During 7 years as a resident of District 2, I have had the opportunity to start a business, support local business and get to know many of our neighbors. Some of the things we have in common are our love of where we live and a desire for the best for our neighborhoods. We all have concerns, and ideas on how to make our district a better place. Unfortunately we have seen our concerns and suggestions fall on deaf ears. And when our concerns have been heard, the response is too slow or not in our best interest.

It is because of our concerns for the community that I have decided to be part of the solution by becoming our district's councilman. As Councilman I will use the skills I have developed over my years in business for building relationships and solving problems. For those of you who have felt the frustration and lack of voice, I will create more effective avenues of communication for you. I believe that through our communication I will be able to work with the other members of City Council and the Mayor's office to better our community and meet our goals.

LORENA GONZALEZ
Environmental Attorney/Mother

It's time to move San Diego forward.

I serve on the **California State Lands Commission**, where I protect our beaches and bays, preserve our public trust lands, and ensure fair market value when leasing public lands.

As **Vice-President of the League of Conservation Voters San Diego**, I work with community leaders to safeguard the environmental quality of our neighborhoods.

On the **Board of Directors of Planned Parenthood**, I am an advocate for teenage pregnancy prevention.

As the **Senior Advisor to the Lt. Governor**, I pushed for fair admissions policies at the University of California.

I worked hard to get a good education - attending **Stanford University, Georgetown University, and UCLA School of Law**. Like my mother who dedicated her life to serving others as a nurse, I've chosen to use my education to serve the community.

My husband, Don, is a Highway Patrol Officer. I know what it's like to wait and wonder and worry. **No one on the City Council will make public safety a higher priority.**

Our two young children deserve a better San Diego.

I would be honored to represent you on the City Council. I appreciate your consideration.

GREG FINLEY

My Fellow San Diegans –

Our City faces a crisis unlike any seen before in her history. Putting ambition over the better interests of our citizens has mired us in scandal and debt. Our sense of civic pride has taken a beating by stories ridiculing Enron by the Sea.

The era wherein money and endorsements have a louder voice than that of the electorate *has* to come to an end. It is time for rational, unbiased, and *transparent* decision-making: The kind you would employ in your own household or for your own business.

The financial crisis must be resolved with integrity and creativity: As your councilmember I'll work tirelessly toward this end. To the task I bring more than 30 years of experience as a local small business owner and entrepreneur, in addition to service as a volunteer member of various boards and organizations charged with envisioning new directions for our shared community. Most important, I bring my love of San Diego...My home, the home of my father and grandfather, the home of my children and grandchildren.

I am not a career politician. I will not sell our future to the highest bidder. I will honor your trust.

HE ALSO DONATED TO THE CITY VALUABLE PARKLAND OF WHICH HE CARED FOR HIMSELF AT NO CHARGE TO THE CITY; THE PARKLAND REMAINS THERE TODAY FOR ALL TO ENJOY IN HERMOSA BEACH, I WOULD VERY MUCH LIKE TO FOLLOW IN HIS FOOT STEPS HERE IN SAN DIEGO.

I WENT TO MISSION BAY HIGH SCHOOL IN PACIFIC BEACH. I HAVE STUDIED AT DESIGN INSTITUTE IN SAN DIEGO. I believe San Diego's best days are still ahead. My wife, Katherine, and I live in Point Loma with our children, Jack and Lauren. I've worked hard to improve San Diego - as Mission Bay Committee Chairman and as a leader in the fight to improve public safety. Together, we must:

RESTORE FISCAL SANITY AND ACCOUNTABILITY

No more blaming others. I'll bring accountability to City Hall and stop reckless spending immediately.

I will balance the books and cut waste to save dollars for important services like police, parks and after school programs.

OPEN CITY HALL TO THE PUBLIC

I'm committed to reforming City Hall to ensure openness and accountability.

"Kevin Faulconer possesses the honesty and integrity we need on the City Council."

Sheriff Bill Kolender

KEEP NEIGHBORHOODS SAFE

I will fight to improve fire and paramedic response times to protect our families' safety.

I'm proud to be endorsed by **District Attorney Bonnie Dumanis.**

PROTECT MISSION BAY AND OUR BEACHES

Parks and beaches must be a priority. As Mission Bay Committee Chairman, I uncovered \$17 million in park revenues politicians were using for their spending spree instead of protecting our bay!

Together we can put San Diego's troubled times behind us.

ROBERT LEE

I am proud to live in America's Finest City. In the last couple of years, though, the reputation of our great community has been tarnished. It's time for San Diego citizens and taxpayers to reclaim our city. With your help, I will return the values of honesty, integrity and public service to city government.

I will work hard to accomplish several critical tasks as the next Councilmember for District 2, especially what I call **The 3 P's**: **Pension reform**, **Public safety**, and **Potholes**.

- **Pension reform**: I will work to enact the difficult, but necessary, solutions to our pension and general fund deficits.
- **Public safety**: The most important government function. I will strongly support our Police and Fire departments.
- **Potholes**: In recent years, the infrastructure in our city - streets, sewers, sidewalks, etc. - has fallen into a state of neglect and disrepair. I will work to better use taxpayer dollars to repair and upgrade our deteriorating infrastructure.

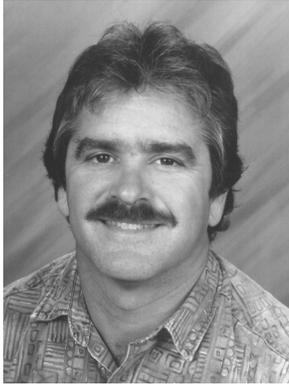

I will also work on issues like a taxpayer-friendly *Chargers* stadium, and keeping our bays and beaches clean.

On November 8, I would be honored to receive your vote for a fresh, new change.

EMPTY COFFERS EQUALS EMPTY LIVES

No need beleaguering the sad litany of crimes we've allowed our leader to commit. It's bad, but we'll survive if we get INVOLVED – not just voting – but INTERRACTING and being AWARE of the needs of our community.

So, here we go . . .

Somehow our society has FORGOTTEN the most important thing: THE QUALITY OF LIFE. You remember, education, health care, infrastructure, just some of the things we need for a healthy, vibrant, and productive community.

WHAT REALLY MATTERS

We're all in this together. Sometimes we need to help each other out; fix a window, mend a fence, give assistance to senior citizens. I've taken time to take kids to the tide pools to study marine life, been a member of the Surfrider Foundation and served as PTA president for my school. I care for the environment, and whatever happens to our community, I'll NEVER accept ANY MONEY from ANY special interest groups.

GEORGE RICHARD NAJJAR
Attorney
17-year San Diego Resident

I promise to ethically represent our beautiful district and our fine city. No special interests, no partisan agenda.

To remain America's Finest City, we must:

- * Reorganize City Hall
- * Increase public safety citywide, especially at our beaches
- * Better manage traffic, parking and growth
- * Preserve San Diego's environment. It is why we all live here, and it is the soul of our tourism industry. We must always seek the cleanest water, land and air.

Real Representation means:

- * SAVING THE MOUNT SOLEDAD CROSS – San Diegans have twice voted to save the cross, but our representatives refuse to listen to the people. I promise to carry out your instructions.
- * STEMMING ILLEGAL IMMIGRATION – Our system cannot continue to carry this burden. I will press the federal government to stem the flow of illegal immigrants, and to reimburse San Diego for the services we provide to them.
- * INCREASING THE TAX ON TOURISTS – We must raise the Transit Occupancy Tax (TOT), which taxes only tourists, to raise revenue. Our TOT is lower than the national standard.

**PAT ZAHAROPOULOS
State Prosecuting Attorney**

I'm like you.

We go to work everyday, raise our families, educate our children and pay our bills and taxes. We do not hire lobbyists to pressure policy makers or attend council meetings. We trust our government to the honesty of our elected officials.

Our city is in crisis. I will protect the interest of the public with honor. As a state appellate prosecutor for 32 years, I daily analyze vast amounts of complex information, ask relevant questions and decide the best course of action. I also use life experience and common sense.

We all want a beautiful San Diego. Flashy projects are great for our entertainment and our tourism. But the core duties of city government are protection, education and maintaining the infrastructure. It's common sense: First we budget for needs and then for wants.

I am your neighbor; the mother of two adult, San Diego-born children, who now works as a Deputy Attorney General and owes everything she has to this community.

I come to you in the true spirit of Jeffersonian democracy, a citizen's democracy. I seek this office to serve you and I promise my very best. Please, vote ZAHAROPOULOS.

**PULL THE PLUG ON SPECIAL INTERESTS
END DIRTY MONEY POLITICS**

Tired of your Tax Dollars being Looted by Politicians elected by Big Business or Labor Union Money?

In 1998, I ran for City Council on a platform of Pulling the Plug on Corporate Welfare. At that time, Corporate Interests, Land Developers and Sports Teams were looting taxpayer dollars by getting tax breaks, subsidies and sweetheart deals. Spending \$1,000, I received almost 12% of the vote in an election where over \$400,000 was spent, most of it special interest money.

During the 98 campaign I became totally disgusted by dirty money politics and joined the San Diego Alliance for Clean Elections, becoming its president in 1999. The Alliance's mission is to End Special Interest Domination of Elections.
