Dear Council Members,

As a supporter of the One Paseo project in Carmel Valley, I am deeply disappointed that after nearly seven years of careful consideration, this important local investment in the community will be further delayed by the deceptive tactics of Donahue Schriber, the well-funded owner of the Del Mar Highlands Town Center. In its backing of the referendum, Donahue Schriber has conducted a shameful campaign against this Council's thoughtful, bi-partisan, super-majority approval of One Paseo. Now that the issue has qualified to come back before you, I urge you to hold firm in your position of support and allow a public vote on this issue. Rewarding the opponents' bullying behavior by overturning your approval will simply make a mockery of our planning process and our business climate in San Diego. Please allow the voters of San Diego to have the last word.

I appreciate your careful consideration and leadership.

Dear Council Members,

I'll keep it brief - I work and live near the proposed One Paseo project. I can tell you with a high degree of confidence that a majority of the people who oppose this project, are either associated with the existing Highlands Plaza, have been misinformed about the project from the picketers at Highlands, or they are residents who are always going to vote against progress and/or change. I've spoken to many picketers and most of them are not even from the area at all. They were hired by Highlands and came in from outside areas, and have no idea of the desirability or impact of One Paseo.

As a resident and frequent customer to the Highlands Plaza, I can tell you that Carmel Valley needs another retail center and the additional residences are needed as well. Go visit Highlands on any weekend and try to find to parking, or try getting a ticket to the movie theater on a weekend. Highlands is trying to protect their businesses and have spent hundreds of thousands of dollars fighting One Paseo. They would be much better off spending the money on improvements to their Plaza and encouraging additional business across the street.

As a supporter of the One Paseo project in Carmel Valley, I am deeply disappointed that after nearly seven years of careful consideration, this important local investment in the community will be further delayed by the deceptive tactics of Donahue Schriber, the well-funded owner of the Del Mar Highlands Town Center. Four community planning boards rejected One Paseo and now more are speaking out about the dangerous precedent its approval set for development in the City.

In its backing of the referendum, Donahue Schriber has conducted a shameful campaign against this Council's thoughtful, bi-partisan, super-majority approval of One Paseo. Now that the issue has qualified to come back before you, I urge you to hold firm in your position of support and allow a public vote on this issue. Rewarding the opponents' bullying behavior by overturning your approval will simply make a mockery of our planning process and our business climate in San Diego. Please allow the voters of San Diego to have the last word.

I appreciate your careful consideration and leadership.

Dear Council Members,

As a supporter of the One Paseo project in Carmel Valley, I am deeply disappointed that after nearly seven years of careful consideration, this important local investment in the community will be further delayed by the deceptive tactics of Donahue Schriber, the well-funded owner of the Del Mar Highlands Town Center. In its backing of the referendum, Donahue Schriber has conducted a shameful campaign against this Council's thoughtful, bi-partisan, super-majority approval of One Paseo. Dear Council Members,

First of all, the fact that a political campaign can allow science to be overruled by a petition is really incredible. You did great work seeing through the baseless arguments against one paseo. Now, you must allow the voters of our fine city to make the decision... (I hate referendums because they are based on who has the deeper advertising budget) .

Dear Members of the City Council,

As you know, the controversial One Paseo project has been vigorously debated in the community for the past several years. Thousands of local residents and tens of thousands of San Diegans have raised serious concerns about the project. Four community planning boards rejected One Paseo and now more are speaking out about the dangerous precedent its approval set for development in the City.

By ignoring the Carmel Valley, Del Mar Mesa, Torrey Pines and Torrey Hills community planning boards, the City Council sent a message that the feedback from planning groups has a negligible impact on land use decisions, and thus community planning groups have no important role to play in future development of their neighborhoods. I could not disagree more.

In a few weeks, the City Council will have the opportunity to reconsider the project, and I respectfully request that you give that reconsideration the time and attention it deserves.

If, after careful consideration, you are still unwilling to rescind the City Council's decision, and the Council instead elects to place the issue on the ballot, I ask that you ensure it is fairly scheduled for the June 2016 Primary Election, not a special election paid for by Kilroy Realty.

Dear Members of the City Council,

Please RESCIND the wrongfully attained decision to allow ONE Paseo, and work to negotiate a more reasonable and safer compromise. We must not waste San Diego voter's money, time and energy on an expensive and easily manipulated campaign.

Thank you!
