**RESOLUTIONS:**

ITEM-S400: The San Diego Padres Bid to Host the 2016 Major League Baseball All-Star Game in the City of San Diego.

**ITEM DESCRIPTION:**

In November 2014, the San Diego Padres submitted a Bid Proposal to Major League Baseball to host the 2016 All-Star Game at Petco Park. The City’s support will be considered by Major League Baseball in its selection of the host city for the 2016 All-Star Event Series and is considered to be an important competitive element of the Bid Proposal submitted by the Padres. These actions are to approve the waiver of up to \$1.5 million, in General Fund department fees associated with the provision of Police, Fire, Permitting, and other Operational Services, conditional upon selection of the San Diego Padres to host the five-days of events that include the 2016 All-Star Game.

**STAFF'S RECOMMENDATION:**

Adopt the following resolution:

(R-2015-328)

Finding and determining that providing support to the San Diego Padres' Bid to host the 2016 All-Star Game and related events by waiving costs for City services, will strengthen the Bid making it more likely to succeed, and that hosting the 2016 All-Star Game and related events in San Diego will benefit the City as a source of civic pride, promote the City as a tourist destination through national and international markets, and generate Transient Occupancy Tax (TOT) and Sales Tax Revenues and other Economic Benefits, all of which serve public purposes and are in the best interests of the City;

Authorizing and directing the Mayor, to agree to waive the cost of City services provided by General Fund departments of the City, including but not limited to the Police Department, Fire-Rescue Department, Park and Recreation Department, and Special Events Department, to support the All-Star Game and related events up to an aggregate of \$1.5 million calculated, using City Council approved rates and fees in effect at the time services are provided, if the San Diego Padres are selected by Major League Baseball to host the five-days of events that include the 2016 All-Star Game;

Authorizing and directing the Mayor, to require, as a condition to the waiver of the costs of services provided by the City's General Fund departments in support of the San Diego Padres' Bid to host the 2016 All-Star Game and related events, that should the total cost of services provided by the City's General Fund departments exceed \$1.5 million, the San Diego Padres shall pay the City for the cost of such City services, also calculated using City Council approved rates and fees in effect at the time services are provided;

Waiving the fees in support of the 2016 All-Star Game and related events shall not include any fees resulting from services provided by the City's Enterprise Fund departments, such as, for example, services related to code enforcement, building permits, and building inspection, and that the Mayor be, and is hereby authorized and directed to require, as a further condition on the waiver of costs for services provided by the City's General Fund departments in support of the San Diego Padres' Bid to host the 2016 All-Star Game and related events, that the San Diego Padres shall be responsible for any fees incurred for services provided by Enterprise Fund departments, calculated using City Council approved rates and fees in effect at the time services are provided;

Authorizing and directing the Mayor, to take all actions necessary to ensure the waiver and payment of fees, including entering into an Agreement for that purpose consistent with this resolution.
