**NOTICE OF INTENT  
PETITION FOR THE RECALL OF LINDA BERNHARDT  
FROM THE OFFICE OF CITY COUNCIL-DISTRICT 5**

We, the undersigned registered voters of the City of San Diego District 5, demand the recall of Linda Bernhardt from the office of San Diego City Council, District 5.

The following are our reasons for seeking Linda Bernhardt's removal from the office of City Council:

The residents of San Diego's Fifth City Council District have expressed their outrage at the irresponsible lack of representation provided by their Councilmember, Linda Bernhardt. This recall petition will allow all District 5 residents the opportunity to vote for Linda Bernhardt's removal from office. And, at the same time, voters will be able to cast their ballot to elect a new Councilmember who will effectively represent our neighborhoods — not abandon them.

**PAY RAISES AND POLITICAL PAYBACKS.** Just months after taking office, Linda Bernhardt voted herself a \$4,000 pay raise, and placed her roommate on the city payroll as her chief aide at an annual salary of more than \$47,000.

**POLITICAL CORRUPTION.** Linda Bernhardt has hired a political lobbying firm which also represents several large San Diego developers. Bernhardt is paying this firm to raise campaign contributions from builders and developers to retire her \$120,000 campaign debt — a debt which city election law prohibits. Furthermore, as 1990 began, Bernhardt owed \$30,000 dollars to one partner of the lobbying firm.

**DEVELOPER CONTRIBUTIONS.** In 1989, Linda Bernhardt pledged not to accept developer contributions. Official records show that Councilmember Bernhardt has solicited and accepted thousands and thousands of dollars from the building industry since taking office.

**UNSCRUPULOUS REDISTRICTING.** Linda Bernhardt moved into Scripps Ranch so she could legally campaign for the 5th District City Council seat. Once elected, Bernhardt voted for a gerrymandered redistricting map which:

- \*\* cuts Scripps Ranch in half!
- \*\* cuts Clairemont in half!
- \*\* eliminates Scripps Ranch and Mira Mesa from District 5!
- \*\* removes more than 50,000 residents from District 5!

Now, Bernhardt has moved out of Scripps Ranch, abandoning the residents she promised to support.

Councilmember Bernhardt has abused the office to which she was elected. She has ignored the communities of Scripps Ranch, Mira Mesa, Linda Vista, Serra Mesa and Clairemont. Linda Bernhardt has violated the public trust and must be removed from office.

**TOM BEHR**  
**Community Leader/Corporate Counsel**

**TOM BEHR: Sued for your right to vote in this recall -- and won!**  
He stood up for you then, he'll stand up for you tomorrow.

**TOM BEHR: A true community leader, not a career politician.**  
He understands community needs. Long-term Planning Group leader in Kearny Mesa and Scripps Ranch. Chairs Citywide Board addressing traffic congestion reduction (Mayoral Appointee).

**TOM BEHR: Record of honesty and service.**  
A Navy SEABEE in Vietnam, he built orphanages and hospitals. Longtime homeowner and District resident since 1982, Youth Soccer coach and volunteer counsel to his family's church.

**TOM BEHR: Outstanding professional achievements.**  
As engineer and corporate legal counsel, he brings 25 years of business success to City Hall. From negotiating complicated contracts to multi-million dollar budgets, he is ready to lead!

**TOM BEHR: Neighborhood platform.**

- Water -- "Ending the shortage requires an effective citywide conservation plan."
- Growth -- "Planned growth is a must and begins by listening to the community."
- Crime -- "Neighborhood Watch is top priority. We need two officer patrols in high crime areas."

Tom is 47, married 17 years to Lila -- with children Brandon (8), Dana (7), Lauren (5) and Christopher (2).

**Vote for TOM BEHR!**  
**RESTORE TRUST AND HONEST REPRESENTATION**

**KEN MOSER**

KEN MOSER, A HOMEOWNER IN MIRA MESA FOR FOUR YEARS, IS A MEMBER OF THE TOWN COUNCIL, AND HAS BEEN ACTIVE IN COMMUNITY SERVICES SINCE BECOMING A RESIDENT. HE WAS BORN, RAISED AND RECEIVED HIS COLLEGE EDUCATION IN MINNESOTA. HE FIRMLY BELIEVES IN HONESTY IN GOVERNMENT, AND HAS BEEN THOROUGHLY DISAPPOINTED WITH OUR PRESENT REPRESENTATION. KEN IS THE ONLY CANDIDATE WHO WORKED ON THE RECALL COMMITTEE TO ALLOW YOU TO RE-ACCESS YOUR CHOICE OF REPRESENTATION, WHICH IS WHY HE IS SEEKING POLITICAL OFFICE FOR THE FIRST TIME. WITH NO PRIOR POLITICAL "BAGGAGE," HE FEELS HE CAN REPRESENT THE DISTRICT FOR THE NEEDS OF THE PEOPLE, INSTEAD OF FOR THE WISHES OF THE PRIVILEGED FEW. TO FURTHER SUBSTANTIATE THIS, HE HAS PLEDGED A LIMIT OF TWO TERMS IN OFFICE SHOULD HE BE CHOSEN TO REPRESENT YOU. BELIEVING IN A POLICY OF CONTROLLED GROWTH, HE FEELS THAT TRAFFIC PROBLEMS IN OUR DISTRICT SHOULD BE ADDRESSED AND RESOLVED, BEFORE FURTHER DEVELOPMENT IS ALLOWED. A TRUE ENVIRONMENTALIST COMMITTED TO PROTECTING OUR DWINDLING OPEN SPACE, HE HAS FURTHER PLEDGED TO BAN THE USE OF FERTILIZERS ON THE NORTH SHORE OF LAKE MIRAMAR SO THAT DISTRICT FIVE'S GREATEST RESOURCE IS PREVENTED FROM BECOMING ANOTHER ALGAE POND.

CITY COUNCIL DISTRICT 5**

**LES BRAUND**

**Do you trust the San Diego City Council to do the right thing?**

**Les Braund is the only Managed Growth candidate in the District 5 race. He is endorsed by Prevent Los Angelization Now (PLAN!).**

**As a Responsible Councilmember, Les Braund will:**

- \* Fight higher taxes, rates, and fees
- \* Insure there is enough water available before new development can be approved
- \* Work to prevent Los Angeles-style traffic congestion
- \* Protect San Diego's remaining environmentally sensitive lands
- \* Make sure District 5 receives adequate police protection

**As an Accessible Councilmember, Les Braund will:**

- \* Open a neighborhood walk-in office
- \* Establish frequent open forums in the District

**As an Involved Community Leader, Les is:**

- \* A Board Member of PLAN!
- \* A member of the Mira Mesa Planning Group and Town Council.
- \* A Board Member of Save Miramar Lake Committee.

**I have lived in our community for over 20 years. I appreciate your vote on April 9th.**

**FLOYD MORROW**

**Age: 58**

**Businessman - Attorney - Retired Councilman**

**BECAUSE WE CAN DEPEND ON HIM**

**Accomplishment -- Cooperation**

For twelve years Floyd Morrow served on a San Diego City Council whose members put aside differences and worked together to protect our community.

**Protecting Our Environment**

Floyd Morrow fought to create Tecolote, Mission Bay, Kearny Mesa and Mission Trails parks. He worked to adopt San Diego's nationally recognized growth management plan which, if obeyed by later councils, would have reduced recent development.

**Balancing the Budget -- Fighting Crime**

Floyd Morrow's council increased funds for police and still balanced the city's budget, earning Paul Gann's praise: "If all cities were as well run as San Diego, we wouldn't have needed Prop. 13."

**Dear Neighbor:**

As a Korean War veteran, a prosecutor in the City Attorney's office, a City Councilman, and more recently a local businessman, I've tried to give back what I could to a community that has been good to me.

Now, I ask for your vote to represent you again on the City Council. You can depend on me to bring back a spirit of fairness and cooperation at City Hall; to represent your interests -- not the special interests -- in the tough decisions our city faces.

Age: 35  
B.S. in City and Regional Planning  
Member, Vineyard Christian Church  
Adult Literacy Tutor, Project Read  
LEAD San Diego 1991 Graduate

The primary issues that face San Diego are the consequence of poor land use decisions — traffic, water supply, air and water quality, natural resource preservation, and growth management. I have a demonstrated ability to work with people of varied opinions and more importantly to listen to their concerns. The solutions to our problems may not be easy ones. However, we need to start moving toward solutions that pave a positive future for all San Diegans.

My eleven years of land use planning experience in San Diego has provided me with skills to work with the public and private sector. This work experience tempered with my being a fourth generation San Diegan has given me a historical perspective to help guide San Diego into the next century.

The City Council has become polarized and ineffective. The City and its citizens continue to suffer the consequences of this inaction. Join me in this positive step toward a new future for San Diego.

**Dena Holman** is a committed environmentalist and member of the Sierra Club and Nature Conservancy.

**Dena Holman** on Leadership and Integrity . . .

Leadership is more than talk, it's taking a stand and adhering to a set of values. It's not the promises you make but the promises you keep that matter . . . we need term limits for elected officials and campaign finance reform . . . special interests and politicians' personal agendas have corrupted government.

**On the Environment** . . .

We need elected officials who are not beholden to the interests of the developers . . . a strong growth management plan and tough water conservation programs.

**On Neighborhood Representation** . . .

City Hall needs to reach out to our neighborhoods and community leaders . . . elected officials need to listen to neighborhood activists and act on their concerns.

**DENA HOLMAN**  
**Integrity not politics.**
