DISTRICT NO. 1

BOB TRETTIN

**Homeowner; District Resident since 1961
BA, Political Science
University of California, San Diego
10 years of public and community service**

Businessman/Community Leader

57% of you opposed the incumbent in the September primary.

WHY? Because the incumbent has been ineffective on our behalf:

- ** Half of San Diego's growth is occurring in our District!
 - ** Drug-related crime has increased dramatically and our communities have received no additional police patrol support!
 - ** Our neighborhoods have been denied long overdue parks, schools, libraries, and roads!
-

**NEIGHBORHOOD SUPPORT HELPED BOB QUALIFY FOR THE GENERAL ELECTION
BECAUSE BOB HAS CONSISTENTLY SUPPORTED OUR NEIGHBORHOODS!**

Bob has served on District 1 community councils & his local planning board. He is a member of the Mid-County Transportation Coalition — working to solve our region's horrendous traffic congestion.

BOB TRETTIN WILL WORK WITH RESIDENTS FOR COMMUNITY ACCOMPLISHMENTS:

- ** Eliminate community plan violations & density increases.
 - ** Expedite construction of needed roads.
 - ** Support new schools to relieve overcrowding.
 - ** Provide new parks & recreation centers.
 - ** Add more police patrol officers.
-

BOB TRETTIN IS ENDORSED BY:

- ** San Diego Police Officers Association
- ** San Diego Firefighters Association
- ** More than three dozen District 1 community leaders

**SAN DIEGO CITY COUNCIL
DISTRICT NO. 5**

**ED STRUIKSMA
Councilmember**

Dear Friend:

As your councilmember, the toughest part of my job is balancing the concerns of different people with different ideas.

After eight years working for you, I know how important it is to strike a balance, to fairly consider everyone's thoughts before making a decision.

I have not avoided tough decisions nor have I made promises for the sake of being reelected.

My commitment remains strong to bringing our police force to a staffing level of two officers per thousand citizens. As a former police officer, I know how important this is to your safety.

I have forced developers to pay for the impact of new housing -- bringing more than \$50 million in extra parks, roads, libraries and senior centers to our district.

I have expanded Dart Service, made provisions to bring the trolley to the district, and gained funding to build I-15 carpool lanes.

Some people who've carefully compared my record and qualifications - the San Diego Union, Tribune, Police Officers Association and the San Diego Firefighters - support my reelection. More importantly, so do dozens of community leaders who've personally worked with me.

Sometimes it's not easy to tell two candidates apart.

This time the differences are clear.

**SAN DIEGO CITY COUNCIL
DISTRICT NO. 5**

LINDA BERNHARDT
Community Leader/Environmental Planner

Dear Fifth District Citizen:

Thank you, with your support I was able to finish first in the primary last September.

I'm extremely proud to have received the endorsement of the **Sierra Club**.

I have not accepted any campaign contributions from developers. My opponent has received over \$300,000 in campaign money from developers and other development related interests.

We need to use common sense in managing growth. No longer can we tolerate the irresponsible growth policy coming out of city hall.

We must stop out growing our parks, schools, roads, and sewers. Our children need adequate child care facilities. My goal is to achieve the quality of life all San Diegans deserve.

My background and involvement over the years offers the kind of experience and leadership we need as we enter the 1990's.

Here is a partial list of groups I've been involved in:

- * Co-chair San Diegans for Managed Growth
- * Mothers Against Drunk Driving
- * League of Women Voters
- * National Criminal Justice Association
- * Friends of Penasquitos Canyon
- * Save Miramar Lake Committee

I hope you will support me again on November 7th.
I CAN'T BE BOUGHT AND I WON'T BACK DOWN.

Sincerely,

Linda Bernhardt
