Dear Members of the City Council,

As you know, the controversial One Paseo project has been vigorously debated in the community for the past several years. Thousands of local residents and tens of thousands of San Diegans have raised serious concerns about the project. Four community planning boards rejected One Paseo and now more are speaking out about the dangerous precedent its approval set for development in the City.

By ignoring the Carmel Valley, Del Mar Mesa, Torrey Pines and Torrey Hills community planning boards, the City Council sent a message that the feedback from planning groups has a negligible impact on land use decisions, and thus community planning groups have no important role to play in future development of their neighborhoods. I could not disagree more.

In a few weeks, the City Council will have the opportunity to reconsider the project, and I respectfully request that you give that reconsideration the time and attention it deserves.

If, after careful consideration, you are still unwilling to rescind the City Council's decision, and the Council instead elects to place the issue on the ballot, I ask that you ensure it is fairly scheduled for the June 2016 Primary Election, not a special election paid for by Kilroy Realty.

Sincerely,

Carol Alle

Dear Council Members,

As a supporter of the One Paseo project in Carmel Valley, I am deeply disappointed that after nearly seven years of careful consideration, this important local investment in the community will be further delayed by the deceptive tactics of Donahue Schriber, the well-funded owner of the Del Mar Highlands Town Center. In its backing of the referendum, Donahue Schriber has conducted a shameful campaign against this Council's thoughtful, bi-partisan, super-majority approval of One Paseo. Now that the issue has qualified to come back before you, I urge you to hold firm in your position of support and allow a public vote on this issue. Rewarding the opponents' bullying behavior by overturning your approval will simply make a mockery of our planning process and our business climate in San Diego. Please allow the voters of San Diego to have the last word.

I appreciate your careful consideration and leadership.

It's very disappointing that today you chose to continue the hearing until Thursday - this appears to be a transparent effort to dilute attendance by the thousands of San Diego voters opposed to this project who made time to attend today. No doubt Kilroy's paid attendees will be there - perhaps they knew they would not need to attend today?

Do the right thing Councilmembers - San Diego is watching.

Dear Members of the City Council,

As you know, the controversial One Paseo project has been vigorously debated in the community for the past several years. Thousands of local residents and tens of thousands of San Diegans have raised serious concerns about the project. Four community planning boards rejected One Paseo and now more are speaking out about the dangerous precedent its approval set for development in the City.

By ignoring the Carmel Valley, Del Mar Mesa, Torrey Pines and Torrey Hills community planning boards, the City Council sent a message that the feedback from planning groups has a negligible impact on land use decisions, and thus community planning groups have no important role to play in future development of their neighborhoods. I could not disagree more.

In a few weeks, the City Council will have the opportunity to reconsider the project, and I respectfully request that you give that reconsideration the time and attention it deserves.

If, after careful consideration, you are still unwilling to rescind the City Council's decision, and the Council instead elects to place the issue on the ballot, I ask that you ensure it is fairly scheduled for the June 2016 Primary Election, not a special election paid for by Kilroy Realty.

Dear Council Members,

As a supporter of the One Paseo project in Carmel Valley, I am deeply disappointed that after nearly seven years of careful consideration, this important local investment in the community will be further delayed by the deceptive tactics of Donahue Schriber, the well-funded owner of the Del Mar Highlands Town Center. In its backing of the referendum, Donahue Schriber has conducted a shameful campaign against this Council's thoughtful, bi-partisan, super-majority approval of One Paseo. Now that the issue has qualified to come back before you, I urge you to hold firm in your position of support and allow a public vote on this issue. Rewarding the opponents' bullying behavior by overturning your approval will simply make a mockery of our planning process and our business climate in San Diego. Please allow the voters of San Diego to have the last word.

I appreciate your careful consideration and leadership.

Sincerely,

Rebecca Mann
