding ground for despair. The schools are in a continual state of decay.

I will fight to ensure that our people have the opportunity to shine. Our district is a wonderful example of how diverse people working together can, when given the chance, create great things.

**CITY OF SAN DIEGO  
City Council – District No. 4**

**DWAYNE CRENSHAW**  
Occupation:Community Development Director/Educator

I'm running for city council to make our communities even better places to live and raise a family. With my parents, Sarah and Reverend Booker T. Crenshaw as role models, I have served our community as a youth mentor, neighborhood planning volunteer, and classroom teacher. My parents stressed the importance of looking out for those less fortunate than us and giving back to the neighborhood.

That's why **my experience** as the **only candidate** who has worked in state, county and city government is so important. I'm in the position to use my knowledge and skills to improve Fourth District neighborhoods. I know the issues facing our community. I know it's results that count!

I'm proud of my leadership on the Market Creek Plaza development team — bringing needed jobs, services and businesses to our community. As your councilmember, I'm committed to:

- ✓ affordable housing
- ✓ increasing neighborhood services
- ✓ creating jobs and growing our economy
- ✓ improving schools
- ✓ making our neighborhoods safe

I'll build the coalitions necessary to get these things done and bring the results we need.

Please vote **Dwayne Crenshaw for City Council**. I'd be honored to have your support.
