Dear Members of the City Council,

As you know, the controversial One Paseo project has been vigorously debated in the community for the past several years. Thousands of local residents and tens of thousands of San Diegans have raised serious concerns about the project. Four community planning boards rejected One Paseo and now more are speaking out about the dangerous precedent its approval set for development in the City.

By ignoring the Carmel Valley, Del Mar Mesa, Torrey Pines and Torrey Hills community planning boards, the City Council sent a message that the feedback from planning groups has a negligible impact on land use decisions, and thus community planning groups have no important role to play in future development of their neighborhoods. I could not disagree more.

In a few weeks, the City Council may have the opportunity to reconsider the project, and I respectfully request that you give that reconsideration the time and attention it deserves.

If, after careful consideration, you are still unwilling to rescind the City Council's decision, and the Council instead elects to place the issue on the ballot, I ask that you ensure it is fairly scheduled for the June 2016 Primary Election, not a special election paid for by Kilroy Realty.

Sincerely,

By ignoring the Carmel Valley, Del Mar Mesa, Torrey Pines and Torrey Hills community planning boards, the City Council sent a message that the feedback from planning groups has a negligible impact on land use decisions, and thus community planning groups have no important role to play in future development of their neighborhoods. I could not disagree more.

In a few weeks, the City Council may have the opportunity to reconsider the project, and I respectfully request that you give that reconsideration the time and attention it deserves.

If, after careful consideration, you are still unwilling to rescind the City Council's decision, and the Council instead elects to place the issue on the ballot, I ask that you ensure it is fairly scheduled for the June 2016 Primary Election, not a special election paid for by Kilroy Realty.

Sincerely,

Dear Members of the City Council,

As you know, the controversial One Paseo project has been vigorously debated in the community for the past several years. Thousands of local residents and tens of thousands of San Diegans have raised serious concerns about the project. Four community planning boards rejected One Paseo and now more are speaking out about the dangerous precedent its approval set for development in the City.
