COUNCIL ACTION
EXECUTIVE SUMMARY SHEET
CITY OF SAN DIEGO

DATE: 5/12/2015

ORIGINATING DEPARTMENT: City Attorney

SUBJECT: Authorizing the Distribution of the Preliminary Official Statement Public Facilities Financing Authority of the City of San Diego's Lease Revenue Refunding Bonds, Series 2015 (Ballpark).

COUNCIL DISTRICT(S): NA

CONTACT/PHONE NUMBER: Brant Will/619-236-6220, 59

REQUESTED ACTION:

Approve the resolution approving the form and authorizing the distribution of the Preliminary Official Statement and final Official Statement for the Authority's Lease Revenue Refunding Bonds, Series 2015 (Ballpark).

STAFF RECOMMENDATION:

Approve the resolution.

EXECUTIVE SUMMARY OF ITEM BACKGROUND:

This action would approve the form and authorize the distribution of the Preliminary Official Statement and final Official Statement to be used in marketing the Public Facilities Financing Authority's Lease Revenue Refunding Bonds, Series 2015 (Ballpark) (Ballpark Bonds).

The City Council of the City of San Diego has requested the assistance of the Authority in issuing the Ballpark Bonds in order to refund the Authority's Lease Revenue Refunding Bonds, Series 2007A. The bonds are related to the City's financing of the construction of Petco Park.

On March 17, 2015, the Board of Commissioners of the Authority (Board) approved the issuance of Ballpark Bonds in an amount not to exceed \$136 million. This action by the Board, along with the companion action by the City Council, is the final legislative act necessary to authorize the issuance of the Ballpark Bonds. The Ballpark Bonds are expected to be issue in June or July 2015.

FISCAL CONSIDERATIONS:

EQUAL OPPORTUNITY CONTRACTING INFORMATION (IF APPLICABLE):

PREVIOUS COUNCIL and/or COMMITTEE ACTION (describe any changes made to the item from what was presented at committee):

On March 17, 2015, the Board of Commissioners adopted resolution no. FA-2015-2 approving the issuance fo the Ballpark Bonds.

PUBLIC FACILITIES FINANCING AUTHORITY
OF THE CITY OF SAN DIEGO

RESOLUTION NUMBER FA-2015-5

ADOPTED ON May 19, 2015

A RESOLUTION OF THE BOARD OF COMMISSIONERS OF THE PUBLIC FACILITIES FINANCING AUTHORITY OF THE CITY OF SAN DIEGO APPROVING THE FORM AND AUTHORIZING THE DISTRIBUTION OF THE PRELIMINARY OFFICIAL STATEMENT; AUTHORIZING THE EXECUTION, DELIVERY AND DISTRIBUTION OF THE OFFICIAL STATEMENT IN CONNECTION WITH THE ISSUANCE AND SALE BY THE PUBLIC FACILITIES FINANCING AUTHORITY OF THE CITY OF SAN DIEGO OF ITS LEASE REVENUE REFUNDING BONDS, SERIES 2015 (BALLPARK REFUNDING); AND APPROVING OTHER DOCUMENTS AND ACTIONS IN CONNECTION THEREWITH.

WHEREAS, The City of San Diego (City), the City as the Successor Agency to the Redevelopment Agency of the City of San Diego, and the Housing Authority of the City of San Diego have heretofore entered into a Third Amended and Restated Joint Exercise of Powers Agreement dated January 1, 2013 (the Joint Powers Agreement), which created and established the Public Facilities Financing Authority of the City of San Diego (the Authority) for the purpose, among others, of issuing its bonds to be used to provide financial assistance to the City to finance and refinance public capital improvements; and

WHEREAS, pursuant to Article 4 of Chapter 5 of Division 7 of Title 1 of the Government Code of the State of California (Act) and the Joint Powers Agreement, the Authority is authorized to issue bonds for financing and refinancing public capital improvements whenever there are significant public benefits; and

WHEREAS, the Authority authorized and approved the issuance by the Authority of not to exceed \$136,000,000 aggregate principal amount of its Lease Revenue Refunding Bonds, Series 2015 (Ballpark Refunding) (Series 2015 Bonds) to refund the Authority's outstanding Lease Revenue Refunding Bonds, Series 2007A; and

WHEREAS, there has been presented to this meeting a proposed form of Preliminary Official Statement relating to the Series 2015 Bonds (Preliminary Official Statement), which the underwriters will use in marketing the Series 2015 Bonds; and

WHEREAS, the Authority is authorized to undertake the actions described in this Resolution pursuant to the laws of the State of California.

NOW, THEREFORE, BE IT RESOLVED by the Board of Commissioners of the Public Facilities Financing Authority of the City of San Diego as follows:

1. The Authority hereby finds and determines that the statements set forth above in the recitals to this Resolution are true and correct.

2. The form and content of the proposed Preliminary Official Statement substantially in the form presented to and considered at this meeting, are hereby approved, with such changes thereto as any Chair of the Authority or Vice Chair of the Authority and each of them or any of their respective designees (each, an Authorized Signatory) may require or approve, such approval to be conclusively evidenced by the execution of the certificate described below by an Authorized Signatory. Each Authorized Signatory is hereby severally authorized and directed, for and in the name of and on behalf of the Authority, to execute and deliver an official statement with respect to the Series 2015 Bonds (Official Statement), in substantially the form of the final Preliminary Official Statement, with such changes thereto as such Authorized Signatory executing and delivering such document shall determine to be necessary and desirable and shall require or approve and believes to be in the best interests of the Authority and the City, such requirement or approval to be conclusively evidenced by the execution and delivery thereof. The use and distribution of electronic or physical copies of the Preliminary Official Statement and the Official Statement to persons who may be interested in the purchase of Series 2015 Bonds is

hereby authorized and approved. Each Authorized Signatory, acting alone, is hereby authorized to certify on behalf of the Authority that the Preliminary Official Statement is deemed final as of its date, within the meaning of Rule 15c2-12 promulgated by the Securities and Exchange Commission (except for the omission of certain information as permitted by such Rule) (15c2-12 Certificate).

3. All actions heretofore taken by any Authorized Signatory or by any officers, employees, agents or directors of the Authority in connection with or related to the Preliminary Official Statement or the Official Statement are hereby approved, confirmed and ratified. Any Authorized Signatory, the Secretary of the Authority, the General Counsel to the Authority and other officers, employees, agents and directors of the Authority are, and each of the foregoing acting alone or through their specified designee, is hereby authorized and directed, for and in the name and on behalf of the Authority, to do any and all things, take any and all actions, and execute and deliver such documents, agreements and certificates, which they, or any of them, may deem necessary or advisable to effectuate the purposes of this Resolution and to consummate the transactions authorized hereby. In addition, any Authorized Signatory is hereby authorized to approve additions and changes to the Preliminary Official Statement, as any Authorized Signatory shall determine are necessary or desirable and shall require or approve and that such Authorized Signatory believes to be in the best interests of the Authority, such determination shall be conclusively evidenced by the execution and delivery of the 15c2-12 Certificate.

4. This Resolution shall take effect immediately upon its adoption.

In the opinion of Nixon Peabody LLP (“Bond Counsel”), under existing law and assuming compliance with the tax covenants described herein, and the accuracy of certain representations and certifications made by the Authority and the City described herein, interest on the Series 2015 Bonds is excluded from gross income for federal income tax purposes under Section 103 of the Internal Revenue Code of 1986, as amended (the “Code”). Bond Counsel is also of the opinion that such interest is not treated as a preference item in calculating the alternative minimum tax imposed under the Code with respect to individuals and corporations. Bond Counsel is further of the opinion that interest on the Series 2015 Bonds is exempt from personal income taxes of the State of California under present state law. See “TAX MATTERS” herein.

[\$AMOUNT]*
PUBLIC FACILITIES FINANCING AUTHORITY
OF THE CITY OF SAN DIEGO
LEASE REVENUE REFUNDING BONDS
SERIES 2015
(BALLPARK REFUNDING)

Dated: Date of Delivery

Due: As shown on the inside cover

This cover contains certain information for general reference only. It is not a summary of this issue. Investors must read the entire Official Statement, including the Appendices, to obtain information essential to making an informed investment decision.

The Public Facilities Financing Authority of the City of San Diego (the “Authority”) is issuing \$[AMOUNT]* aggregate principal amount of its Lease Revenue Refunding Bonds, Series 2015 (Ballpark Refunding) (the “Series 2015 Bonds”) pursuant to the Indenture, dated as of July 1, 2015 (the “Indenture”), by and between the Authority and Wells Fargo Bank, National Association, as trustee (the “Trustee”).

The Series 2015 Bonds are being issued to (i) refund the Authority’s Lease Revenue Refunding Bonds, Series 2007A (Ballpark Refunding); and (ii) pay costs of issuance incurred in connection with the issuance of the Series 2015 Bonds. See “PLAN OF REFUNDING.”

The Series 2015 Bonds are being issued as fully registered bonds, without coupons, registered in the name of Cede & Co. as nominee of The Depository Trust Company, New York, New York (“DTC”). Individual purchases of the Series 2015 Bonds will be made in book-entry form only, in the principal amount of \$5,000 or any multiple thereof. Interest on the Series 2015 Bonds will be payable on April 15 and October 15 of each year, commencing October 15, 2015. See “THE SERIES 2015 BONDS.”

The Series 2015 Bonds are payable from revenues derived from Base Rental Payments paid by the City of San Diego (the “City”) pursuant to the Facility Lease (defined below) for the use and occupancy of the Leased Property (defined below), and amounts on deposit in the Revenue Fund and the Redemption Fund established under the Indenture, all as set forth in the Indenture. Base Rental Payments are due annually on the third Business Day preceding each October 15 in amounts sufficient to make the principal and interest payments due on the Series 2015 Bonds on October 15 and the ensuing April 15. Base Rental Payments are subject to abatement under certain circumstances. There is no debt service reserve fund for the Series 2015 Bonds. The City will lease real property of the City, together with the portion of the improvements located thereon that are owned by the City (the “Leased Property”), comprised of the baseball stadium used by the San Diego Padres major league baseball team (exclusive of items owned by the team) and an adjacent park, to the Authority pursuant to the Amended and Restated Site Lease, dated as of July 1, 2015 (the “Site Lease”), by and between the City and the Authority. The Authority will lease the Leased Property back to the City pursuant to the Amended and Restated Ballpark Facility Lease, dated as of July 1, 2015 (the “Facility Lease”), by and between the Authority and the City. The Series 2015 Bonds are also payable from insurance or condemnation awards, if any, arising under the Facility Lease. See “SECURITY AND SOURCES OF PAYMENT FOR THE SERIES 2015 BONDS” and “RISK FACTORS.”

The Series 2015 Bonds are subject to optional and special mandatory redemption, as more fully set forth herein. See “THE SERIES 2015 BONDS – Redemption Provisions.”

THE SERIES 2015 BONDS ARE SPECIAL, LIMITED OBLIGATIONS OF THE AUTHORITY SECURED SOLELY BY THE REVENUES AND OTHER AMOUNTS PLEDGED UNDER THE INDENTURE, AND DO NOT CONSTITUTE A DEBT, LIABILITY OR OBLIGATION OF THE CITY, THE STATE OF CALIFORNIA OR ANY OF ITS POLITICAL SUBDIVISIONS, AND NEITHER THE FAITH AND CREDIT OF THE CITY NOR THE STATE ARE PLEDGED TO THE PAYMENT OF THE PRINCIPAL OF OR INTEREST ON THE SERIES 2015 BONDS. THE AUTHORITY HAS NO TAXING POWER. THE SERIES 2015 BONDS DO NOT CONSTITUTE INDEBTEDNESS WITHIN THE MEANING OF ANY CONSTITUTIONAL OR STATUTORY DEBT LIMITATION OR RESTRICTION WITH RESPECT TO THE CITY OR ANY OTHER POLITICAL SUBDIVISION OR GOVERNMENTAL ENTITY.

The Series 2015 Bonds are offered when, as and if issued and received by the Underwriters, subject to the approval of validity by Nixon Peabody LLP, Bond Counsel to the City and the Authority, and certain other conditions. Certain legal matters will be passed upon for the City and the Authority by the City Attorney and Nixon Peabody LLP, Disclosure Counsel to the City and the Authority, and for the Underwriters by their counsel, Sidley Austin LLP, San Francisco, California. It is anticipated that the Series 2015 Bonds will be available for delivery through the facilities of DTC in book-entry form on or about _____, 2015.

No dealer, broker, salesperson or other person has been authorized by the Authority or the City to give any information or to make any representations other than those contained herein, and if given or made, such other information or representation must not be relied upon as having been authorized by the Authority or the City. This Official Statement does not constitute an offer to sell or the solicitation of an offer to buy nor shall there be any sale of the Series 2015 Bonds by a person in any jurisdiction in which it is unlawful for such person to make an offer, solicitation or sale.

This Official Statement is not to be construed as a contract with the purchasers of the Series 2015 Bonds. Statements contained in this Official Statement which involve estimates, forecasts or matters of opinion, whether or not expressly so described herein, are intended solely as such and are not to be construed as a representation of facts.

The Underwriters have provided the following sentence for inclusion in this Official Statement. The Underwriters have reviewed the information in this Official Statement in accordance with, and as a part of, their responsibilities to investors under the federal securities laws as applied to the facts and circumstances of this transaction, but the Underwriters do not guarantee the accuracy or completeness of such information.

The information in APPENDIX E — “DTC AND THE BOOK-ENTRY-ONLY SYSTEM” attached hereto has been furnished by The Depository Trust Company and no representation has been made by the Authority, the City or the Underwriters as to the accuracy or completeness of such information.

The information set forth herein other than that provided by the City or the Authority, although obtained from sources which are believed by the City to be reliable, is not guaranteed by the City or the Authority as to accuracy or completeness. The information and expressions of opinions herein are subject to change without notice and neither delivery of this Official Statement nor any sale made hereunder shall, under any circumstances, create any implication that there has been no change in the affairs of the City since the date thereof. This Official Statement is submitted with respect to the sale of the Series 2015 Bonds referred to herein and may not be reproduced or used, in whole or in part, for any other purpose, unless authorized in writing by the City. All summaries of documents and laws are made subject to the provisions thereof and do not purport to be complete statements of any or all such documents and laws.

In connection with this offering, the Underwriters may overallocate or effect transactions which stabilize or maintain the market prices of the Series 2015 Bonds at levels above those which might otherwise prevail in the open market. Such stabilizing, if commenced, may be discontinued at any time. The Underwriters may offer and sell the Series 2015 Bonds to certain dealers, institutional investors and others at prices lower or yields higher than the public offering prices or yields stated on the inside front cover hereof, and said public offering prices may be changed from time to time by the Underwriters.

A wide variety of other information, including financial information, concerning the City, is available from publications and websites of the City and others. Any such information that is inconsistent with the information set forth in this Official Statement should be disregarded. No such information is a part of or incorporated into this Official Statement, except as expressly noted.

OFFICIAL STATEMENT

\$[AMOUNT]*
**PUBLIC FACILITIES FINANCING AUTHORITY
OF THE CITY OF SAN DIEGO
LEASE REVENUE REFUNDING BONDS
SERIES 2015
(BALLPARK REFUNDING)**

INTRODUCTION

This Introduction contains only a brief summary of certain terms of the Series 2015 Bonds being offered hereby, and other material information. All statements contained in this Introduction are qualified in their entirety by reference to the entire Official Statement, including the Appendices. References to, and summaries of, provisions of the City Charter, the Constitution and laws of the State of California and any documents referred to herein do not purport to be complete and such references are qualified in their entirety by reference to the complete provisions thereof. This Official Statement speaks only as of its date, and the information contained herein is subject to change.

General

This Official Statement, which includes the cover page, inside cover page, and appendices hereto (the “Official Statement”), is provided for the purpose of setting forth information concerning the issuance and sale by the Public Facilities Financing Authority of the City of San Diego (the “Authority”) of \$[AMOUNT]* aggregate principal amount of its Lease Revenue Refunding Bonds, Series 2015 (Ballpark Refunding) (the “Series 2015 Bonds” or the “Series 2015 Ballpark Refunding Bonds”). Capitalized terms not otherwise defined herein have the meanings given in the Indenture and the Facility Lease (each hereinafter defined) or in APPENDIX C — “SUMMARY OF LEGAL DOCUMENTS.”

Authority; Purpose for Issuance

The Series 2015 Bonds are authorized under the provisions of Article 4 of the California Joint Exercise of Powers Act (commencing with Section 6500) constituting Chapter 5 of Division 7 of Title 1 of the California Government Code (the “Act”) and the laws of the State of California. The Series 2015 Bonds are being issued pursuant to the Indenture, dated as of July 1, 2015 (the “Indenture”), by and between the Authority and Wells Fargo Bank, National Association, as trustee (the “Trustee”).

The Series 2015 Bonds are being issued to (i) refund the Authority’s Lease Revenue Refunding Bonds, Series 2007A (Ballpark Refunding) (the “Series 2007A Bonds”); and (ii) pay costs of issuance incurred in connection with the issuance of the Series 2015 Bonds. See “PLAN OF REFUNDING.”

The Lease Payments and the Leased Property

The City, exercising its powers under the City Charter (the “Charter”) to convey and lease property, will lease certain interests in real property of the City, together with the portion of the improvements located thereon that are owned by the City (the “Leased Property”), comprised of the baseball stadium used by the San Diego Padres major league baseball team (the “Padres”) exclusive of the Padres Improvements (the “Ballpark”) and an adjacent park, to the Authority pursuant to the Amended and Restated Site Lease, dated as of July 1, 2015 (the “Site Lease”), by and between the City and the Authority. The Authority will lease the Leased Property back to the City pursuant to the Amended and Restated Ballpark Facility Lease, dated as of July 1, 2015 (the “Facility Lease”), by and between the Authority and the City. Base Rental Payments made

* Preliminary; subject to change.

from the City's general fund pursuant to the Facility Lease are the source of payment for the Series 2015 Bonds. The Series 2015 Bonds are not payable from revenues of the Ballpark.

The Padres Improvements are those improvements in the Ballpark that are owned by the Padres including the seats, concession stands, offices, clubhouses, paying field, fences, gates, landscaping, plumbing, woodwork and other fixtures. The Padres Improvements are identified in the Joint Use and Management Agreement, dated as of February 1, 2000, as amended by Amendment No. 1 to the Joint Use and Management Agreement, dated as of May 21, 2012 (collectively, the "JUMA"), each by and between the City and the Padres. See "SECURITY AND SOURCES OF PAYMENT FOR THE SERIES 2015 BONDS – Joint Use and Management Agreement" and APPENDIX C – "SUMMARY OF LEGAL DOCUMENTS – The Joint Use and Management Agreement."

Not later than the third Business Day prior to each Lease Payment Date (occurring on October 15 of each year commencing October 15, 2015) during the term of the Lease, the City is required to pay to the Trustee the Base Rental Payments ("Base Rental Payments") due on such Lease Payment Date from the City's General Fund, or from other legally available sources. Base Rental Payments sufficient to pay principal of and interest on the Series 2015 Bonds due and payable on both October 15 and the ensuing April 15 will be deposited with the Trustee three Business Days prior to each October 15. The Trustee, as assignee of the Authority, will receive the Base Rental Payments for the benefit of the Owners of the Bonds and credit such Base Rental Payments to the Revenue Fund established pursuant to the Indenture. Under the Facility Lease, the City covenants to take such action as may be necessary to include all Base Rental Payments payable under the Facility Lease in its operating budget for each fiscal year and make the necessary annual appropriations therefor. The Facility Lease provides that such covenants of the City are deemed by the City to be and will be construed to be ministerial duties imposed by law. The Series 2015 Bonds are not secured by any security interest in or mortgage on the Leased Property or any other property.

During any period in which material damage, destruction, title defect or condemnation of all or a portion of the Leased Property or other event results in substantial interference with the use and occupancy of the Leased Property or any portion thereof, such that the annual fair rental value of the Leased Property available for use and occupancy by the City is less than the annual Lease Payments due under the Facility Lease, all or a portion of the Base Rental Payments due under the Facility Lease will be abated such that the remaining Base Rental Payments due under the Facility Lease in any Lease Year do not exceed the annual fair rental value for the use of the portion of the Leased Property not affected.

In the event of any such interruption of use and occupancy, the Facility Lease will continue in full force and effect and proceeds of use and occupancy insurance, if any, will be used to pay Base Rental Payments that would otherwise be abated. Abatement of Base Rental Payments under such circumstances is not an event of default under the Facility Lease. See "SECURITY AND SOURCES OF PAYMENT FOR THE SERIES 2015 BONDS – Abatement of Lease Payments," "RISK FACTORS – Abatement" and APPENDIX C — "SUMMARY OF LEGAL DOCUMENTS – THE FACILITY LEASE – Rental Payments – Rental Abatement."

Indenture and Security for the Bonds

The Series 2015 Bonds are limited obligations of the Authority secured under the Indenture solely by a pledge of Revenues (defined below) and moneys held in the Revenue Fund and the Redemption Fund under the Indenture and by an assignment and security interest in the Authority's rights (except for certain rights to indemnification) under the Site Lease and the Facility Lease. The Revenues consist of (a) all Base Rental Payments, prepayments, insurance proceeds and condemnation proceeds with respect to the Leased Property and (b) the Revenue Fund and all interest and other income deposited, pursuant to the Indenture, in the Revenue Fund. There is no debt service reserve fund for the Series 2015 Bonds.

Additional Bonds

The Authority may at any time issue Additional Bonds pursuant to a Supplemental Indenture, payable from the Revenues as provided in the Indenture and secured by a pledge of and charge and lien upon the Revenues and other security pledged under the Indenture equal to the pledge, charge and lien securing the Series 2015 Bonds and subject to the conditions precedent set forth in the Indenture. See “SECURITY AND SOURCES OF PAYMENT FOR THE SERIES 2015 BONDS – Additional Bonds.”

Bondholders’ Risks

There are a number of risks associated with the purchase of the Series 2015 Bonds. See “RISK FACTORS” for a discussion of some of these risks.

Cautionary Statement Regarding Forward-Looking Statements

Certain statements included or incorporated by reference in this Official Statement constitute “forward-looking statements.” Such statements are generally identifiable by the terminology used such as “plan,” “expect,” “estimate,” “budget,” “projected” or other similar words. The achievement of results or other expectations contained in such forward-looking statements involve known and unknown risks, uncertainties and other factors which may cause actual results, performance or achievements to be materially different from any projected results, performance or achievements expressed or implied by such forward-looking statements. Although the expectations reflected in such forward-looking statements are believed by the City to be reasonable, there can be no assurance that such expectations will prove to be correct in whole or in part. Neither the Authority nor the City is obligated to issue any updates or revisions to the forward-looking statements if or when expectations, events, conditions or circumstances on which such statements are based do or do not occur.

The presentation of information in APPENDIX A — “CITY GOVERNMENT AND FINANCIAL INFORMATION” is intended to show recent historical information (except as otherwise indicated), and the City disclaims any representation that any of such information may indicate future or continuing trends in the financial condition, results of operations or any other affairs of the City. No representation is made that past experience, results of operations or financial condition, as it might be shown by such financial and other information, will continue or be repeated in the future. References in this Official Statement to any particular fiscal year (*e.g.*, Fiscal Year 2014) shall mean the fiscal year ending on June 30 of the referenced year.

Other Information in This Official Statement

For important information regarding the City’s budget and finances, see APPENDIX A — “CITY GOVERNMENT AND FINANCIAL INFORMATION.” In addition, demographic, financial and other information with respect to or affecting the City is contained elsewhere in APPENDIX A — “CITY GOVERNMENT AND FINANCIAL INFORMATION,” in APPENDIX B — “DEMOGRAPHIC AND ECONOMIC INFORMATION REGARDING THE CITY” and in the City’s Comprehensive Annual Financial Report (“CAFR”) for Fiscal Year 2014, which includes the City’s audited basic financial statements as of and for the fiscal year ended June 30, 2014. The CAFR is available on the Municipal Securities Rulemaking Board’s Electronic Municipal Market Access system (“EMMA”) at <http://emma.msrb.org/EP844979-EP653900-EP1055621.pdf>, and is incorporated by reference herein and constitutes a part of this Official Statement.

Brief descriptions of the Series 2015 Bonds, the Indenture, the Facility Lease, the Site Lease, and other documents and information are included in this Official Statement, including the Appendices hereto. Such descriptions and information do not purport to be comprehensive or definitive, and are qualified in their entirety by reference to the documents summarized, copies of which may be obtained upon request to Wells

Fargo Bank, National Association, 333 South Grand Ave, 5th Floor, Los Angeles, California, 90071; Corporate Trust Department, Phone: (213) 253-7517, Fax: (213) 253-7598.

THE SERIES 2015 BONDS

General Terms

The Series 2015 Bonds will be dated, and accrue interest from, the date of their delivery and will bear interest at the rates per annum and mature in the amounts and on the dates shown on the inside cover page of this Official Statement. The Series 2015 Bonds will be issued as fully registered bonds, without coupons, registered in the name of Cede & Co., as nominee of the Depository Trust Company, New York, New York (“DTC”). Individual purchases of the Series 2015 Bonds will be made in book-entry form only in the principal amount of \$5,000 or any multiple thereof. Interest on the Series 2015 Bonds will be payable on April 15 and October 15 of each year, commencing October 15, 2015 (each, an “Interest Payment Date”). The Trustee will make payments of the principal of and interest on the Series 2015 Bonds directly to DTC, or its nominee, Cede & Co., so long as DTC or Cede & Co., or other affiliate or nominee of DTC, is the registered owner of the Series 2015 Bonds. See APPENDIX E — “DTC AND THE BOOK-ENTRY ONLY SYSTEM.”

Except as otherwise provided in the Indenture, interest on the Series 2015 Bonds will be payable semiannually on each Interest Payment Date to the person whose name appears on the Registration Books as the Owner thereof as of the Record Date (which will be DTC, so long as the book-entry system with DTC is in effect) immediately preceding each such Interest Payment Date, such interest to be paid by check of the Trustee mailed on such Interest Payment Date by first class mail to the Owners at the respective addresses of such Owners as they appear on the Registration Books; provided however, that payment of interest may be by wire transfer of immediately available funds to an account in the United States of America to any Owner of Series 2015 Bonds in the aggregate principal amount of \$1,000,000 or more who furnishes written wire instructions to the Trustee at least five days before the applicable Record Date. Principal of the Series 2015 Bonds upon maturity or earlier redemption of such Series 2015 Bonds will be paid by check of the Trustee upon presentation and surrender thereof at the Office of the Trustee. Principal of and interest on the Bonds will be payable in lawful money of the United States of America. See APPENDIX E — “DTC AND THE BOOK-ENTRY ONLY SYSTEM.”

Redemption Provisions

Optional Redemption of Series 2015 Bonds. The Series 2015 Bonds maturing on or before October 15, 20__ are not subject to optional redemption prior to their respective stated maturities. The Series 2015 Bonds maturing on or after October 15, 20__, shall be subject to optional redemption, in whole or in part upon forty-five (45) days written notice to the Trustee by the City of its intention to optionally prepay all or a portion of the Base Rental Payments, on any date on or after October 15, 20__, from any available source of funds of the City, at a redemption price equal to the principal amount of the Series 2015 Bonds to be redeemed, together with accrued interest thereon to the date fixed for redemption, without premium. Any such redemption will be in such order of maturity as the City will designate in the above-mentioned notice (and, if no specific order of redemption is designated by the City, *pro rata* among maturities).

Special Mandatory Redemption. The Series 2015 Bonds will be subject to redemption as a whole or in part on any date, to the extent the Trustee has received hazard or title insurance proceeds or condemnation proceeds not used to repair or replace any portion of the Leased Property damaged, destroyed or taken and elected by the City to be used for such purpose as provided in the Indenture, at a redemption price equal to the principal amount thereof, together with interest accrued thereon to the date fixed for redemption, without premium.

Selection for Redemption. If less than all of the Series 2015 Bonds of a particular maturity are to be redeemed, the Trustee will select the Series 2015 Bonds to be redeemed from all Series 2015 Bonds of such

maturity or such given portion thereof not previously called for redemption, by lot in any manner which the Trustee in its sole discretion deems appropriate. For purposes of such selection, the Trustee will treat each Series 2015 Bond as consisting of separate \$5,000 portions and each such portion will be subject to redemption as if such portion were a separate Series 2015 Bond. If less than all Outstanding Bonds are called for redemption from proceeds of eminent domain or insurance at any one time, the City will designate a principal amount in each maturity to be redeemed.

Notice of Redemption. Notice of redemption will be mailed by the Trustee by first class mail, postage prepaid, not less than 30 nor more than 60 days before any redemption date, to the respective Owners of any Series 2015 Bonds designated for redemption at their addresses appearing on the Registration Books, and to the Securities Depositories by means acceptable to such institutions. Each notice of redemption will state the name of the Series 2015 Bonds to be redeemed, the date of the notice, the redemption date, the place or places of redemption, whether less than all of the Series 2015 Bonds (or less than all Series 2015 Bonds of a single maturity) are to be redeemed, the CUSIP numbers and (in the event that not all Series 2015 Bonds within a maturity are called for redemption) bond numbers of the Series 2015 Bonds or portions thereof to be redeemed, the maturity or maturities of the Series 2015 Bonds to be redeemed and in the case of Series 2015 Bonds to be redeemed in part only, the respective portions of the principal amount thereof to be redeemed. Each such notice will also state that on the redemption date there will become due and payable on each of said Series 2015 Bonds the redemption price thereof, and that from and after such redemption date interest thereon will cease to accrue, and will require that such Series 2015 Bonds be then surrendered. Neither the failure to receive any notice nor any defect therein will affect the sufficiency of the proceedings for such redemption or the cessation of accrual of interest from and after the redemption date.

Notwithstanding the foregoing, in the case of any optional redemption of the Series 2015 Bonds, the notice of redemption will state that the redemption is conditioned upon receipt by the Trustee of sufficient moneys to redeem the Series 2015 Bonds on the anticipated redemption date, and that the optional redemption will not occur if, by no later than the scheduled redemption date, sufficient moneys to redeem the Series 2015 Bonds have not been deposited with the Trustee. In the event that the Trustee does not receive sufficient funds by the scheduled optional redemption date to so redeem the Series 2015 Bonds, such event will not constitute an Event of Default, the Trustee will send written notice to the Owners and to the Securities Depositories to the effect that the redemption did not occur as anticipated, and the Series 2015 Bonds for which notice of optional redemption was given will remain Outstanding.

The City will have the right to rescind any optional or special mandatory redemption by written notice to the Trustee on or prior to the date fixed for redemption. The Trustee will mail notice of rescission of redemption in the same manner notice of redemption was originally provided.

Purchase in Lieu of Optional Redemption. Purchase in lieu of redemption will be available as to all Series 2015 Bonds called for optional redemption or for such lesser portion of such Series 2015 Bonds as constitute authorized denominations. In a written certificate, the City may direct the Trustee (or another agent appointed by the City to make such purchase on behalf of the City) to purchase all or such lesser portion of the Series 2015 Bonds called for optional redemption. Any such direction to the Trustee must: (i) be in writing; (ii) state either that all the Series 2015 Bonds called for redemption therein identified are to be purchased or, if less than all of the Series 2015 Bonds called for redemption are to be purchased, identify those Series 2015 Bonds to be purchased by maturity date and outstanding principal amount in authorized denominations; and (iii) be received by the Trustee no later than 12:00 noon one Business Day prior to the scheduled redemption date thereof.

If so directed, the Trustee will purchase such Series 2015 Bonds on the date which otherwise would be the redemption date of such Series 2015 Bonds. Any of the Series 2015 Bonds called for redemption that are not purchased in lieu of redemption will be redeemed as otherwise required by the Indenture on such redemption date.

On or prior to the scheduled redemption date, any direction given to the Trustee as described above may be withdrawn by the City by delivering a written certificate to the Trustee. Subject generally to the terms of the Indenture, should a direction to purchase be withdrawn, the scheduled redemption of such Series 2015 Bonds will not occur.

If the purchase is directed by the City, the purchase will be made for the account of the City or its designee. The purchase price of the Series 2015 Bonds purchased in lieu of redemption will be equal to the outstanding principal, plus accrued and unpaid interest, which would have been payable as the redemption price on such Series 2015 Bonds on the scheduled redemption date. To pay the purchase price of such Series 2015 Bonds, the Trustee will use money deposited by the City with the Trustee for such purpose. The Trustee will not purchase the Series 2015 Bonds in lieu of optional redemption if, by no later than the redemption date, sufficient moneys have not been deposited with the Trustee or such moneys are deposited, but are not available.

No notice of the purchase in lieu of optional redemption is required to be given to the Owners (other than the notice of redemption otherwise described above under the subcaption “– *Notice of Redemption*”).

DTC and the Book-Entry Only System

DTC will act as securities depository for the Series 2015 Bonds. The Series 2015 Bonds will be registered in the name of Cede & Co. (DTC’s partnership nominee), and will be available to ultimate purchasers (the “Beneficial Owners”) only under the book-entry system maintained by DTC in the denomination of \$5,000 or any integral multiple thereof. Beneficial Owners of Series 2015 Bonds will not receive physical certificates representing their interest in the Series 2015 Bonds. So long as the Series 2015 Bonds are registered in the name of Cede & Co., as nominee of DTC, references herein to the Owners of the Series 2015 Bonds will mean Cede & Co., and will not mean the Beneficial Owners of the Series 2015 Bonds. Payments by the Trustee of the principal of and interest on the Series 2015 Bonds and any notice with respect to any Series 2015 Bond will be sent directly to DTC, or its nominee, Cede & Co., so long as DTC or Cede & Co. is the registered owner of the Series 2015 Bonds. Disbursements of such payments and delivery of such notices to DTC’s Participants are the responsibility of DTC and disbursements of such payments and delivery of such notices to the Beneficial Owners are the responsibility of DTC’s Participants and Indirect Participants. See APPENDIX E — “DTC AND THE BOOK-ENTRY ONLY SYSTEM.”

PLAN OF REFUNDING

The City will apply the proceeds of the Series 2015 Bonds (excluding amounts applied to Costs of Issuance), together with funds released from the debt service reserve fund for the Series 2007A Bonds, to currently defease and redeem on February 15, 2017 all of the outstanding Series 2007A Bonds (the “Refunded Bonds”). The Authority issued the Refunded Bonds on March 12, 2007 to refinance the \$169,685,000 Public Facilities Financing Authority of the City of San Diego Lease Revenue Bonds, Series 2002 (Ballpark Project) (the “Series 2002 Bonds”). The Series 2002 Bonds financed (i) a portion of the construction of (A) the Ballpark and (B) a public park located adjacent to the Ballpark and (ii) certain related infrastructure.

An Escrow Fund will be established for the Refunded Bonds pursuant to the terms of the Escrow Agreement dated as of July 1, 2015, by and between the Authority and Wells Fargo Bank, National Association as escrow agent (the “Escrow Agent”). Amounts in the Escrow Fund will be invested in Federal Securities which are not callable for redemption prior to their maturity. Sufficiency of amounts in the Escrow Fund will be verified in a report of the verification agent. See “VERIFICATION OF MATHEMATICAL COMPUTATIONS.”

The moneys held in the Escrow Fund will not be available to pay debt service on the Series 2015 Bonds.

ESTIMATED SOURCES AND USES OF FUNDS

The sources of funds from the sale of the Series 2015 Bonds, plus available funds on hand from the release of the debt service reserve fund for the Refunded Bonds, and the proposed uses of such funds are estimated to be in the amounts shown below.

SOURCES OF FUNDS

Principal Amount	\$

SECURITY AND SOURCES OF PAYMENT FOR THE SERIES 2015 BONDS

General

The Series 2015 Bonds are special, limited obligations of the Authority and do not constitute a debt, liability or obligation of the City or of the State or any of its political subdivisions and neither the faith and credit of the City nor the State are pledged to the payment of the principal of or interest on the Series 2015 Bonds. The Authority has no taxing power.

The Series 2015 Bonds will be secured solely by a pledge of Revenues and certain moneys, funds and accounts pledged to the payment of the Bonds under the Indenture. The Revenues consist of (a) all Base Rental Payments (described below), prepayments, insurance proceeds, and condemnation proceeds with respect to the Leased Property and (b) the Revenue Fund and all interest and other income deposited in the Revenue Fund.

The Base Rental Payments will be paid by the City, from the City's General Fund or from other legally available sources, to the Trustee in an amount sufficient to pay the principal of and interest on the Bonds, including the Series 2015 Bonds, on each Interest Payment Date and redemption date. The Authority may, from time to time, enter into supplemental indentures without the consent of the owners of the Outstanding Bonds for the purpose of issuing Additional Bonds, payable from Revenues as provided in the Indenture and secured by a pledge of such Revenues on parity with the pledge securing the Series 2015 Bonds, subject to certain specific conditions set forth in the Indenture. See “– Additional Bonds.”

Base Rental Payments; Additional Payments

Not later than the third Business Day preceding each annual Lease Payment Date (occurring on October 15 of each year) during the term of the Facility Lease, the City is required to pay to the Trustee the Base Rental Payments due on such date from the City's General Fund, or from other legally available sources, subject to abatement as discussed under “Abatement of Lease Payments” below. Each Base Rental Payment will be in an amount sufficient to pay principal of and interest on the Series 2015 Bonds due and payable on such October 15 and the ensuing April 15. The Trustee, as assignee of the Authority, will receive the Base Rental Payments for the benefit of the Owners of the Bonds and credit such Base Rental Payments to the Revenue Fund established pursuant to the Indenture. The Trustee will apply the Revenues held in the Revenue Fund on each Interest Payment Date to pay principal and interest due on such date on the Series 2015 Bonds.

Under the Facility Lease, in addition to the Base Rental Payments payable thereunder, the City has agreed to pay Additional Payments consisting of such amounts, if any, in each year as will be required for the payment of all costs and expenses incurred by the Authority in connection with the execution, performance or enforcement of the Site Lease or the Facility Lease, including but not limited to all fees, costs and expenses and all administrative costs of the Authority relating to the Leased Property and indemnification of the Trustee. The Base Rental Payments and Additional Payments, collectively, constitute the “Lease Payments.”

Under the Facility Lease, such payments of Base Rental Payments and Additional Payments for each Lease Year or portion thereof during the term of the Facility Lease will constitute the total rental for such Lease Year or portion thereof and will be paid or payable by the City from funds of the City lawfully available therefor for and in consideration for the right of the use and occupancy of, and the continued quiet use and enjoyment of, the Leased Property by the City for and during such Lease Year.

Covenant to Budget

The City has covenanted in the Facility Lease to take such action as may be necessary to include all Lease Payments payable by the City thereunder in its operating budget for each Fiscal Year and to make the necessary annual appropriations for all such Lease Payments. The Facility Lease provides that such covenants on the part of the City are deemed to be and will be construed to be ministerial duties imposed by law, and it will be the duty of the applicable officials of the City to take such action and do such things as are required by law in the performance of the official duty of such official to enable the City to carry out and perform the covenants and agreements in the Facility Lease.

The Charter requires the City Council to approve the annual budget no later than June 15 of each fiscal year. The annual budget is enacted by the City Council with the adoption of the annual Appropriation Ordinance in July. The Charter provides for continuing appropriation of the prior year's appropriations until a new Appropriation Ordinance is adopted. This would allow the Chief Financial Officer to continue to make Base Rental Payments once such payments have been budgeted and appropriated in the prior year in the event that the City Council fails to timely adopt the Appropriation Ordinance. For a discussion of financial and budgetary information relating to the City's General Fund, see APPENDIX A — “CITY GOVERNMENT AND FINANCIAL INFORMATION.”

Limited Obligation

The obligation of the City to make Base Rental Payments under the Facility Lease does not constitute an obligation to levy or pledge, or for which the City has levied or pledged, any form of taxation. The obligation of the City to make Base Rental Payments and Additional Payments does not constitute indebtedness of the City, the State or any of its political subdivisions within the meaning of any constitutional or statutory debt limitation or restriction. See “RISK FACTORS – Limited Obligations of the City.

Abatement of Lease Payments

Except to the extent of (i) amounts held by the Trustee under the Indenture in the Interest Account and Principal Account of the Revenue Fund, (ii) amounts received in respect of use and occupancy insurance, and (iii) amounts, if any, otherwise legally available to the Trustee for payments in respect of the Series 2015 Bonds, during any period in which, by reason of material damage, destruction, title defect or condemnation, there is substantial interference with the use and occupancy by the City of any portion of the Leased Property, rental payments due under the Facility Lease will be abated to the extent that the annual fair rental value of the portion of the Leased Property in respect of which there is no substantial interference is less than the annual Lease Payments, in which case rental payments will be abated only by an amount equal to the difference between the annual Lease Payments and the annual fair rental value, as evidenced by a certificate of an Authorized Representative of the City. Such abatement will continue for the period commencing with the date of such damage, destruction, title defect or condemnation and ending with the substantial completion of the work of repair or replacement of the portions of the Leased Property so damaged, destroyed, defective or condemned. See “RISK FACTORS – Abatement,” and APPENDIX C — “SUMMARY OF LEGAL DOCUMENTS – THE FACILITY LEASE – Rental Payments – *Rental Abatement.*”

In order to help mitigate the risk that an abatement event will cause a disruption in payment of Lease Payments, the Facility Lease requires the City to maintain, or cause to be maintained, use and occupancy insurance against loss of use caused by hazards covered by property insurance (see “— Fire and Extended Coverage Insurance” below) in an amount sufficient to pay the Base Rental Payments attributable to the Leased Property for a twenty-four month period; provided, that the amount of such insurance need not exceed the total remaining Base Rental Payments. See “SECURITY AND SOURCES OF PAYMENT FOR THE BONDS – Fire and Extended Coverage Insurance” and “– Use and Occupancy Insurance” below.

During any period of abatement with respect to all or any part of the Leased Property, the Trustee is required to use the proceeds of the use and occupancy insurance to make payments of principal of and interest on the Outstanding Bonds. In the event that such funds are insufficient to make all payments with respect to the Series 2015 Bonds during the period that the Leased Property, or portion thereof, is being restored, then all or a portion of such payments may not be made and no remedy is available to the Trustee or the Owners under the Facility Lease or Indenture for nonpayment under such circumstances. **Failure to pay principal, premium, if any, or interest on to the Series 2015 Bonds as a result of abatement of the City’s obligation to make Base Rental Payments under the Facility Lease is not an event of default under the Indenture or the Facility Lease.**

The Leased Property is currently covered by earthquake insurance and flood insurance by the Padres as required under the JUMA. Such insurance is required to name the City and the Trustee as loss payees as their interests may appear. However, the City is not required to maintain earthquake or flood insurance for the Leased Property pursuant to the Facility Lease. In the event insurance for earthquake or flood is not provided by the Padres under the JUMA, it is unlikely that use and occupancy insurance will be available to make Base Rental Payments in the event of loss of use and occupancy of the Leased Property due to earthquake or flood. In lieu of abatement of Lease Payments, the City in its sole discretion may elect, but is not obligated, to substitute property for the damaged, condemned or destroyed Leased Property, or portion thereof, pursuant to the substitution provisions of the Facility Lease. See “– Substitution, Removal or Addition of Leased Property” below.

No Debt Service Reserve Fund

Neither the City nor the Authority will establish or maintain a debt service reserve fund for the Series 2015 Bonds.

Additional Bonds

The Indenture provides that the Authority and the City may, at any time, determine to issue and deliver Additional Bonds without the consent of the Owners of the Series 2015 Bonds, payable from and secured by a pledge of the Revenues and the Revenue Fund as provided in the Indenture on parity with the pledge securing the Series 2015 Bonds, subject to satisfying certain terms and conditions set forth in the Indenture. The conditions for the issuance of Additional Bonds include:

(1) No Event of Default will be continuing under the Indenture after giving effect to the issuance of the Additional Bonds and the application of the proceeds thereof.

(2) The Supplemental Indenture will require that the proceeds of such Additional Bonds will be applied to financing, acquiring, constructing, maintaining, operating, improving and leasing the Leased Property, or for the refunding or repayment of any Outstanding Bonds or other obligations of the City issued to finance or refinance the Leased Property, including payment of the interest to become due on said Additional Bonds during the estimated period of any construction and, with respect to tax-exempt Additional Bonds, for a period not to exceed 12 months thereafter.

(3) The aggregate principal amount of Bonds issued and at any time Outstanding will not exceed any limit imposed by law, by the Indenture or by any Supplemental Indenture.

(4) The Facility Lease will be amended, if necessary, so that the Base Rental Payments payable by the City thereunder in each Lease Year will at least equal projected Debt Service, including Debt Service on the Additional Bonds, in each Lease Year.

(5) If the additional facilities, if any, to be leased are not situated on Leased Property described in the Facility Lease and the Site Lease, then the Facility Lease and Site Lease will be amended to add such additional Leased Property. See APPENDIX C — “SUMMARY OF LEGAL DOCUMENTS – THE INDENTURE – Issuance of Bonds – *Conditions for the Issuance of Additional Bonds.*”

Nothing in the Indenture prevents payment of debt service on any Series of Additional Bonds from being secured and payable from sources, or by property, instruments or documents, not available to pay or secure the Series 2015 Bonds or any one or more Series of Additional Bonds. See “RISK FACTORS – No Limitation on Incurring Additional Obligations.”

Joint Use and Management Agreement

As referred to above, the benefits and burdens of use and ownership of the Ballpark are allocated between the City and the Padres pursuant to the JUMA. The JUMA provides for the maintenance and upkeep of the facility as well as the procuring of insurance. The term of the JUMA commenced upon occupancy of the Ballpark by the Padres in early 2004 and extends until the Series 2015 Bonds, or any refinancing of the Series 2015 Bonds, mature in 2031. During such term, the Padres are prohibited from relocating the team to a location other than the City. The JUMA can be amended, modified or terminated without the consent of the owners of the Series 2015 Bonds or the Trustee. The City has no present intent to amend, modify or terminate the JUMA. See APPENDIX C — “SUMMARY OF LEGAL DOCUMENTS – THE JOINT USE AND MANAGEMENT AGREEMENT.”

Repair and Maintenance; Taxes and Assessments; Insurance; Modification of the Leased Property

During the term of the Facility Lease, the City will, at its own cost and expense, maintain, preserve and keep, or cause to be maintained, preserved or kept, the Leased Property and every portion thereof in good repair, working order and condition and that it will from time to time make or cause to be made all necessary and proper repairs, replacements and renewals. Under the JUMA such obligations are performed by the Padres and the costs are allocated between the Padres and the City. The Authority will have no responsibility in any of these matters or for the making of additions or improvements to the Leased Property.

The City and the Authority will not create, or suffer to be created, any mortgage, pledge, lien, charge or other encumbrance upon the Leased Property, except Permitted Encumbrances. The City and the Authority will not sell or otherwise dispose of the Leased Property or any property essential to the proper operation of the Leased Property, except as provided in the Facility Lease.

Notwithstanding anything to the contrary contained in the Facility Lease, but subject to the rights of the City described above, the City may assign, transfer or sublease any and all of the Leased Property or its other rights under the Facility Lease, provided that: (i) the rights of any assignee, transferee or sublessee will be subordinate to all rights of the Authority and the Trustee under the Facility Lease; (ii) no such assignment, transfer or sublease will relieve the City of any of its obligations under the Facility Lease; (iii) the assignment, transfer or sublease will not result in a breach of any covenant of the City contained in the Facility Lease; (iv) any such assignment, transfer or sublease will by its terms expressly provide that the fair rental value of the Leased Property for all purposes shall be first allocated to the Facility Lease, as the same may be amended from time to time before or after any such assignment, transfer or sublease; and (v) no such assignment, transfer or sublease will confer upon the parties thereto (other than the City) any remedy which allows re-entry upon the Leased Property.

In the event that the use, possession or acquisition by the City or the Authority of the Leased Property is found to be subject to taxation in any form, the City will pay or cause to be paid during the term of the Facility Lease, as the same respectively become due, all taxes and governmental charges of any kind whatsoever that may at any time be lawfully assessed or levied against or with respect to the Leased Property and any other property acquired by the City in substitution for, as a renewal or replacement of, or a modification, improvement or addition to, the Leased Property, as well as all gas, water, steam, electricity, heat, power, air conditioning, telephone, utility and other charges incurred in the operation, maintenance, use, occupancy and upkeep of the Leased Property; provided, however, that with respect to any governmental charges or taxes that may lawfully be paid in installments over a period of years, the City will be obligated to pay only such installments as are accrued during such time as the Facility Lease is in effect. The use of the Ballpark by the Padres generates a possessory interest tax obligation levied against and paid by the Padres.

Fire and Extended Coverage Insurance

Under the JUMA the Padres have responsibility for insuring the Leased Property. Such coverage includes general liability with a single limit of \$1.0 million per occurrence, excess liability with a single limit of \$50 million per occurrence and a \$25,000 deductible, and all-risk property insurance that includes coverage for earthquake and flood (so long as earthquake coverage is available). The all-risk property insurance for casualties other than earthquake and flood is in a single limit amount of the greater of replacement cost or the outstanding principal amount of the Series 2015 Bonds, plus rental interruption insurance, subject to a \$100,000 deductible. The property insurance coverage for earthquake set forth in the JUMA is the lesser of probable maximum loss caused by earthquake or one-half of replacement cost, but not less than \$50 million, subject to a deductible of 5% of total insured value. The current earthquake policy is subject to a \$100 million limit per occurrence. The property insurance coverage for flood set forth in the JUMA is the greater of replacement cost or outstanding principal amount of the Series 2015 Bonds, plus rental interruption insurance. However, the current coverage for flood is subject to a deductible of \$1.0 million and a \$275 million limit per occurrence.

The JUMA requires all policies to name the City and the Trustee as loss payees as their interests may appear. The JUMA further requires that insurance proceeds be applied pursuant to the Indenture. The property insurance is under policies provided by major league baseball that cover all major league baseball parks and the limits per occurrence are aggregate limits applying to all major league baseball parks.

The City, pursuant to the Facility Lease, is required to procure and maintain, or cause to be procured and maintained, throughout the term of the Facility Lease, insurance against loss or damage to the Leased Property caused by fire and lightning, but exclusive of earthquake and flood, with an extended coverage endorsement covering the risk of vandalism and malicious mischief, sprinkler system leakage and boiler loss. So long as the JUMA is in full force and effect, the City intends to satisfy its insurance obligations under the Facility Lease through the insurance provided by the Padres under the JUMA, including earthquake (so long as available) and flood. In the absence of the JUMA, the insurance provided by the City will be in an amount equal to the lesser of (A) the replacement cost (without deduction for depreciation) of improvements located or to be located on the Leased Property; or (B) the remaining unpaid principal amount of Series 2015 Bonds, plus the amount of use and occupancy coverage (described below), except that such insurance may be subject to deductible clauses of not to exceed the first \$100,000 of the total amount of any one loss. Fire and extended coverage insurance and use and occupancy insurance may be in the form of a policy which covers the Leased Property and one or more additional parcels of real property insured by the City; provided that the amount of coverage available thereunder will be at least equal to the cumulative replacement values of the Leased Property and any other such property which is the subject of a lease, installment purchase or other financing arrangement (“Financed Property”) for which bonds, certificates of participation or other obligations have been issued (“Obligations”) plus the amount of use and occupancy coverage required by the Facility Lease. In the event the City elects to obtain insurance for the Leased Property and one or more additional parcels of real property and the amount of the insurance proceeds available to pay all claims thereunder is not sufficient to cover the replacement values of all such properties, then any such proceeds will be used first to rebuild or repair any affected Leased Property and all Financed Properties or to repay all Obligations and the Series 2015 Bonds. See APPENDIX C — “SUMMARY OF LEGAL DOCUMENTS – THE FACILITY LEASE – Insurance and Other Charges” and “– Damage, Destruction, Title Defect and Condemnation.”

Use and Occupancy Insurance

The City is required pursuant to the Facility Lease to procure and maintain, or to cause to be procured and maintained, use and occupancy insurance against total or partial loss of the use and occupancy of the Leased Property caused by hazards covered by property insurance required by the Facility Lease (see “– Fire and Extended Coverage Insurance” above). Such insurance is required in an amount sufficient to pay the Base Rental Payments attributable to the Leased Property for a twenty-four month period; provided, that (i) the amount of such insurance need not exceed the total remaining Base Rental Payments; (ii) that such insurance may be part of a policy of fire and extended coverage insurance permitted by the Facility Lease; and (iii) the City may obtain use and occupancy insurance covering the Leased Property as well as other parcels of property owned by the City, provided that the cumulative amount thereof is at least equal to the cumulative amount of use and occupancy insurance required by the Facility Lease with respect to their respective portions of the Leased Property and any agreements relating to Financed Property in respect of which Obligations are outstanding. Any proceeds of such insurance will be payable to and applied by the Trustee as provided in the Indenture to pay principal of and interest on the Series 2015 Bonds for a period of time during which the payment of rental under the Facility Lease is abated.

As with the property insurance discussed above, the City expects to satisfy its obligation to provide use and occupancy insurance through the coverage provided by the Padres under the JUMA. So long as earthquake and flood insurance are provided by the Padres, use and occupancy insurance will be available for Base Rental Payments in the event of damage caused by earthquake or flood. If such coverage is not available under the JUMA and the City does not procure its own earthquake and flood insurance (which it is not required to carry under the Facility Lease), then no use and occupancy insurance will be available to make

Base Rental Payments in the event of an abatement of Base Rent due to substantial interference with the City's use and occupancy of the Ballpark due to damage caused by earthquake or flood.

Title Insurance

The Facility Lease provides that the City will have or obtain, on or before the Closing Date for the Series 2015 Bonds, a California Land Title Association (CLTA) leasehold policy or policies, or a commitment for such policy or policies, with respect to the Leased Property with liability in the aggregate amount equal to the principal amount represented by the Series 2015 Bonds. Such policy or policies, when issued, will name the Trustee as the insured and will insure the leasehold estate of the Authority under the Site Lease, subject only to Permitted Encumbrances.

Substitution, Removal or Addition of Leased Property

Pursuant to the Facility Lease, the City and the Authority may amend the Facility Lease and the Site Lease to (i) substitute real property and/or improvements (a "Substitution") for all or a portion of the existing Leased Property; (ii) remove all or a portion of real property (including undivided interests therein) or improvements ("Removal") from the definition of Leased Property; or (iii) to add real property and/or improvements (the "Additional Leased Property") to the Leased Property, upon compliance with all of the applicable conditions set forth in the Facility Lease. After a Substitution or Removal, the part of the Leased Property for which such Substitution or Removal has been effected will be released from the leasehold under the Facility Lease and under the Site Lease. See APPENDIX C — "SUMMARY OF LEGAL DOCUMENTS – THE FACILITY LEASE – The Leased Property – Substitution, Removal or Addition of Leased Property."

Eminent Domain

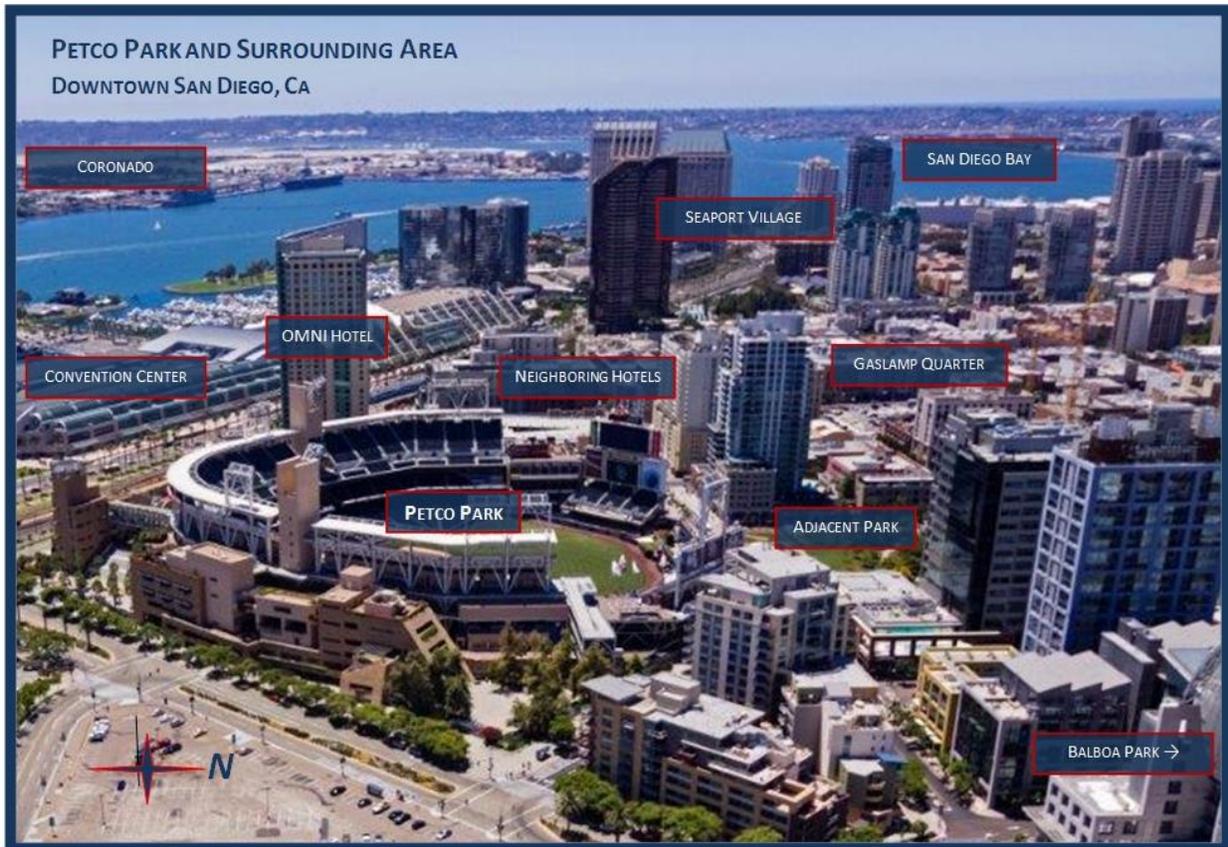

If title to, or the temporary use of, the Leased Property or any portion thereof, or the estate of the City or the Authority in the Leased Property or any portion thereof, is taken under the exercise of the power of eminent domain by any governmental body or by any person or firm or corporation acting under governmental authority, then the City and the Authority will cause the Net Proceeds of any condemnation award to be transferred to the Trustee for deposit in the Insurance and Condemnation Fund and applied as described in the Indenture. See "THE SERIES 2015 BONDS – Redemption Provisions" and APPENDIX C — "SUMMARY OF LEGAL DOCUMENTS – THE FACILITY LEASE – Damage, Destruction, Title Defect and Condemnation."

Investment of Funds under the Indenture

Money held by the Trustee under any fund or account held under the Indenture will be invested by the Trustee at the direction of the City solely in Permitted Investments, pending application as provided in the Indenture. Unless otherwise provided in a Supplemental Indenture, all interest or gain derived from the investment of amounts in any of the funds or accounts established under the Indenture (except any Rebate Fund) will be deposited, at the City's direction, in the Revenue Fund.

THE LEASED PROPERTY

The City is leasing the Leased Property to the Authority pursuant to the Site Lease. The Authority is subleasing the Leased Property to the City pursuant to the Facility Lease. The Leased Property consists of the Ballpark and other related land acquisitions and improvements located thereon plus an adjacent park. The Ballpark is named Petco Park and is home to the San Diego Padres Baseball Club. It is located in the East Village neighborhood of downtown San Diego, across from the San Diego Convention Center located along San Diego Bay, and approximately one mile from San Diego's Balboa Park.

The open-air Ballpark occupies approximately 15 acres and seats 42,500 people inside the Ballpark, with capacity for an additional 1,500 people in the 2.5 acre Park at the Park, adjacent to the Ballpark. This Park at the Park is open as a public park year round. The Leased Property has been valued by an independent appraisal company, subject to the limitations stated in its report to the City, at approximately \$539 million as of February 1, 2015. The Ballpark is close to major transportation corridors, such as Interstate 5, State Route 94 and State Route 163, and is accessible by trolley and bus stops within one block of Petco Park. Its architectural design includes a wide open concourse, strong sightlines, views of Coronado and downtown San Diego, and the adaptive reuse of the historic Western Metal Building, built in 1809 as a wagon maker’s supply building, which serves as the left field foul pole and houses shops and a public restaurant.

Ballpark construction was completed in 2004 and the first baseball game was played in the Ballpark on April 8, 2004. The JUMA governs the rights and duties of the City and the Padres with respect to the use and operation of the Ballpark. The City owns the land and ballpark shell and the Padres own certain improvements they constructed in the Ballpark. These improvements consist of seats, concession stands, offices, clubhouses, playing field, batter’s eye, fences, gates, landscaping, plumbing, woodwork, and other fixtures. These improvements are excluded from the Leased Property, but they become the property of the City upon expiration of the JUMA. See “SECURITY AND SOURCES OF PAYMENT FOR THE SERIES 2015 BONDS – Joint Use and Management Agreement” above.

Under the JUMA, the City receives rent from the Padres plus 30 percent of the net income from all special events, and also shares in payment of about 50 percent of the operations and maintenance costs. The Padres must spend an average of \$1 million per year on capital expenses and under current plans will have spent over \$17 million in 2014 and 2015.

In addition to the 81 regular season home games, the Ballpark hosts a wide variety of special events such as Davis Cup tournaments, soccer matches, music concerts by performers such as Paul McCartney and Taylor Swift, corporate events, Comic-Con's ancillary events, Holiday Wonderland, Monster Truck Jams, and motocross events. The 2016 Baseball All Star game will be held at Petco Park.

Construction of the Ballpark catalyzed a larger urban revitalization project located in the East Village and undertaken by the City, the Padres, the Redevelopment Agency of the City, the Centre City Development Corporation, and other private developers pursuant to certain agreements among the parties, including the Memorandum of Understanding Concerning a Ballpark District, Construction of a Baseball Park and a Redevelopment Project (the "MOU"). The MOU was approved by 59.6 percent of the citizens voting in the general election of the City on November 3, 1998.

According to a 2010 report by Conventions Sports and Leisure, and a 2013 Policy Brief by National University, the redevelopment project has stimulated more than \$4.3 billion in private and public investment over a 60-block area surrounding the Ballpark. The revitalization includes development of hotels, retail and office space, residential properties, parking facilities, and other improvements. More than 1,177 new hotel rooms were built resulting in a Downtown inventory of 16,140 rooms. The four ballpark hotels constructed as part of the redevelopment project generated \$6,750,000 in City Transient Occupancy Tax revenue in Fiscal Year 2014. Those hotels are Omni, adjacent to Petco Park, Indigo Hotel, Solamar and Hotel Andaz. This new development brought more than 15,000 new residents who moved into 14,700 new residential units. In addition, approximately 1,273,670 square feet of retail space was constructed. The new Diamond View Tower, a 325,000 square-foot Class A office tower, offers views into Petco Park. Major retail/commercial establishments currently located in the Ballpark District include Hard Rock Hotel, Gaslamp Hilton, and Morton's and Fleming's steakhouses, in addition to numerous retail shops, restaurants and nightclubs. The new 500,000 square foot, domed, state-of-the art Public Library is located adjacent to Petco Park.

None of the revenues from any of the development activity surrounding the Ballpark is pledged to payment of the Series 2015 Bonds.

The Ballpark is located in a seismically active area, as is much of southern California. Although the area is likely to experience strong earthquake shaking during the life of the Ballpark, the effects of ground shaking are mitigated by design and construction in conformance with the building codes and engineering standards applicable at the time of construction. Although active faults are not known to cross the Ballpark facility, active faults are present nearby. The nearest active faults are located east of Park Boulevard. Another active fault, known as the San Diego fault, has been identified northwest of the Ballpark, between Front Street and 2nd Avenue. Subsequent to construction of the Ballpark, fault rupture investigations have identified potentially active faults in the immediate vicinity of the Ballpark. The trend of one of the identified potentially active faults projects toward the Ballpark. See "RISK FACTORS – Earthquake and Seismic Conditions."

THE AUTHORITY

The Authority is a California joint exercise of powers authority existing pursuant to the Third Amended and Restated Joint Exercise of Powers Agreement, dated as of January 1, 2013, by and among the City, the City in its capacity as the designated successor agency (the "Successor Agency") to the former Redevelopment Agency of the City of San Diego (the "Former RDA") and the Housing Authority of the City of San Diego (the "Housing Authority"). The Authority is organized, in part, to finance certain public capital improvements of the City, the Successor Agency or the Housing Authority. The Authority's authority to issue other lease revenue bonds has become subject to litigation, as further described in "CHALLENGES TO OTHER AUTHORITY LEASE REVENUE BONDS."

Except as provided by the Indenture, the Authority has no liability to the owners or Beneficial Owners of any Series 2015 Bonds and has pledged none of its moneys, funds or assets, other than Revenues, toward the payment of any amount due in connection with the Series 2015 Bonds. The Authority is governed by its

own Board of Commissioners consisting of the members of the City Council. The Authority is dependent upon the officers and employees of the City to administer its program.

THE CITY

APPENDIX A — “CITY GOVERNMENT AND FINANCIAL INFORMATION” and APPENDIX B — “DEMOGRAPHIC AND ECONOMIC INFORMATION REGARDING THE CITY” set forth important information prepared by the City for inclusion in this Official Statement regarding its finances and operations. *Investors are advised to carefully consider the information presented in Appendix A and Appendix B in making an informed investment decision.*

RISK FACTORS

The following risk factors should be considered by potential investors, along with all other information in this Official Statement, in evaluating the risks inherent in the purchase of the Series 2015 Bonds. The following discussion is not meant to be a comprehensive or definitive list of the risks associated with an investment in the Series 2015 Bonds. The order in which this information is presented does not necessarily reflect the relative importance of the various issues. Any one or more of the risk factors discussed below, among others, could lead to a decrease in the market value or liquidity of the Series 2015 Bonds or failure by the City to make Base Rental Payments. There can be no assurance that other risk factors not discussed herein will not become material in the future.

Litigation

There is no litigation challenging the Series 2015 Bonds. Any such litigation should be time barred under the California Code of Civil Procedure. California Code of Civil Procedure Section 863 (made applicable to the Series 2015 Bonds through California Government Code Section 6516.6(e)) provides that any interested person seeking to challenge the validity of the Authority’s or the City’s action approving the issuance of the Series 2015 Bonds and the related documents must do so within 60 days of the Authority’s or the City’s adoption of the resolution or ordinance approving such actions. Challenges to such approvals brought after 60 days following the adoption of such approvals should be time barred. The date of final adoption of both the City’s ordinance and the Authority’s resolution approving the issuance of the Series 2015 Bonds and the related documents was March 17, 2015, which occurred more than 60 days ago and there has been no challenge.

There is, however, pending litigation challenging the validity of other lease revenue bonds issued by the Authority. The Authority, the City, the City as Successor Agency and the Housing Authority (the “San Diego Entities”) are defendants in litigation challenging the Authority’s Lease Revenue Bonds 2015 Series A and 2015 Series B (Capital Improvement Projects) (the “2015 CIP Bonds”). In two separate cases the litigation challenged the City ordinance and the Authority resolutions approving the 2015 CIP Bonds and related documents (the “CIP Bond Approvals”). The San Diego Entities denied the challenges and sought judgments validating the 2015 CIP Bonds and the CIP Bond Approvals. See “CHALLENGES TO OTHER AUTHORITY LEASE REVENUE BONDS” for more details.

The San Diego Entities prevailed in both trial court actions and both cases are currently on appeal. The 2015 CIP Bonds were successfully issued and sold on April 21, 2015. In its opinions on the validity of the 2015 CIP Bonds, Stradling Yocca Carlson & Rauth, a Professional Corporation, opined that the plaintiff’s allegations in the complaints challenging the 2015 CIP Bonds and the CIP Bond Approvals are without merit in that such counsel believes under the law as in effect on the dates of such opinions, based on the analysis set forth in such opinions, the California Supreme Court, acting reasonably and properly briefed on the issues, would not conclude that the CIP Bond Approvals are invalid based on such allegations. The official statement for the 2015 CIP Bonds in which the forms of such opinions may be found is available on EMMA at

<http://emma.msrb.org/ER861762-ER673384-ER1075145.pdf>. Such 2015 CIP Bonds official statement is not incorporated by reference in this Official Statement.

The San Diego City Attorney has also opined that the plaintiff's allegations in the complaints challenging the 2015 CIP Bonds and the CIP Bond Approvals are without merit in that such counsel believes under the law as in effect on the date of such opinion, based on the analysis set forth in such opinion, the California Supreme Court, acting reasonably and properly briefed on the issues, would not conclude that the CIP Bond Approvals are invalid based on such allegations. See APPENDIX G — "OPINION OF CITY ATTORNEY REGARDING 2015 CIP BONDS LITIGATION." Bond counsel will rely on the opinion of the City Attorney. See APPENDIX D — "FORM OF BOND COUNSEL OPINION."

The Series 2015 Ballpark Refunding Bonds are not the subject of this or any other litigation and a decision adverse to the City and the Authority regarding the 2015 CIP Bonds should not, in and of itself, have a material adverse effect on the obligation of the City to make Base Rental Payments under the Facility Lease sufficient to make timely payments of principal of and interest on the Series 2015 Ballpark Refunding Bonds. While the City believes it unlikely given the passage of more than 60 days since the requisite approvals, such a final adverse decision could generate litigation directed at the Series 2015 Ballpark Refunding Bonds and could have a material adverse effect on the liquidity or market price of the Series 2015 Ballpark Refunding Bonds.

Limited Obligations of the Authority

The Series 2015 Bonds are special, limited obligations of the Authority and are payable solely from Revenues, which consist primarily of Base Rental Payments made by the City pursuant to the Facility Lease and certain other funds held under the Indenture, subject to the provisions of the Indenture permitting the application of such amounts for the purposes and on the terms and conditions set forth therein. Neither the City nor any of its officers will incur any liability or any other obligation with respect to the payment of the Series 2015 Bonds other than the obligation of the City to make Base Rental Payments under the Facility Lease.

Nothing within this Official Statement is intended to imply that there exists any cross-application or cross-collateralization, including, without limitation, any cross-defaults between the Indenture or any other indenture related to bonds issued by the City or the Authority.

Limited Obligations of the City

THE OBLIGATION OF THE CITY TO MAKE LEASE PAYMENTS DOES NOT CONSTITUTE AN OBLIGATION OF THE CITY FOR WHICH THE CITY IS OBLIGATED TO LEVY OR PLEDGE, OR FOR WHICH THE CITY HAS LEVIED OR PLEDGED, ANY FORM OF TAXATION. THE SERIES 2015 BONDS AND THE OBLIGATION OF THE CITY TO MAKE LEASE PAYMENTS UNDER THE FACILITY LEASE DO NOT CONSTITUTE AN INDEBTEDNESS OF THE CITY, THE STATE OR ANY OF ITS POLITICAL SUBDIVISIONS WITHIN THE MEANING OF ANY CONSTITUTIONAL OR STATUTORY DEBT LIMITATION OR RESTRICTION. THE AUTHORITY HAS NO TAXING POWER.

Abatement

Except to the extent of (i) amounts held by the Trustee under the Indenture in the Interest Account and Principal Account of the Revenue Fund, (ii) amounts received in respect of use and occupancy insurance, if any, and (iii) amounts, if any, otherwise legally available to the Trustee for payments in respect of the Bonds, during any period in which, by reason of material damage, destruction, title defect or condemnation, there is substantial interference with the use and occupancy by the City of any portion of the Leased Property, rental payments due under the Facility Lease with respect to the Leased Property will be abated to the extent that the annual fair rental value of the portion of the Leased Property in respect of which there is no substantial

interference is less than the annual Base Rental Payments and Additional Payments, in which case rental payments will be abated only by an amount equal to the difference, as evidenced by a certificate of an Authorized Representative of the City. Such abatement will continue for the period commencing with the date of such damage, destruction, title defect or condemnation and ending with the substantial completion of the work of repair or replacement of the portions of the Leased Property so damaged, destroyed, defective or condemned. See “SECURITY AND SOURCES OF PAYMENT FOR THE SERIES 2015 BONDS – Use and Occupancy Insurance” and APPENDIX C — “SUMMARY OF LEGAL DOCUMENTS – THE FACILITY LEASE – Rental Payments – *Rental Abatement*.”

The obligation of the City under the Facility Lease to make Base Rental Payments is in consideration for the right to use and occupy the Leased Property, and is absolute and unconditional without any right of set-off or counterclaim, except as to amounts which may be credited to such payment under the Facility Lease, and except as such obligation may be abated as described herein.

There is no statute, judicial decision or other law specifying how such an abatement of rental should be measured. For example, it is not clear whether fair rental value is established as of commencement of the Facility Lease or at the time of the abatement or may be adjusted during an event of abatement. Upon abatement, it may be that the value of the Leased Property is substantially higher or lower than its value at the time of issuance of the Series 2015 Bonds. Abatement, therefore, could have an uncertain and material adverse effect on the security for and payment of the Series 2015 Bonds.

During any period in which material damage, destruction, title defect or condemnation of all or a portion of the Leased Property or other event results in substantial interference with the use and occupancy of the Leased Property or any portion thereof, all or a portion of the Base Rental Payments due under the Facility Lease will be abated to the extent described above, the Facility Lease will continue in full force and effect and the proceeds of use and occupancy insurance, if any, will be used to pay Base Rental Payments that would otherwise be abated. In the event that such funds are insufficient to make all payments with respect to the Series 2015 Bonds during the period that the Leased Property, or portion thereof, is being restored, then all or a portion of such payments may not be made and no remedy is available to the Trustee or the Owners under the Facility Lease or Indenture for nonpayment under such circumstances. **Failure to pay principal of or interest on to the Series 2015 Bonds as a result of abatement of the City’s obligation to make Rental Payments under the Facility Lease is not an event of default under the Indenture or the Facility Lease.** The term of the Facility Lease shall be extended by a period equal to the period of abatement for which Base Rental Payment has not been paid in full (but in no event later than October 14, 2041), and Base Rental Payment for such extension shall be equal to the unpaid Base Rental payments during the period of abatement but without interest thereon. In the event that Base Rental Payments are abated due to damage caused by earthquake or flood, and insurance against such perils is not maintained under the JUMA or otherwise, such abatement may continue indefinitely, as no insurance for such damages is required under the Facility Lease and the City cannot be compelled to repair or replace the damaged Leased Property or to redeem the Bonds. See “SECURITY AND SOURCES OF PAYMENT FOR THE SERIES 2015 BONDS – Abatement of Lease Payments”

Notwithstanding the provisions of the Facility Lease and the Indenture specifying the extent of abatement of Base Rental Payments, the requirement for insurance and the application of other funds in the event of the City’s failure to have use and occupancy of the Leased Property, the resulting Base Rental Payments of the City may not be sufficient to pay all of the remaining principal and interest on the Series 2015 Bonds.

No Limitation on Incurring Additional Obligations

Neither the Facility Lease nor the Indenture contains any limitations on the ability of the City to enter into other obligations, without the consent of the Owners of the Series 2015 Bonds, which may constitute additional obligations payable from its General Fund. To the extent that the City incurs such additional

obligations, the City's funds available to make Base Rental Payments may be decreased. The City is currently liable on other obligations payable from General Fund revenues and is currently contemplating entering into other such obligations. See APPENDIX A — "CITY GOVERNMENT AND FINANCIAL INFORMATION – BONDED AND OTHER INDEBTEDNESS."

Earthquake and Seismic Conditions

According to the County of San Diego Office of Emergency Services, every year approximately 500 earthquakes occur in the state of California that are large enough to be felt. San Diego County, in comparison to other southern California areas, has sparse seismicity. However, since 1984, earthquake activity in San Diego County has doubled over that of the preceding 50 years.

A major earthquake could cause widespread destruction and significant loss of life in a populated area such as the City. If an earthquake were to substantially damage or destroy taxable property within the City, a reduction in taxable values of property in the City and a reduction in revenues available to the General Fund to make Lease Payments would be likely to occur. Seismic activity may also affect the use and occupancy of the Leased Property. See "RISK FACTORS – Abatement" above.

There is no assurance that, in the event of a natural disaster, sufficient City reserves or Federal Emergency Management Agency assistance would be available for the repair or replacement of the Leased Property. Under the JUMA, earthquake coverage of the lesser of probable maximum loss caused by any earthquake or one-half of replacement cost of the Ballpark, but not less than \$50 million, with a deductible of 5% of total insured value is required. Earthquake insurance is currently maintained by the Padres at \$100 million limit per occurrence under the current policy. The Facility Lease does not require the City to maintain earthquake insurance coverage or to repair or restore the Leased Property if damaged by earthquake where there are no insurance proceeds.

The Facility Lease provides that, in the event that rent is abated, in whole or in part, due to damage, destruction, title defect or condemnation of any part of the Leased Property and the City is unable to repair, replace or rebuild the Leased Property from the Net Proceeds, if any, of insurance or eminent domain, the City will apply for and use its best efforts to obtain any appropriate state and/or federal disaster relief in order to obtain funds to repair, replace or rebuild the Leased Property.

Threats and Acts of Terrorism

Security measures, such as metal detector screening, searches of purses and prohibition of backpacks, are taken in an effort to thwart acts of terrorism. However, such measures are not guaranteed to prevent an attack on the Ballpark. The City and Authority cannot predict the likelihood of a terrorist attack on the Ballpark or the extent of damage that might result from an attack. The Padres currently insure the Ballpark against terrorist attacks. However, the Padres are not required to maintain such insurance under the JUMA and the City is not required to maintain such insurance under the Facility Lease.

Risks of Flood

The Facility Lease does not require the City to maintain insurance coverage against loss or damage due to flood. However, flood coverage for the Leased Property is currently provided by the Padres under the JUMA. The property insurance coverage for flood set forth in the JUMA is an amount at least equal to the greater of replacement cost for the entire facility or the outstanding principal amount of the Series 2015 Bonds. However, the current coverage for flood is subject to a \$1.0 million deductible and a \$275 million limit per occurrence. The Leased Property is not located in a flood hazard area according to the flood insurance maps prepared by FEMA's National Flood Insurance Program. See "SECURITY AND SOURCES OF PAYMENT FOR THE SERIES 2015 BONDS" above and APPENDIX A — "CITY GOVERNMENT AND FINANCIAL INFORMATION – RISK MANAGEMENT – Property and Flood Insurance."

Constitutional and Statutory Limitations on Increase of Revenues

Article XIII A (Limitation on Ad Valorem Tax), Article XIII B (Government Spending Limitation), Article XIII C (Voter Approval for Local Tax Levies) and Article XIII D (Assessment and Property Related Fee Reform) of the Constitution of the State of California were each adopted as measures that qualified for the ballot pursuant to California's initiative process. From time to time, other initiative measures may be adopted, which may affect the City's revenues and its ability to expend said revenues. The above mentioned measures and any future measures could restrict the City's ability to raise additional funds for its General Fund. See APPENDIX A — "CITY GOVERNMENT AND FINANCIAL INFORMATION – LIMITATIONS ON TAXES AND APPROPRIATIONS."

Limited Recourse on Default; No Re-Entry or Recovery of Possession

In the event of non-payment by the City of the Lease Payments, or other default by the City under the Lease, the enforcement of any remedies provided in the Indenture and in the Facility Lease by or on behalf of Owners of the Series 2015 Bonds could prove both expensive and time consuming. The Facility Lease expressly prohibits any re-entry or recovery of possession upon an event of default. The Trustee is limited to commencing an action to recover Base Rental Payment as they become due. The Trustee may exercise any and all remedies available pursuant to the City Charter and other applicable law or the Facility Lease, but the Facility Lease provides that there will be no right under any circumstances to accelerate the Lease Payments not then in default to be immediately due and payable.

Enforcement of Remedies

The enforcement of any remedies provided in the Facility Lease and the Indenture could prove both expensive and time consuming. The rights and remedies provided in the Facility Lease and the Indenture may be limited by and are subject to the limitations on legal remedies against cities, including State constitutional limits on expenditures, and limitations on the enforcement of judgments against funds needed to serve the public welfare and interest; by federal bankruptcy laws, as now or hereafter enacted; applicable State, bankruptcy, insolvency, reorganization, moratorium, or similar laws relating to or affecting the enforcement of creditors' rights generally, now or hereafter in effect (see "– Bankruptcy of the City" below); equity principles which may limit the specific enforcement under State law of certain remedies; the exercise by the United States of America of the powers delegated to it by the Constitution; the reasonable and necessary exercise, in certain exceptional situations, of the police powers inherent in the sovereignty of the State and its governmental bodies in the interest of serving a significant and legitimate public purpose; and the limitations on remedies against municipal entities in the State. Bankruptcy proceedings or the exercise of powers by the federal or State government, if initiated, could subject the Owners of the Series 2015 Bonds to judicial discretion and interpretation of their rights in bankruptcy or otherwise, and consequently may entail risks of delay, limitation or modification of their rights.

The legal opinions to be delivered concurrently with the delivery of the Series 2015 Bonds (including Bond Counsel's legal opinion) will be qualified, as to the enforceability of the Series 2015 Bonds, the Indenture, the Site Lease, the Facility Lease and other related documents, by bankruptcy, insolvency, reorganization, moratorium, arrangement, fraudulent conveyance and other laws relating to or affecting creditors' rights, to the application of equitable principles, to the exercise of judicial discretion in appropriate cases, and to the limitation on legal remedies against cities in the State. See "– Bankruptcy of the City" below.

No Acceleration on Default

In the event of a default under the Indenture or the Facility Lease, there is no remedy of acceleration of the Base Rental Payments. Owners of the Series 2015 Bonds would have to sue for payment of unpaid Base Rental Payments as and when it becomes due. Any suit for money damages would be subject to the legal

limitations on remedies against cities and joint exercise of powers authorities in the State, including a limitation on enforcement of judgments against funds needed to serve the public welfare and interest.

Risk Management and Insurance

The Facility Lease obligates the City to maintain and keep, or cause to be maintained or kept, in force various forms of insurance, subject to deductibles, on the City-owned Leased Property for repair or replacement in the event of damage or destruction to such Leased Property caused by certain hazards. The City is also required to maintain, or cause to be maintained, use and occupancy insurance with respect to insured casualty risks. See “SECURITY AND SOURCES OF PAYMENT FOR THE SERIES 2015 BONDS — Use and Occupancy Insurance” above. Neither the Authority nor the City makes any representation as to the ability of any insurer to fulfill its obligations under any insurance policy required under the Facility Lease and no assurance can be given as to adequacy of any such insurance to fund necessary repair or replacement or to pay principal and interest with respect to the Series 2015 Bonds.

The Facility Lease allows the City to self-insure against any or all risks, except use and occupancy and title defects. See APPENDIX C — “SUMMARY OF LEGAL DOCUMENTS – THE FACILITY LEASE – Insurance and Other Charges.”

Environmental Concerns

Owners or operators of real property, including the City, may be required by law to remedy conditions of a property relating to releases or threatened releases of hazardous substances. The federal Comprehensive Environmental Response Compensation and Liability Act of 1980 commonly referred to as the “Superfund Act,” is the most widely applicable of these laws, but California laws with regard to hazardous substances are also stringent. Under many of these laws, the owner or operator is obligated to remedy a hazardous substance condition on the property whether or not the owner or operator created the hazardous substance condition.

Change in Law

No assurance can be given that the State or the City electorate will not at some future time adopt initiatives or Charter amendments or that the State Legislature or the City Council will not enact legislation that will amend the laws of the State Constitution or the City’s municipal code, respectively, in a manner that could result in a reduction of the City’s General Fund revenues and therefore a reduction of the funds legally available to the City to make Base Rental Payments.

Bankruptcy of the City

In addition to the limitations on remedies contained in the Indenture and the Facility Lease, the rights and remedies in the Facility Lease may be limited by and are subject to the provisions of federal bankruptcy laws, as now or hereafter enacted, and to other laws or equitable principles that may affect the enforcement of creditors’ rights.

Under Chapter 9 of the United States Bankruptcy Code (Title 11, United States Code) (the “Bankruptcy Code”), which governs bankruptcy proceedings of public entities such as the City, no involuntary bankruptcy petition may be filed against a public entity. However, upon satisfaction of certain prerequisite conditions, a voluntary bankruptcy petition may be filed by the City. The filing of a bankruptcy petition results in a stay against enforcement of remedies under agreements to which the bankrupt entity is a party. A bankruptcy filing by the City could thus limit remedies under the Facility Lease. A bankruptcy debtor may choose to assume or reject executory contracts and leases, such as the Facility Lease. In the event of rejection of a lease by a debtor lessee, the leased property is returned to the lessor and the lessor has a claim for a limited amount of the resulting damages.

Under the Indenture, the Trustee holds a security interest in the Revenues, including Base Rental Payments, for the benefit of the Owners of the Bonds, but such security interest arises only when the Base Rental Payments are actually received by the Trustee following payment by the City. The Leased Property itself is not subject to a security interest, mortgage or any other lien in favor of the Trustee for the benefit of Owners. In the event of a City bankruptcy and a subsequent rejection of the Facility Lease by the City, the Trustee, as assignee of the Authority, would have a claim for damages against the City. The Trustee's claim would constitute a secured claim only to the extent of Revenues in the possession of the Trustee; the balance of such claim would be unsecured.

Bankruptcy proceedings would subject the Owners to judicial discretion and interpretation of their rights in bankruptcy or otherwise, and consequently entail risks of delay, limitation, or modification of their rights with respect to the Series 2015 Bonds. In a bankruptcy case, the amount recovered by Owners could be affected by whether the Facility Lease is determined to be a "true lease" or a loan or other financing arrangement (a "financing lease"), and Owners' recovery could be reduced in either case. If the Facility Lease is determined by the bankruptcy court to constitute a "true lease" (rather than a financing lease), the City could choose not to perform under the Facility Lease by rejecting it and the claim of the Owners could be substantially limited pursuant to Section 365 of the Bankruptcy Code to a fraction of the scheduled amount of Base Rental Payments, and that reduced claim amount could be impaired as an unsecured claim under a plan of adjustment. If a bankruptcy court were to treat the Facility Lease as a financing lease then, under a plan of adjustment, the priority, payment terms, collateral, payment dates, payment sources, covenants and other terms or provisions of the Facility Lease and the Series 2015 Bonds may be altered. Such a plan could be confirmed even over the objections of the Trustee and the Owners, and without their consent. For example, the amount of the Base Rental Payments from the City might be substantially reduced because of the power of the bankruptcy court under the Bankruptcy Code to adjust secured claims to the value of their collateral, which, as described above, could be limited to the Revenues held by the Trustee. In addition there can be a substantial disparity in treatment based on the nature of the Leased Property. Whether the Facility Lease is characterized by the bankruptcy court as a true lease or a financing lease, either scenario could result in the Owners not receiving the full amount of the principal and interest due on the Series 2015 Bonds.

In a bankruptcy of the City, if a material unpaid liability is owed to the San Diego City Employees' Retirement System ("SDCERS") or any other pension system (collectively the "Pension Systems") on the filing date, or accrues thereafter, such circumstances could create additional uncertainty as to the City's ability to make Base Rental Payments or other Lease Payments if the Facility Lease is rejected. Given that municipal pension systems in California are usually administered pursuant to state constitutional provisions and, as applicable, other state and/or city law, the Pension Systems may take the position, among other possible arguments, that their claims enjoy a higher priority than all other claims, that Pension Systems have the right to enforce payment by injunction or other proceedings outside of a City bankruptcy case, and that Pension System claims cannot be the subject of adjustment or other impairment under the Bankruptcy Code because that would purportedly constitute a violation of state statutory, constitutional and/or municipal law. It is uncertain how a bankruptcy judge in a City bankruptcy would rule on these matters. In addition, this area of law is presently very unsettled because issues of pension underfunding claim priority, pension contribution enforcement, and related bankruptcy plan treatment of such claims (among other pension-related matters) are presently the subject of litigation in the Chapter 9 cases of several California municipalities, including Stockton and San Bernardino.

Former Redevelopment Agency

The Former RDA was dissolved as of February 1, 2012 pursuant to State legislation that dissolved all such redevelopment agencies statewide and the City is serving as the Successor Agency and as the successor housing entity to the Former RDA. The Former RDA had agreements with the City pursuant to which it contributed to debt service otherwise payable from the General Fund for certain projects. The Former RDA had additional agreements with and obligations to the City and other parties. As part of the dissolution process, the State Department of Finance has taken the position that a number of these agreements are invalid

resulting in liability to the General Fund for amounts that would otherwise be paid from tax increment levied and collected in redevelopment areas. The liabilities arising from the City's role as the Successor Agency and the successor housing entity to the Former RDA could result in a negative, material impact to the General fund individually or in the aggregate. See APPENDIX A — "CITY GOVERNMENT AND FINANCIAL INFORMATION – CITY BUDGET AND RELATED MATTERS – Former Redevelopment Agency."

State of California Financial Condition

The financial condition of the State has improved significantly since the severe economic recession. However, the State is still facing unfunded long-term liabilities which could result in future reductions or deferrals in amounts payable to the City by the State. The State's financial condition and budget policies affect local public agencies throughout California. To the extent that the State financial condition or budget process results in reduced revenues to the City, the City will be required to make adjustments to its budget. State budget policies can also impact conditions in the local economy and could have an adverse effect on the local economy and the City's major revenue sources. For more information regarding the State's financial condition, see APPENDIX A — "CITY GOVERNMENT AND FINANCIAL INFORMATION – STATE BUDGET INFORMATION."

Impact of Military Spending

Military and related defense spending are significant factors in the San Diego County (the "County") economy. Military installations include Marine Corps Base Camp Joseph H. Pendleton; the Marine Corps Recruit Depot; Marine Corps Air Station at Miramar; Naval Air Station North Island; Naval Station San Diego; and Naval Submarine Base, San Diego.

The San Diego Military Economic Impact Study (the "Military Study") released in September 2014 by the San Diego Military Advisory Council estimates that approximately 22% of the jobs in the County for the federal fiscal year ending September 30, 2014 were directly and indirectly related to the military. According to the Military Study, as of September 30, 2014, there were approximately 108,600 active duty and reserve military personnel and 24,000 full-time civilian workers directly employed by the military throughout the County. The Military Study concludes that overall spending in the County related to the military in the federal fiscal year ended September 30, 2014 represented approximately 20% of the County's total gross regional product. See "APPENDIX B—DEMOGRAPHIC AND ECONOMIC INFORMATION REGARDING THE CITY OF SAN DIEGO—Military."

Given the substantial role that the military plays in the local economy, significant reductions in defense spending or the relocation of military bases out of the area could negatively impact the local economy and, in turn, reduce revenues to the City from such major sources as property taxes, sales taxes and transient occupancy taxes. Any direct impact on the City operations or finances is uncertain and the City is unable to predict the extent of any negative impact on the area economy as a result of reduced military spending.

Impact of Economic Conditions on the City

The United States economy is now recovering after experiencing a severe economic recession. The City cannot predict the extent to which fiscal problems will be encountered in this and any future fiscal years, and it is not clear what measures, if any, would be taken by the State or federal government in the event of future economic recessions or budgetary deficits. The City cannot predict future State or federal budgetary actions or the impact that such actions will have on the City's finances and operations. See APPENDIX A — "CITY GOVERNMENT AND FINANCIAL INFORMATION."

Loss of Tax Exemption

As discussed under the caption “TAX MATTERS” herein, interest on the Series 2015 Bonds could become includable in gross income for purposes of federal income taxation retroactive to the date the Series 2015 Bonds were issued, as a result of future acts or omissions of the Authority or the City in violation of covenants in the Indenture and the Facility Lease.

Current or future legislative proposals, if enacted into law, clarification of the Code or court decisions may cause interest on the Series 2015 Bonds to be subject, directly or indirectly, to federal income taxation or to be subject to or exempted from state income taxation, or otherwise prevent Beneficial Owners from realizing the full current benefit of the tax status of such interest. Legislative changes have been proposed in Congress, which, if enacted, would result in additional federal income tax being imposed on certain owners of tax-exempt state or local obligations, such as the Series 2015 Bonds. The introduction or enactment of any of the pending or future legislative proposals, clarification of the Code or court decisions may also affect the market price for, or marketability of, the Series 2015 Bonds. Prospective purchasers of the Series 2015 Bonds should consult their own tax advisors regarding any pending or proposed federal or state tax legislation, regulations or litigation, as to which Bond Counsel expresses no opinion.

It is possible that subsequent to the issuance of the Series 2015 Bonds there might be federal, State, or local statutory changes (or judicial or regulatory interpretations of federal, State, or local law) that affect the federal, State, or local tax treatment of the Series 2015 Bonds or the market value of the Series 2015 Bonds. No assurance can be given that subsequent to the issuance of the Series 2015 Bonds such changes or interpretations will not occur. See “TAX MATTERS” below.

Should a future event of taxability occur, the Series 2015 Bonds are not subject to early redemption therefor and will remain outstanding until maturity or until redeemed under one of the other redemption provisions contained in the Indenture.

CONTINUING DISCLOSURE

Pursuant to the Continuing Disclosure Certificate of the City (the “Disclosure Certificate”), the City has agreed to provide, or cause to be provided, to the Municipal Securities Rulemaking Board in the manner prescribed by the Securities Exchange Commission (the “SEC”) certain annual financial information and operating data and notice of certain Notice Events (as described in the Continuing Disclosure Certificate). The form of the Disclosure Certificate is attached hereto as APPENDIX F — “FORM OF CONTINUING DISCLOSURE CERTIFICATE.” The City’s covenants in the Continuing Disclosure Certificate have been made in order to assist the Underwriters in complying with Rule 15c2-12(b)(5) adopted by the SEC under the Securities Exchange Act of 1934 (the “Rule”). A failure by the City to comply with any of the covenants therein is not an event of default under the Indenture or the Facility Lease.

The City is party to a number of continuing disclosure undertakings with respect to securities payable from the City’s General Fund, the Sewer Utility Fund, and the Water Utility Fund pursuant to the Rule. During the last five years, there was one instance where the City failed to comply in all material respects with certain of its previous undertakings with regard to the Rule. The annual reports for Fiscal Year 2010 were filed late due to the unavailability of the City’s audited financial statements. The delay in releasing the audited financial statements for Fiscal Year 2010 was principally due to the implementation of a new accounting reporting system for the City. The City subsequently filed its audited financial statements for Fiscal Year 2010 on October 20, 2011, and filed its annual reports for Fiscal Year 2010 in November 2011, approximately seven months after its annual reporting deadlines under its continuing disclosure undertakings. The City timely filed its audited financial statements and annual reports for Fiscal Years 2011, 2012, 2013 and 2014 in compliance with its continuing disclosure undertakings.

FINANCIAL STATEMENTS FOR FISCAL YEAR 2014

The City's CAFR for Fiscal Year 2014, which includes the City's audited basic financial statements as of and for the fiscal year ended June 30, 2014, is available through EMMA at <http://emma.msrb.org/EP844979-EP653900-EP1055621.pdf> and is incorporated by reference herein and constitutes a part of this Official Statement.

The City's basic financial statements as of June 30, 2014 and for the year then ended have been audited by Macias Gini & O'Connell LLP as stated in its report dated December 5, 2014, which is included with the financial statements. Macias Gini & O'Connell LLP as the independent auditors did not review this Official Statement. The City did not request the consent of the independent auditors to incorporate the City's financial statements or the auditor's report as a part of this Official Statement. Accordingly, the independent auditors did not perform any procedures relating to any of the information in this Official Statement.

TAX MATTERS

Federal Income Taxes

The Internal Revenue Code of 1986, as amended (the "Code"), imposes certain requirements that must be met subsequent to the issuance and delivery of the Series 2015 Bonds for interest thereon to be and remain excluded from gross income for federal income tax purposes. Noncompliance with such requirements could cause the interest on the Series 2015 Bonds to be included in gross income for federal income tax purposes retroactive to the date of issue of the Series 2015 Bonds. Pursuant to the Indenture, the Facility Lease, and the tax and nonarbitrage certificate to be executed by the Authority and the City in connection with the issuance of the Series 2015 Bonds (the "Tax Certificate"), the Authority and the City have covenanted to comply with the applicable requirements of the Code in order to maintain the exclusion of the interest on the Series 2015 Bonds from gross income for federal income tax purposes pursuant to Section 103 of the Code. In addition, the Authority and the City have made certain representations and certifications in the Indenture, the Facility Lease, and the Tax Certificate. Bond Counsel will not independently verify the accuracy of those representations and certifications.

In the opinion of Nixon Peabody LLP, Bond Counsel, under existing law and assuming compliance with the aforementioned covenant, and the accuracy of certain representations and certifications made by the Authority and the City described above, interest on the Series 2015 Bonds is excluded from gross income for federal income tax purposes under Section 103 of the Code. Bond Counsel is also of the opinion that such interest is not treated as a preference item in calculating the alternative minimum tax imposed under the Code with respect to individuals and corporations. Interest on the Series 2015 Bonds is, however, included in the adjusted current earnings of certain corporations for purposes of computing the alternative minimum tax imposed on such corporations.

State Taxes

Bond Counsel is also of the opinion that interest on the Series 2015 Bonds is exempt from personal income taxes of the State of California under present State law. Bond counsel expresses no opinion as to other state or local tax consequences arising with respect to the Series 2015 Bonds nor as to the taxability of the Series 2015 Bonds or the income therefrom under the laws of any state other than California.

Original Issue Discount

Bond Counsel is further of the opinion that the difference between the principal amount of the Series 2015 Bonds maturing on _____, 20__ and on _____, 20__ through _____, 20__, inclusive (collectively the "Discount Bonds") and the initial offering price to the public (excluding bond houses, brokers or similar persons or organizations acting in the capacity of underwriters or wholesalers) at which price a

substantial amount of such Discount Bonds of the same maturity was sold constitutes original issue discount which is excluded from gross income for federal income tax purposes to the same extent as interest on the Series 2015 Bonds. Further, such original issue discount accrues actuarially on a constant interest rate basis over the term of each Discount Bond and the basis of each Discount Bond acquired at such initial offering price by an initial purchaser thereof will be increased by the amount of such accrued original issue discount. The accrual of original issue discount may be taken into account as an increase in the amount of tax-exempt income for purposes of determining various other tax consequences of owning the Discount Bonds, even though there will not be a corresponding cash payment. Owners of the Discount Bonds are advised that they should consult with their own advisors with respect to the state and local tax consequences of owning such Discount Bonds.

Original Issue Premium

The Series 2015 Bonds maturing on _____, 20__ and on _____, 20__ through _____, 20__, inclusive (collectively, the “Premium Bonds”) are being offered at prices in excess of their principal amounts. An initial purchaser with an initial adjusted basis in a Premium Bond in excess of its principal amount will have amortizable bond premium which is not deductible from gross income for federal income tax purposes. The amount of amortizable bond premium for a taxable year is determined actuarially on a constant interest rate basis over the term of each Premium Bond based on the purchaser’s yield to maturity (or, in the case of Premium Bonds callable prior to their maturity, over the period to the call date, based on the purchaser’s yield to the call date and giving effect to any call premium). For purposes of determining gain or loss on the sale or other disposition of a Premium Bond, an initial purchaser who acquires such obligation with an amortizable bond premium is required to decrease such purchaser’s adjusted basis in such Premium Bond annually by the amount of amortizable bond premium for the taxable year. The amortization of bond premium may be taken into account as a reduction in the amount of tax-exempt income for purposes of determining various other tax consequences of owning such Series 2015 Bonds. Owners of the Premium Bonds are advised that they should consult with their own advisors with respect to the state and local tax consequences of owning such Premium Bonds.

Ancillary Tax Matters

Ownership of the Series 2015 Bonds may result in other federal tax consequences to certain taxpayers, including, without limitation, certain S corporations, foreign corporations with branches in the United States, property and casualty insurance companies, individuals receiving Social Security or Railroad Retirement benefits, and individuals seeking to claim the earned income credit. Ownership of the Series 2015 Bonds may also result in other federal tax consequences to taxpayers who may be deemed to have incurred or continued indebtedness to purchase or to carry the Series 2015 Bonds. Prospective investors are advised to consult their own tax advisors regarding these rules.

Interest paid on tax-exempt obligations such as the Series 2015 Bonds is subject to information reporting to the Internal Revenue Service (the “IRS”) in a manner similar to interest paid on taxable obligations. In addition, interest on the Series 2015 Bonds may be subject to backup withholding if such interest is paid to a registered owner that (a) fails to provide certain identifying information (such as the registered owner’s taxpayer identification number) in the manner required by the IRS, or (b) has been identified by the IRS as being subject to backup withholding.

Bond Counsel is not rendering any opinion as to any federal tax matters other than those described in the opinions attached as APPENDIX D — “FORM OF BOND COUNSEL OPINION.” Prospective investors, particularly those who may be subject to special rules described above, are advised to consult their own tax advisors regarding the federal tax consequences of owning and disposing of the Series 2015 Bonds, as well as any tax consequences arising under the laws of any state or other taxing jurisdiction.

Changes in Law and Post Issuance Events

Legislative or administrative actions and court decisions, at either the federal or state level, could have an adverse impact on the potential benefits of the exclusion from gross income of the interest on the Series 2015 Bonds for federal or state income tax purposes, and thus on the value or marketability of the Series 2015 Bonds. This could result from changes to federal or state income tax rates, changes in the structure of federal or state income taxes (including replacement with another type of tax), repeal of the exclusion of the interest on the Series 2015 Bonds from gross income for federal or state income tax purposes, or otherwise. We note that each year since 2011, President Obama released legislative proposals that would limit the extent of the exclusion from gross income of interest on obligations of states and political subdivisions under Section 103 of the Code (including the Series 2015 Bonds) for taxpayers whose income exceeds certain thresholds. It is not possible to predict whether any legislative or administrative actions or court decisions having an adverse impact on the federal or state income tax treatment of holders of the Series 2015 Bonds may occur. Prospective purchasers of the Series 2015 Bonds should consult their own tax advisors regarding the impact of any change in law on the Series 2015 Bonds.

Bond Counsel has not undertaken to advise in the future whether any events after the date of issuance and delivery of the Series 2015 Bonds may affect the tax status of interest on the Series 2015 Bonds. Bond Counsel expresses no opinion as to any federal, state or local tax law consequences with respect to the Series 2015 Bonds, or the interest thereon, if any action is taken with respect to the Series 2015 Bonds or the proceeds thereof upon the advice or approval of other counsel.

VERIFICATION OF MATHEMATICAL COMPUTATIONS

Upon delivery of the Series 2015 Bonds, Causey Demgen & Moore P.C., a firm of independent certified public accountants, will deliver to the City a report verifying the mathematical accuracy of certain computations relating to (a) the adequacy of the maturing principal amount of the securities held in the Escrow Fund, interest earned thereon and certain uninvested cash to pay the principal and redemption price of, and interest on, the Refunded Bonds (as described under “PLAN OF REFUNDING”) as such principal and redemption price and interest become due and payable, and (b) the mathematical computations supporting the conclusion that the Series 2015 Bonds are not “arbitrage bonds” under Section 148 of the Code. Such verification of the accuracy of the computations will be based upon information supplied by the Underwriters and on interpretations of the Code provided by Bond Counsel.

CHALLENGES TO OTHER AUTHORITY LEASE REVENUE BONDS

No Litigation Challenging the Series 2015 Bonds. There is no litigation challenging the Series 2015 Bonds. Any such litigation should be time barred under the California Code of Civil Procedure as discussed further below. There is pending litigation challenging the validity of other lease revenue bonds issued by the Authority.

2015A CIP Bonds Litigation. On April 1, 2014, San Diegans for Open Government (“plaintiff”) filed the 2015A CIP Bonds Litigation as a reverse validation lawsuit in the San Diego Superior Court against the San Diego Entities and all interested parties. *San Diegans for Open Government v. City of San Diego et al.*, Case No. 37-2014-00009217-CU-MC-CTL. The plaintiff sought declaratory relief to invalidate the 2015A CIP Bond Approvals, which consist of the ordinance and resolution of the City and the resolution of the Authority adopted with respect to the 2015A CIP Bonds and injunctive relief prohibiting the San Diego Entities from taking any of the actions contemplated by the 2015A CIP Bond Approvals. The plaintiff made three primary allegations against the validity of the 2015A CIP Bond Approvals. First, the Authority lacks the power to issue the 2015A CIP Bonds because neither the Housing Authority nor the City of San Diego as the Successor Agency to the Redevelopment Agency of the City of San Diego are proper members of the Authority and upon the dissolution of all redevelopment agencies in California pursuant to state statute, the Authority lost the legal authority to issue bonds. Second, the issuance of the 2015A CIP Bonds requires voter approval under the

California Constitution and the City's Charter. Third, the City failed to satisfy a requirement of the City's municipal code in connection with the 2015A CIP Bond Approvals.

The San Diego Entities denied all the plaintiff's allegations and requested the court render a judgment finding that the 2015A CIP Bond Approvals and all other resolutions and actions taken by the San Diego Entities approving the 2015A CIP Bonds are conclusively valid and binding pursuant to Code of Civil Procedure Section 870 and any other applicable law.

On November 3, 2014, the Superior Court, in an oral ruling from the bench, ruled in favor of the San Diego Entities. The Superior Court rejected all the plaintiff's substantive arguments. On November 20, 2014, the Superior Court filed its judgment in the action. The plaintiff filed an appeal of the judgment to the California Court of Appeal on December 12, 2014 where the matter is now pending. The 2015A CIP Bonds were successfully issued and sold on April 21, 2015.

2015B CIP Bonds Litigation. On June 6, 2014, the plaintiff commenced the 2015B CIP Bonds Litigation by filing a reverse validation lawsuit in the San Diego County Superior Court against the San Diego Entities and all interested parties. *San Diegans for Open Government v. Public Facilities Financing Authority of the City of San Diego et al.*, Case No. 37-2014-00018335-CU-MC-CTL. The plaintiff sought declaratory relief to invalidate the 2015B CIP Bond Approval of the Authority and injunctive relief prohibiting the San Diego Entities from taking any of the actions contemplated by the Series 2015B CIP Bond Approval. The plaintiff made three primary allegations against the validity of the 2015B CIP Bond Approvals that were substantially identical to the allegations made in the 2015A CIP Bonds Litigation. First, the Authority lacks the power to issue the 2015B CIP Bonds because neither the Housing Authority nor the City of San Diego as the Successor Agency to the Redevelopment Agency of the City of San Diego are proper members of the Authority and upon the dissolution of all redevelopment agencies in California pursuant to state statute, the Authority lost the authority to issue bonds. Second, the issuance of the 2015B CIP Bonds requires voter approval under the California Constitution and the City's Charter. Third, the City failed to satisfy a requirement of the City's municipal code in connection with the 2015B CIP Bond Approval.

The San Diego Entities denied all the plaintiff's allegations and requested the court render a summary judgment finding that the 2015B CIP Bonds, the 2015B CIP Bond Approval and all other resolutions and actions taken by the San Diego Entities approving the 2015B CIP Bonds are conclusively valid and binding pursuant to Code of Civil Procedure Section 870 and any other applicable law.

On January 12, 2015, the Superior Court entered an order of dismissal with prejudice in the case on the grounds that plaintiff failed to serve the Attorney General of the State of California and the Treasurer of the State of California with a copy of the complaint in the 2015B CIP Bonds Litigation as required by Government Code Section 6599. Plaintiff then filed a motion requesting relief from the Superior Court for its failure to properly serve the complaint in a timely manner. On January 27, 2015, that motion was denied by the Superior Court. On March 3, 2015, the plaintiff filed an appeal of the January 27, 2015 order denying relief. The 2015B CIP Bonds were successfully issued and sold on April 21, 2015.

2015 CIP Bonds Appeals. The City and the Authority believe that they will prevail in the pending appeal of the Superior Court actions in the 2015A CIP Bonds Litigation and the 2015B CIP Bonds Litigation. However, no guarantee can be given as to the outcome of the appeal. In the event that the California Court of Appeal reverses either decision of the Superior Court, the City and the Authority intend to appeal to the California Supreme Court. If the California Supreme Court were to rule in the plaintiff's favor or refuse to hear an appeal by the San Diego Entities from a Court of Appeal ruling adverse to the San Diego Entities, the affected 2015 CIP Bonds and the related indenture and leases would be invalid. In that event the Authority would not be obligated to make, and may be precluded from making, principal and interest payments on the affected 2015 CIP Bonds and the City would not be obligated to make, and may be precluded from making, lease payments under the facilities lease related to the affected 2015 CIP Bonds. Even if the ruling on appeal did not preclude the Authority from making payment on the affected 2015 CIP Bonds, the failure of the trustee

to receive lease payments as scheduled under the related facilities lease would result in the trustee not having sufficient money available to pay debt service on the affected 2015 CIP Bonds.

Prior California Supreme Court Rulings. The City believes that the main arguments made by the plaintiff have been resolved in the City's favor by the California Supreme Court in earlier cases. The California Supreme Court most recently ruled on these issues in *Rider v. City of San Diego* (1998) 18 Cal. 4th 1035. *Rider* involved a joint powers agency (the Convention Center Expansion Financing Authority or "CCEFA") similar to the Authority that issued bonds payable from rental payments made by the City to CCEFA for the use and occupancy of the Convention Center. Rent payable by the City was equal to debt service on the bonds issued by CCEFA. Rent was payable in consideration of, and contingent on, use and occupancy of the Convention Center by the City. If the Convention Center were to be unavailable for use and occupancy by the City, the City's obligation to pay rent was abated. Under no circumstances could the City's obligation to pay rent be accelerated.

Citing previous California Supreme Court cases from the mid twentieth century, the *Rider* Court found that CCEFA was a distinct legal entity separate and apart from the City, that California law provides express independent authority for the issuance of bonds by joint powers agencies such as CCEFA, that the issuance of such bonds by CCEFA is not subject to the same requirements of a two-thirds vote of the electorate that apply to bonds issued by the City under the California Constitution and the City Charter, and that the obligation of the City to pay rent under the lease was not an impermissible debt under the California Constitution notwithstanding that the rent was precisely equal to debt service on the CCEFA bonds.

The pertinent facts in the *Rider* case are similar to the facts underlying the 2015 CIP Bonds. The City believes that the *Rider* case is controlling authority and that the City will prevail in the 2015 CIP Bonds litigation. Nonetheless, the make-up of the Authority is not identical to the make-up of the CCEFA and the City cannot guarantee the outcome of any litigation.

In its opinions on the validity of the 2015 CIP Bonds, Stradling Yocca Carlson & Rauth, a Professional Corporation, opined that the plaintiff's allegations in the complaints challenging the 2015 CIP Bonds and the CIP Bond Approvals are without merit in that such counsel believes under the law as in effect on the dates of such opinions, based on the analysis set forth in such opinions, the California Supreme Court, acting reasonably and properly briefed on the issues, would not conclude that the CIP Bond Approvals are invalid based on such allegations. The official statement for the 2015 CIP Bonds in which the forms of such opinions may be found is available on EMMA at <http://emma.msrb.org/ER861762-ER673384-ER1075145.pdf>. Such 2015 CIP Bonds official statement is not incorporated by reference in this Official Statement.

The San Diego City Attorney will also opine that the plaintiff's allegations in the complaints challenging the 2015 CIP Bonds and the CIP Bond Approvals are without merit in that such counsel believes under the law as in effect on the date of such opinion, based on the analysis set forth in such opinion, the California Supreme Court, acting reasonably and properly briefed on the issues, would not conclude that the CIP Bond Approvals are invalid based on such allegations. See APPENDIX G — "OPINION OF CITY ATTORNEY REGARDING 2015 CIP BONDS LITIGATION." Bond counsel will rely on the opinion of the City Attorney. See APPENDIX D — "FORM OF BOND COUNSEL OPINION."

The Series 2015 Bonds. Many of the arguments made by the plaintiff in the 2015 CIP Bonds litigation could be equally applicable to the Series 2015 Ballpark Refunding Bonds. However, the Series 2015 Ballpark Refunding Bonds are not the subject of this litigation and a decision adverse to the City and the Authority regarding the 2015 CIP Bonds should not, in and of itself, have a material adverse effect on the obligation of the City to make Base Rental Payments under the Facility Lease sufficient to make timely payments of principal of and interest on the Series 2015 Ballpark Refunding Bonds. While the City believes it unlikely for the reasons discussed below, such a final adverse decision could generate litigation directed at the

Series 2015 Ballpark Refunding Bonds and could have a material adverse effect on the liquidity or market price of the Series 2015 Ballpark Refunding Bonds.

California Code of Civil Procedure Section 863 (made applicable to the Series 2015 Bonds through California Government Code Section 6516.6(e)) provides that any interested person seeking to challenge the validity of the Authority's or the City's action approving the issuance of the Series 2015 Bonds and the related documents must do so within 60 days of the Authority's or the City's adoption of the resolution or ordinance approving such actions. Challenges to such approvals brought after 60 days following the adoption of such approvals should be time barred. The date of final adoption of both the City's ordinance and the Authority's resolution approving the issuance of the Series 2015 Bonds and the related documents was March 17, 2015, which occurred more than 60 days ago and there has been no challenge.

LITIGATION

Except as disclosed in this Official Statement, there is no controversy of any nature now pending against the City or the Authority or, to the knowledge of their respective responsible officers, threatened, seeking to restrain or enjoin the issuance, sale, execution or delivery of the Series 2015 Bonds or the related documents, or in any way contesting or affecting the validity of the Series 2015 Bonds or any proceedings of the City or the Authority taken with respect to the issuance or sale thereof, or the pledge or application of any moneys or security provided for the payment of the Series 2015 Bonds or the use of the Series 2015 Bond proceeds.

Except as disclosed in this Official Statement, there are no pending lawsuits which in the opinion of the City Attorney challenge the validity of the Series 2015 Bonds or the related documents, the corporate existence of the City or the Authority, or the title of the executive officers thereof to their respective offices. See APPENDIX A — "CITY GOVERNMENT AND FINANCIAL INFORMATION – LITIGATION POTENTIALLY ADVERSELY AFFECTING THE GENERAL FUND."

CERTAIN LEGAL MATTERS

Certain legal matters incident to the authorization, issuance and sale of the Series 2015 Bonds and with regard to the tax-exempt status of the interest on the Series 2015 Bonds (see "TAX MATTERS") are subject to the legal opinion of Nixon Peabody LLP, Bond Counsel to the City and the Authority. The signed legal opinion of Bond Counsel will be delivered to the initial purchasers of the Series 2015 Bonds at the time of original delivery of the Series 2015 Bonds. The proposed form of the legal opinion of Bond Counsel is set forth in APPENDIX D — "FORM OF BOND COUNSEL OPINION."

Bond Counsel undertakes no responsibility for the accuracy, completeness or fairness of this Official Statement. Certain legal matters will be passed on for the City and the Authority by Nixon Peabody LLP, Disclosure Counsel, and the City Attorney. Bond Counsel and Disclosure Counsel will receive compensation contingent upon the sale and delivery of the Series 2015 Bonds.

RATINGS

Fitch Ratings ("Fitch") and Standard & Poor's Ratings Services ("S&P"), a division of McGraw Hill Companies, Inc., have assigned the ratings of "___" with stable outlook and "___" with stable outlook, respectively, to the Series 2015 Bonds. Such credit ratings and outlooks reflect only the views of such organizations and any desired explanation of the significance of such credit ratings and outlooks should be obtained from the rating agency furnishing the same, at the following addresses: Fitch Ratings, One State Street Plaza, New York, New York 10004, and Standard & Poor's, 55 Water Street, New York, New York 10041.

The City furnished to the rating agencies certain information, including information that may not be included herein. Generally, a rating agency bases its rating on the information and materials furnished to it and on investigations, studies and assumptions of its own. There is no assurance such ratings will continue for any given period of time or that such ratings will not be revised downward or withdrawn entirely by the rating agencies, if in the judgment of such rating agencies, circumstances so warrant. The City undertakes no responsibility to oppose any such revision, suspension or withdrawal. Any such downward revision, suspension or withdrawal of the ratings obtained, or other actions by a rating agency relating to its rating, may have an adverse effect on the market price and marketability of the Series 2015 Bonds.

UNDERWRITING

The 2015 Bonds are being purchased by RBC Capital Markets, LLC, Merrill Lynch, Pierce, Fenner & Smith Incorporated, William Blair & Company, LLC and Stern Brothers & Co. (collectively, the “Underwriters”). The Underwriters have agreed to purchase the Series 2015 Bonds at a price of \$_____ (being \$_____ aggregate principal amount thereof, less Underwriters’ discount of \$_____ plus original issue premium of \$_____). The purchase agreement relating to the Series 2015 Bonds provides that the Underwriters will purchase all of the Series 2015 Bonds if any are purchased. The obligation to make such purchase is subject to certain terms and conditions set forth in such purchase agreement, the approval of certain legal matters by counsel and certain other conditions.

The Underwriters may offer and sell the Series 2015 Bonds to certain dealers and others at prices lower than the offering prices stated on the inside cover page hereof. The offering prices may be changed from time to time by the Underwriters.

Certain of the Underwriters or affiliates thereof may hold some of the Refunded Bonds and as a result may receive a portion of the proceeds of this offering in connection with the redemption of the Refunded Bonds.

The Underwriters and their respective affiliates are full service financial institutions engaged in various activities, which may include sales and trading, commercial and investment banking, advisory, investment management, investment research, principal investment, hedging, market making, brokerage and other financial and non-financial activities and services. Under certain circumstances, the underwriters and their affiliates may have certain creditor and/or other rights against the City or Authority and its affiliates in connection with such activities. In the various course of their various business activities, the underwriters and their respective affiliates, officers, directors and employees may purchase, sell or hold a broad array of investments and actively trade securities, derivatives, loans, commodities, currencies, credit default swaps and other financial instruments for their own account and for the accounts of their customers, and such investment and trading activities may involve or relate to assets, securities and/or instruments of the City or Authority (directly, as collateral securing other obligations or otherwise) and/or persons and entities with relationships with the City or Authority. The underwriters and their respective affiliates may also communicate independent investment recommendations, market color or trading ideas and/or publish or express independent research views in respect of such assets, securities or instruments and may at any time hold, or recommend to clients that they should acquire, long and/or short positions in such assets, securities and instruments.

MUNICIPAL ADVISOR

Public Resources Advisory Group (the “Municipal Advisor”) has acted as Municipal Advisor to the City in conjunction with the issuance of the Series 2015 Bonds. The Municipal Advisor has assisted the City in preparation of this Official Statement and in other matters related to the planning, structuring, execution and delivery of the Series 2015 Bonds. The Municipal Advisor will receive compensation contingent upon the sale and delivery of the Series 2015 Bonds.

The Municipal Advisor has not audited, authenticated or otherwise independently verified the information set forth in the Official Statement, or any other information related to the City with respect to the accuracy or completeness of disclosure of such information. The Municipal Advisor makes no guaranty, warranty or other representation respecting the accuracy or completeness of this Official Statement or any other matter related to this Official Statement.

MISCELLANEOUS

This Official Statement has been duly approved, executed and delivered by the Authority and has been duly approved, executed and delivered by the City.

There are appended to this Official Statement, among other things, a summary of certain provisions of the principal legal documents, the proposed form of opinion of Bond Counsel, a general description of the City and a description of DTC’s Book-Entry Only System. The Appendices are integral parts of this Official Statement and must be read together with all other parts of this Official Statement.

This Official Statement is not to be construed as a contract or agreement between the Authority or the City and the purchasers or Owners of any of the Series 2015 Bonds. Any statements made in this Official Statement involving matters of opinion, whether or not expressly so stated, are intended merely as an opinion and not as representations of fact. The information and expressions of opinion herein are subject to change without notice and neither the delivery of this Official Statement nor any sale made hereunder shall, under any circumstances, create any implication that there has been no change in the financial condition, results of operations or any other affairs of the City or the Authority since the date hereof.

APPENDIX A

CITY GOVERNMENT AND FINANCIAL INFORMATION

This Appendix A to the Official Statement covers general information about the City of San Diego's (the "City") governance structure, budget processes, reserves, property taxation system and other tax and revenue sources, City expenditures, including labor relations, employment benefits and retirement costs, and investments, bonds and other long-term obligations. The information and data within this Appendix A are the latest data available to the City; however, events or circumstances may have changed since the dates of the data presented.

As explained under "SECURITY AND SOURCES OF PAYMENT FOR THE SERIES 2015 Bonds" in the front part of this Official Statement, the Series 2015 Bonds (as defined in this Official Statement) are payable solely from Revenues pledged under the Indenture consisting primarily of the Base Rental Payments (as defined in this Official Statement) to be made by the City under the Facility Lease and certain other money held by the Trustee under the Indenture. The Series 2015 Bonds are not a debt of the City, the State of California (the "State"), or any of its political subdivisions, and none of the City, the State or any of its political subdivisions is liable thereon.

GENERAL

Profile of the City of San Diego

The City was incorporated in 1850. The City is comprised of 342 square miles and, as of January 1, 2015, the California Department of Finance estimates the population to be 1,368,061. The City, with approximately 10,400 full-time and part-time employees as of June 30, 2014, provides a full range of governmental services, which include police and fire protection, sanitation and health services, construction and maintenance of streets and infrastructure, recreational activities and cultural events, and maintenance and operation of the water and sewer utilities.

The General Fund is the principal operating fund of the City. Departments within the General Fund provide core community services, such as public safety (including police and fire protection), parks and recreation, library services, and refuse collection, as well as vital support functions such as finance, legal and human resources. These core services are primarily supported by major revenue sources that include property tax, sales tax, transient occupancy tax, and franchise fees.

Governing Structure

The City operates under and is governed by the laws of the State and the City Charter (the "Charter"), as periodically amended since its adoption by the electorate in 1931. The City operates under a "Strong Mayor" form of government. Under the Strong Mayor form of government, the Mayor, who is elected to a four-year term and may serve up to two consecutive terms, is the Chief Executive Officer of the City and has direct oversight over all City functions and services, except for the City Council, Personnel, City Clerk, Independent Budget Analyst, Ethics Commission, City Attorney and City Auditor departments.

The City Council is composed of nine members who are elected to staggered four-year terms and may serve up to two consecutive terms. The City Council is presided over in open meetings by the City Council President, who is selected by a majority vote of the City Council. The Mayor presides over the City Council in closed session meetings of the City Council. The City Council retains its legislative authority; however, all City Council resolutions and ordinances are subject to a veto of the Mayor except for certain ordinances including emergency declarations and the City's annual Salary and Appropriation Ordinances. The City Council may override a Mayoral veto with six votes. The City Attorney, who is elected for a four-year term,

serves as the chief legal advisor of and attorney for the City and all departments. The City Attorney is also limited to two consecutive terms in office.

Accounting Practices

The City's accounting policies conform to generally accepted accounting principles applicable to governmental entities. The City's Governmental Funds, including the General Fund, use the modified accrual basis of accounting. Under the modified accrual basis of accounting, revenues are recorded when both available and measurable. Licenses, permits, parking citation and certain other revenues, however, are recorded when received, as they are not susceptible to accrual. Expenditures are recognized when the related liability is incurred except for (1) principal of and interest on general long-term debt, which are recognized when due, and (2) employee annual leave and claims and judgments from litigation and self-insurance, which are recorded in the period due and payable. Proprietary and Fiduciary Funds use the accrual basis of accounting. Under the accrual basis of accounting, revenues are recognized when earned, and expenses are recorded when a liability is incurred.

The City prepares financial statements annually in conformity with generally accepted accounting principles for governmental entities, which are audited by an independent auditing firm. The City's most recent financial statements for the Fiscal Year ended June 30, 2014 were audited by Macias Gini & O'Connell LLP, CPAs. (For ease of reference, references in this APPENDIX A to any particular Fiscal Year (e.g., Fiscal Year 2014) shall mean the Fiscal Year ending June 30 of the referenced year).

CITY BUDGET AND RELATED MATTERS

Budget Process

Budget Development

The City's budgetary process begins with the development of a Five-Year Financial Outlook, which serves as a guiding document for long-range fiscal planning and provides the framework for the development of the City's annual operating budget. The City's most recently published outlook is the Fiscal Year 2016-2020 Five-Year Financial Outlook (the "Five Year Outlook"), which was released on November 14, 2014 and is the basis for the Fiscal Year 2016 budget together with trends in the current Fiscal Year 2015 results. See "—Five Year Financial Outlook" below.

General Fund revenues and expenditures are established and balanced through the budgeting process and included in the Mayor's proposed budget, along with changes to the non-general funds and capital improvement projects. The budget document is created, presented by the Mayor to the City Council, and made available by April 15 in compliance with the Charter. The Mayor's proposed budget for Fiscal Year 2016 (the "Fiscal Year 2016 Proposed Budget") was released on April 13, 2015 and is available on the City's website. Set forth in the Mayor's proposed budget are the anticipated revenues and expenditures of the General Fund, certain Special Revenue Funds, Capital Project Funds, Enterprise Funds, Internal Service Funds, and certain debt service funds for the ensuing Fiscal Year. Additionally, project-length financial plans are presented to and adopted by the City Council for the Capital Improvements Program.

The City's budgets for Governmental Funds, such as the General Fund, Debt Service Funds, Special Revenue Funds, and Capital Project Funds are prepared based on the modified accrual basis of accounting (revenues are recognized in the accounting period in which they become available and measurable, and expenditures are recognized in the accounting period in which the fund liability is incurred) except that the increase/decrease in reserve for advances and deposits to other funds and agencies are considered as additions/deductions of expenditures. The budget for the City's Proprietary Funds, which are comprised of Enterprise Funds and Internal Service Funds, are prepared on the modified accrual basis of accounting with the exception that revenues are recognized when they are earned. The City's budget excludes unrealized gains or

losses resulting from the change in fair value of investments and proceeds from capital leases. These calculations are performed solely for financial statement reporting purposes to be in compliance with Generally Accepted Accounting Principles (GAAP).

Budget Review

The proposed budget is reviewed by City Council and available for review by the public upon its presentation by the Mayor, no later than April 15. During the month of May, the City Council holds a series of public budget hearings to obtain input from City residents on spending priorities. The Mayor then releases in May revisions to the proposed budget, which contains the Mayor's recommended changes to the budget based on updated policy related issues, revised current Fiscal Year-end expenditure and revenue projections, and revised projections of revenues and expenditures in the next fiscal year.

Budget Adoption

As required by the Charter, the City Council adopts the annual budget by June 15 of each Fiscal Year. The City is not aware of the City Council ever having failed to adopt an annual budget by June 15. Within five business days of City Council's approval, the Mayor has the discretion to line-item veto any budget modifications approved by the City Council. In turn, the City Council has five business days within which to override the Mayor's veto. The Appropriation Ordinance that enacts the budget into law (the "Appropriation Ordinance") is prepared by the Chief Financial Officer and the City Attorney based on the approved budget and the adopted Salary Ordinance. The Appropriation Ordinance is presented to the City Council for review and adoption in July, following two noticed public hearings as required by the Charter. Amendments to the adopted budget require City Council approval, except as delegated in the annual Appropriation Ordinance.

Budget Monitoring

The City's Financial Management Department and Comptroller's Office monitor fund balances, as well as revenue and expenditure projections, throughout the Fiscal Year. The Comptroller's Office prepares monthly and periodic reports to the City Council that serve as a summary of the year-to-date financial activity of the General Fund and certain other budgeted funds. The Financial Management Department prepares an analysis of actual and projected financial activity for the entire fiscal year on a quarterly basis by issuing three budget monitoring reports during the year (First Quarter, Mid-Year, and Year-End Budget Monitoring Reports). The First Quarter Budget Monitoring Report includes three months of actual budgetary data. In accordance with Municipal Code Section 22.0229, after six months of actual budgetary data, the Mayor recommends to the City Council mid-year budget adjustments for any projected deficit or surplus. The Year-End Budget Monitoring Report is prepared incorporating nine months of actual results. The Year-End Budget Monitoring Report is typically released at the same time as the City Council's first public hearing on final budget decisions for the upcoming fiscal year. This allows the City Council to have the most current budget information available for the current fiscal year prior to making decisions on the budget for the upcoming fiscal year.

If revenues decline and/or expenditures increase, various alternatives are considered, including alternative funding sources, budget reductions or reallocations of funds between departments to support the ongoing activities of the City. The City also maintains a variety of reserves that are available for expenditure subject to City Council approval and in accordance with the City's Reserve Policy. See "-Reserves" below.

Five Year Summary of Financial Results

Tables A-1 and A-2 present the Balance Sheet and the Statement of Revenues, Expenditures, and Changes in Fund Balance of the City's General Fund, respectively, for Fiscal Years 2010 through 2014.

(footnotes (unaudited) to Table A-1 appear on next page)

-
- (1) Government Accounting Standards Board Statement No. 54 (“GASB 54”) was implemented in Fiscal Year 2011, causing certain variances between the reporting of Fiscal Year 2010 and Fiscal Year 2011.
 - (2) In Fiscal Year 2014, additional funds were consolidated with the General Fund that had previously been presented separately in the Comprehensive Annual Financial Report. The addition of these funds has caused certain variances from Fiscal Year 2011 through Fiscal Year 2013 as compared to Fiscal Year 2014.
 - (3) The increase in Fiscal Year 2012 is a result of a residual balance of property tax from the dissolution of the Former RDA (as defined herein).
 - (4) The increase in Fiscal Year 2012 was due to the recording of a receivable due from the Successor Agency Trust Fund, as a result of the dissolution of the Former RDA. The fund balance component of this receivable was reported as Nonspendable fund balance. This receivable was reduced to \$0 in Fiscal Year 2013 to reflect the legal uncertainty regarding its collectability.
 - (5) Due From Other Funds increased in Fiscal Year 2011 resulting from a loan to the TransNet Fund. The loan was repaid in Fiscal Year 2012 and was executed to cover a negative cash balance resulting from the timing of TransNet receipts. In Fiscal Year 2014 the increase was primarily due to a loan to front construction fund expenses charged to bond funds. The loan was repaid in Fiscal Year 2015 subsequent to receipt of bond construction fund proceeds from the trustee.
 - (6) Land Held for Resale related to housing projects was reported in the General Fund as part of GASB 54 implementation. These assets were transferred in Fiscal Year 2013 to the Low-Moderate Income Housing Fund.
 - (7) Fiscal Year 2013 amounts were restated in Fiscal Year 2014 due to a correction of accrued expenditures.
 - (8) The increase in Fiscal Year 2012 was due to a payable balance due to the Successor Agency Trust Fund, as a result of the dissolution of the Former RDA.
 - (9) Government Accounting Standards Board Statement No. 65 (“GASB 65”) was implemented in Fiscal Year 2014, eliminating use of the term deferred in the financial statements. These assets and liabilities are now reported as “Deferred Outflows of Resources” and “Deferred Inflows of Resources.” Deferred Revenue recorded in Fiscal Years 2010-2013 is now recorded in Fiscal Year 2014 as a Deferred Inflow of Resources.
 - (10) Restricted Fund Equity decreased in Fiscal Year 2013 as a result of the low and moderate housing assets and liabilities being transferred from the General Fund to the Low-Moderate Housing Fund. The increase in Fiscal Year 2014 is a result of a contribution to the emergency reserve of approximately \$27.1 million per the City’s reserve policy and the consolidation of certain funds previously classified as special revenue.
 - (11) A clarification in the implementation guidance of GASB 54 was issued between Fiscal Years 2011 and 2012. The clarification resulted in the Assigned fund balance being reclassified as Committed. The increase in Committed in Fiscal Year 2014 is a result of the consolidation of the Worker’s Compensation Fund and Public Liability Fund.

(footnotes (unaudited) to Table A-2 follow)

-
- (1) GASB 54 was implemented in Fiscal Year 2011 causing certain variances between the reporting of Fiscal Year 2010 and Fiscal Year 2011. In Fiscal Year 2014, additional funds were consolidated with the General Fund that had previously been presented separately in the Comprehensive Annual Financial Report. The addition of these funds has caused certain variances from Fiscal Year 2011 through Fiscal Year 2013 as compared to Fiscal Year 2014.
 - (2) Does not include sales tax triple flip or vehicle license fees. For a discussion of sales tax triple flip, see “– Major Revenue Sources – Sales Tax” below. Property Tax revenue increased in Fiscal Year 2012 mainly due to the dissolution of the Former RDA. The increase in Fiscal Year 2014 is primarily due to a one-time residual distribution related to the Non-Housing DDR of the Successor Agency’s Non-Housing Assets.
 - (3) Includes Proposition 172 safety sales tax revenues and sales tax triple flip.
 - (4) Includes the General Fund portion of Transient Occupancy Tax (5.5% of the 10.5% levy) only; the balance (5.0% of the 10.5% levy) is allocated to Special Promotional Programs. Of this 5% balance, approximately 1% may be budgeted in the General Fund as discretionary revenue and for Special Promotional Programs in the General Fund.
 - (5) Other Local Taxes are local taxes and fees including revenues from Franchise Fees and Property Transfer Tax. Starting Fiscal Year 2014, additional funds were consolidated into the General Fund, which include revenues previously classified under Gas Tax Fund and Environmental Growth Fund.
 - (6) In Fiscal Year 2012, Fines, Forfeitures, and Penalties increased primarily due to the \$27 million settlement awarded to the City from SDG&E for the 2007 San Diego wildfires.
 - (7) In Fiscal Year 2012, the decrease in Revenues from Other Agencies was primarily due to the State of California elimination of motor vehicle license fee revenue. The increase in Fiscal Years 2013 and 2014 was due to reimbursements to the City from the Successor Agency for administrative costs.
 - (8) Charges for Services decreased in Fiscal Year 2013 primarily due to the reclassification of Gas Tax revenues to Transfers from Other Funds.
 - (9) In Fiscal Year 2012, Neighborhood Services expenditures increased due to the transfer of the Redevelopment Cooperation Agreement Funds to the Successor Agency. Fiscal Year 2013 amount restated in Fiscal Year 2014 due to a correction of accrued expenditures.
 - (10) Public Safety expenditures increased from Fiscal Year 2013 to Fiscal Year 2014 due to an increase in retirement contributions and flexible benefit costs.
 - (11) Principal Retirement expenditures and Other Financing Sources – Capital Leases increased from Fiscal Year 2013 to 2014 due to the refinancing of certain capital leases.
 - (12) In Fiscal Year 2012, the Transfers from Proprietary Funds increased due to investments in the Customer Care Solutions application by Public Utilities.
 - (13) In Fiscal Year 2012, the decrease in Transfers From Other Funds was due to the dissolution of the Former RDA.
 - (14) In Fiscal Year 2012, the increase in Transfers to Proprietary Funds was due to a \$27 million cash transfer received from SDG&E for the 2007 San Diego wildfires. Capital expenditures (comprised of equipment purchased by several different departments) are shown separately from other operational expenditures in Fiscal Year 2011.
 - (15) In Fiscal Year 2013, transfers from the General Fund to CIP increased by approximately \$9 million, and a transfer of low-moderate housing related assets and liabilities netting to approximately \$14 million was made from the General Fund to the newly established Low-Moderate Income Housing Special Revenue Fund.
 - (16) In Fiscal Year 2012, the extraordinary gain was due to the dissolution of the Former RDA. In Fiscal Year 2013, the extraordinary loss was due to the establishment of an allowance for uncollectible interfund loans from the Successor Agency. In Fiscal Year 2014, the extraordinary loss was due to a one-time payment to the Successor Agency to partially fund the Due Diligence Review payment.
 - (17) The beginning fund balance for Fiscal Year 2011 and 2014 increased from the ending fund balance for Fiscal Year 2010 and 2013, respectively, due to the consolidation of funds, pursuant to GASB 54, that had previously been reported separately from the General Fund in the CAFR.

(footnotes to Table A-3 appear on next page)

-
- (1) Actuals on a Budgetary Basis are prepared using the modified accrual basis of accounting except that (1) the increase/decrease in reserve for advances and deposits are considered as additions/deductions of expenditures, (2) unrealized gains/losses resulting from the change in fair value of investments are excluded, and (3) proceeds from capital leases are excluded.
 - (2) The variance in Property Tax is primarily due to a one-time \$34.9 million residual distribution in Fiscal Year 2014 of Redevelopment Property Tax Trust Fund (RPTTF) revenue as a result of the Successor Agency's payment of the Non-Housing Due-Diligence Review.
 - (3) Licenses and Permits revenue decreased in Fiscal Year 2015 due to restructure of Parking Meter Operations out of the General Fund and into a Special Revenue Fund.
 - (4) Charges for Current Services Revenue decreased in Fiscal Year 2015 due to a restructure of the Engineering and Capital Projects Department out of the General Fund and into an Internal Service Fund. Also, expenditures for General Government and Support decreased due to this restructure.
 - (5) The Fiscal Year 2015 Adopted General Fund Budget included an appropriation of Fund Balance of \$13.9 million. This appropriated fund balance was used for a one-time transfer to the Public Liability Reserve and for Council District Community Projects, Programs and Services in Fiscal Year 2015.
 - (6) The Fiscal Year 2016 Proposed General Fund Budget includes an appropriation of Fund Balance of \$1.1 million. This appropriated fund balance is for Council District Community Projects, Programs and Services in Fiscal Year 2016.
 - (7) The increase in General Government and Support from the Fiscal Year 2015 Adopted Budget to the Fiscal Year 2016 Proposed Budget is related to enhancing services primarily within the Transportation and Storm Water Department.

Footnotes: Comptroller's Office, City of San Diego; and Financial Management, City of San Diego.

Fiscal Year 2015 Budget

The City's budget for Fiscal Year 2015 (the "Fiscal Year 2015 Adopted Budget") reflects a balanced General Fund budget of \$1.20 billion. The General Fund budget is approximately 40.0% of the City's total Fiscal Year 2015 Adopted Budget of \$3.01 billion. The General Fund budgeted expenditure level for Fiscal Year 2015 reflects a net decrease of \$49.0 million, compared to the actual results for Fiscal Year 2014 at \$1.25 billion. In the development of the Fiscal Year 2015 Adopted Budget, a one-time reduction in the General Fund and corresponding increases in the Special Revenue and Internal Service Funds is primarily attributed to the restructure of the Public Works – Engineering and Capital Projects Department from the General Fund to an internal service fund and the restructure of the Parking Meter Operations program from the General Fund to a Special Revenue Fund.

The Fiscal Year 2015 Adopted Budget General Fund expenditures are higher than the General Fund revenues by \$13.9 million which is supported by the appropriation of prior year-end fund balance. The Fiscal Year 2015 Adopted General Fund Budget includes 6,975.29 budgeted full-time equivalent ("FTE") positions, a net decrease of 292.21 FTE positions from the Fiscal Year 2014 Adopted General Fund Budget, primarily due to the restructure of two General Fund departments to Internal Service and Special Revenue Funds.

The General Fund's four largest revenue sources - property tax (37.0%), sales tax (21.4%), transient occupancy tax ("TOT") (7.7%), and franchise fees (6.0%) - account for approximately \$866.9 million or 72.1% of the total budgeted General Fund revenues in Fiscal Year 2015.

Fiscal Year 2015 Year-End Budget Monitoring Report [Expected to be available May 19, 2015]

The Fiscal Year 2015 Year-End Budget Monitoring Report, released on May [19], 2015, projects a year-end General Fund budgetary [surplus] [deficit] of \$[___] million, with \$[___] million of revenues projected to be over budget and \$[___] million in expenditures projected over budget. The City Council has authorized \$[___] million allocated to prefund the Public Liability Reserve and the Long-term Disability Reserve to Fiscal Year 2016 Reserve Policy levels, which are 40% and 100% respectively.

Presented below are Major General Fund Revenue Projections based on the Fiscal Year 2015 Year-End Budget Monitoring Report.

General Fund Major Revenue Projections
(\$ in millions)

Revenue Source	Fiscal Year 2015 Adopted Budget	Fiscal Year 2015 Year-End Projection	Fiscal Year 2016 Proposed Budget
Property Tax	\$445.4	[\$to come]	\$467.4
Sales Tax	257.1	[to come]	285.8
Transient Occupancy Tax ⁽¹⁾	92.3	[to come]	100.3
Franchise Fees ⁽²⁾⁽³⁾	70.7	[to come]	79.6

⁽¹⁾ Total City Fiscal Year 2015 Adopted Budget for Transient Occupancy Tax is \$176.3 million and the actual results are projected to be \$[] million. Total City Fiscal Year 2016 Proposed Budget for Transient Occupancy Tax is \$191.4 million. The balance is budgeted in the Transient Occupancy Tax Fund.

⁽²⁾ Total City Fiscal Year 2015 Adopted Budget for Franchise Fees is \$137.1 million and the actual results are expected to be \$[] million. Total City Fiscal Year 2016 Proposed Budget for Franchise Fees is \$160.1 million. The balance is budgeted in the Environmental Growth and Underground Surcharge Funds.

⁽³⁾ The total General Fund Franchise Fee revenue is \$72.0 million in the Fiscal Year 2015 Adopted Budget and \$80.8 million in Fiscal Year 2016 Proposed Budget, as shown in Table A-3, which includes \$1.3 million each year to fund the vehicles tow program within the Police departmental budget. The above table does not include the \$1.3 million amount.

Five Year Financial Outlook

The City’s Fiscal Year 2016-2020 Five-Year Financial Outlook (“Five-Year Outlook”) guides long-range fiscal planning and serves as the framework for development of the Fiscal Year 2016 Adopted Budget. This is the tenth Outlook the City has published since November 2006 and incorporates projected General Fund revenues and information on the methodology and basis for those projections, and priority appropriation needs in General Fund departments over the next five fiscal years. This Five-Year Outlook focuses on identified Priority Initiatives for the coming fiscal years, as well as providing additional information on departmental requests submitted in the development of the Five-Year Outlook. This document is not a budget, and therefore does not include all departmental requests that may be identified and considered in the preparation of the Fiscal Year 2016 Proposed Budget and future budgets. The Priority Initiatives identified in the Five-Year Outlook are: (1) Infrastructure and Neighborhood Investments; (2) Public Safety; (3) Technology Improvements to better serve the public; and, (4) Transparency and Open Data Initiatives. Priority departmental submissions for future budgetary appropriations have been grouped into these categories for the Fiscal Year 2016 Budget

The Five-Year Outlook is built on the Fiscal Year 2015 Adopted Budget less one-time revenues and expenditures from the Fiscal Year 2015 Adopted Budget and includes updated revenue and expenditure projections for Fiscal Year 2016 through Fiscal Year 2020. The Five-Year Outlook projects an estimated \$58.5 million surplus in Fiscal Year 2016 and a projected surplus of \$164 million by Fiscal Year 2020. The Five-Year Outlook projects that all four major revenue sources (property tax, sales tax, transient occupancy tax, and franchise fees) will increase in Fiscal Year 2016, however, the rate of increase in outer years is expected to slow returning to more normal levels of growth.

The four Priority Initiatives mentioned above are the focus of the Five-Year Outlook to allocate resources to infrastructure, neighborhoods, public safety, technology improvements, and transparency initiatives while maintaining strong financial management practices. The Priority Initiative categories identify revenues and expenditures for programs and services in addition to the General Fund’s ongoing revenues and expenditures included in the Fiscal Year 2016-2020 projections. Incorporating these Priority Initiatives to the City’s Fiscal Year 2016-2020 projections results in a projected surplus of \$2.9 million for Fiscal Year 2016, increasing to \$61.8 million by Fiscal Year 2020. The revenue and expenditure projections for Fiscal Year 2016 are reviewed and updated during the development of the Fiscal Year 2016 Proposed Budget discussed below.

Fiscal Year 2016 Proposed Budget

The Fiscal Year 2016 Proposed Budget released by the Mayor includes a General Fund budget of \$1.276 billion representing approximately 39.7% of the total Fiscal Year 2016 Proposed Budget of \$3.214 billion. The proposed General Fund expenditures represent an increase of \$73.3 million or 6.1% over the Fiscal Year 2015 Adopted Budget. The proposed General Fund expenditures for Fiscal Year 2016 exceed the General Fund revenue projections by \$1.1 million and this amount is proposed to be funded from the existing General Fund balance and be used for the City Council community programs, projects and services program. In comparison, the Fiscal Year 2015 Adopted Budget included a \$13.9 million appropriation of fund balance primarily to fund the Public Liability Reserve. The Fiscal Year 2016 Proposed Budget includes 10,902.30 budgeted FTE positions, a net increase of 424.09 FTE positions from FTE positions included in the Fiscal Year 2015 Adopted Budget. The net increase in General Fund positions is primarily due to restoration and growth in City services for neighborhoods, infrastructure and transportation and storm water projects.

The Fiscal Year 2016 Proposed Budget projects General Fund revenues to increase by \$86.1 million or 7.2% over the Fiscal Year 2015 Adopted Budget. The General Fund's four largest revenue sources - property tax, sales tax, TOT, and franchise fees – account for approximately \$934.3 million or 73.3% of the total General Fund revenues projected for Fiscal Year 2016. The Fiscal Year 2016 major revenue projections are based on Fiscal Year 2015 year-end projections and assume a continued modest increase in all economic conditions continued from Fiscal Year 2015 actual experiences. The Fiscal Year 2016 property tax revenue growth is projected to be 4.25%, which assumes a continued improvement in the real estate market, and growth in median home prices. The Fiscal Year 2016 sales tax revenue growth is projected to be 4.0%, which assumes continued strong consumer confidence and spending trends. The Fiscal Year 2016 TOT growth is projected to be 5.5%, which assumes continued growth in tourism spending and occupancy rates over Fiscal Year 2015.

Pursuant to the City Charter, a balanced budget was submitted to the City Council by April 15th and must be adopted in June.

Reserves

City Reserve Policy

The City Charter Section 91 requires the City to create and maintain a “General Reserve Fund” to meet cash obligations for the first four months or other necessary period of each Fiscal Year prior to the collection of taxes. The City fulfills this requirement through the City's pooled investment fund and if necessary through the sale of tax and revenue anticipation notes.

In 2008, the City Council established a “City Reserve Policy”, which sets forth the City's approach to establishing and maintaining adequate reserves across the spectrum of City operations, including the General Fund (the “General Fund Reserves”) and Risk Management (the “Risk Management Reserves”). The City Reserve Policy is reviewed biennially, with any updates and changes approved by the City Council. An updated City Reserve Policy (“Revised Reserve Policy”) was reviewed and approved by the City Council in July 2014.

General Fund Reserves

The Revised Reserve Policy updated in July 2014 restructured the General Fund reserve levels into two primary categories: the Emergency Reserve and the Stability Reserve. The Emergency Reserve target is set at 8.0% and the Stability Reserve makes up the remaining 6.0% of the overall 14.0% goal under the Revised Reserve Policy. Any funds above 14.0% are considered to be Excess Equity which are spendable and unrestricted General Fund fund balance that is not assigned to General Fund Reserves.

In the event either of these reserves is reduced below the amount established by the Revised Reserve Policy, the Mayor is required to prepare a plan as promptly as conditions warrant to replenish such reserve balance to policy levels.

Emergency Reserve. The Emergency Reserve is maintained for the purpose of sustaining General Fund operations in the case of a public emergency such as a natural disaster or other unforeseen catastrophic event. The Emergency Reserve is not to be accessed to meet operating shortfalls or to fund new programs or personnel. This reserve may be expended only if an event is determined to be a public emergency by a two-thirds vote of the City Council, when such expenditures are necessary to ensure the safety of the City's residents and their property.

Stability Reserve. The Stability Reserve is maintained to mitigate financial and service delivery risk due to unexpected revenue shortfalls or unanticipated critical expenditures. The purpose of this reserve is to provide budgetary stabilization and not serve as an alternative funding source for new programs. Recommendations to appropriate from the Stability Reserve will be brought forward by the Mayor and require approval by a majority of the City Council.

The fund balance of the General Fund includes the Emergency Reserve and Stability Reserve, and the spendable and unrestricted fund balance referred to as Excess Equity in the City's Reserve Policy. The City's Revised Reserve Policy requires the total General Fund reserves equal 14.0% of the most recent three-year average of annual audited General Fund operating revenues. The audited Fiscal Year 2014 ending fund balance was \$182.5 million, or 17.1% of the three-year average of Fiscal Year 2011 through Fiscal Year 2013 audited General Fund operating revenues, exceeding the required reserve by 3.1%, or \$32.7 million (amounts exceeding the required reserve are referred to as the "Excess Equity"). The Fiscal Year 2014 ending fund balance is comprised of \$85.6 million in the Emergency Reserve, \$64.2 million in the Stability Reserve, and \$32.7 million in Excess Equity, a portion of which was appropriated in Fiscal Year 2015 (\$12.8 million was budgeted to the Public Liability Reserve Fund and \$1.7 million was budgeted for City Council Community Projects, Programs and Services).

Based on the activity projected in the Fiscal Year 2015 Year-End Budget Monitoring Report, the ending fund balance for Fiscal Year 2015 is projected to be \$[___] million, or [___]% of the average of Fiscal Year 2012 through Fiscal Year 2014 audited General Fund operating revenues. The required reserves have increased due to higher operating revenues in Fiscal Year 2015. After accounting for the required reserve level of 14.0%, or \$157.4 million, and the projected funding of \$1.1 million for the City Council Community Projects, Programs and Services in Fiscal Year 2016, the available Excess Equity is projected to be \$[11.34] million, for Fiscal Year 2015.

Risk Management Reserves

Additionally, the City maintains separate Risk Management Reserves in order to provide funding for claims made against the City. The Risk Management Reserves include the Workers' Compensation Fund Reserve, the Long-Term Disability Fund Reserve, and the Public Liability Fund Reserve. See "RISK MANAGEMENT – Self Insurance – Workers' Compensation and Long-Term Disability" and "– Public Liability Insurance" herein.

All operating funds including General Fund and the enterprise funds contribute a pro rata amount equal to a specified rate based on the gross employee salaries paid from all the operating funds, to both the Workers' Compensation Fund Reserve and the Long-Term Disability Fund Reserve. These contributions consist of the funding for current expenditures and for the annual reserve contributions as specified in the Revised Reserve Policy.

Workers' Compensation Fund Reserve. The Workers' Compensation Fund Reserve is maintained as a contingency in the event the annual expense for claims exceeds the annual "pay-go" budgeted amount.

Consistent with the Revised Reserve Policy, year to year fluctuations in the City's outstanding liability are factored into the City's Workers' Compensation Fund contributions to achieve a target reserve level equal to 25% of the average outstanding liability for the three most recent fiscal years.

As of June 30, 2014, the outstanding cash balance in the Worker's Compensation Fund Reserve was \$47.5 million and is projected to be approximately \$48.5 million as of June 30, 2015, or 25%, per the Revised Reserve Policy. This is the updated three year average of the outstanding liability reported in the actuarial valuations for Fiscal Year 2012 through Fiscal Year 2014.

Long-Term Disability Fund Reserve. The Long-Term Disability Fund Reserve is maintained to fund self-insured claims in the event the annual expense for a claim exceeds the annual "pay-go" budgeted amount. As of June 30, 2014, the outstanding cash balance in the Long Term Disability Reserve was \$14.7 million and is projected to be approximately \$16.7 million as of June 30, 2015 per the Five Year Outlook. The target level, based on the average outstanding liability reported in the actuarial valuations for Fiscal Year 2012 through Fiscal Year 2014, is \$18.3 million by the end of Fiscal Year 2016 as reported in the Five Year Outlook. The City planned to make an additional contribution of \$1.6 million (\$1.1 million General Fund and \$0.5 million non-general funds) in Fiscal Year 2016 to meet the target level of 100% funding. The City Council approved pre-funding the General Fund contribution of \$1.1 million for Fiscal Year 2016 on March 2, 2015. The City is evaluating the feasibility of purchasing a commercial insurance policy to cover liability claims as an alternative to the current practice of self-insurance.

Public Liability Fund Reserve. The Public Liability Fund Reserve is maintained as a contingency in the event the annual expense for claims exceeds the "pay-go" budgeted amount. Consistent with the Revised Reserve Policy, year to year fluctuations in the City's outstanding liability are factored into the City's Public Liability Fund contributions to achieve certain incremental reserve targets annually and achieve a final target reserve level equal to 50% of current estimated outstanding public liability obligations by Fiscal Year 2019.

The Public Liability Fund Reserve receives an annual allocation solely funded from the City General Fund, as approved by City Council in the annual budget ordinance. The allocation includes funding for current expenditures and for the annual reserve contribution as specified in the Revised Reserve Policy.

The cash balance in the Public Liability Fund Reserve was \$35.4 million as of June 30, 2014 and is projected to be \$34.4 million, or 36%, as of June 30, 2015 per the latest reserve estimates. Based on the average value of outstanding liability for Fiscal Years 2012 through 2014, a total contribution of \$13.0 million is projected for Fiscal Years 2016 through Fiscal Year 2019, in order to meet the 50% target level of \$47.4 million by Fiscal Year 2019.

Potential Impacts from Federal and State Budget

Federal fiscal policies and State budget actions can impact the City General Fund adversely. Direct funding contributed by federal and state governments for the City General Fund for Fiscal Year 2014 was less than 1% of revenues and is also expected to be less than 1% of revenues in Fiscal Years 2015 and 2016. Although federal and State contributions are not a major revenue source to the City General Fund, federal and State budget decisions can negatively impact the local economy which, in turn, can result in lower revenues to the City General Fund from the major sources such as property taxes, sales taxes and TOT revenues.

Given the current uncertainty regarding federal fiscal policy and its impact on the State, and the inherent volatility in the State's revenue system, the City cannot fully anticipate the impacts of these factors on the revenues or expenditures of the City. The City cannot predict the extent of any fiscal problems that will be encountered in this or in any future Fiscal Years, and it is not clear what measures will be taken by the State or federal government to address current or future economic conditions. Future federal and State budgets will be affected by national economic conditions and other factors over which the City will have no control. Also, the City cannot predict what actions will be taken in the future by the State Legislature and the Governor to

address the State's budget challenges, or the impact that such actions will have on the City's finances and operations. To the extent that the State budget process results in reduced revenues or increased expenses to the City, the City will be required to make adjustments to its budget. See "STATE BUDGET INFORMATION" herein.

Major Revenue Sources

Property Taxes

Property tax revenue is the City's largest revenue source, representing 37.0% of the total General Fund revenue for the Fiscal Year 2015 Adopted Budget. The County of San Diego (the "County") assesses and collects secured and unsecured property taxes for the cities, school districts, and special districts within the County, including the City. The delinquency dates for property tax payments are December 10 for the first installment and April 10 for the second installment. Once the property taxes are collected, the County conducts its internal reconciliation for accounting purposes and distributes the City's share of such taxes to the City, periodically and typically pursuant to a published schedule. Prior to distribution, the moneys are deposited in an account established on behalf of the City in the County Treasurer's Investment Pool (the "Pool"). If the County or the Pool were at any time to become subject to bankruptcy proceedings, it is possible that City property taxes held in the Pool, if any, could be temporarily unavailable to the City. In the event of such an occurrence, the City believes that General Fund revenue requirements could be met for a limited period of time through the use of other City funds. *Ad valorem* taxes are subject to constitutional limits as discussed under the section "LIMITATIONS ON TAXES AND APPROPRIATIONS." The City does not participate in a Teeter Plan, which is an alternate method for allocating property taxes by counties. A Teeter Plan allows counties to allocate 100% of property taxes levied for a city in exchange for retaining future delinquent tax payments, penalties and interest. Since the City does not participate in the Teeter Plan, it receives taxes, penalties and interest on delinquent taxes as collected by the County.

Taxes are levied for each Fiscal Year on taxable real and personal property which is situated in the City as of the preceding January 1. For assessment and collection purposes, property is classified either as "secured" or "unsecured" and is listed accordingly on separate parts of the assessment roll. The "secured roll" is that part of the assessment roll containing the taxes on which there is a lien on real property sufficient, in the opinion of the County Assessor, to secure payment of the taxes. Other property is assessed on the "unsecured roll."

Property taxes on the secured roll are due in two installments, on November 1 and February 1 of the Fiscal Year. If unpaid, such taxes become delinquent on December 10 and April 10, respectively, and a 10% penalty attaches to any delinquent payment. If not paid, the property is subject to default. Such property may be redeemed by payment of the delinquent taxes and the delinquent penalty, plus a redemption penalty of 1.5% per month from July 1 of the following year to the time of redemption. If taxes are unpaid for a period of five years or more, the property is subject to sale by the County Tax Collector.

Property taxes on the unsecured roll are due following the January 1 lien date and become delinquent, if unpaid, on August 31 of the Fiscal Year. A 10% penalty attaches to delinquent taxes on property on the unsecured roll, and an additional penalty of 1.5% per month begins to accrue beginning November 1 of the Fiscal Year. The taxing authority has four ways of collecting unsecured personal property taxes: (a) commencing a civil action against the taxpayer; (b) filing a certificate in the office of the County Clerk specifying certain facts in order to obtain a judgment lien on certain property of the taxpayer; (c) filing a certificate of delinquency for record in the County Recorder's Office, in order to obtain a lien on certain property of the taxpayer; and (d) seizing and selling personal property, improvements or possessory interests belonging or assessed to the assessee.

A supplemental assessment occurs upon a change of ownership of existing property and for new construction upon completion. A supplemental tax bill is issued for the difference in property value resulting from the increase or decrease in assessed value prorated for the remainder of the year.

Effective July 1, 1988, Assembly Bill 454, Chapter 921, eliminated the reporting of the unitary valuations pertaining to public utilities such as San Diego Gas and Electric. In lieu of the property tax on these previously included assessed valuations, the City now receives from the State (through the County) an amount of unitary revenue based upon the unitary property tax received in the prior year.

Property taxes allocated to the City include an amount to compensate cities for the loss of motor vehicle license fees. Motor Vehicle License Fees (“MVLFF” or “VLF”) are levied as a percentage of an automobile’s purchase price, subject to depreciation, and are paid annually to the California Department of Motor Vehicles at the time of registration. The fees are then forwarded to the State Controller’s Office, which allocates the funds to local governments per capita on a monthly basis. Beginning in 1999, the MVLFF underwent a series of offsets, first initiated by the State Legislature as part of the 1998-1999 Budget agreement. These offsets ultimately resulted in a 67.0% reduction in the effective MVLFF rate, from 2.0% of a vehicle’s value to 0.65%. To compensate cities and counties for the tax offset, the State began providing State General Fund revenue to cities and counties on a dollar-for-dollar basis, known as the MVLFF backfill. As part of the Fiscal Year 2005 State Budget agreement, the MVLFF rate was statutorily reduced to 0.65%, thereby eliminating the MVLFF backfill. Cities were compensated for the loss in MVLFF revenue with increased property tax revenues. Although the MVLFF rate has subsequently increased, the City does not share in this increase.

Property taxes allocated to the City also include a special tax levy of \$0.005 per \$100 of assessed value, authorized by the Charter for the maintenance of zoological exhibits in Balboa Park. These funds are remitted to the San Diego Zoological Society, a not-for-profit corporation independent from the City that manages the zoo, in accordance with a contractual agreement with such society. As required by the Charter, these revenues are collected in the Zoological Exhibits Fund, a special revenue fund.

Fiscal Year 2015 Property Tax Budget. The total Fiscal Year 2015 property tax budget is \$445.4 million, which includes additional property tax distributions from the Former RDA. See “—Former Redevelopment Agency” below. The Fiscal Year 2015 Adopted Budget for property tax revenue, excluding property tax revenue from the Former RDA, is \$428.3 million, consisting of \$314.3 million of 1% property tax levy and \$114.0 million of “in-lieu of VLF” property tax revenue. The property tax budget was developed based on the City’s assessed valuation growth of 6.2 percent as well as stronger home sales, increases in median home price, a positive California CPI in calendar year 2013 and a projected decrease in the number of foreclosures. In addition, the Fiscal Year 2015 Adopted Budget includes \$4.2 million in tax sharing pass-through payment from the Former RDA as part of the Recognized Obligations Payment Schedule (“ROPS”), and \$12.9 million in anticipated residual property tax payments. The residual property tax payments are the City’s proportionate share of funds remaining in the Redevelopment Property Tax Trust Fund (“RPTTF”) after ROPS requirements have been met.

In the Fiscal Year 2015 Year-End Budget Monitoring Report, property tax revenue is projected to be slightly above budget at year-end. The projected increase from the current budget is primarily due to a residual distribution from the Redevelopment Property Tax Trust Fund (“RPTTF”) and an increase in the MVLFF backfill payment. The year-end projection also reflects a \$[_____] million increase from the projection in the First Quarter Report due to a \$[_____] million increase in RPTTF revenue and a \$[_____] increase in the 1.0% base property tax receivables. The year-end projection for the 1.0% base property tax varies from the current budget by \$[_____] due to slight variations in the current secured and unsecured categories. The MVLFF backfill payment varies from the current budget by \$1.4 million as a result of the actual payment being higher than budgeted.

The property tax projection includes a total tax sharing pass-through payment of \$4.2 million from the former Redevelopment Agency based on projections for the upcoming Recognized Obligation Payments Schedule (“ROPS”) and is reflected in the current budget. In addition to tax sharing pass-through payments, the City will also receive residual property tax payments. The residual property tax payment is the City’s proportionate share of funds remaining in the RPTTF after the ROPS requirements have been met. The projected residual property tax payment is approximately \$13.1 million, \$200,000 over budget.

For preliminary information concerning Fiscal Year 2016, see “CITY BUDGET AND RELATED MATTERS — Fiscal Year 2016 Proposed Budget.

Table A-4 presents the assessed valuation within the City for each of the last ten Fiscal Years.

Sales Tax

Sales tax is collected and distributed by the State Board of Equalization. The sales tax rate is established by the State Legislature. Sales tax is the City’s second largest revenue source representing 21.4% of General Fund revenues in the Fiscal Year 2015 Adopted Budget.

The City’s sales tax revenues shown in Table A-3 include a reimbursement from property taxes that the City will receive as a result of the “triple flip.” Triple flip is the shift enacted by the State in Fiscal Year 2005 whereby local governments shift one-quarter of a cent of their Bradley-Burns Sales and Use Tax to the State to pay economic recovery bonds in exchange for an equivalent amount of property tax. Sales Tax projections include the anticipated end of the “triple flip,” which is now scheduled to occur in Fiscal Year 2016. The end of the “triple-flip” is projected to result in a one-time increase in sales tax revenue. Based on current estimates of the timeline to unwind the “triple flip,” the City will accrue a one-time increase of \$12.3 million in sales tax revenue in Fiscal Year 2016.

Collected at the point of sale, sales tax receipts are remitted to the State Board of Equalization, which allocates tax revenue owed to the City in the form of monthly payments. According to the Bradley-Burns Sales and Use Tax law, cities are to receive one cent of the total 7.50 cent statewide sales tax levied on each dollar of taxable sales (one-fourth of which is now received as property tax). In addition to the Bradley-Burns sales tax, San Diego County voters approved a half-cent supplemental sales tax in 1987 to fund the San Diego Transportation Improvement Program (“TransNet”), resulting in a total countywide sales tax of 8.0%. The TransNet sales tax was renewed in 2008 for an additional 40-year term. TransNet sales tax revenues are not City General Fund revenues, are restricted to transportation projects and are not available to pay the City’s General Fund lease obligations. The 8.0% sales tax also includes a half-cent sales tax known as the Proposition 172 safety sales tax, which the California voters approved in 1993 for the purpose of funding local

public safety expenditures, and a quarter-cent sales tax increase effective January 1, 2013, which the California voters approved at the November 2012 election.

Fiscal Year 2015 Sales Tax Budget. The Fiscal Year 2015 General Fund Adopted Budget for sales tax revenues is \$257.1 million (excluding Proposition 172 safety sales tax), consisting of \$190.4 million in sales tax revenue and \$66.7 million in triple-flip reimbursements. The Fiscal Year 2015 Adopted Budget for sales tax assumed an improvement in consumer confidence and lower unemployment compared to previous years.

In the Fiscal Year 2015 Year-End Budget Monitoring Report, sales tax revenue is projected to exceed the Adopted Budget at fiscal year-end by \$[___] million, primarily due to continued growth in consumer spending in almost all industry groups. The City can provide no assurance that actual sales tax receipts will not be materially less than projected. See Official Statement, APPENDIX B—“DEMOGRAPHIC AND ECONOMIC INFORMATION REGARDING THE CITY – Table B-4” for historic taxable transactions in the City.

For preliminary information concerning Fiscal Year 2016, see “CITY BUDGET AND RELATED MATTERS — Fiscal Year 2016 Proposed Budget.

Transient Occupancy Tax

The City’s TOT is levied at 10.5 cents per dollar of the daily room price in hotels and motels used by visitors staying in San Diego for fewer than 30 consecutive days. The TOT is allocated pursuant to the City Municipal Code, with guidelines provided by the City Council Policy 100-3. Of the 10.5 cents of collected TOT, 5.5 cents is allocated toward general government purposes; 4.0 cents is allocated to special programs to promote the City’s cultural amenities and natural attractions and to support the City’s General Fund departments that provide services related to promoting local tourism; and the remaining 1.0 cent is allocated for any purposes approved by the City Council.

San Diego’s local attractions, natural amenities, and proximity to other popular tourist sites continue to make the area a top destination. According to estimates from the San Diego Tourism Authority (the “Tourism Authority”), there will be 34.6 million visitors in calendar year 2015 in San Diego, which is a 2.3% increase from calendar year 2014. The average hotel occupancy is expected to increase by 1.0% to be at 75.4% in calendar year 2015. Although the region remains a popular spot for vacations and conventions, future economic weakness and other factors could have an adverse impact on tourism in San Diego and, in turn, could result in a reduction in TOT.

Fiscal Year 2015 Transient Occupancy Tax Budget. The Fiscal Year 2015 Adopted Budget for TOT revenues is \$176.3 million. Of the total budgeted amount, \$92.3 million in TOT revenue are allocated to the General Fund, which comprises 7.7% of the General Fund revenue budget. The remaining funds are allocated to Special Promotional Programs, which includes the one-cent City Council discretionary TOT funding budgeted to be transferred to the General Fund and TOT allocated for reimbursement of General Fund tourism related expenditures. The TOT revenue estimate for Fiscal Year 2015 is based on the growth in receipts experienced over the past two calendar years and projections for continued increases in overnight visitors. As a result, growth in TOT receipts is expected to continue through the remainder of Fiscal Year 2015.

In the Fiscal Year 2015 Year-End Budget Monitoring Report, General Fund TOT revenue is projected to exceed budget at fiscal year-end by \$[___] million, or [___]%, primarily due to gains in occupancy and room rates, and an increase in overnight visitors to San Diego during calendar year 2014.

For preliminary information concerning Fiscal Year 2016, see “CITY BUDGET AND RELATED MATTERS — Fiscal Year 2016 Proposed Budget.

For further discussion of tourism in the City and County, see APPENDIX B — “DEMOGRAPHIC AND ECONOMIC INFORMATION REGARDING THE CITY – Tourism.”

Franchise Fees

Franchise fees revenue results from agreements with private utility companies in exchange for use of the City’s rights-of-way. Currently, San Diego Gas and Electric (“SDG&E”), Cox Communications, Time Warner Cable, and AT&T are the primary sources of franchise fee revenue to the City. In addition, the City collects franchise fees from private refuse haulers that conduct business within its borders. The revenue received from such agreements is based on a percentage of gross sales.

SDG&E, the single largest contributor of franchise fee revenue, is charged 3.0% of the gross sales of gas and electricity within the City. In addition, the City receives a 3.5% surcharge on SDG&E’s electricity sales for the undergrounding of electric utility lines that was approved by the California Public Utilities Commission in December 2002. The City also generates franchise fee revenue by collecting 5.0% of gross revenues from Cox Communications, Time Warner Cable, and AT&T. Refuse hauler fees are imposed on private refuse haulers depending on tonnage per year: Class I haulers (less than 75,000 tons per year) or Class II haulers (more than 75,000 tons per year).

Fiscal Year 2015 Franchise Fees Budget. The Fiscal Year 2015 Budget includes \$72.0 million in franchise fee revenue, which comprises 6.0% of the General Fund revenue budget. The budget is based on the average growth of actual receipts in the previous year.

The Fiscal Year 2015 General Fund Budget for SDG&E franchise fee revenue is \$40.0 million. The revenue from cable franchise fees is primarily from Cox Communications, Time Warner Cable and AT&T. The Fiscal Year 2015 Adopted Budget includes cable franchise fee revenue of \$18.1 million.

Another category of franchise fee revenue is from private refuse haulers and is based on the total amount of refuse hauled annually. The Fiscal Year 2015 Adopted Budget for refuse hauler franchise fee revenue from refuse haulers is \$9.5 million. The City also budgeted \$3.0 million in franchise fees from the EDCO and Sycamore Landfill facilities, \$1.3 million from the vehicle tow program, and \$0.2 million from other franchise fee sources.

In the Fiscal Year 2015 Year-End Budget Monitoring Report a surplus of \$[___] million is projected for total franchise fee revenue at year-end as compared to the Adopted Budget. The projected increase in franchise fees is attributed to increases in revenue from SDG&E and cable companies. The increase in SDG&E franchise fee revenue is primarily due to increased energy rates and consumption. The increase in cable franchise fees is due to increased receipts from all cable providers. SDG&E has implemented several rate increases approved by the Public Utilities Commission after the adoption of the Fiscal Year 2015 budget. The increase in revenues is partially offset with increases in electricity costs for all City departments (including \$2 million for General Fund departments).

Former Redevelopment Agency

The Redevelopment Agency of the City of San Diego (the “Former RDA”) was dissolved as of February 1, 2012. The City is serving as the Successor Agency to the Former RDA and as the successor housing entity to the Former RDA. The Successor Agency is a separate and distinct legal entity from the City, whereas the successor housing entity is the City, not a separate legal entity. The role of the Successor Agency is to wind down the activities of the Former RDA. On December 2, 2013, the California Department of Finance (DOF) issued a finding of completion to the Successor Agency, signifying the Successor Agency’s

completion of three lump-sum payments of unencumbered funds to the San Diego County Auditor-Controller for pro rata distribution to the local taxing entities, including the City. The Successor Agency made one of those lump-sum payments – in the amount of \$89.6 million – in July 2012, shortly after the Former RDA’s dissolution, and made two of those payments – in the amounts of \$13.3 million and \$167.3 million, respectively – in 2013 related to the two-part due diligence review of the Former RDA’s affordable housing funds and non-housing funds. The dissolution laws do not set forth a process for any additional mandatory lump-sum payments of this nature. At this time and absent any new legislation by the State, the City does not expect significant additional payments to be made from the General Fund related to the dissolution of the Former RDA. While uncertainty remains regarding the obligations of the Former RDA, particularly with respect to the successor housing entity and with certain loan repayment agreements, much of the impact to the General Fund has already been absorbed.

The DOF invalidated two repayment agreements between the Former RDA and the City, totaling approximately \$68.4 million, resulting from loans issued by the City to the Former RDA from United States Department of Housing and Urban Development (“HUD”) sources. These agreements were invalidated by the DOF eliminating the Successor Agency’s source for repayment. It is possible that the City will be required to make future scheduled payments from the General Fund or from other City sources for the benefit of HUD. See City’s Fiscal Year 2014 Comprehensive Annual Financial Report, Note 17 for additional information.

General Fund Infrastructure and Multi-Year Capital Program

The City owns a wide array of public assets, including police stations, fire stations, library facilities, operational facilities, parks, recreation centers, streets, and bridges which are maintained with amounts expended from the General Fund. Over the years, under the pressure of competing financial priorities, the City has deferred investment in the City’s infrastructure. The City deferred the repair, maintenance, and funding for capital expenditures for many of these asset classes resulting in deteriorated structures, including parts of the City’s core infrastructure. Starting in 2007, the City undertook planning to assess the condition of the key asset classes and also began to address the deferred capital costs through a multi-year financing program supplemented by cash funding from various sources including the General Fund, TransNet, and Proposition 42 funds. In 2011, the City estimated there was a backlog of approximately \$898 million in deferred capital needs for the City’s existing infrastructure to be funded from the General Fund, estimated at \$478 million for streets, \$185 million for public buildings, and \$235 million for storm drain infrastructure (see “Storm Water Program” herein).

The 2011 estimate was based on a partial assessment of the three major asset classes described above. This initial estimate of the large backlog of capital needs provided the City with a starting point to formulate multi-year financial and capital plans using existing financial resources and gradually rebuilding the core General Fund infrastructure.

Beginning in Fiscal Year 2014, the City has identified additional funding to conduct comprehensive condition assessment studies for City sidewalks, streets, parks, and General Fund facilities occupied by City or leased to other agencies. Condition assessments for General Fund Facilities (buildings) are currently underway. These assessments evaluate the physical structure (superstructure and foundation), the building systems (roofing, plumbing, electrical, equipment, fire protection, HVAC), and interior finishes (paint, carpeting). To date the preliminary condition assessments of 349 out of 680 General Fund facilities have been completed. The preliminary estimate from City Public Works to bring these facilities to a near new condition is \$983 million in 2014 dollars. The estimate for ongoing capital renewal to sustain these facilities for the next 20 years (2014-2034) at the same very good condition is estimated at \$1.8 billion in 2014 dollars. Despite the comprehensive condition assessment processes and cost estimating the City is undertaking, the City notes that it is not an industry standard to bring and sustain all facilities to a near new condition level. The City is developing appropriate service and condition levels for facility types based on industry best practices. The result of this effort will reduce the cost estimates provided above and capital renewal requirements for the 349

General Fund facilities. The City expects to complete the development of service levels and assessments of the remaining 331 General Fund facilities by Fiscal Year 2016.

Evaluation of the condition of City sidewalks is anticipated to be completed in the first half of calendar year 2015, followed by the completion of City streets assessment by the end of the calendar year 2015, and then park and recreation facilities in Fiscal Year 2016. Concurrent with the completion of the condition assessment of all major General Fund asset classes which are to be followed by the identification of appropriate service level goals for these asset classes, the City expects to generate a realistic and updated total General Fund assets capital backlog amount. While the existing asset condition assessments are being completed, the City continues to program available resources for the most immediate and critical capital needs.

An active financial plan for addressing the General Fund core infrastructure was initiated in 2009 with the issuance of the deferred capital Lease Revenue Bonds for \$103 million. In 2012, the City Council approved a multi-year deferred capital program funding plan that provides bond funding for approximately \$420 million over a five-year period from Fiscal Years 2013 through 2017, and an increase in annual cash funding for maintenance and repair and capital expenditures from \$50 million in Fiscal Year 2014 to \$79 million by Fiscal Year 2017. So far, approximately \$333 million in lease revenue bond proceeds has been allocated to General Fund Capital Improvement Program (“CIP”) projects for planning, design, and construction for the capital repair, expansion, acquisition and/or replacement of streets, sidewalks, facilities, and stormdrains and other infrastructure. This includes proceeds from the City’s 2009A CIP Lease Revenue Bonds (subsequently refunded with the 2010A CIP Lease Revenue Bonds), the 2012A CIP Lease Revenue Bonds, the 2013A CIP Lease Revenue Bonds, the 2015A CIP Lease Revenue Bonds and the 2015B CIP Lease Revenue Bonds. See “BONDED AND OTHER INDEBTEDNESS – Future Financing Plans” herein.

In addition to deferred capital needs, the City’s infrastructure needs include annual maintenance and repair costs for existing assets as well as needed new assets to provide essential services. The City has identified significant storm water capital projects in the Watershed Asset Management Plan needed to comply with more stringent water quality regulations (see “Storm Water Program” herein), capital and operational needs for the San Diego Convention Center (estimated to be \$43.8 million through Fiscal Year 2020) and other needed new public facilities in the community including fire stations, libraries, and parks. Over the prior ten year period capturing Fiscal Year 2005 through Fiscal Year 2014, a total of approximately \$29 million was expended on ongoing capital maintenance for the existing San Diego Convention Center.

The Five-Year Outlook identifies Infrastructure and Neighborhood Investment as one of the top priority initiatives for the City, and allocates 50 percent of new major General Fund revenue growth on infrastructure and neighborhood improvements (see “Five Year Financial Outlook” herein) in addition to allocating required projected annual debt service for the remaining bond issuances to be issued in Fiscal Years 2015-2017 in accordance with the multi-year deferred capital program funding plan approved by the City Council in 2012.

In January 2015, the City released the Consolidated Multi-Year Capital Plan (“MYCP”) for General Fund and non-General Fund asset classes including Water and Sewer enterprises, airports, and City landfill. The analysis identified capital needs and projected revenue sources (as presented in the Five-Year Outlook) over the next five years (Fiscal Years 2016-2020). The projected capital needs were developed based on information currently available to the City which included condition assessments (and those portions thereof that have been completed) and projects currently listed in the annual budget with unfunded needs. In comparing the identified capital needs of \$3.9 billion and revenue of \$2.2 billion, the MYCP identified a citywide funding gap of \$1.7 billion across all asset classes. For General Fund managed assets, there is an estimated \$2.3 billion in capital needs and revenue of \$0.6 billion resulting in an estimated funding gap of \$1.7 billion for General Fund-managed assets over Fiscal Years 2016 to 2020. Certain key assumptions made in developing the estimates for the consolidated capital planning needs include estimated service level standards, partial condition assessments, establishing a targeted average Overall Condition Index (“OCI”) of 70 over the next ten years for pavement of streets and roads; and projections in revenue growth. These assumptions were

necessary in order to develop the analysis. As more refined data and information is acquired, the MYCP will be updated and refined periodically to continue to provide guidance in developing and implementing a comprehensive multi-year capital improvement program.

Storm Water Program

The City has over 48,000 storm drain structures, 700 miles of drainage pipe, and 15 storm water pump stations. The City has adopted a Storm Water Program to maintain and keep facilities in good repair to reduce pollutants in urban runoff and storm water and comply with all local, State, and federal environmental regulations. The City's storm water program is currently funded primarily from the General Fund and partially from property-related storm water fees, revenue from parking enforcement related to street sweeping, and bond proceeds.

In May 2013, the Regional Water Quality Control Board ("RWQCB"), the State agency charged with implementing the federal Clean Water Act, adopted a new National Pollution Discharge Elimination System Permit ("NPDES Permit"), which became effective in July 2013. The NPDES Permit covers the City, the County and other municipalities within the County ("Co-Permittees"). The new permit incorporates Dissolved Metals and Bacteria Total Maximum Daily Loads ("TMDLs") and Areas of Special Biological Significance ("ASBS") requirements, making violations of these regulations subject to fines and penalties. In June 2014, the RWQCB also adopted a Sediment TMDL and is currently amending the NPDES Permit to incorporate its requirements. The permit requires all Co-Permittees to come into compliance by calendar year 2018 per water quality regulations. If the City does not meet the required storm water regulations by 2018, it is possible that the RWQCB could levy fines and penalties on the City of \$10,000 per day per violation and the federal Environmental Protection Agency could levy penalties of \$16,000 per day per violation. See Note 16 of the City's CAFR for Fiscal Year 2014. Even if the RWQCB or the federal government does not take a compliance action against the City, a third party could file an action against the City or other Co-Permittees seeking damages or seeking an order from the court that the City make certain storm water improvements. Currently, there is no pending litigation against the City related to the NPDES.

The City reached a settlement with the RWQCB in August 2014, to satisfy alleged violations of its NPDES Permit included in Notice of Violation No. R9-2010-0135, issued to the City in October 2010. The settlement agreement assessed an administrative civil liability in the amount of \$949,634 to the City. The City paid the unsuspended amount of the penalty totaling \$492,734 to the RWQCB. The remaining amount totaling \$456,900 is suspended and will be forgiven upon the successful completion of water quality improvements at six City facilities which are currently in progress.

The City submitted a Comprehensive Load Reduction Plan ("CLRP") to the RWQCB in 2012, which included a compliance plan for the TMDL and ASBS regulations. The CLRP identified ways that the City could comply with the TMDLs and ASBS requirements over a 20-year term. The City developed a comprehensive storm water program cost model in 2013 as part of a Watershed Asset Management Plan. The cost model consists of all elements of storm water program, including CLRP, the NPDES Permit requirement, flood risk management, and existing storm water deferred capital needs. The cost model projects estimated operating and capital costs to comply with the TMDLs in the near term (Fiscal Years 2016 through 2020) will be approximately \$1.04 billion (of which approximately \$777 million in capital costs are included in the City's Consolidated Multi-Year Plan described above, and \$264 million in operating costs as identified in the 2013 Watershed Asset Management Plan). Due to current capital project implementation capacity and overall budgetary priorities, in Fiscal Year 2015 the City has budgeted an estimated \$45 million for related operating expenses, including \$3.4 million for capital expenditures.

The cost estimate for the remainder of the compliance period (Fiscal Years 2021 through 2031) is expected to be up to approximately \$2.81 billion, of which an estimated \$1.85 billion are projected capital expenses and \$960 million are operating expenses. These estimates could be higher or lower depending on numerous factors including but not limited to changes in regulatory standards, and science and technology

advancements. Additionally, the City is currently negotiating with the RWQCB to update the Dissolved Metals TMDL which could result in a cost reduction of approximately \$980 million in capital expenditures between Fiscal Year 2019 and 2031.

The Five-Year Outlook concludes that significant increases in funding for both operating and capital expenditures will be required to meet the 2018 compliance deadline for the new water quality regulations. The City is developing a plan to fund the increased expenditures and implementing a capital program for compliance with the storm water permit requirements. Currently, the available funding sources are storm water fees, general City revenues and bond proceeds. The City's storm water fees, which have not been increased since 1996, generated approximately \$6 million in revenue in Fiscal Year 2014 and cover only a small portion of the City's annual storm water costs. The City's ability to increase these fees could be limited by objections by property owners or voters. For a discussion of Articles XIII C and XIII D of the California Constitution, see "LIMITATIONS ON TAXES AND APPROPRIATIONS – Articles XIII C and XIII D (Proposition 218) of the California Constitution – Article XIII C." If the storm water fees are not substantially increased, most of the costs associated with the Watershed Asset Management Plan will be paid from general City revenues. Any increase in General Fund moneys budgeted for storm water management purposes would reduce funds available for other General Fund purposes. Absent new or increased funding sources, the City's storm water liabilities represent an ongoing, multi-year fiscal challenge for the City's General Fund.

Since 2009, approximately \$30.1 million in bond proceeds from past bond issuances has been allocated to the Storm Water Division's Capital Improvements Program, including storm drains and watershed projects. Approximately \$22 million of the proceeds from the 2015 CIP Bonds will be used to finance storm drain replacement and watershed projects. The City expects to continue to use proceeds from future bond issues to finance storm water program and water quality capital projects and to assist in addressing the needs stated above.

In addition to the compliance cost estimates described above, there may be additional operational storm water needs related to City-owned property and facilities (including approximately 26,000 acres of open space and 9,000 acres of community parks, fire stations, police stations and libraries) that could affect the City's General Fund. The City intends to evaluate these operational needs, related costs and budget resources following condition assessment and data gathering for these properties.

STATE BUDGET INFORMATION

The following information concerning the State's budget has been obtained from publicly available information which the City believes to be reliable; however, the City takes no responsibility as to the accuracy or completeness thereof and has not independently verified such information. The following information is provided as supplementary information only, and it should not be inferred from inclusion of this information that the Series 2015 Bonds are payable from State revenues. The Series 2015 Bonds are payable solely from Base Rental Payments to be made by the City under the Facility Lease and certain other moneys held under the Indenture. See "SECURITY AND SOURCES OF PAYMENT FOR THE SERIES 2015 BONDS" in the front part of this Official Statement. The Series 2015 Bonds are not a debt of the City, the State, or any of its political subdivisions, and none of the City, the State or any of its political subdivisions is liable thereon.

State Budgeting Process

According to the State Constitution, the Governor is required to propose a budget to the State Legislature no later than January 10 of each year, and a final budget must be adopted by a majority vote of each house of the State Legislature no later than June 15, although this deadline is routinely breached. The budget becomes law upon the signature of the Governor, who may veto specific items of expenditure.

Information about the State budget is regularly available at various State-maintained websites. Text of the State budget may be found at the State Department of Finance website, www.govbud.dof.ca.gov. An

impartial analysis of the budget is posted by the Office of the Legislative Analyst at www.lao.ca.gov. In addition, various State of California official statements, many of which contain a summary of the current and past State budgets, may be found at the website of the State Treasurer at www.treasurer.ca.gov. The information referred to is prepared by the respective State agency maintaining each website and not by the City, and the City takes no responsibility for the continued accuracy of the Internet addresses or for the accuracy or timeliness of information posted there, and such information is not incorporated herein by these references.

Fiscal Year 2015 State Budget

On June 20, 2014, the State Legislature adopted the State's Fiscal Year 2015 Budget (the "2015 State Budget"). For Fiscal Year 2014, the 2015 State Budget projected revised total State general fund revenues of \$102.2 billion, and total State general fund expenditures of \$100.7 billion and a general fund surplus of \$2.9 billion. For Fiscal Year 2015, the 2015 State Budget projects total State general fund revenues of \$109.4 billion and expenditures of \$108 billion and a State general fund surplus of approximately \$2.1 billion. This amount is a combination of \$449 million in the traditional general fund reserve, and an authorized deposit of \$1.6 billion into the Budget Stabilization Account (the "BSA") established by the California Balanced Budget Act of 2004 (also known as Proposition 58).

As part of implementing certain provisions of the 2015 State Budget, a legislatively-referred constitutional amendment (Proposition 2) was placed on the ballot, and ultimately approved by the voters at the November 4, 2014 statewide election. Among other things, Proposition 2 will create a reserve account that is expected to smooth fluctuations in State revenues. See "CONSTITUTIONAL AND STATUTORY PROVISIONS AFFECTING DISTRICT REVENUES AND APPROPRIATIONS – Proposition 2."

The 2015 State Budget identified a number of risks with potential significant State General Fund impact for Fiscal Year 2015 including the threat of a future recession, a shifting of costs from the federal government to the State, a decline in the stock market given the State's reliance on capital gains as a source of revenue, costs related to ongoing litigation over the State prison population, litigation arising from the dissolution of redevelopment agencies, costs of implementing federal health care reforms and costs associated with the State's substantial unfunded liabilities for pensions and post-employment health care costs.

Governor's Proposed Fiscal Year 2016 State Budget

On January 9, 2015, the Governor released his proposed State budget for Fiscal Year 2016 (the "Proposed State Budget"). The following information is taken from the Legislative Analyst Office's overview of the Proposed State Budget, dated January 13, 2015.

The Proposed State Budget assumes, for Fiscal Year 2015, total general fund revenues and transfers of \$108 billion and authorizes total expenditures of \$111.7 billion. The State is projected to end the 2015 fiscal year with a general fund surplus of \$2.1 billion, comprised of a balance of \$452 million in the State's traditional budget reserve and a balance of \$1.6 billion in the BSA. For Fiscal Year 2016, the Proposed State Budget assumes total general fund revenues of \$113.4 billion and authorizes expenditures of \$113.3 billion. The State is projected to end the 2016 Fiscal Year with a \$3.4 billion general fund surplus, comprised of a \$534 million balance in the budget reserve and \$2.8 billion in the BSA. The balance in the BSA includes a \$1.2 billion deposit mandated by the provisions of Proposition 2. See "CONSTITUTIONAL AND STATUTORY PROVISIONS AFFECTING DISTRICT REVENUES AND APPROPRIATIONS – Proposition 2." This \$1.2 billion deposit to the BSA reflects half of the total Annual BSA Transfer and Supplemental BSA Transfer required by Proposition 2, and the Proposed State Budget allocates the other \$1.2 billion towards paying down special fund loans and certain Proposition 98 "settle up" obligations created by previous budgetary legislation that understated the minimum funding guarantee for education.

Effect of State Budget on General Fund Revenues

State budgets and budget policies can have either a positive or a negative effect on the City's financial condition. State budgets are affected by national and State economic conditions and other factors over which the City has no control. The City monitors fiscal measures taken by the State for their potential effects on the City's General Fund revenues and expected cash flows. To the extent that the State budget process results in reduced revenues to the City, the City will be required to make adjustments to its budget.

LABOR RELATIONS

General

The City has five recognized employee organizations which represent classified employees. They are the San Diego Municipal Employees' Association ("MEA"), the American Federation of State, County, and Municipal Employees, Local 127 ("AFSCME Local 127"), the San Diego Police Officers Association ("POA"), the San Diego City Firefighters, International Association of Firefighters, Local 145 ("IAFF Local 145"), and the California Teamsters Local 911 ("Teamsters Local 911"), which represents lifeguards. A sixth recognized employee organization, the Deputy City Attorneys Association ("DCAA"), represents unclassified deputy city attorneys. Certain classified and unclassified City employees are unrepresented.

As of December 31, 2014, the City has approximately 5,004 MEA-represented employees; 1,763 AFSCME Local 127-represented employees; 1,851 POA-represented employees; 847 IAFF Local 145-represented employees; 331 Teamsters Local 911-represented employees; 142 DCAA-represented employees; and 807 unrepresented employees.

Collective Bargaining Agreements

In 2013, the City entered into a collective bargaining agreement with each of its recognized employee organizations, for a five-year term, from July 1, 2013 through June 30, 2018. Each agreement includes terms consistent with Proposition B, an initiative approved by City voters in June 2012 to reform the City's retirement system. Under Proposition B, and specifically Charter section 70.2, the City must comply with certain procedural requirements, from July 20, 2012, the effective date of Proposition B through June 30, 2018, if it intends to negotiate increases to pensionable pay. The City Council must obtain an actuarial analysis from its retirement system actuary that discloses the impact of any proposed pay increases and must approve any negotiated increases by a two-thirds vote of the City Council. The City and each recognized employee organization agreed that they would not negotiate any general salary increases, which are pensionable, during the five-year period covered by Charter section 70.2. However, individual employees may still receive merit increases or promotions within the parameters of the Fiscal Year 2011 salary schedules. In exchange for the agreement to limit pensionable pay of employees during this five-year period, the City agreed to increases in non-pensionable pay. Each of the collective bargaining agreements includes non-pensionable pay increases in Fiscal Year 2016, with reopeners in Fiscal Years 2017 and 2018 to meet and confer solely regarding increases to non-pensionable compensation. Flexible benefit credits are non-pensionable. Each collective bargaining agreement remains in effect through June 30, 2018; however, the City and POA have negotiated modifications to the POA's five-year agreement, which, if approved by the City Council, will result in an amended agreement for a term from July 1, 2015 through June 30, 2020.

MEA: MEA-represented employees will receive increased annual flexible benefit credits in Fiscal Year 2016. The employee organization will have the option to reopen negotiations solely for the purpose to meet and confer on non-pensionable compensation increases in Fiscal Years 2017 and 2018.

AFSCME Local 127: AFSCME Local 127-represented employees will receive increased annual flexible benefit credits in Fiscal Year 2016. The employee organization will have the option to reopen

negotiations solely for the purpose to meet and confer on non-pensionable compensation increases in Fiscal Years 2017 and 2018.

POA: In 2014, the City and POA mutually agreed to reopen negotiations to meet and confer on terms for Fiscal Years 2016 through 2020. The City and POA have agreed to amend the collective bargaining agreement for a new term from July 1, 2015 through June 30, 2020. POA members will receive a 3.3 percent increase in pensionable compensation in Fiscal Years 2019 and a 3.3 percent increase in pensionable compensation in Fiscal Year 2020. The agreement also contains non-pensionable compensation increases in Fiscal Years 2016 through 2020. The non-pensionable compensation includes increases to flexible benefit credits for all POA members with additional credits for members with eight or more years of service. Members with eight or more years of service will also receive increases to annual uniform and equipment allowances, as will new recruits. Members will also receive up to 40 hours of discretionary leave for full-time employees with proportionally reduced hours for part-time employees.

IAFF Local 145: IAFF Local 145-represented employees will receive increased annual flexible benefit credits in Fiscal Year 2016. IAFF Local 145 will have the option to reopen negotiations solely for the purpose to meet and confer upon non-pensionable compensation increases in Fiscal Years 2017 and 2018.

Teamsters Local 911: Teamsters Local 911-represented employees will receive increased annual flexible benefit credits in Fiscal Year 2016. The employee organization will have the option to reopen negotiations solely for the purpose to meet and confer over further increases to non-pensionable compensation in Fiscal Years 2017 and 2018.

DCAA: DCAA-represented employees will receive an increase in their annual flexible benefit credit in Fiscal Year 2016. The employee organization will have the option to reopen negotiations solely for the purpose to meet and confer upon non-pensionable compensation increases in Fiscal Years 2017 and 2018.

See also sections on “CITY BUDGET AND RELATED MATTERS” and “SAN DIEGO CITY EMPLOYEES’ RETIREMENT SYSTEM” for impacts of collective bargaining agreements on the City’s Fiscal Year 2016 Proposed Budget and pension contributions.

SAN DIEGO CITY EMPLOYEES’ RETIREMENT SYSTEM

The City faces significant financial challenges in addressing an unfunded pension liability of approximately \$2.03 billion as of June 30, 2014.

General

SDCERS is a public employee retirement system established in Fiscal Year 1927 by the City. SDCERS administers independent, qualified, single employer governmental defined benefit plans and trusts for the City, the San Diego Unified Port District (the “Port”) and the San Diego County Regional Airport Authority (the “Airport”). The assets of the three separate plans and trusts are pooled in the SDCERS Group Trust for investment purposes. These plans are administered by the SDCERS Board to provide retirement, disability, death and survivor benefits for its members. Amendments to the City’s benefit provisions require City Council approval and amendments to retirement benefits require a majority vote by those SDCERS members who are also eligible City employees or retirees. Benefit increases also require a majority vote of the public. All approved benefit changes are codified in the City’s Municipal Code. The plans cover all eligible employees of the City, the Port, and the Airport. All City employees initially hired before July 20, 2012 working half-time or greater, all sworn police officers of the City irrespective of hire date, and full-time employees of the Port and the Airport are eligible for membership and are required to join SDCERS.

Due to the implementation of Proposition B, discussed below, as of July 20, 2012, SDCERS is closed to new City employees, except for the Police plan, which will remain open. SDCERS is considered part of the

City's financial reporting entity and is included in the City's CAFR as a pension trust fund. See Note 11, "Pension Plans," in the City's Fiscal Year 2014 Comprehensive Annual Financial Report. SDCERS also prepares its own CAFR, the most recent of which is for Fiscal Year 2014.

The amounts and percentages set forth under this caption relating to SDCERS, including, for example, actuarial accrued liabilities and funded ratios, are based upon numerous demographic and economic assumptions, including investment return rates, inflation rates, salary increase rates, cost of living adjustments, postemployment mortality, active member mortality, and rates of retirement. Prospective purchasers of the Series 2015 Bonds are cautioned to review and carefully assess the reasonableness of the assumptions set forth in the documents that are cited as the sources for the information under this caption. In addition, the prospective purchasers of the Series 2015 Bonds are cautioned that such sources and the underlying assumptions speak as of their respective dates, and are subject to change. Prospective purchasers of the Series 2015 Bonds should also be aware that some of the information presented under this caption contains forward-looking statements and the actual results of the pension system may differ materially from the information presented herein.

The information disclosed herein relates solely to the City's participation in SDCERS. City employment classes participating in the City's defined benefit plan are elected officers, general employees and safety employees (including police, fire and lifeguard members). These classes are represented by various unions depending on the type and nature of work performed, except for elected officials, unclassified and unrepresented employees.

TABLE A-7
CITY OF SAN DIEGO PLAN MEMBERSHIP
As of June 30, 2014

	<i>General</i>	<i>Safety</i>	<i>Total by Classification</i>
Active Members	5,118	2,157	7,275
Inactive Members	2,359	559	2,918
Retirees	4,809	3,058	7,867
DROP Participants ⁽¹⁾	<u>629</u>	<u>447</u>	<u>1,076</u>
Total Members, as of June 30, 2014	12,915	6,221	19,136

⁽¹⁾ Participants in the Deferred Retirement Option Plan ("DROP") no longer accrue service credits and do not make contributions to SDCERS. They continue to work for the City and contribute 3.05% of their salary, with an employer match, into a personal DROP account. Their service retirement benefit is also deposited into their DROP account and they must retire within five years of entering DROP. Employees hired after June 30, 2005 are ineligible for DROP.

Source: SDCERS Comprehensive Annual Financial Report 2014.

The City is required to make contributions to the pension system as determined by the SDCERS Board. Pension contributions are authorized and appropriated annually in accordance with the adoption of the City's annual budget. The City's Actuarially Determined Contribution ("ADC")⁽¹⁾ is calculated by the SDCERS' actuary, Cheiron, Inc. ("Cheiron") and approved by the SDCERS Board. Cheiron conducts an actuarial analysis for SDCERS annually, the most recent of which is the June 30, 2014 Annual Actuarial Valuation of SDCERS, dated February 26, 2015 (the "2014 Valuation"). The 2014 Valuation will serve as the basis for the City's pension contribution for Fiscal Year 2016. The City's actual annual pension contribution may differ from the ADC based on a number of factors discussed below, but the pension contribution is not expected to be less than the ADC in any Fiscal Year.

Actuarial Assumptions and Methods

Funding Method

Cheiron calculates the City's contribution using the Entry Age Normal ("EAN") actuarial funding method. Under EAN, there are two components to the total contribution: the normal cost and an amortization payment on any unfunded actuarially accrued liability ("UAAL"). For Fiscal Year 2016, a third component will be added representing a portion of SDCERS expected administrative expenses, as discussed below. The normal cost (associated with active employees only) is the present value of the benefits that SDCERS expects to become payable in the future attributable to the current year's employment. Normal cost is computed as the level annual percentage of pay required to fund the retirement benefits between each member's date of hire and assumed retirement. The difference between the EAN actuarial liability and the actuarial value of assets is the UAAL.

Amortization Periods and Methodology

The UAAL as of June 30, 2014 for the Police portion of SDCERS is amortized over several different closed periods as follows: changes in the UAAL due to changes in methods and assumptions are amortized over 30 years, changes in the UAAL due to benefit changes are amortized over five years, the outstanding balance of the Fiscal Year 2007 UAAL is amortized over a closed 20 year period (such that, as of Fiscal Year 2015, 13 years of amortization remain), and subsequent yearly experience gains and losses are amortized over 15 years. As a result of Proposition B and in compliance with then-current GASB standards, the non-Police portion of UAAL is amortized over 15 years. Finally, if necessary, there is an additional UAAL cost component to ensure that there is no negative amortization in any year. Also as a result of Proposition B, the non-Police portion of the UAAL is amortized using the level dollar method while the Police portion is amortized using the level percentage of payroll method. Level dollar amortization generally results in decreasing inflation-adjusted payments over time whereas level percentage of payroll amortization generally results in level inflation-adjusted payments over time.

In January 2015, the SDCERS Board voted to account for expected administrative expenses explicitly as a cost component in the ADC. The administrative expense component is \$4.2 million for Fiscal Year 2016, based on a three-year phase in of \$12.5 million in expected expenses. In Fiscal Year 2017 two-thirds of expected administrative expenses will be added to the ADC and beginning in Fiscal Year 2018 100% of expected administrative expenses will be added to the ADC.

Actuarial Assumptions

The following are the principal actuarial assumptions used by Cheiron in preparing the 2014 Valuation. The actuarial assumptions reflect recommendations approved by the SDCERS Board in November

⁽¹⁾ Actuarially Determined Contribution ("ADC") has replaced the Annual Required Contribution ("ARC") as the funding policy for SDCERS. This change, in accordance with GASB 67, was approved by the SDCERS Board in November 2013. This action formalized a funding policy that is based on the existing practices formerly used to develop the ARC, which are described above under the caption "Funding Method."

2013 and were also used in the preparation of the Fiscal Year 2013 Actuarial Valuation, with the exception of the assumption related to administrative expenses.

1. Investment Return Rate: 7.25% per year, net of investment expenses.
2. Inflation Rate: 3.3% per year, compounded annually.
3. Administrative Expense Assumption: Administrative expenses are assumed to be \$12.5 million for Fiscal Year 2016, increasing by 2.5% annually. Of this amount, one-third, or \$4.2 million, has been included in the Fiscal Year 2016 ADC. For Fiscal Year 2017, there will be two-thirds recognition, and for all fiscal years following, 100% of the expected administrative expenses will be added to the ADC.
4. Interest Credited to Member Contributions: 7.25% compounded annually.
5. Projected Salary Increases Due to Inflation: 0% in Fiscal Years 2015-2018, 3.3% thereafter.
6. Cost-of-Living Adjustments: 2.00% per year, compounded annually.
7. Additional Assumptions: Additional assumptions were used regarding rates of separation from active membership, post-retirement mortality, active member mortality, and rates of retirement.

Actuarial Value of Assets (Asset Smoothing Method)

SDCERS uses an actuarial value of assets to calculate the City's pension contribution each year and uses an asset smoothing method to dampen the volatility in asset values that could occur because of fluctuations in market conditions. Use of an asset smoothing method is consistent with the long-term nature of the actuarial valuation process. The actuarial value of assets each year is equal to 100% of the expected actuarial value of assets⁽²⁾ plus 25% of the difference between the current market value of assets and the expected actuarial value of assets. The market value of assets represents, as of the valuation date, the value of the assets as if they were liquidated on that date. This means that changes in the market value of assets are factored into the actuarial value of assets roughly over a four year period. The actuarial value of assets will also be adjusted, if necessary, to ensure that the actuarial value of assets will never be less than 80% of the market value of assets, nor greater than 120% of the market value of assets. The consequence of the smoothing methodology is that the actuarial value of assets increased by 9.6%, while the market value of assets increased by 16.6% from June 30, 2013 to June 30, 2014. As of June 30, 2014, the market value of plan assets was approximately \$6.293 billion, and the actuarial value was approximately \$5.829 billion.

Implementation of GASB Statements No. 67 and 68

In Fiscal Year 2014, GASB 67, which applies to pension plans, replaced GASB 25, and in Fiscal Year 2015, GASB 68, which applies to plan sponsors, will replace the current GASB 27. GASB 67 is intended to enhance note disclosures and schedules of required supplementary information that will be presented by pension plans in their audited financial statements. GASB 67 was implemented by SDCERS in Fiscal Year 2014. The 2014 Valuation reflects the funding policy adopted by SDCERS to calculate the ADC. This funding policy requires the ADC to be calculated in the same manner previously used to calculate the City's annual required contribution ("ARC").

⁽²⁾ The expected actuarial value of assets is equal to the prior year's actuarial value of assets increased by actual contributions made, decreased by actual disbursements made, all items further adjusted with the expected investment returns for the year.

GASB 68, which will be implemented by the City in Fiscal Year 2015, requires the City to recognize its long-term obligation for pension benefits as a liability in the Government-wide Statement of Net Position and in the Statement of Net Position of Proprietary Funds. GASB 68 is intended to measure more comprehensively and comparably the annual costs of those pension benefits and enhance accountability and transparency through revised and new note disclosures and required supplementary information in the City's audited financial statements. Cheiron delivered a GASB 67/68 Report to the City in December 2014, which concluded that, if the City had implemented GASB 68 in Fiscal Year 2014, as of the end of the reporting year, the City would have reported a Net Pension Liability of \$1.535 billion and Deferred Inflows of Resources of \$428.4 million for a net negative impact on the government-wide Statement of Net Position of \$1.963 billion.

Funding Status

According to the 2014 Valuation, at June 30, 2014, the City had a UAAL of \$2.030 billion and a funded ratio of 74.2%. The UAAL decreased by \$207.6 million over the UAAL at the 2013 Valuation, which was \$2.237 billion, and the funded ratio increased by 3.8%. The primary cause for the decrease in the UAAL was investment experience greater than projected. This decreased the UAAL by \$131.8 million. Partially offsetting this was a liability experience loss which increased the UAAL by \$28.1 million.

Table A-8 below sets forth the City's portion of SDCERS' historical funding progress for Fiscal Years 2005 through 2014.

Preservation of Benefits Plan

The Preservation of Benefits (“POB”) Plan is a qualified governmental excess benefit arrangement (“QEBA”) under Internal Revenue Code (“IRC”) section 415(m). The POB Plan allows for the payment of promised benefits that exceed IRC section 415(b) limits and therefore cannot be paid from SDCERS assets. The POB Plan is unfunded within the meaning of federal tax law and the City may not prefund the POB Plan to cover future liabilities. Because the POB Plan is not administered by a trust, GASB 27 remains applicable for accounting and disclosure purposes. Pursuant to GASB 27, Cheiron prepares an annual actuarial valuation (“POB Valuation”) for the POB Plan. This valuation is separate from the actuarial valuation for the pension plan, and the POB ADC included in the POB Valuation is not used to calculate the City’s POB contribution. Contributions to the POB Plan are funded annually on a pay-go basis by the City and the payments are calculated by Cheiron based on the amount of pension benefits earned in excess of the IRC Section 415(b) limit in any particular fiscal year. See “Table A-9” below. The actuarial liability for the POB Plan as of June 30, 2014, the most recent year for which the City has data, was \$7.9 million, and this entire amount is unfunded.

Citywide and General Fund Pension Contributions

The City’s Pension Plan ADC for Fiscal Year 2016 is \$254.9 million. The City’s pension plan payment is typically made on July 1 of each fiscal year. POB Plan contributions are made on a monthly basis as payments are owed to beneficiaries.

Table A-9 sets forth the City’s pension contributions and the General Fund’s share for Fiscal Years 2011 through 2016. Prior to Fiscal Year 2014, in addition to the City contributions set forth in Table A-9 below, the City made certain pension contributions on behalf of certain employee groups. As of Fiscal Year 2015, the City no longer pays any portion of employee pension contributions.

Prospective Funding Status

As part of its actuarial valuations for SDCERS, Cheiron prepares projected financial trends to show the City's expected cost progression. The following table uses the actuarial assumptions and methodologies discussed above and further assumes the validity of Proposition B, which is discussed below. It is important to note that the table also assumes investment returns will average 7.25% per year and the projections are calculated as if the returns were to be 7.25% each and every year, which is unlikely to occur given historical variability in annual investment returns. The City expects investment returns will vary, and may vary significantly from year to year, which will potentially result in greater volatility and higher (or lower) ADC payments than presented in the table.

TABLE A-10

Supplemental COLA

On August 5, 2013, the City Council amended the San Diego Municipal Code to provide a method for funding for a supplemental cost-of-living benefit (the “Supplemental COLA”) previously given to a closed group of retirees who retired on or before June 30, 1982. The Supplemental COLA was established in 2000 to increase retirement benefits up to a determined amount according to a formula in the Municipal Code. Pursuant to the Municipal Code, the funding for this benefit is an annual appropriation by the City, however, the City is not required to pay the benefit. In Fiscal Year 2015, \$2.1 million was budgeted citywide (\$1.6 million in the General Fund) to fund the Supplemental COLA benefit. The estimated Fiscal Year 2016 Supplemental COLA is \$2.2 million, of which \$1.7 million is the General Fund allocation. SDCERS maintains Supplemental COLA funding separate from SDCERS assets and no system assets can be used to pay the benefit.

Proposition B

Proposition B was approved by voters on June 5, 2012 and implemented by the City in Fiscal Year 2013. Generally, the measure amends the City Charter to provide all new City employees hired on or after July 20, 2012, except sworn police officers, with a 401(a) defined contribution plan instead of a defined benefit plan. The initiative contains other provisions intended to limit pension costs for existing employees by directing the City to seek, through labor negotiations, to limit City employees’ compensation used to calculate pension benefits. Effective in Fiscal Year 2014, the City reached agreements with each employee organization that will freeze pensionable pay and cost of living increases for Fiscal Years 2014 through 2018. See “LABOR RELATIONS” above. The labor agreements may be reopened at the option of employee organizations in Fiscal Years 2017 and 2018.

Proposition B is the subject of ongoing litigation before the California Public Employment Relations Board (“PERB”). On February 11, 2013, a PERB administrative law judge issued a proposed decision finding that the City violated state labor laws by failing to meet and confer with City labor organizations prior to placing Proposition B on the ballot. The City has filed exceptions to the proposed decision, which will be reviewed by the full PERB board. There is currently no hearing date set for this review. The decision of the PERB board may also be appealed to the Fourth District Court of Appeal. The litigation could potentially repeal or unwind the implementation of some or all of the requirements of Proposition B. The City is unable

to quantify the cost impact of any repeal or unwind of Proposition B. Notwithstanding the PERB litigation, the 2014 Valuation assumes the validity of Proposition B, the City has fully implemented its requirements and the City intends to comply with those requirements under the terms specified in the initiative.

SDCERS Plan Sponsor Contribution and Reporting Audit

On February 27, 2015, SDCERS released an audit of the City's contributions and reporting to SDCERS. The audit was prepared by the SDCERS internal auditor. The audit identified one high priority issue related to the discount of employee offsets, meaning the portion of an employee's pension contribution that is paid by the City. Beginning July 1, 1976, the City began paying employee offsets and, with the knowledge of the SDCERS actuary, discounted the employee offset payments to SDCERS based on anticipated savings from employees terminating employment and not receiving a retirement allowance from SDCERS. From 1994 to 2006, the pension system actuaries recommended at various times that the SDCERS Board take action to have the City contribute the entire offset rate without a discount because the anticipated savings from employees terminating employment should be recognized at the system level and included in the actuarial valuation. The SDCERS Board did not act on these recommendations and did not require the City to change the practice of discounting offset contributions. As of Fiscal Year 2014, the City no longer pays any employee offsets so those payments are no longer being discounted.

The SDCERS internal auditor estimates the net discounted employee offsets not remitted to SDCERS to be \$23 million as of June 30, 2014. This does not account for interest or years when the City's contribution to SDCERS was less than the ARC/ADC. The SDCERS internal auditor recommends, among other things, that SDCERS determine the feasibility of calculating the exact amount due from the City for discounted employee offsets from July 1, 1994 to June 30, 2013 and that the SDCERS Board should determine how this amount should be paid.

Any underfunding resulting from the employee offset discounts is currently being amortized through the annual ADC payment; however, the SDCERS Board could request that the City make additional payments to address the underfunded amount.

OTHER RETIREMENT PLANS

In addition to the defined benefit plan administered by SDCERS, the City offers various defined contribution plans to its employees that include employer contributions. In Fiscal Year 2014, the City contributed approximately \$22.1 million as an employer match for the plans discussed below.

Supplemental Pension Savings Plan

Pursuant to the City's withdrawal from the federal Social Security system, effective January 8, 1982, the City established its Supplemental Pension Savings Plan ("SPSP"). SPSP is a 401(a) plan. SPSP was previously available to General members, lifeguards and elected officers. SPSP was closed to new General members as of July 1, 2009 and lifeguards as of January 1, 2011. SPSP remains open only for elected officers.

SPSP requires both the City and the employee to contribute an amount equal to 3% of the employee's salary each pay period. Employees hired before July 1, 1986 may voluntarily contribute up to an additional 4.5% of salary and participants hired on or after July 1, 1986 may voluntarily contribute up to an additional 3.05% of salary. Hourly employees contribute 3.75% on a mandatory basis and the City matches all mandatory and voluntary contributions. City contributions for employees vest at 20% per year and are fully vested after 5 years of continuous employment. Hourly employees are fully vested immediately upon employment.

Post-Proposition B SPSP-H Plan

Pursuant to Proposition B, new employees hired after July 20, 2012, except police officers, are not eligible to participate in SDCERS and are provided with a 401(a) plan that is administered along with SPSP but with different contribution rates, vesting periods and employer match. Non-public safety employees contribute an amount equal to 9.2% of salary and firefighters, lifeguards, and police recruits contribute 11% of salary on a mandatory basis. The City matches all such contributions and contributions are fully vested immediately upon employment. Police recruits participate in SDCERS upon acceptance of full-time police employment.

2009 401(a) Plan

The City established a separate 401(a) plan for General employees hired between July 1, 2009 and July 20, 2012. These employees are not eligible for SPSP but are SDCERS members. Employees contribute an amount equal to 1% of salary on a mandatory basis with a matching City contribution. Voluntary contributions are permitted up to IRS limits but there is no City match for voluntary contributions.

The City also provides a variety of other tax-advantaged retirement plans that are funded exclusively through employee contributions and do not require an employer match.

POSTEMPLOYMENT HEALTHCARE BENEFITS

General

The only post-employment benefits provided by the City are retiree healthcare benefits, also known as other postemployment benefits (“OPEB”), to certain health-eligible retirees and employees through a variety of defined benefit and defined contribution plans. Plan determination is based on several factors including hire date, termination date and individual employee election. Effective April 1, 2012, pursuant to the memoranda of understanding described below (“Post Employment Healthcare Benefit (“PEHB MOU”), OPEB benefits were modified and a significant group of participants opted out of the defined benefit plan and into a defined contribution plan. Accordingly, those participants have been removed from the GASB 45 valuation information below because they no longer represent a GASB 45 liability. The City’s defined benefit OPEB plan (“DB OPEB Plan”) includes 6,076 retirees, and 1,511 active employees as of June 30, 2014. All other health-eligible employees, former employees and retirees are now participating in the defined contribution retiree healthcare plan (“DC Plan”). The City closed the Defined Benefit OPEB plan to employees hired on or after July 1, 2005.

The City initiated actuarial funding of its DB OPEB Plan in 2008 and has entered into an agreement with the California Public Employees Retirement System (“CalPERS”) as a participating employer in the California Employers’ Retiree Benefit Trust (“CERBT”) to pre-fund future DB OPEB Plan expenses. As of June 30, 2014, the City’s assets invested in CERBT totaled \$128.2 million.

See Note 12, “Other Postemployment Benefits,” in the City’s Fiscal Year 2014 Comprehensive Annual Financial Report for information regarding the City’s OPEB plans.

Actuarial Assumptions and Methods

The City commissions an actuarial valuation of its DB OPEB Plan liability annually for the purpose of determining the City’s annual cost in accordance with GASB 45. The valuation as of June 30, 2014 (“2014 OPEB Valuation”), dated November 10, 2014, was performed by Buck Consultants (“Buck”). The following are the major actuarial assumptions and methods employed by Buck in performing the 2014 OPEB Valuation:

1. Actuarial Cost Method: Entry Age Normal (see description under San Diego Employees' Retirement System for more information).
2. Amortization Rate: Level Dollar.
3. Remaining Amortization Period: 23 years, closed.
4. Actuarial Asset Valuation Method: Market Value.
5. Discount Rate: 6.81%.
6. Inflation Rate: N/A (benefits are determined based on Health Care Cost Trend Rate).
7. Projected Payroll Increase: N/A (benefits are determined based on Health Care Cost Trend Rate).
8. Health Care Cost Trend: 8.0% for Fiscal Year 2014, grading down 0.5% each year to 4.5%.

The OPEB Valuation is also required to use the actuarial assumptions adopted by the SDCERS Board with respect to assumptions such as termination, disability, retirement rates and mortality rates because the health-eligible employee and retiree population is very similar to the City's SDCERS membership.

Funding Status

According to the 2014 OPEB Valuation, at June 30, 2014, the City had a DB OPEB Plan UAAL of \$479.5 million and a funded ratio of 21.1%. The DB OPEB Plan UAAL increased by approximately \$35.3 million over the OPEB UAAL at the 2013 OPEB Valuation, which was \$444.1 million, and the funded ratio increased from 20.34%.

The City began prefunding the DB OPEB Plan in 2008. The following table shows the DB OPEB Plan funding progress for Fiscal Years 2008 through 2014:

TABLE A-11
CITY OF SAN DIEGO
SCHEDULE OF FUNDING PROGRESS (DB OPEB PLAN)
Fiscal Years 2008 through 2014
(\$ in thousands except for percentages)
(unaudited)

<i>Fiscal Year ending June 30</i>	<i>Actuarial Value of Assets</i>	<i>Actuarial Accrued Liability</i>	<i>Unfunded Actuarial Liability</i>	<i>Funded Ratio</i>	<i>Covered Payroll⁽¹⁾</i>	<i>UAAL as % of Covered Payroll</i>

Citywide and General Fund OPEB Contributions

In Fiscal Year 2012, the City entered into the 15-year PEHB MOU through Fiscal Year 2027, which significantly reduced its OPEB liabilities and created the DC Plan for certain health-eligible employees and former employees. Pursuant to the PEHB MOU, the City's total retiree healthcare annual contribution is not anticipated to be more than \$57.8 million for Fiscal Year 2015 ("MOU Contribution"), distributed among the City's DB OPEB Paygo and DC Plan. The City's MOU Contribution will increase by up to 2.5% annually thereafter. The PEHB MOU also requires that certain employees contribute towards the DB OPEB Plan to fund a portion of the DB OPEB Paygo ("Employee Contributions"). The terms of PEHB MOU may be renegotiated with a two-thirds vote of the City Council. As of March 2015, there are no discussions ongoing to renegotiate the PEHB MOU.

The City's annual payment for the DB OPEB Plan and the DC Plan are made on a pay-go basis. The City funds these payments through its MOU Contribution, Employee Contributions and withdrawals from the CERBT ("Healthcare Obligations"). In Fiscal Year 2014, Healthcare Obligations totaled \$63.1 million, that were funded by the \$57.8 million MOU Contribution, \$2.7 million in Employee Contributions and a withdrawal from the CERBT of \$2.6 million. For Fiscal Year 2015, the total City retiree healthcare contribution is budgeted at \$57.8 million with a General Fund proportionate share budgeted at \$38.2 million, and for the Fiscal Year 2016 Proposed Budget, the total City retiree healthcare contribution is budgeted at \$59.2 million with a General Fund proportionate share of \$39.0 million.

⁽¹⁾ Data for Fiscal Year 2015 is budgeted. All other data is actual.

⁽²⁾ In Fiscal Years 2012 and 2014 the City withdrew \$13.8 million and \$2.6 million respectively from the CERBT to fund DB OPEB Paygo costs.

⁽³⁾ Includes administrative costs for DB OPEB Plan.

⁽⁴⁾ Actual distribution of the Total City Retiree Health Contribution between City DB OPEB Paygo and DC Plan Contribution will be determined at the end of Fiscal Year 2015. City does not expect to make a contribution to CERBT in Fiscal Year 2015.

Source: Risk Management, Financial Management, Comptroller's Office, City of San Diego.

In addition to the retiree healthcare plan discussed above, the City created a Retiree Medical Trust for certain City employees hired on or after July 1, 2009. The Retiree Medical Trust contributions are separate from and in addition to the \$57.8 million required by the PEHB MOU and the City's obligation is limited to an employer match of 0.25% of the salary of eligible employees. Total Retiree Medical Trust City contribution for Fiscal Year 2014 was \$137,000.

RISK MANAGEMENT

Insurance carried on the City’s Petco Park major league baseball stadium (the “Ballpark”) is currently provided pursuant to the Joint Use and Management Agreement (“JUMA”) between the City and the San Diego Padres Baseball Club (the “Padres”). Such insurance is discussed in the front part of this Official Statement under the captions “SECURITY AND SOURCES OF PAYMENT FOR THE SERIES 2015 BONDS – Abatement of Lease Payments,” “– Fire and Extended Coverage Insurance,” and “– Use and Occupancy Insurance.” The following discussion of insurance relates to City property other than the Ballpark. If insurance on the Ballpark were not provided by the Padres under the JUMA, the coverage required by the Facility Lease would be similar to that discussed below.

Self-Insurance

The City is self-insured for Public Liability, Workers’ Compensation, and Long-Term Disability (“LTD”) claims, and also maintains contracts with various insurance companies to manage additional risks. Public Liability, Workers’ Compensation, and LTD estimated liabilities are determined based on results of independent actuarial evaluations and include amounts for claims incurred but not reported (IBNR) and loss adjustment expenses (LAE). Claims liabilities are calculated considering the effects of inflation, recent claim settlement trends including frequency and amount of payouts, and other economic and social factors. Estimated liabilities for public liability claims have been recorded in the government-wide financial statements, Sewer Utility Fund, Water Utility Fund, and the Successor Agency Private-Purpose Trust Fund. Estimated liabilities for workers’ compensation claims have been recorded in the government-wide financial statements, the Water Utility Fund, Sewer Utility Fund, Non-major Enterprise Funds, and Internal Service Funds. Estimated liabilities for long-term disability were recorded in the Miscellaneous Internal Service Fund.

Table A-13 presents the public liability expense and the liability premium payments for the General Fund for the years presented. Amounts charged to the General Fund for claims and premiums vary from year to year based on a variety of factors, including distribution of claims among other responsible funds.

<i>Fiscal Year</i>	<i>Liability Claims Payments and Settlement Costs⁽¹⁾</i>	<i>Liability Premium Payments⁽²⁾</i>
2010	\$16,616,000	\$5,729,000
2011	11,867,000	4,939,000
2012	7,341,000	3,851,000
2013	16,027,000	3,714,000
2014 ⁽³⁾	40,559,000	5,590,000

⁽¹⁾ The City’s General Fund portion of settlement and investigation expenses for third party public liability claims, and other litigation expenses.

⁽²⁾ Premiums for various insurance contracts.

⁽³⁾ Increase in Liability Claims Payments and Settlement Costs from Fiscal Year 2013 to 2014 is primarily attributed to the following two large settled claims: Luke Acuna claim in the amount of \$18.5 million and Lexin v. City of San Diego in the amount of \$8.8 million.

Source: Risk Management Department, City of San Diego (unaudited).

During Fiscal Year 2014 and to date in Fiscal Year 2015, there were no significant reductions in insurance coverage from the prior year. For each of the past three full Fiscal Years, the settlements have not exceeded insurance coverage. The City can give no assurance that particular losses will be covered or that providers will be able to pay covered losses.

Workers' Compensation and Long-Term Disability

All operating funds of the City participate in both the workers' compensation and LTD programs. Workers' Compensation activity is reported within the General Fund and LTD activity is reported within the Miscellaneous Internal Service Fund. Each operating fund contributes an amount equal to a specified rate multiplied by the gross salaries payable from such fund. These payments are treated as operating expenditures in the contributing funds and operating revenues in the General Fund and Miscellaneous Internal Service Fund. The Five Year Outlook addresses reserves for the Workers' Compensation Fund. See "Reserves" herein.

Public Liability Insurance

The City's self-insured retention for public liability is \$3,000,000 per occurrence. The City maintains excess public liability insurance policies in collaboration with a statewide joint powers authority risk pool, the California State Association of Counties-Excess Insurance Authority (CSAC-EIA) for amounts up to \$50,000,000 per occurrence (inclusive of the \$3,000,000 self-insured retention for public liability). The Five Year Outlook addresses reserves for the Public Liability Fund. See "Reserves" herein.

Employee Group Health Insurance

The City currently offers a cafeteria-style flexible benefits plan. For MEA, Teamsters 911, and Local 127 represented employees, this plan requires employees to choose a health plan unless covered elsewhere, and also a life insurance plan. It also gives employees the option of obtaining dental and/or vision insurance. For all other employees, the benefits plan is the same, with the exception that \$50,000 of City-paid life insurance is automatically provided outside of the flexible benefit credit. Employees receive flexible benefit dollars as taxable earnings and may use those dollars for medical/dental/vision and childcare reimbursement accounts.

The City is currently assessing the impact of the Affordable Care Act (ACA) on employee health benefits and flexible benefits. Negotiations with the City's five recognized employee organizations will need to occur prior to determining the impact on City benefit plans. It is anticipated that compliance with the ACA legislation will be implemented in Fiscal Year 2016 and future fiscal years.

Property and Flood Insurance

The City participates in the joint purchase of property insurance and flood insurance through the CSAC-EIA pool (policy term March 31, 2015 through March 31, 2016), which includes flood coverage for certain components of City property. The City is not required to provide flood insurance for other City property, and in its discretion, may elect to modify the designation of covered properties in the future.

This joint purchase of the City's "all risk" property insurance through the CSAC-EIA pool insures approximately \$2.78 billion of City property and provides coverage for loss to City property under the primary policy up to approximately \$25 million per occurrence, with a \$25,000 deductible. This limit of insurance includes coverage for rental interruption for designated lease financed locations. There is no sharing of limits among the City and member counties of the CSAC-EIA pool, unless the City and member counties are mutually subject to losses due to the same occurrence. Limits and coverage may be adjusted periodically in response to requirements of bond financed projects, acquisitions, and in response to changes in the insurance marketplace. The City can give no assurance that any future losses will be covered or that its insurance provider will be able to cover any such losses.

For a discussion of fire and other property insurance for the Ballpark, see "SECURITY AND SOURCES OF PAYMENT FOR THE SERIES 2015 BONDS" in the front part of this Official Statement.

Earthquake Insurance

The City has access to up to \$327.5 million of earthquake coverage, including coverage for rental interruption, for designated buildings and structures. The earthquake coverage is subject to a 5% of total insured values deductible per unit per occurrence, subject to a minimum of \$100,000, effective through March 31, 2016. The City's earthquake coverage is purchased jointly and shared with the member counties in the CSAC-EIA pool. Due to the potential for geographically concentrated earthquake losses, the CSAC-EIA pool is geographically diverse to minimize any potential sharing of coverage in the case of an earthquake.

For a discussion of earthquake insurance for the Ballpark, see "SECURITY AND SOURCES OF PAYMENTS FOR THE SERIES 2015 BONDS" in the front part of this Official Statement.

Employee Dishonesty and Faithful Performance Insurance

The City is a public agency subject to liability for the dishonest acts, and negligent acts or omissions of its officers and employees acting within the scope of their duty ("employee dishonesty" and "faithful performance"). The City participates in the joint purchase of insurance covering employee dishonesty and faithful performance through the CSAC-EIA pool. Coverage is provided in the amount of \$15 million per occurrence subject to a \$25,000 deductible.

LITIGATION POTENTIALLY ADVERSELY AFFECTING THE GENERAL FUND

Pending Litigation Regarding the Series 2015 Bonds

There is no litigation against the City pending or, to the knowledge of the executive officers of the City, threatened in any court or other tribunal of competent jurisdiction, state or federal, in any way (i) restraining or enjoining the issuance, sale or delivery of any of the Series 2015 Bonds; (ii) questioning or affecting the validity of the Series 2015 Bonds; or (iii) questioning or affecting the validity of any of the proceedings for the authorization, sale, execution or delivery of the Series 2015 Bonds. There is, however, litigation questioning the validity of other bonds issued by the Authority and the validity of the proceedings for the authorization and issuance of such other bonds. See "CHALLENGES TO OTHER AUTHORITY LEASE REVENUE BONDS" in the front part of this Official Statement. In addition, there are lawsuits and claims pending against the City arising in the ordinary course of the City's activities which, taken individually or in the aggregate, could materially affect the City's finances. Please see note 17 of the City's CAFR for Fiscal Year 2014 for additional information.

Litigation and Regulatory Actions

The City is a defendant in lawsuits pertaining to various matters, including claims asserted which are incidental to performing routine governmental and other functions. This litigation includes but is not limited to: actions commenced and claims asserted against the City arising out of alleged torts; alleged breaches of contracts; alleged violations of law; and condemnation proceedings. The City received 1,425 notices of claims in Fiscal Year 2013 and 1,439 notices of claim in Fiscal Year 2014.

The Office of the City Attorney has prepared the following summary of certain pending claims and lawsuits for which, as of the date of the Official Statement, the City Attorney believes, in the event of an unfavorable outcome for the City, the potential loss could exceed \$10 million. All figures provided in this section are preliminary and subject to change. Nothing disclosed herein should be considered an admission by the City. In the event of an adverse ruling, certain pending lawsuits, including those disclosed individually herein, may potentially result in an additional material liability to the City. See Notes 17 and 24 of the City's CAFR for Fiscal Year 2014 for additional information regarding the City's contingent liabilities related to litigation. Please note that the information presented in the CAFR includes citywide liabilities and is not

limited to the General Fund. Additionally, the City maintains a Public Liability Fund Reserve to pay, in part, claims against the General Fund. See subsection “Public Liability Fund Reserve” under “Reserves” herein.

Concelcao McCaffrey, et al. v. San Diego Police Department et al.

The case involves a wrongful death action where a San Diego police officer responding to call made a U-turn against a red arrow into the path of a motorcyclist who was later pronounced dead. The plaintiffs are the deceased’s heirs. Plaintiffs have claimed damages of \$50 million and have filed an offer to compromise in an amount of \$20 million. The likely potential exposure to the City is between \$0 and \$20 million.

San Diegans for Open Government v. City of San Diego

San Diegans for Open Government (“SDOG”) has filed a lawsuit challenging the renewal of and assessments levied in the City’s Tourism Marketing District (“TMD”). If the TMD levy is invalidated and the assessments ordered refunded the total cost would be approximately \$32 million. The City has begun to set aside a portion of the assessments collected in a reserve which will be used first to pay refunds in the event of an unfavorable outcome in the lawsuit. There is currently approximately \$9.8 million in the reserve and the City plans to increase the balance in the reserve each fiscal year with a target of a \$30 million reserve in Fiscal Year 2017 should the case still be unresolved at that point. To the extent that any refunds exceed the amount in the TMD reserve, such refunds will be payable from other City funds.

Border Business Park, Inc. (aka De La Fuente Business Park, Inc.) v. City of San Diego

Starting in 1995, an Otay Mesa developer filed the first of five lawsuits against the City concerning activities surrounding the development of a business park adjacent to the Mexican border. Four cases involve alleged breaches of a 1986 development agreement and inverse condemnation. The fifth concerns an alleged breach of a sewer reimbursement agreement. The developer, Roque De La Fuente, controls all of the plaintiff entities. In the first lawsuit, Border Business Park, Inc. III, a jury returned a verdict of \$94.5 million in plaintiff’s favor. On appeal, however, the Court of Appeal overturned the jury’s verdict and ordered a new trial on the breach of contract claim only. Two other lawsuits, National Enterprises, Inc. and Otay Acquisitions, LLC, were stayed during the pendency of the Border Business Park appeal. Upon remand, the City successfully demurred in each of the three cases, and each was dismissed. Plaintiff subsequently filed appeals in these matters. On June 7, 2010, the California Court of Appeal, Fourth Appellate District, Division Two, reversed the judgments entered in favor of the City on the breach of contract causes of action only. The dismissal of the inverse condemnation causes of action was affirmed. A fourth lawsuit, Otay Truck Parking, L.P., setting forth substantially similar allegations, including an inverse condemnation claim, was filed in August 2009. The fifth lawsuit, Border Business Park, Inc. IV, was filed in April 2011. These matters are currently awaiting the assignment of a new trial date. The possible aggregate exposure of these cases ranges between \$0 and \$30 million.

De Anza Cove Homeowners Association, Inc. et al. v. City of San Diego et al.

This case, along with other cases based on the same facts, involves residents of the De Anza Mobilehome Park who have filed suit alleging violations by the City of the California Mobilehome Residency laws. The court found the City liable for failing to prepare a tenant impact report when the City sought to close the mobilehome park in 2003. The Amended Judgment of October 16, 2014 provides that the City pay a Judgment of approximately \$32 million in the class action portion of the lawsuit.

A related claim, *Joseph Aglio et al. v. City of San Diego, et al.*, involves residents excluded from the *Homeowners* action either because they had entered into settlement agreements or were evicted from the park. The *Aglio* case involves potential costs to the City of up to \$10 million. In both De Anza cases, the City has insurance policies that may cover some or all of the City’s costs.

In a cross claim related to the De Anza class action matter, the former lessee of the park, De Anza Harbor Resort and Golf, LLC (DHRG) seeks payment for the value of the improvements left at the park. The value alleged by DHRG, is approximately \$35 million for the value of the property plus an additional \$35 million for the loss of use of funds it would have realized if it operated the park over the last 12 years during the litigation. Its lease term ended November 23, 2003.

Related to the defense of the class action, Scottsdale Insurance Company, is seeking a determination of no coverage afforded to the City under the policy at issue. Scottsdale will also seek reimbursement of uncovered claims for which it has provided a defense over the last 12 years, placing a value on those uncovered claims in the range of \$3-4 million.

Claim for Refund of SDG&E Franchise Fee Surcharges

On March 9, 2015, the City received a claim purporting to represent all San Diego Gas & Electric (SDG&E) ratepayers in the City of San Diego who were charged certain franchise fee surcharges on their SDG&E gas and electricity bills from 2003 to present. Claimant alleges that certain of the franchise fee surcharges are not franchise fees, rather, they are taxes illegally imposed in violation of the California Constitution and the City Charter. In particular, the claim appears to relate to franchise fee surcharges which are collected by SDG&E and then paid to the City as part of the City's program to underground electric utilities (the "Undergrounding Program"). The franchise fees collected for the Undergrounding Program are deposited into a separate fund which is not part of the General Fund. Claimant seeks the refund of all franchise fee surcharges related to the Undergrounding Program, which Claimant alleges totaled approximately \$35.6 million in 2003 and presently exceeds \$50 million annually. Since Fiscal Year 2004, the first full year of collections, the franchise fee surcharges for the Undergrounding Program have averaged \$47 million annually. The City has not yet evaluated the merits of the claim or any potential impact to the General Fund resulting from it. The claim does not involve franchise fees that are received as revenue in the General Fund. However, were the claimant to file a lawsuit and be successful with respect to the claim for a refund, the City would be required to pay a judgment from any lawfully available funds, including lawfully available funds in the General Fund.

The claim was filed with the City shortly after the ruling in the case of *Jacks v. City of Santa Barbara*, 2d Civil No. B253474, 234 Cal.App. 4th 925, by the California Court of Appeal for the Second Appellate District, holding that a one percent surcharge on a franchise fee collected by Southern California Edison and paid to the City of Santa Barbara was an illegal tax violating Article XIIC of the California Constitution.

INVESTMENT OF FUNDS

Investment of Funds

Amounts in the funds and accounts of the General Fund are invested by the City Treasurer in the City Treasurer's Pooled Investment Fund (the "City Pool") described below. The City accounts for such amounts separately from other funds of the City.

City Pool

In accordance with the Charter of the City and authority granted by the City Council, the City Treasurer is responsible for investing the unexpended cash in the City Pool. Responsibility for the daily investment of funds in the City Pool is delegated to the City's Chief Investment Officer. The City and certain related entities are the only participants in the City Pool; there are no other participants either voluntary or involuntary in the City Pool. The investment objectives of the City Pool are preservation of capital, liquidity and return.

Oversight and Reporting Requirements

The City Treasurer provides both a monthly and quarterly investment report to the Chief Financial Officer, the City Comptroller and the City Council and annually presents the City Treasurer's Investment Policy to the Chief Financial Officer, the City Treasurer's Investment Advisory Committee (the "IAC"), the Budget and Government Efficiency Committee, and the City Council. The IAC is comprised of two City employees, currently the Chief Financial Officer and the Director of Debt Management, and three outside investment professionals and is charged with overseeing the review of the City Treasurer's Investment Policy and practices of the City Treasurer and recommending changes thereto. Investments in the City Pool are audited annually by an independent firm of certified public accountants as part of the overall audit of the City's financial statements.

The City's Investments Division uses outside services to provide investment portfolio valuations and accounting and reporting services. These services provide monthly portfolio valuation, investment performance statistics, and other portfolio reports that are distributed to the Office of the City Treasurer Accounting program and the Office of the Comptroller for review and reconciliation. The Office of the City Treasurer's Accounting program prepares a series of monthly reports, including the portfolio market valuation, and distributes these to the Mayor, City Council, Chief Financial Officer, and other officials.

Authorized Investments

Investments in the City Pool are governed by State law and further restricted by the City Treasurer's Investment Policy. The Investment Policy is prepared with safety of principal being the foremost objective. Permitted investments include U.S. Treasury securities, U.S. Agency securities, U.S. Agency mortgage backed securities, corporate medium term notes, money market instruments, non-negotiable Federal Deposit Insurance Corporation-insured certificates of deposit and the Local Agency Investment Fund (California State Pool). Reverse repurchase agreements ("reverse repos") and securities lending arrangements are restricted to 20% of the base value of the portfolio and are governed by various maturity restrictions as well. The main operating funds of the City are managed in two separate portfolios, the Liquidity and Core portfolios. In its management of the "Liquidity" portfolio, comprising approximately 35% of total funds, the City invests in a variety of debt securities with maturities typically ranging from one day to one year; performance is measured against the Bank of America Merrill Lynch three-to-six month Treasury Bill Index. The remaining 65% of funds are managed in a separate "Core" portfolio that consists of a variety of debt securities ranging from one day to five years; performance is measured against the Bank of America Merrill Lynch one- to three-year U.S. Treasury Index. The 35% Liquidity/65% Core portfolio split serves as a guideline. The actual split may vary due to market conditions or other factors. Safety of principal and liquidity are paramount considerations in the management of both portfolios.

Pool Liquidity and Other Characteristics

The City Treasurer's Pooled Investment Fund (including both the "Liquidity" and the "Core" portfolios) is highly liquid. Based on unaudited month-end data as of March 31, 2015, approximately 9% of the pool investments mature within 62 days, 18% within 92 days, 33% within 184 days, 40% within 1 year, 78% within 2 years, 97% within 3 years, and 100% within 5 years (on a cumulative basis). As of March 31, 2015, the City Treasurer's Pooled Investment Fund had a weighted average maturity of 1.29 years (472 days) and its weighted average yield was 0.53%. For purposes of calculating weighted average maturity, the City Treasurer treats investments in the State-wide Local Agency Investment Fund (California State Pool) as maturing within one day. The Liquidity portfolio had a duration of 0.28 years and the Core portfolio had a duration of 1.57 years as of March 31, 2015. Duration is a measure of the price volatility of the portfolio and reflects an estimate of the projected increase or decrease in the value of the portfolio based upon a decrease or increase in interest rates. Accordingly, the Liquidity portfolio should decrease in market value by 0.28% for every 1% increase in market interest rates while the Core portfolio should decrease in market value by 1.57% for every 1% increase in market interest rates. The City Treasurer's Pooled Investment Fund composition is

designed with a goal of having sufficient liquid funds available to meet disbursement requirements. The composition and value of investments under management in the City Treasurer’s Pooled Investment Fund will vary from time to time depending on cash flow needs of the City, maturity or sale of investments, purchase of new securities, and fluctuations in interest rates.

Table A-14 sets forth information concerning the City Pool at March 31, 2015.

The City Pool is not invested in any structured investment vehicles or mortgage-backed securities. In addition, the City has no outstanding swap arrangements or liquidity facilities.

BONDED AND OTHER INDEBTEDNESS

Issuer Ratings

As of March 1, 2015, the City had an “Aa2” Issuer Rating from Moody’s Investors Service, Inc., an “AA” Issuer Credit Rating from Standard & Poor’s Rating Services and an “AA-” Implied GO Rating from Fitch Ratings. These ratings are separate from the ratings on the Series 2015 Bonds and do not reflect the ratings assigned by the rating agencies to the Series 2015 Bonds. See “RATINGS” in the forepart of the Official Statement.

Long-Term Obligations

As of May 1, 2015, the City had \$650,760,000 aggregate principal amount of long-term General Fund lease obligations outstanding.

[Remainder of Page Intentionally Left Blank]

Table A-15 provides a schedule, by years, of principal and interest payments required to be made by the City with respect to future obligations, as of June 30, 2014.

Short Term Capital Leases

The City periodically enters into various short-term capital leases that are obligations of the City's General Fund which, as of May 1, 2015, were outstanding in an aggregate principal amount equal to \$51.3 million.

Future Financing Plans

From time to time, the City conducts bond offerings to fund various General Fund capital improvements and projects.

As of January 2014, the City Council approved lease revenue bonds to fund infrastructure projects in an amount up to \$120 million (see "General Fund Infrastructure and Multi-Year Capital Program" herein) and the Public Facilities Financing Authority recently issued its Lease Revenue Bonds Series 2015A and 2015B

(Capital Improvement Projects) (the “2015 CIP Bonds”) under this authorization with construction fund proceeds totaling approximately \$120 million. The City currently expects to issue an estimated \$270 million in General Fund supported lease obligations in as needed amounts between Fiscal Years 2017 and 2019 to continue to address the City’s ongoing General Fund capital improvement priorities in streets pavement, public facilities, and the storm drain system. The projected annual lease payment costs for General Fund supported bond program will be taken into account in the City’s General Fund Five Year Outlook updates prepared annually. The timing of the individual bond series will be dependent on the actual spend down of the available bond construction funds.

The Mayor has recently announced City streets repair as his highest infrastructure priority and anticipates doubling current efforts and a goal to repair an estimated one thousand miles of City streets over 5 years starting Fiscal Year 2016. To implement this proposal, a funding plan is formulated relying on multiple sources of funding, including General Fund supported lease revenue bond program described above and pay go sources from voter approved TransNet sales tax funds and Gas Tax allocations.

The City monitors outstanding General Fund obligations and conducts refundings if economically advantageous.

Short-Term Borrowings

Prior to Fiscal Year 2014, the City had historically issued tax and revenue anticipation notes annually in anticipation of receipt of taxes and other General Fund revenues. The note offerings during Fiscal Years 2006 to 2013 ranged from approximately \$100 million to \$163 million. There were no tax and revenue anticipation notes issued in Fiscal Year 2014 and Fiscal Year 2015.

[Remainder of Page Intentionally Left Blank]

Operating Lease Commitments

The City has various General Fund lease contracts under which the City must make annual payments to occupy facilities necessary for City operations. The payments in Fiscal Year 2014 totaled \$7.9 million. Table A-17 below is a schedule by years of future minimum rental payments required under such leases entered into by the City that have initial or remaining noncancellable lease terms in excess of one year, as of June 30, 2014. Actual future rental payments will be affected by amendments or extensions to existing leases and by any new leases entered into by the City from time to time.

Source: Real Estate Assets Department, City of San Diego.

Overlapping Debt and Debt Ratios

Table A-18 presents a statement of direct and overlapping bonded debt (the “Debt Statement”) of the City as of March 1, 2015. The City has issued bonds secured by and payable out of loans and installment sale contracts, in order to provide conduit financing for single and multi-family housing, industrial development, and 501(c)(3) non-profit corporations. These bonds are not secured by City General Fund amounts or revenues.

The Debt Statement is prepared by Muni Services, LLC and is included for general information purposes only. The City has not reviewed the Debt Statement for completeness or accuracy and makes no representations in connection therewith. The Debt Statement includes the Series 2007A Bonds which are being refunded with the proceeds of the Series 2015 Bonds, as described in the front part of this Official Statement. The Debt Statement does not include the 2015 CIP Bonds of which approximately \$107.3 million in aggregate principal amount is outstanding as of May 1, 2015. The Debt Statement also does not include the Qualified Energy Conservation Bonds (Broad Spectrum Street Financing) which were privately placed. The Debt Statement generally includes long-term obligations sold in the public credit markets by public agencies whose boundaries overlap the boundaries of the City in whole or in part. Such long term obligations generally are not payable from revenues of the City (except as indicated) nor are they necessarily obligations secured by

land within the City. In many cases, long-term obligations issued by a public agency are payable only from the general fund or other revenues of such public agency.

The City contains numerous school districts and special purpose districts, such as for water and sanitation, many of which have issued general obligation bonds. Some of the issues may be payable from self-supporting enterprises or revenue sources other than property taxation.

The City periodically issues Special Assessment or Community Facilities District (Mello-Roos) bonds on behalf of petitioning developers or citizens when the City determines that the public facilities to be financed are of a defined extraordinary benefit to the City. These bonds are secured by property owner assessments or special taxes. As of March 1, 2015, there were three 1984 Act Reassessment District bond issues with aggregate outstanding principal of \$7,596,902, and six Community Facilities District bond issues with outstanding principal of \$99,930,000.

The reserve funds for each of the City's outstanding Assessment District and Community Facilities District bond issues were fully funded as of March 1, 2015. The City is not in any way obligated to make debt service payments for either Assessment District or Community Facilities District bond obligations which are designated as Debt Without Government Commitment in the City's financial statement.

TABLE A-18
CITY OF SAN DIEGO
STATEMENT OF DIRECT AND OVERLAPPING BONDED DEBT
As of March 1, 2015
(in thousands, except for percentages)
(unaudited)

	Total Debt 3/1/15	% Applicable ⁽¹⁾	City's Share of Debt 3/1/15

LIMITATIONS ON TAXES AND APPROPRIATIONS

Article XIII A of the California Constitution

Section 1(a) of Article XIII A of the California Constitution limits the maximum ad valorem tax on real property to 1% of full cash value (as defined in Section 2 of Article XIII A), to be collected by each county and apportioned among the county and other public agencies and funds according to law. Section 1(b) of Article XIII A, as enacted in 1978 by Proposition 13, provides that the 1% limitation does not apply to ad valorem taxes to pay interest or redemption charges on indebtedness approved by the voters prior to July 1, 1978. On June 3, 1986, California voters approved an amendment to Article XIII A, which allows for an additional exemption to the 1% tax limitation imposed by Article XIII A. Under this amendment to Article XIII A, local governments and school districts may increase the property tax rate above 1% for the period necessary to retire bonds approved on or after July 1, 1978, if two-thirds of those voting in a local election approve the issuance of such bonds and the money raised through the sale of the bonds is used exclusively to purchase or improve real property. Later amendments allow for property tax increases to pay for certain school district general obligation bonds approved by 55% of those voting in a local election.

Section 2 of Article XIII A defines “full cash value” to mean “the County Assessor’s valuation of real property as shown on the 1975/76 tax bill under full cash value or, thereafter, the appraised value of real property when purchased, newly constructed, or a change in ownership has occurred after the 1975 assessment.” The full cash value may be adjusted annually to reflect inflation at a rate not to exceed 2% per year or to reflect a reduction in the consumer price index or comparable data for the area under the taxing jurisdiction, or reduced in the event of declining property values caused by substantial damage, destruction, or other factors. Legislation enacted by the State Legislature to implement Article XIII A provides that notwithstanding any other law, local agencies may not levy any ad valorem property tax except to pay debt service on indebtedness approved by the voters as described above.

In addition, legislation enacted by the California Legislature to implement Article XIII A provides that all taxable property is shown at full assessed value as described above. In conformity with this procedure, all taxable property value included in this Official Statement (except as noted) is shown at 100% of assessed value and all general tax rates reflect the \$1 per \$100 of taxable value.

In the June 1990 election, the voters of the State approved amendments to Article XIII A permitting the State Legislature to extend the replacement dwelling provisions applicable to persons over 55 to severely disabled homeowners for a replacement dwelling purchased or newly constructed on or after June 5, 1990, and to exclude from the definition of “newly constructed” improvements to certain dwellings for the purpose of making the dwelling more accessible to severely disabled persons. In the November 2010 election, the voters of the State approved an amendment of Article XIII A to exclude from the definition of “newly constructed” seismic retrofitting improvements to existing structures. Voters have approved several other minor exemptions from the reassessment provisions of Article XIII A.

Article XIII B of the California Constitution

Article XIII B of the California Constitution limits the annual appropriations of the State and of any city, county, school district, authority or other political subdivision of the State to the level of appropriations for the prior Fiscal Year, as adjusted annually for changes in the cost of living, population, and services for which the fiscal responsibility is shifted to or from the governmental entity (the “Gann Limit”). The “base year” for establishing this appropriations limit is the 1978-1979 fiscal year.

Appropriations subject to Article XIII B generally include any authorizations to expend during a Fiscal Year the proceeds of taxes levied by or for the entity, exclusive of certain State subventions, refunds of taxes and benefit payments from retirement, unemployment insurance and disability insurance funds. “Proceeds of Taxes” include, but are not limited to, all tax revenues, most State subventions and the proceeds to the local

government entity from (a) regulatory licenses, user charges, and user fees (to the extent that such proceeds exceed the cost reasonably borne by such entity) and (b) the investment of tax revenues. Article XIII B provides that if a governmental entity's revenues in any year exceed the amounts permitted to be spent, the excess must be returned by revising tax rates or fee schedules over the subsequent two years.

Article XIII B does not limit the appropriation of money to pay debt service on indebtedness existing or authorized as of January 1, 1979, or for bonded indebtedness approved thereafter by a vote of the electors of the issuing entity at an election held for that purpose. Article XIII B allows voters to approve a temporary waiver of a government's Article XIII B limit.

In the June 1990 election, the voters of the State approved Proposition 111, which amended the method of calculating State and local appropriations limits. Proposition 111 made several changes to Article XIII B, three of which are reflected in the City's annual computation of its appropriation limit. First, the term "change in the cost of living" was redefined as the change in the California per capita personal income ("CPCPI") from the preceding year. Previously the lower of the CPCPI or the United States Consumer Price Index was used. Second, the appropriations limit for the Fiscal Year was recomputed by adjusting the Fiscal Year 1987 limit by the CPCPI for the three subsequent years. Third, Proposition 111 excluded from the appropriations limit "all qualified capital outlay projects, as defined by the Legislature."

The City's appropriations limit for Fiscal Year 2014 has been established at \$1.72 billion. Using the Fiscal Year 2014 Budget, the appropriations subject to the limit (i.e., proceeds of taxes, excluding debt service on voter-approved debt and qualified capital outlays) have been calculated to be \$826.4 million, which is \$896.6 million lower than the Gann Limit. The impact of the appropriations limit on the City's financial needs in the future is unknown.

Articles XIII C and XIII D (Proposition 218) of the California Constitution

On November 5, 1996, the voters of the State approved Proposition 218, a constitutional initiative, entitled the "Right to Vote on Taxes Act" ("Proposition 218"). Proposition 218 added Articles XIII C and XIII D to the California Constitution and contained a number of interrelated provisions affecting the ability of local governments, including the City, to levy and collect both existing and future taxes and assessments, fees and charges.

Article XIII C

Section 2 of Article XIII C requires majority voter approval for the imposition, extension or increase of general taxes and requires two thirds voter approval for the imposition, extension or increase of special taxes. These voter approval requirements of Article XIII C reduce the flexibility of the City to raise revenues by the levy of general or special taxes and, given such voter approval requirements, no assurance can be given that the City will be able to enact, impose, extend or increase any such taxes in the future to meet increased expenditure requirements.

Although a portion of the City's General Fund revenues are derived from general taxes purported to be governed by Proposition 218, all of such taxes were either imposed, extended or increased prior to the effective date of Proposition 218 or in accordance with the requirements of Proposition 218. No assurance can be given that the voters of the City will not, in the future, approve an initiative or initiatives which reduce or repeal local taxes, assessments, fees or charges, such as the TOT, Proposition 172 revenues, or storm water fees which support the City's General Fund. TOT and other local taxes, assessments, fees and charges, could be subject to reduction or repeal by initiative under Proposition 218.

Section 3 of Article XIII C expressly extends the initiative power to give voters the power to reduce or repeal local taxes, assessments, fees and charges, regardless of the date such taxes, assessments, fees or charges were imposed. Section 3 expands the initiative power to include reducing or repealing assessments,

fees and charges that had previously been considered administrative rather than legislative matters and therefore beyond the initiative power. This extension of the initiative power is not limited by the terms of Article XIIC to fees imposed after November 6, 1996, the effective date of Proposition 218, and absent other legal authority could result in the reduction in any existing taxes, assessments or fees and charges imposed prior to November 6, 1996.

“Fees” and “charges” are not expressly defined in Article XIIC or in SB 919, the Proposition 218 Omnibus Implementation Act enacted in 1997 to prescribe specific procedures and parameters for local jurisdictions in complying with Article XIIC and Article XIID (“SB 919”). However, on July 24, 2006, the California Supreme Court ruled in *Bighorn-Desert View Water Agency v. Virjil (Kelley)* (the “Bighorn Decision”) that charges for ongoing water delivery are fees and charges within the meaning of Section 3 of Article XIIC. The California Supreme Court held that such water service charges may, therefore, be reduced or repealed through a local voter initiative pursuant to Section 3 of Article XIIC. The Bighorn Decision has been interpreted to mean that ongoing water delivery charges are also property-related fees and charges within the meaning of Article XIID.

In the *Bighorn Decision*, the Supreme Court stated that nothing in Section 3 of Article XIIC authorizes initiative measures that impose voter-approval requirements for future increases in fees or charges for water delivery. The Supreme Court stated that water providers may determine rates and charges upon proper action of the governing body and that the governing body may increase a charge which was not affected by a prior initiative or impose an entirely new charge.

The Supreme Court further stated in the *Bighorn Decision* that it was not holding that the initiative power is free of all limitations and was not determining whether the initiative power is subject to the statutory provision requiring that water and wastewater service charges be set at a level that will pay debt service on bonded debt and operating expenses. Such initiative power could be subject to the limitations imposed on the impairment of contracts under the contract clause of the United States Constitution. Additionally, SB 919 provides that the initiative power provided for in Proposition 218 “shall not be construed to mean that any owner or beneficial owner of a municipal security, purchased before or after (the effective date of Proposition 218) assumes the risk of, or in any way consents to, any action by initiative measure that constitutes an impairment of contractual rights” protected by the United States Constitution.

Article XIIC also removes many of the limitations on the initiative power in matters of reducing or repealing any local tax, assessment, fee or charge. No assurance can be given that the voters of the City will not, in the future, approve an initiative or initiatives which reduce or repeal local taxes, assessments, fees or charges currently comprising a substantial part of the City’s General Fund. “Assessments,” “fees” and “charges” are not defined in Article XIIC, and it is unclear whether these terms are intended to have the same meanings for purposes of Article XIIC as for Article XIID described below. If not, the scope of the initiative power under Article XIIC potentially could include any General Fund local tax, assessment, or fee not received from or imposed by the federal or State government or derived from investment income.

If the City is unable to continue to collect assessment revenues for a particular program, the program might have to be curtailed and/or funded by the City’s General Fund. Given the approval requirements imposed by Article XIID, the City is unable to predict whether it will be able to continue to collect assessment revenues for these programs. If the City chose to fund any such programs from the General Fund instead, the General Fund budget would be affected.

Article XIID

Article XIID defines a “fee” or “charge” as any levy other than an ad valorem tax, special tax, or assessment imposed by an agency upon a parcel or upon a person as an incident of property ownership, including a user fee or charge for a property-related service. A “property-related service” is defined as “a public service having a direct relationship to a property ownership” herein. Article XIID further provides that

reliance by an agency on any parcel map (including an assessor's parcel map) may be considered a significant factor in determining whether a fee or charge is imposed as an incident of property ownership. In the *Bighorn Decision*, the Supreme Court stated that ongoing water delivery charges are also property-related fees and charges within the meaning of Article XIID.

Article XIID requires that any agency imposing or increasing any property-related fee or charge must provide written notice thereof to the record owner of each identified parcel upon which such fee or charge is to be imposed and must conduct a public hearing with respect thereto. The proposed fee or charge may not be imposed or increased if a majority of owners of the identified parcels file written protests against it. As a result, if and to the extent that a fee or charge imposed by a local government for water service is ultimately determined to be a "fee" or "charge" as defined in Article XIID, the local government's ability to increase such fee or charge may be limited by a majority protest.

In addition, Article XIID also includes a number of limitations applicable to existing fees and charges including provisions to the effect that (i) revenues derived from the fee or charge shall not exceed the funds required to provide the property-related service; (ii) such revenues shall not be used for any purpose other than that for which the fee or charge was imposed; (iii) the amount of a fee or charge imposed upon any parcel or person as an incident of property ownership shall not exceed the proportional cost of the service attributable to the parcel; and (iv) no such fee or charge may be imposed for a service unless that service is actually used by, or immediately available to, the owner of the property in question. Property-related fees or charges based on potential or future use of a service are not permitted.

Depending on the interpretation of what constitutes a "property-related fee" under Article XIID, there could be future restrictions on the ability of the City's General Fund to charge its enterprise funds for various services provided. In the event that fees and charges of enterprise funds cannot be appropriately increased or are reduced pursuant to exercise of the initiative power, the City may have to decide whether to supplement any deficiencies in these enterprise funds with moneys from the General Fund or to curtail service, or both.

The City believes its current water and wastewater rates materially comply with the notice and substantive provisions of Article XIID.

The interpretation and application of Proposition 218 will ultimately be determined by the courts or through implementing legislation with respect to a number of the matters described above, and it is not possible at this time to predict with certainty the outcome of such determination or the nature or scope of any such legislation.

Both Articles XIII A and XIII B, as well as Articles XIIC and XIID described above, were adopted as measures that qualified for the ballot pursuant to California's constitutional initiative process. From time to time other initiative measures could be adopted, affecting the ability of the City to increase revenues and to increase appropriations.

Proposition 1A

On November 2, 2004, California voters approved Proposition 1A, which amends the State Constitution to significantly reduce the State's authority over major local government revenue sources. Under Proposition 1A, the State may not (i) reduce local sales tax rates or alter the method of allocating the revenue generated by such taxes, (ii) shift property taxes from local governments to schools or community colleges, (iii) change how property tax revenues are shared among local governments without two-third approval of both houses of the State Legislature, or (iv) decrease Vehicle License Fees revenues without providing local governments with equal replacement funding. Proposition 1A does allow the State to approve voluntary exchanges of local sales tax and property tax revenues among local governments within a county.

The State legislature suspended the requirements of Proposition 1A in an effort to balance the State's Fiscal Year 2010 budget. In Fiscal Year 2010, the State borrowed approximately \$1.9 billion in property tax revenue from local jurisdictions to help balance the State budget; the City's share of this is approximately \$35.8 million. However, the City recovered this property tax revenue during Fiscal Year 2010 through a securitization program of the California Statewide Communities Development Authority. As discussed below, subsequent to the enactment of Proposition 22, Proposition 1A can no longer be suspended.

Proposition 1A may, in some circumstances, result in decreased resources being available for State programs. The decreased resources in turn, could affect actions taken by the State to resolve budget difficulties. Such actions have recently included increasing State taxes, and could include decreasing spending on other state programs or other actions, some of which could be adverse to the City. While Proposition 1A provides some protection to the City from the State taking of property tax, sales tax and vehicle license fees, there are certain significant issues that relate to sources of funds not covered by Proposition 1A and to the statutory relationships between the State and San Diego County. Impacts to the City's budget that are controlled by the State and County include property tax administration fees, booking fees and the SB 172 allocation.

Proposition 22

On November 2, 2010, the voters of the State approved Proposition 22, known as "The Local Taxpayer, Public Safety, and Transportation Protection Act" ("Proposition 22"). Proposition 22, among other things, broadens the restrictions established by Proposition 1A. While Proposition 1A permits the State to appropriate or borrow local property tax revenues on a temporary basis during times of severe financial hardship, Proposition 22 amends Article XIII of the California Constitution to prohibit the State from appropriating or borrowing local property tax revenues under any circumstances. The State can no longer borrow local property tax revenues on a temporary basis even during times of severe financial hardship. Proposition 22 also prohibits the State from appropriating or borrowing proceeds derived from any tax levied by a local government solely for the local government's purposes. Furthermore, Proposition 22 restricts the State's ability to redirect redevelopment agency property tax revenues to school districts and other local governments and limits uses of certain other funds. Proposition 22 is intended to stabilize local government revenue sources by restricting the State government's control over local revenues. The City cannot predict whether Proposition 22 will have a beneficial effect on the City's financial condition. See "CITY BUDGET AND RELATED MATTERS – Former Redevelopment Agency" above for a discussion of the dissolution of redevelopment agencies.

Proposition 26

On November 2, 2010, the voters of the State approved Proposition 26, known as the "Supermajority Vote to Pass New Taxes and Fees Act" ("Proposition 26"). Proposition 26, among other things, amends Article XIIC to the California Constitution principally to define what constitutes a "tax" under the limitations and requirements of that provision. Article XIIC imposes limitations on local governments like the City when imposing certain taxes, including a requirement that the local government submit certain taxes to the electorate for its approval. Before Proposition 26, Article XIIC did not define the term "tax." Proposition 26 broadly defines a tax under Article XIIC to include "any levy, charge, or exaction of any kind imposed by a local government." Proposition 26 lists several exceptions to the definition of "tax," which include (a) a charge for a specific benefit or privilege, which does not exceed the reasonable costs of providing the benefit or privilege, (b) a charge for a government service or product, which does not exceed the reasonable costs of providing the service or product, (c) a charge for the reasonable regulatory costs of issuing licenses and permits, performing investigations, inspections, and audits, and the administrative enforcement thereof, (d) a charge for entrance to or use of local government property, or the purchase, rental, or lease of local government property, (e) a fine, penalty, or other monetary charge imposed as a result of a violation of law, (f) a charge imposed as a condition of property development, and (g) assessments and property-related fees imposed in accordance with the provisions of Article XIII D.

It appears that Proposition 26 does not apply retroactively to local government. Thus, even if a fee enacted by the City prior to November 3, 2010 does not fit within any of Proposition 26's exceptions, it will nonetheless remain valid provided that the legislation authorizing it is not amended so as to extend or increase the fee. The City does not believe that it has enacted, extended or increased any fees since passage of Proposition 26 that would not be exempt from Proposition 26 or that would require voter approval pursuant to Proposition 26.

Proposition 30

On November 6, 2012, voters approved the Temporary Taxes to Fund Education, Guaranteed Local Public Safety Funding, Initiative Constitutional Amendment (also known as "Proposition 30"), which temporarily increases the State Sales and Use Tax and personal income tax rates on higher incomes. Proposition 30 temporarily imposes an additional tax on all retailers, at the rate of 0.25% of gross receipts from the sale of all tangible personal property sold in the State from January 1, 2013 to December 31, 2017. Proposition 30 also imposes an additional excise tax on the storage, use, or other consumption in the State of tangible personal property purchased from a retailer on and after January 1, 2013 and before January 1, 2017, for storage, use, or other consumption in the State. This excise tax will be levied at a rate of 0.25% of the sales price of the property so purchased. For personal income taxes imposed beginning in the taxable year commencing January 1, 2012 and ending January 1, 2019, Proposition 30 increases the marginal personal income tax rate by: (i) 1% for taxable income over \$250,000 but less than \$300,000 for single filers (over \$340,000 but less than \$408,000 for joint filers), (ii) 2% for taxable income over \$300,000 but less than \$500,000 for single filers (over \$408,000 but less than \$680,000 for joint filers), and (iii) 3% for taxable income over \$500,000 for single filers (over \$608,000 for joint filers).

The revenues generated from the temporary tax increases will be included in the calculation of the minimum funding guarantee for school districts and community college districts contained in the State Constitution. From an accounting perspective, the revenues generated from the temporary tax increases will be deposited into the State account created pursuant to Proposition 30 called the Education Protection Account (the "EPA"). By dedicating the Proposition 30 funds to education, other revenues in the State General Fund are freed up to fund other programs. Proposition 30 also placed into the state Constitution the current statutory provisions transferring 1.0625 percent of the state sales tax to local governments to fund realignment.

Proposition 2

On November 4, 2014, voters approved the Rainy Day Budget Stabilization Fund Act (also known as "Proposition 2"). Proposition 2 is a legislatively-referred constitutional amendment which makes certain changes to State budgeting practices, including substantially revising the conditions under which transfers are made to and from the State's Budget Stabilization Account (the "BSA") established by the California Balanced Budget Act of 2004 (also known as Proposition 58).

Under Proposition 2, and beginning in fiscal year 2015-16 and each fiscal year thereafter, the State will generally be required to annually transfer to the BSA an amount equal to 1.5% of estimated State general fund revenues (the "Annual BSA Transfer"). Supplemental transfers to the BSA (a "Supplemental BSA Transfer") are also required in any fiscal year in which the estimated State general fund revenues that are allocable to capital gains taxes exceed 8% of total estimated general fund tax revenues. Such excess capital gains taxes—net of any portion thereof owed to K-14 school districts pursuant to Proposition 98—will be transferred to the BSA. Proposition 2 also increases the maximum size of the BSA to an amount equal to 10% of estimated State general fund revenues for any given fiscal year. In any fiscal year in which a required transfer to the BSA would result in an amount in excess of the 10% threshold, Proposition 2 requires such excess to be expended on State infrastructure, including deferred maintenance.

For the first 15 year period ending with fiscal year 2029-30, Proposition 2 provides that half of any required transfer to the BSA, either annual or supplemental, must be appropriated to reduce certain State

liabilities, including making certain payments owed to K-14 school districts, repaying State interfund borrowing, reimbursing local governments for State mandated services, and reducing or prefunding accrued liabilities associated with State-level pension and retirement benefits. Following the initial 15-year period, the Governor and the Legislature are given discretion to apply up to half of any required transfer to the BSA to the reduction of such State liabilities. Any amount not applied towards such reduction must be transferred to the BSA or applied to infrastructure, as described above.

Proposition 2 changes the conditions under which the Governor and the Legislature may draw upon or reduce transfers to the BSA. The Governor does not retain unilateral discretion to suspend transfers to the BSA, nor does the Legislature retain discretion to transfer funds from the BSA for any reason, as previously provided by law. Rather, the Governor must declare a “budget emergency,” defined as an emergency within the meaning of Article XIII B of the Constitution or a determination that estimated resources are inadequate to fund State general fund expenditures, for the current or ensuing fiscal year, at a level equal to the highest level of State spending within the three immediately preceding fiscal years. Any such declaration must be followed by a legislative bill providing for a reduction or transfer. Draws on the BSA are limited to the amount necessary to address the budget emergency, and no draw in any fiscal year may exceed 50% of funds on deposit in the BSA unless a budget emergency was declared in the preceding fiscal year.

Proposition 2 also requires the creation of the Public School System Stabilization Account (the “PSSSA”) into which transfers will be made in any fiscal year in which a Supplemental BSA Transfer is required (as described above). Such transfer will be equal to the portion of capital gains taxes above the 8% threshold that would be otherwise paid to K-14 school districts as part of the minimum funding guarantee. A transfer to the PSSSA will only be made if certain additional conditions are met, as follows: (i) the minimum funding guarantee was not suspended in the immediately preceding fiscal year, (ii) the operative Proposition 98 formula for the fiscal year in which a PSSSA transfer might be made is “Test 1,” (iii) no maintenance factor obligation is being created in the budgetary legislation for the fiscal year in which a PSSSA transfer might be made, (iv) all prior maintenance factor obligations have been fully repaid, and (v) the minimum funding guarantee for the fiscal year in which a PSSSA transfer might be made is higher than the immediately preceding fiscal year, as adjusted for ADA growth and cost of living. Proposition 2 caps the size of the PSSSA at 10% of the estimated minimum guarantee in any fiscal year, and any excess funds must be paid to K-14 school districts. Reductions to any required transfer to the PSSSA, or draws on the PSSSA, are subject to the same budget emergency requirements described above. However, Proposition 2 also mandates draws on the PSSSA in any fiscal year in which the estimated minimum funding guarantee is less than the prior year’s funding level, as adjusted for student growth and cost of living.

Future Initiatives

Articles XIII A, XIII B, XIII C and XIII D and Propositions 1A, 2, 22, 26 and 30 were each adopted as measures that qualified for the ballot pursuant to the State’s initiative process. From time to time, other initiative measures could be adopted, which may place further limitations on the ability of the State and the City to increase revenues or to increase appropriations which may affect the City’s revenues or its ability to expend its revenues.

APPENDIX B

DEMOGRAPHIC AND ECONOMIC INFORMATION
REGARDING THE CITY OF SAN DIEGO

APPENDIX B

DEMOGRAPHIC AND ECONOMIC INFORMATION REGARDING THE CITY OF SAN DIEGO

Set forth below is certain demographic information regarding the City of San Diego (the “City”) and the County of San Diego (the “County”). This information is provided for informational purposes only and general background. The information set forth herein has been obtained from third party sources believed to be reliable, but such information is not guaranteed by the City or the Public Facilities Financing Authority of the City (the “Authority”) as to accuracy or completeness. The information and data within this Appendix B speak only as of the dates indicated and may have changed, perhaps materially, from such time. Neither the delivery of this Official Statement nor any sale thereafter of the securities offered hereby shall under any circumstances create any implication that there has been no change in any information contained in this Appendix B since the date of such information. The Series 2015 Bonds are not a debt of the City, the County, the State of California (the “State”), or any of its political subdivisions, and none of the City, the County, the State nor any of its political subdivisions is liable thereon.

Introduction

The City, with a total population of approximately 1,368,061 as of January 1, 2015 and a land area of approximately 342 square miles, is the eighth largest city in the nation and the second largest city in California. The City is the county seat for the County. In addition to having a favorable climate, the City offers a wide range of cultural and recreational services to both residents and visitors. Major components of the City’s diversified economy include defense, tourism, biotechnology/biosciences, financial and business services, software and telecommunications. The City’s economic base is also anchored by higher education and major scientific research institutions, including the University of California, San Diego, San Diego State University, Scripps Research Institute, the Salk Institute for Biological Studies, and the San Diego Supercomputer Center.

Population

The following Table B-1 sets forth annual population figures for the City, the County and the State for calendar years 2006 through 2015. The City’s population increased by approximately 8.44% between 2006 and 2015, with an average annual increase of approximately 11,825.

⁽²⁾ Preliminary, subject to change.

⁽³⁾ The United States unemployment rates for calendar years 2010-2014 and March 2015 were generated as of April 29, 2015.

Source: State of California Employment Development Department, Labor Market Information Division; U.S. Department of Labor, Bureau of Labor Statistics.

The State of California Employment Development Department, Labor Market Information Division (the “EDD”), preliminarily estimates that, on a seasonally unadjusted basis, the civilian labor force in the City in March of 2015 was 694,700, of which approximately 33,600 persons were unemployed. Based on preliminary estimates of the EDD as of May 1, 2015, the City’s unemployment rate of 4.8% in March of 2015, on a seasonally unadjusted basis, was below that of the County at 5.1% and was below the unemployment rate of the State, which was 6.5%. The City’s unemployment rate was below the United States, which was 5.5%. The following Table B-3 sets forth estimates of total annual civilian nonfarm employment by number of employees in each major industry category in the County for calendar years 2010 through 2014, and for March 2015. Annual industry employment information is not compiled by sector for the City.

⁽¹⁾ Includes both the General Fund portion of TOT (5.5¢ of 10.5¢) and the balance (5¢ of 10.5¢) allocated to Special Promotional Programs. Special Promotional Programs are intended to: advance the City's economy by promoting the City as a visitor destination; develop, maintain, and enhance visitor-related facilities; and support the City's cultural amenities and natural attractions.

Source: Fiscal Year 2014 Comprehensive Annual Financial Report, Comptroller's Office, City of San Diego.

The City is the focal point for tourism in the County. According to the San Diego Tourism Authority in its annual San Diego County Visitor Industry Performance summary, in calendar year 2014, 67.6% of hotel rooms in the County were located within the City. For calendar year 2014, the San Diego Tourism Authority reported that hotel occupancy in the City averaged 76.7%, up 4.1% compared to the prior year.

In addition, most of the County's major tourist attractions, including the world-renowned San Diego Zoo and SeaWorld San Diego, are located in the City. Other attractions located in the City include the Cabrillo

National Monument on Point Loma, the historic Gaslamp Quarter in the downtown area, the Old Town State Park, Balboa Park and a host of other cultural and recreational activities.

Based on information provided by the San Diego Tourism Authority in its annual San Diego County Visitor Industry Performance summary, in calendar year 2014 there were more than 33.8 million visitors to San Diego County, and they spent more than \$9 billion. About half of the 33.8 million visitors stayed overnight in private homes or hotels. In calendar year 2014, there were 9,378,868 airport arrivals and 758,697 Amtrak arrivals, up 6.1% and down 0.1%, respectively, compared to the same time for the prior year.

In addition to the many permanent attractions available to visitors, the City has also been host to a number of major sporting events. The City annually hosts the Farmers Insurance Open, a Professional Golfers' Association Tour Event played at the world renowned Torrey Pines Golf Course. In addition, the City has annually hosted a pair of post season contests of elite college football teams, the Holiday Bowl and the Poinsettia Bowl.

The San Diego Convention Center (the "Convention Center") has 2.6 million total gross square feet of buildings, including the parking structure. According to the San Diego Convention Center Corporation Annual Report for Fiscal Year ended June 30, 2014, events in the Convention Center generated over \$1.3 billion in economic impact for the San Diego regional economy through direct attendee spending, tax revenues, and hotel room nights in Fiscal Year 2014.

Military

The information set forth below is taken from the San Diego Military Economic Impact Study released in September 2014 (the "Military Study") prepared by the San Diego Military Advisory Council ("SDMAC"). Neither the Authority nor the City has independently verified the information in the Military Study.

Military and related defense spending are significant factors in the County economy. Military installations include Marine Corps Base Camp Joseph H. Pendleton; the Marine Corps Recruit Depot; Marine Corps Air Station at Miramar; Naval Air Station North Island; Naval Station San Diego; and Naval Submarine Base, San Diego.

There are approximately 133,000 uniformed military personnel and Department of Defense civilians employed in the County including approximately 100,000 active duty military personnel, 8,600 reserves and 24,000 full-time civilian workers. These totals are expected to decline to approximately 130,300 in the current federal fiscal year ending September 30, 2015. The estimated direct defense-related spending by the military in the County for the fiscal year ending September 30, 2014 fell approximately 2% to \$25.2 billion from \$25.8 billion for the federal fiscal year ending September 30, 2013.

The direct spending by the military results in additional jobs and spending in the local economy. Approximately 22% (317,000) of the jobs in the County were directly and indirectly related to the military in the fiscal year ended September 30, 2014 and the gross regional product in the County related to the military was estimated at \$38.7 billion up from \$32.2 billion in the prior federal fiscal year. It is estimated that the military's total impact on the region represents about 20% of the County's total gross regional product.

Efforts by the federal government to reduce the federal deficit have negatively impacted military spending throughout the country. Automatic across-the-board spending cuts (referred to as sequestration) to numerous federal programs began to be implemented in Fiscal Year 2013; however, Congress approved at the end of 2013 a plan to suspend sequestration for two years. Uncertainty about the return of sequestration in Fiscal Year 2016 again makes forecasts for the coming years difficult, according to SDMAC.

International Trade

Property Value and Construction

Residential and non-residential construction declined after peaking in 2005, in part due to the subprime mortgage crisis and the resulting significant increase in the number of foreclosures. However, residential and non-residential construction activity has increased since 2010. Total issued building permits and permit valuation (residential and non-residential) are used as indicators of overall construction activity. In Fiscal Year 2014, construction permits valuation increased by 15.2%, or \$307.2 million, from Fiscal Year 2013.

The following Table B-10 sets forth total City assessed value, building permit valuations and the number of new construction permits issued in the City for Fiscal Years 2010 through 2014.

TABLE B-10
CITY OF SAN DIEGO
Assessed Value and Construction Permit Valuation
Fiscal Years 2010 through 2014
(\$ in thousands)
(unaudited)

Fiscal Year	Residential ⁽¹⁾		Non-Residential ⁽²⁾		Total Permit Assessed Value Estimate ⁽³⁾
	Dwelling Units	Permit Assessed Value ⁽³⁾	Permits	Permit Assessed Value ⁽³⁾	
2010	1,147	\$234,868	76	\$ 368,098	\$ 602,966
2011	2,024	342,598	98	818,627	1,161,225
2012	2,406	518,091	113	1,142,674	1,660,765
2013	4,629	854,489	111	1,162,254	2,016,743
2014	4,258	836,074	136	1,487,835	2,323,909

⁽¹⁾ Residential reflects construction of new structures.

⁽²⁾ Non-residential reflects construction of new structures whose intended use includes commercial, industrial, and other uses. Each permit is a separate structure.

⁽³⁾ Valuation figures only include valuation of newly created structures. These figures do not include minor modification work such as interior remodels, reroofs, etc. Total Permit Assessed Value is an estimate determined at time of permit issuance; actuals may vary.

2011	12,216	1,161,720	1.05
2012	7,195	1,165,970	0.62
2013	3,236	1,169,095	0.28
2014	2,036	1,176,046	0.17

⁽¹⁾ 2010 data based on 2010 census. All other data are estimates provided by SANDAG as of January 1 of the indicated year.
Source: County of San Diego, Assessor's Records; and SANDAG.

According to the San Diego County Recorder's Office, there has been a decrease in the number of notices of loan defaults recorded in the County in calendar year 2014 compared to calendar year 2013. In addition, foreclosures have dropped during this time frame as well. There were 7,614 notices of default recorded in the County in calendar year 2013, which decreased to 5,855 notices recorded in 2014. Furthermore, there were 3,236 foreclosures in the County in calendar year 2013, which decreased by 37% to 2,036 foreclosures in 2014. As of March 31, 2015, there were 1,433 notices of default and 441 foreclosures thus far in calendar year 2015, decreases of 5% from 1,514 notices of default and 29% from 623 foreclosures in the same period of 2014.

APPENDIX C
SUMMARY OF LEGAL DOCUMENTS

APPENDIX C

SUMMARY OF LEGAL DOCUMENTS

The following is a brief summary of the provisions of the Indenture, the Facility Lease, and the Site Lease pertaining to the Series 2015 Bonds that are not summarized elsewhere in this Official Statement. This summary is not intended to be definitive, and is qualified in its entirety by reference to the full terms of such documents.

CERTAIN DEFINITIONS

The following are definitions of certain terms used in the Indenture, the Facility Lease, the Site Lease and this Official Statement, which are not otherwise defined in this Official Statement. Reference is made to the entire documents for the definitions of all terms used in such documents. The following definitions are equally applicable to both singular and plural forms of any of the terms defined in the Indenture:

“Additional Bonds” means all bonds of the Authority authorized by and at any time Outstanding pursuant to the Indenture and executed, issued and delivered in accordance with the Indenture.

“Additional Rental” means all amounts payable by the City as described under “THE FACILITY LEASE – Rental Payments – Rental Payments – *Additional Rental*” herein.

“Authorized Representative” means: (a) with respect to the Authority, its Chair, Vice Chair, Treasurer or Secretary or any other person designated as an Authorized Representative of the Authority by a Written Certificate of the Authority signed by its Chair, and filed with the City and the Trustee; and (b) with respect to the City, its Chief Operating Officer or its Chief Financial Officer, or any other person duly designated by its Chief Operating Officer or its Chief Financial Officer as an Authorized Representative of the City by a written certificate of the Chief Operating Officer or the Chief Financial Officer filed with the City and the Trustee.

“Bonds” means the Series 2015 Bonds and any Additional Bonds, authorized by and at any time Outstanding pursuant to the Indenture.

“Business Day” means any day other than (i) a Saturday or Sunday, (ii) a day on which commercial banks in San Diego, California or New York, New York are authorized or required by law to close, or (iii) a day upon which the Trustee is authorized by law to remain closed.

“CC&Rs” means any written covenants, conditions and restrictions, maintenance agreements or reciprocal easement agreements affecting the Leased Property and/or property adjacent thereto in form and substance acceptable to the City, as the same may from time to time be amended, supplemented or modified.

“Claim” means any and all liability, obligations, losses, claims and damages whatsoever, regardless of the cause thereof, and expenses in connection therewith, including without limitation, counsel fees and expenses as incurred, penalties and interest.

“Code” means the Internal Revenue Code of 1986, as amended from time to time, or, where pertinent, its statutory predecessor, the Internal Revenue Code of 1954, as amended (the “1954 Code”). References to the Code and Sections of the Code include relevant applicable regulations and proposed regulations thereunder and under the 1954 Code, as amended from time to time, and any successor provision to those Sections, regulations or proposed regulations and, in addition, all revenue rulings, announcements, notices, procedures and judicial determinations under the foregoing applicable to the Bonds.

“Continuing Disclosure Certificate” means that certain Continuing Disclosure Certificate relating to the Series 2015 Bonds, executed by the City and dated the Closing Date, as originally executed and as it may be amended from time to time in accordance with the terms thereof.

“Costs of Issuance” means all expenses directly or indirectly incurred in connection with the authorization, execution and delivery of the Site Lease, the Facility Lease and the Indenture (including any supplements or amendments) and the Bonds, including but not limited to all compensation, fees and expenses (including but not limited to fees and expenses for legal counsel) of the Authority or the City, initial fees and expenses of the Trustee (including but not limited to fees and expenses for legal counsel), compensation to any financial consultants or underwriters, verification agent fees, legal fees and expenses, title insurance, appraisal fees, filing and recording costs, rating agency fees, costs of preparation, reproduction and publication of documents, out-of-pocket expenses of the Authority or the City, Authority and City staff costs and costs of printing.

“Costs of Issuance Fund” means the fund by that name established and held by the Trustee pursuant to the Indenture.

“Damaged Improvements” has the meaning contained in the Facility Lease as described herein under the subheading “THE FACILITY LEASE – Damage, Destruction, Title Defect and Condemnation.”

“Debt Service” means, during any period of computation, the amount obtained for such period by totaling the following amounts: (a) the principal amount of all Outstanding Bonds coming due and payable by their terms in such period; and (b) the interest which would be due during such period on the aggregate principal amount of Bonds which would be Outstanding in such period if the Bonds are retired as scheduled, but deducting and excluding from such aggregate amount the amount of Bonds no longer Outstanding.

“Default” means any event of default as described under “THE FACILITY LEASE – Default – *Default*” herein.

“Defeasance Obligations” means (a) Federal Securities and Federal Certificates which are fixed rate and not callable for redemption prior to their maturity by any person other than the owner thereof and (b) other Permitted Investments (i) which either are not callable for redemption prior to their maturities by any person other than the owner thereof or for which an option to redeem prior to maturity has previously been irrevocably exercised (or an irrevocable covenant to exercise such option has previously been made by the person entitled to exercise such option) and the redemption date of such securities has thereby been irrevocably fixed prior to the use of any such securities as Defeasance Obligations, and (ii) which are rated, at the time of their initial deposit with the Trustee as Defeasance Obligations, by S&P and Moody’s in their highest Rating Category.

“Escrow Agreement” means that certain Escrow Agreement, dated as of July 1, 2015, by and between the Authority and the Escrow Agent.

“Event of Default” with respect to the Indenture, means any of the events described under “THE INDENTURE – Events of Default and Remedies – *Events of Default; Notice*” herein and, with respect to the Facility Lease, means any of the events described under “THE FACILITY LEASE – Default – *Default*” herein.

“Expiry Date” means October 14, 2031, except as extended or sooner terminated pursuant to the terms of the Facility Lease, or such other date or dates as set forth in an amendment to the Facility Lease.

“Federal Certificates” means evidences of indebtedness or ownership of proportionate interests in future principal and interest payments of Federal Securities, including depository receipts thereof, wherein (i) a bank or trust company acts as custodian and holds the underlying Federal Securities; (ii) the owner of the

Federal Certificate is a real party in interest with the right to proceed directly and individually against the obligor of the underlying Federal Securities; and (iii) the underlying Federal Securities are held in trust in a special account, segregated from the custodian's general assets, and are not available to satisfy any claim of the custodian or any person claiming through the custodian, or any person to whom the custodian may be obligated.

"Federal Securities" means: direct obligations of the United States of America (including obligations issued or held in book-entry form on the books of the Department of the Treasury) or evidence of ownership in a portion thereof (which may consist of specified portions of interest thereon and obligations of the Resolution Funding Corporation which constitute interest strips) if held by a custodian on behalf of the Trustee; obligations the principal of and interest on which are unconditionally guaranteed by the United States of America; and prerefunded municipal obligations rated, at the time of purchase, by Moody's and S&P in their highest Rating Category; provided that "structured securities" (including flip notes, range notes, inverse floaters and step-ups) will not be considered Federal Securities; provided further that floaters (based on single, interest rate based indices) and callable securities of the above-enumerated agencies may be treated as Federal Securities.

"Financing Documents" means the Facility Lease, the Site Lease, and the Indenture.

"Fiscal Year" means any twelve-month period extending from July 1 in one calendar year to June 30 of the succeeding calendar year, both dates inclusive, or any other twelve-month period selected and designated by the Authority or the City, as applicable, as its official fiscal year period.

"Independent Accountant" means any certified public accountant or firm of such accountants duly licensed and entitled to practice and practicing as such under the laws of the State or a comparable successor, appointed and paid by the City, and who, or each of whom:

- (a) is in fact independent according to the Statement of Auditing Standards No. 1 and not under the domination of the Authority or the City;
- (b) does not have a substantial financial interest, direct or indirect, in the operations of the Authority or the City; and
- (c) is not connected with the Authority or the City as a member, officer or employee of the Authority or the City, but who may be regularly retained to audit the accounting records of and make reports thereon to the Authority or the City.

"Insurance and Condemnation Fund" means the fund by that name established and held by the Trustee pursuant to the Indenture.

"Interest Account" means the account by that name established in the Revenue Fund pursuant to the Indenture.

"Interest Payment Date" means for the Series 2015 Bonds each April 15 and October 15, commencing October 15, 2015, and for any series of Additional Bonds, such dates as shall be specified in the Supplemental Indenture authorizing such Additional Bonds.

"Joint Use and Management Agreement" means that certain Joint Use and Management Agreement, dated as of February 1, 2000, as amended by Amendment No. 1 to the Joint Use and Management Agreement, dated as of May 21, 2012, each by and between the City and the Padres, and as it may from time to time be amended or supplemented in accordance with the terms thereof.

“Lease Year” means the period from each October 15 to and including the following October 14, during the term of the Facility Lease; except that the initial Lease Year means the period from the Closing Date to and including October 14, 2015.

“Leased Property” means the certain real property belonging to the City, together with the portion of the improvements located thereon that are owned by the City, but the Leased Property may be changed from time to time by Removal or Substitution as provided in the Facility Lease.

“Net Proceeds” means, collectively, the net proceeds of any insurance or condemnation award resulting from any damage or destruction of any portion of the Leased Property payable in accordance with the Facility Lease.

“Operating Budget” has the meaning ascribed to it in the Facility Lease.

“Opinion of Counsel” means a written opinion of counsel of recognized national standing in the field of law relating to municipal bonds, appointed and paid by the City.

“Original Purchaser” means the original purchaser(s) of the Series 2015 Bonds upon their delivery by the Trustee on the Closing Date.

“Outstanding,” when used as of any particular time with reference to Bonds, means (subject to the provisions of the Indenture) all Bonds theretofore, or thereupon being, authenticated and delivered by the Trustee under the Indenture except: (a) Bonds theretofore canceled by the Trustee or surrendered to the Trustee for cancellation; (b) Bonds with respect to which all liability of the Authority will have been discharged in accordance with provisions of the Indenture, including Bonds (or portions thereof) described in the Indenture; and (c) Bonds for the transfer or exchange of or in lieu of or in substitution for which other Bonds will have been authenticated and delivered by the Trustee pursuant to the Indenture.

“Owner” means the registered owner of any Outstanding Bond.

“Padres” means the Padres, L.P., a Delaware limited partnership.

“Padres Improvements” means those improvements on the baseball park constructed on certain real property belonging to the City which are identified in the Joint Use and Management Agreement as being owned by the Padres.

“Participating Underwriter” has the meaning ascribed thereto in the Continuing Disclosure Certificate.

“Permitted Encumbrances” means, as of any particular time: (i) liens for general ad valorem taxes and assessments, if any, not then delinquent, or which the City may, pursuant to the Facility Lease, permit to remain unpaid; (ii) the Site Lease, the Facility Lease, the Joint Use and Management Agreement, and the CC&Rs, as each may be amended from time to time; (iii) any right or claim of any mechanic, laborer, materialman, supplier or vendor not filed or perfected in the manner prescribed by law; (iv) easements, rights of way, mineral rights, drilling rights and other rights, reservations, covenants, conditions or restrictions, all of a non-monetary nature, which exist of record as of the Closing Date; and (v) easements, rights of way, mineral rights, drilling rights and other rights, reservations, covenants, conditions or restrictions, all of a non-monetary nature, established following the date of recordation of the Facility Lease and to which the Authority and the City consent in writing.

“Permitted Investments” means any of the following which at the time of investment are legal investments under the laws of the State for the moneys proposed to be invested therein:

- (i) Federal Securities or Federal Certificates;

(ii) The following listed obligations of government-sponsored agencies which are not backed by the full faith and credit of the United States of America:

- (1) Federal Home Loan Mortgage Corporation (FHLMC) senior debt obligations and Participation certificates (excluded are stripped mortgage securities which are purchased at prices exceeding their principal amounts);
- (2) Farm Credit System (formerly Federal Land Banks, Federal Intermediate Credit Banks and Banks for Cooperatives) consolidated system-wide bonds and notes;
- (3) Federal Home Loan Banks (FHL Banks) consolidated debt obligations;
- (4) Federal National Mortgage Association (FNMA) senior debt obligations and mortgage-backed securities (excluded are stripped mortgage securities which are purchased at prices exceeding their principal amounts);

(iii) Obligations of any state, territory or commonwealth of the United States of America or any political subdivision thereof or any agency or department of the foregoing, that are rated, at the time of purchase, in the highest Rating Category by two Rating Agencies;

(iv) United States dollar denominated senior unsecured unsubordinated obligations issued or unconditionally guaranteed by the International Bank for Reconstruction and Development, International Finance Corporation, or Inter-American Development Bank. Investments under this subdivision shall be rated "AA" or better by a Rating Agency;

(v) Bonds, notes, debentures or other evidences of indebtedness issued or guaranteed by any corporation which are rated, at the time of purchase, by "A1/P1/F1" by two Rating Agencies or, if the term of such indebtedness is longer than one year, rated in the highest Rating Category by two Rating Agencies;

(vi) Taxable commercial paper or tax-exempt commercial paper with a maturity of not more than 270 days, which are rated, at the time of purchase, "A1/P1/F1" by two Rating Agencies;

(vii) Deposit accounts or certificates of deposit, whether negotiable or non-negotiable, issued by a state or national bank (including the Trustee) or a state or federal savings and loan association or a state-licensed branch of a foreign bank; provided, however, that such certificates of deposit or deposit accounts shall be either (a) continuously insured by the Federal Deposit Insurance Corporation; or (b) have maturities of not more than 365 days (including certificates of deposit) and are issued by any state or national bank or a state or federal savings and loan association, the short-term obligations of which are rated, at the time of purchase, in the highest short term rating by two Rating Agencies;

(viii) Bills of exchange or time drafts drawn on and accepted by a commercial bank, otherwise known as bankers acceptances, which bank has short-term obligations outstanding which are rated, at the time of purchase, by two Rating Agencies in the highest short-term Rating Category, and which bankers acceptances mature not later than 365 days from the date of purchase;

(ix) Any repurchase agreement: (a) with (i) any bank or trust company organized under the laws of any state of the United States or any national banking association (including the Trustee), or a state-licensed branch of a foreign bank, having a minimum permanent capital of one hundred million dollars (\$100,000,000) and having short-term debt which is rated, at the time of the purchase, by two Rating Agencies in one of the three highest short-term Rating Categories; or (ii) any government bond dealer reporting to, trading with, and recognized as a primary dealer by, the Federal Reserve Bank of New York; and (b) which agreement is secured by any one or more of the securities and obligations described in clause (i) or (ii) of this

definition and having maturities equal to or less than 5 years from the date of delivery, which shall have a market value (valued at least monthly) not less than 102% of the principal amount of such investment and shall be placed with the Trustee or other fiduciary, as custodian for the Trustee, by the bank, trust company, national banking association or bond dealer executing such repurchase agreement. The entity executing each such repurchase agreement required to be so secured shall furnish the Trustee with an undertaking satisfactory to the Trustee that the aggregate market value of all such obligations securing each such repurchase agreement (as valued at least monthly) will be an amount equal to 102% the principal amount of such repurchase agreement, and the Trustee shall be entitled to rely on each such undertaking;

(x) Any cash sweep or similar account arrangement of or available to the Trustee, the investments of which are limited to investments described in clauses (i), (ii), (iii) and (ix) of this definition and any money market fund, the entire investments of which are limited to investments described in clauses (i), (ii) (iii) and (ix) of this definition and which money market fund is rated, at the time of purchase, by at least one Rating Agency in the highest Rating Category;

(xi) Any guaranteed investment contract, including forward delivery agreements (“FDAs”) and forward purchase agreements (“FPAs”), with a financial institution or insurance company which has (or which is unconditionally guaranteed by a legal entity which has), at the date of execution thereof, an outstanding issue of unsecured, uninsured and unguaranteed debt obligations or a claims-paying ability which is rated, at the time of purchase, by two Rating Agencies in one of two highest long-term Rating Categories. Only Permitted Investments described in clause (i) and (ii) above and having maturities equal to or less than 30 years from their date of delivery will be considered eligible for any collateralization/delivery purposes for guaranteed investment contracts, FDAs or FPAs;

(xii) Certificates, notes, warrants, bonds or other evidence of indebtedness of the State or of any political subdivision or public agency thereof which are rated, at the time of purchase, by two Rating Agencies in the highest short-term Rating Category or within one of the three highest long-term Rating Categories, but excluding securities that do not have a fixed par value and/or whose terms do not promise a fixed dollar amount at maturity or call date;

(xiii) For amounts less than \$250,000, interest-bearing demand or time deposits (including certificates of deposit) in a nationally or state-chartered bank, or a state or federal savings and loan association in the State, fully insured by the Federal Deposit Insurance Corporation, including the Trustee or any affiliate thereof;

(xiv) Investments in Constant Net Asset Value taxable money market funds or portfolios restricted to obligations with an average maturity of one year or less and which funds or portfolios are: (a) rated, at the time of purchase, by two Rating Agencies in one of the two highest Rating Categories; or (b) have or are portfolios guaranteed as to payment of principal and interest by the full faith and credit of the United States of America;

(xv) Investments in the City’s pooled investment fund;

(xvi) Shares of beneficial interest in diversified management companies investing exclusively in securities and obligations described in clauses (i) through (xiii) of this definition and which companies are: (a) rated, at the time of purchase, by two Rating Agencies in the highest Rating Category; or (b) have an investment advisor registered with the Securities and Exchange Commission with not less than five years’ experience investing in such securities and obligations and with assets under management in excess of five hundred million dollars (\$500,000,000);

(xvii) Shares in a California common law trust established pursuant to Title 1, Division 7, Chapter 5 of the Government Code of the State which consists exclusively of investments permitted by Section 53601 of Title 5, Division 2, Chapter 4 of the Government Code of the State, as it may be amended; and

(xviii) Any other investment, with confirmation (or other action, satisfactory to the City) from each rating agency that has a current rating on the Bonds at the time of initial purchase thereof, that its rating on the Bonds will not be lowered or withdrawn as a result of such investment.

“Principal Account” means the account by that name established in the Revenue Fund pursuant to the Indenture.

“Record Date” means, with respect to any Interest Payment Date, the last calendar day of the month preceding such Interest Payment Date, whether or not such day is a Business Day.

“Redemption Fund” means the fund by that name established pursuant to the Indenture.

“Registration Books” means the records maintained by the Trustee pursuant to the Indenture for the registration and transfer of ownership of the Bonds.

“Revenue Fund” means the fund by that name established and held by the Trustee pursuant to the Indenture and all accounts and funds therein.

“Securities Depositories” means The Depository Trust Company, 55 Water Street, 50th Floor, New York, NY 10041-0099, Attention: Call Notification Department, Fax (212) 855-7232; and, in accordance with then current guidelines of the Securities and Exchange Commission, such other addresses and/or such other securities depositories as the City may designate in a Written Certificate of the City delivered to the Trustee.

“Series,” or “series” whenever used in the Indenture with respect to Bonds, means all of the Bonds designated as being of the same series, authenticated and delivered in a simultaneous transaction, regardless of variations in maturity, interest rate, redemption and other provisions, and any Bonds thereafter authenticated and delivered upon transfer or exchange or in lieu of or in substitution for (but not to refund) such Bonds as provided in the Indenture.

“Series 2007A Indenture” means the Indenture, dated as of March 1, 2007, between the Authority and the Series 2007A Trustee, pursuant to which the Series 2007A Bonds were issued.

“Series 2007A Trustee” means Wells Fargo Bank, National Association, and any successor trustee appointed pursuant to the Series 2007A Indenture.

“Supplemental Indenture” means any supplemental indenture duly authorized and entered into between the Authority and the Trustee, supplementing, modifying or amending the Indenture; but only if and to the extent that such Supplemental Indenture is specifically authorized pursuant to the Indenture.

“Written Certificate,” “Certificate,” “Written Request,” “Request” and “Written Requisition” of the Authority or the City mean, a written certificate, request or requisition signed in the name of the Authority or the City by its Authorized Representative. Any such instrument and supporting opinions or representations, if any, may, but need not, be combined in a single instrument with any other instrument, opinion or representation, and the two or more so combined shall be read and construed as a single instrument.

THE INDENTURE

Certain of the provisions of the Indenture are summarized below; this summary does not purport to be complete or definitive and is qualified in its entirety by reference to the full terms of the Indenture.

Authorization and Purpose of Bonds; Equal Security

Authorization and Purpose of Series 2015 Bonds.

The Authority has reviewed all proceedings taken relative to the authorization of the Series 2015 Bonds and has found, as a result of such review, and finds and determines that all things, conditions, and acts required by law to exist, happen and/or be performed precedent to and in the issuance of the Series 2015 Bonds do exist, have happened and have been performed in due time, form and manner as required by law, and the Authority is now authorized under each and every requirement of law, to issue the Series 2015 Bonds in the manner and form provided in this Indenture. Accordingly, the Authority authorizes the issuance of the Series 2015 Bonds pursuant to the Indenture for the purposes described in the Indenture.

Equal Security.

In consideration of the acceptance of the Bonds by the Owners thereof, the Indenture will be deemed to be and will constitute a contract between the Authority and the Owners from time to time of the Bonds; and the covenants and agreements set forth in the Indenture to be performed on behalf of the Authority will be for the equal and proportionate benefit, security and protection of all Owners of the Bonds without preference, priority or distinction as to security or otherwise of any of the Bonds over any of the others by reason of the number or date thereof or the time of sale, execution or delivery thereof, or otherwise for any cause whatsoever, except as expressly provided therein or in the Indenture.

Issuance of Bonds

Transfer and Exchange of Bonds.

Any Bond may, in accordance with its terms, be transferred on the Registration Books by the person in whose name it is registered, in person or by his duly authorized attorney, upon surrender of such Bond for cancellation, accompanied by delivery of a written instrument of transfer, duly executed in a form acceptable to the Trustee. Transfer of any Bond shall not be permitted by the Trustee during the period established by the Trustee for selection of Bonds for redemption or if such Bond has been selected for redemption pursuant to the Indenture. Whenever any Bond or Bonds will be surrendered for transfer, the Authority will execute and the Trustee will authenticate and will deliver a new Bond or Bonds for a like aggregate principal amount and of like maturity. The Trustee may require the Bond Owner requesting such transfer to pay any tax or other governmental charge required to be paid with respect to such transfer. The cost of printing Bonds and any services rendered or expenses incurred by the Trustee in connection with any transfer shall be paid by the Authority. Any Bond may be exchanged at the Office of the Trustee for a like aggregate principal amount of Bonds of other authorized denominations and of like maturity. Exchange of any Bond will not be permitted during the period established by the Trustee for selection of Bonds for redemption or if such Bond has been selected for redemption pursuant to the Indenture. The Trustee may require the Bond Owner requesting such exchange to pay any tax or other governmental charge required to be paid with respect to such exchange. The cost of printing Bonds and any services rendered or expenses incurred by the Trustee in connection with any transfer shall be paid by the Authority.

Conditions for the Issuance of Additional Bonds.

The Authority may at any time issue Additional Bonds pursuant to a Supplemental Indenture, payable from the Revenues as provided in the Indenture and secured by a pledge of and charge and lien upon the

Revenues as provided in the Indenture equal to the pledge, charge and lien securing the Outstanding Bonds theretofore issued under the Indenture, and subject to the following specific conditions, which are made conditions precedent to the issuance of any such Additional Bonds:

(a) No Event of Default shall be continuing after giving effect to the issuance of the Additional Bonds and the application of the proceeds thereof.

(b) The Supplemental Indenture will require that the proceeds of the sale of such Additional Bonds will be applied to the financing, acquiring, constructing, maintaining, operating, improving and leasing the Ballpark (including payment of interest during the estimated period of any construction and for a period of not to exceed twelve (12) months thereafter), or for the refunding or repayment of any Bonds then Outstanding issued to finance or refinance the Ballpark, including the payment of costs and expenses of and incident to the authorization and sale of such Additional Bonds.

(c) The aggregate principal amount of Bonds issued and at any time Outstanding under the Indenture will not exceed any limit imposed by law, by the Indenture or by any Supplemental Indenture.

(d) The Facility Lease will have been amended, if necessary, so that the Base Rental Payments payable by the City thereunder in each Fiscal Year will at least equal projected Debt Service, including Debt Service on the Additional Bonds, in each Fiscal Year.

(e) If the additional facilities, if any, to be leased are not situated on Leased Property described in the Facility Lease and the Site Lease, then the Facility Lease and Site Lease will have been amended to add such additional Leased Property.

Nothing contained in the Indenture will prevent payment of Debt Service on any Series of Additional Bonds from being secured and payable from sources, or by property, instruments or documents, not applicable to the Bonds or any one or more Series of Additional Bonds.

Proceedings for Authorization of Additional Bonds.

Whenever the Authority and the City will determine to execute and deliver any Additional Bonds pursuant to the Indenture, the Authority and the Trustee will enter into a Supplemental Indenture providing for the issuance of such Additional Bonds, specifying the maximum principal amount of such Additional Bonds and prescribing the terms and conditions of such Additional Bonds.

The Supplemental Indenture will prescribe the form or forms of such Additional Bonds and, subject to the provisions of the Indenture, will provide for the distinctive designation, denominations, method of numbering, dates, interest rates, provisions for redemption (if desired) and places of payment of principal and interest.

Before such Additional Bonds will be issued, the City and the Authority will file or cause to be filed the following documents with the Trustee:

(a) An Opinion of Bond Counsel setting forth (1) that such Bond Counsel has examined the Supplemental Indenture and the amendment to the Facility Lease and to the Site Lease required by the Indenture, as described under the subheading “*Conditions for the Issuance of Additional Bonds*” herein; (2) that the execution and delivery of the Additional Bonds have been duly authorized by the City and the Authority; (3) that said amendment to the Facility Lease and to the Site Lease, when duly executed by the City and the Authority, will be a valid and binding obligation of the City and the Authority; and (4) that the issuance of such Additional Bonds will not, in and of itself, adversely affect the exclusion from gross income for federal income tax purposes of interest on the Bonds then Outstanding.

(b) A Certificate of the City that the requirements of the Indenture described herein under the subheading “*Conditions for the Issuance of Additional Bonds*” have been met.

(c) A Certificate of the City stating that the insurance required by the Facility Lease as described under “THE FACILITY LEASE – Insurance and Other Charges – *Insurance*” herein and “SECURITY AND SOURCES OF PAYMENT FOR THE SERIES 2015 BONDS – Fire and Extended Coverage Insurance,” “– Use and Occupancy Insurance” and “– Title Insurance” in the front part of this Official Statement is in effect.

Upon the delivery to the Trustee of the foregoing instruments and upon the Trustee’s receipt of Certificates of the City and of the Authority stating that all applicable provisions of the Indenture have been complied with (so as to permit the execution and delivery of the Additional Bonds in accordance with the Supplemental Indenture then delivered to the Trustee), the Trustee will execute and deliver said Additional Bonds, in the aggregate principal amount specified in such Supplemental Indenture, to, or upon the Written Request of the Authority.

Limitations on the Issuance of Obligations Payable from Revenues.

The Authority will not, so long as any of the Bonds are Outstanding, issue any obligations or securities, however denominated, payable in whole or in part from Revenues except the following:

- (a) Bonds of any Series authorized pursuant to the Indenture;
- (b) Obligations which are junior and subordinate to the payment of the Debt Service for the Bonds and any other amounts payable under the Indenture and related to the Bonds; which subordinated obligations are payable as to principal, premium, interest, reserve fund requirements, if any, and other amounts payable under the Indenture, only out of Revenues after the prior payment of all amounts then required to be paid under the Indenture from Revenues for payment of Debt Service and any other amounts payable under the Indenture and related to the Bonds, as the same become due and payable and at the times and in the manner as required in the Indenture.

Application of Proceeds

Establishment and Application of Costs of Issuance Fund.

The Trustee will establish, maintain and keep separate and apart from all other funds held by the Trustee a separate fund designated as the “Costs of Issuance Fund.” Notwithstanding any other provision of the Indenture, the Cost of Issuance Fund is not pledged to, nor does it secure, the Bonds.

The moneys in the Costs of Issuance Fund will be used by the Trustee to pay the Costs of Issuance upon submission of Written Requisitions of the City in the form of Exhibit B to the Indenture and stating the person to whom payment is to be made, the amount to be paid, the purpose for which the obligation was incurred and that such payment is a proper charge against said fund. Each such Written Requisition will be sufficient evidence to the Trustee of the facts stated therein and the Trustee will have no duty to confirm the accuracy of such facts.

Within 180 days following the Closing Date, or upon the earlier Written Request of the City, all amounts remaining in the Costs of Issuance Fund will be transferred by the Trustee to the Revenue Fund to be used for the payment of interest on the Bonds.

Validity of Bonds.

The validity of the authorization and issuance of the Bonds is not dependent on and will not be affected in any way by any proceedings taken by the Authority or the Trustee with respect to or in connection

with the Facility Lease. The recital contained in the Bonds that the same are issued pursuant to the Constitution and laws of the State will be conclusive evidence of their validity and of compliance with the provisions of law in their issuance.

Revenues; Funds and Accounts; Payment of Principal and Interest

Pledge and Assignment; Revenue Fund.

(a) Subject only to the provisions of the Indenture permitting the application thereof for the purposes and on the terms and conditions set forth in the Indenture, all of the Revenues including any other amounts (including proceeds of the sale of the Bonds) held in the Revenue Fund are hereby pledged to secure the payment of the principal of, premium, if any, and interest on the Bonds in accordance with their terms and the provisions of the Indenture, and the Revenues will not be used for any other purpose while any of the Bonds remain Outstanding; provided, however, that out of the Revenues and other moneys there may be applied in such sums and for such purposes as are permitted under the Indenture. This pledge shall constitute a pledge of and charge and lien upon the Revenues for the payment of Debt Service on the Bonds in accordance with the terms of the Indenture. Said pledge will constitute a first lien on and security interest in such assets and will attach, be perfected and be valid and binding from and after the Closing Date, without any physical delivery thereof or further act.

(b) The Authority transfers in trust, grants a security interest in and assigns to the Trustee, for the benefit of the Owners from time to time of the Bonds: (i) all of the Revenues and (ii) all of the rights of the Authority in the Facility Lease (except for certain rights to indemnification set forth in the Facility Lease), and in the Site Lease (except for certain rights to indemnification set forth in the Site Lease). The Trustee will be entitled to and will collect and receive all of the Revenues, and any Revenues collected or received by the Authority will be deemed to be held, and to have been collected or received, by the Authority as the agent of the Trustee and will forthwith be paid by the Authority to the Trustee. The Trustee also will be entitled to and will, subject to the provisions of the Indenture, take all steps, actions and proceedings which the Trustee determines to be reasonably necessary in its judgment to enforce, either jointly with the Authority or separately, all of the rights of the Authority and all of the obligations of the City under the Facility Lease.

The assignment of the Facility Lease and the Site Lease to the Trustee is solely in its capacity as Trustee under the Indenture and the duties, powers and liabilities of the Trustee in acting under the Indenture will be subject to the provisions of the Indenture, including, without limitation, the provisions of the Indenture. The Trustee will not be responsible for any representations, warranties, covenants or obligations of the Authority.

(c) The Trustee agrees to provide written notice to the City at least five Business Days prior to each Interest Payment Date of the amount, if any, on deposit in the Revenue Fund which will serve as a credit against, and will relieve the City of making, the Base Rental Payments due from the City on such Interest Payment Date.

(d) Subject to the provisions of the Indenture described in SECURITY AND SOURCES OF PAYMENT FOR THE SERIES 2015 BONDS – Investment of Funds under the Indenture,” in the front part of this Official Statement, all Revenues will be promptly deposited by the Trustee upon receipt thereof in a fund designated as the “Revenue Fund” which the Trustee will establish, maintain and hold in trust; except that all moneys received by the Trustee and required under the Indenture or under the Facility Lease to be deposited in the Redemption Fund or the Insurance and Condemnation Fund will be promptly deposited in such Funds. Within the Revenue Fund there shall be established an Interest Account and a Principal Account. All Revenues deposited with the Trustee will be held, disbursed, allocated and applied by the Trustee only as provided in the Indenture.

Establishment and Maintenance of Accounts for Use of Money in the Revenue Fund.

Revenue Fund. All money in the Revenue Fund will be set aside by the Trustee in the following respective accounts and funds within the Revenue Fund (each of which is created and each of which the Trustee covenants and agrees to cause to be maintained) in the following order of priority:

- (i) Interest Account; and
- (ii) Principal Account.

All money in each of such accounts and funds will be held in trust by the Trustee and will be applied, used and withdrawn only for the purposes under the Indenture.

Interest Account. On or before each Interest Payment Date, and on or before each redemption date, the Trustee shall set aside from the Revenue Fund and deposit in the Interest Account that amount of money which is equal to the amount of interest coming due and payable on all Outstanding Bonds on such date.

No deposit need be made in the Interest Account if the amount contained therein is at least equal to the aggregate amount of interest coming due and payable on all Outstanding Bonds on such Interest Payment Date.

All money in the Interest Account shall be used and withdrawn by the Trustee solely for the purpose of paying the interest on the Bonds as it will become due and payable (including accrued interest on any Bonds purchased or redeemed prior to maturity).

Principal Account. On or before each October 15, commencing October 15, 2015, the Trustee will set aside from the Revenue Fund and deposit in the Principal Account an amount of money equal to the principal amount of all Outstanding Bonds maturing on such October 15. On or before each redemption date, the Trustee will transfer from the Revenue Fund and deposit in the Principal Account the principal amount of the Bonds to be redeemed, and premium, if any. No deposit need be made in the Principal Account if the amount contained therein is at least equal to the aggregate amount of the principal of all Outstanding Bonds maturing by their terms on such October 15. All money in the Principal Account will be used and withdrawn by the Trustee solely for the purpose of paying the principal of the Bonds as they will become due and payable, whether at maturity or redemption, and premium, if any.

Redemption Fund.

The Trustee will establish and maintain the Redemption Fund, amounts in which shall be used and withdrawn by the Trustee solely for the purpose of paying the principal of the Bonds to be redeemed pursuant to the provisions of the Indenture as described under “THE SERIES 2015 BONDS – Redemption Provisions” in the front part of this Official Statement; provided, however, that at any time prior to the selection of Bonds for redemption, the Trustee may apply such amounts to the purchase of Bonds at public or private sale, in accordance with the terms of the Indenture as described under “THE SERIES 2015 BONDS – Redemption Provisions – *Purchase in Lieu of Optional Redemption*” in the front part of this Official Statement.

Insurance and Condemnation Fund; Title Insurance.

Establishment of Fund. Upon the receipt of any proceeds of insurance or eminent domain with respect to any portion of the Leased Property, the Trustee will establish and maintain an Insurance and Condemnation Fund, to be held and applied as under the Indenture as described below.

Application of Insurance Proceeds. Any Net Proceeds of insurance against accident to or destruction of the Leased Property collected by the City in the event of any such accident or destruction will be paid to the

Trustee by the City pursuant to the Facility Lease and deposited by the Trustee promptly upon receipt thereof in the Insurance and Condemnation Fund. If the City fails to determine and notify the Trustee in writing of its determination, within forty-five (45) days following the date of such deposit, to replace, repair, restore, modify or improve the Leased Property, then such Net Proceeds will be promptly transferred by the Trustee to the Redemption Fund and applied to the redemption of Bonds pursuant to provisions of the Indenture described under “THE SERIES 2015 BONDS – Redemption Provisions – *Special Mandatory Redemption*” in the front part of this Official Statement to the extent that such Net Proceeds permit. All proceeds deposited in the Insurance and Condemnation Fund and not so transferred to the Redemption Fund will be applied to the prompt replacement, repair, restoration, modification or improvement of the damaged or destroyed portions of the Leased Property by the City, upon receipt of Written Requisitions of the City, as agent for the Authority, which: (i) states with respect to each payment to be made (A) the requisition number, (B) the name and address of the person to whom payment is due, (C) the amount to be paid and (D) that each obligation mentioned therein has been properly incurred, is a proper charge against the Insurance and Condemnation Fund, has not been the basis of any previous withdrawal; and (ii) specifies in reasonable detail the nature of the obligation. Each such Written Requisition will be sufficient evidence to the Trustee of the facts stated therein and the Trustee shall have no duty to confirm the accuracy of such facts. Any balance of the proceeds remaining after such work has been completed as certified by the City to the Trustee will after payment of amounts due the Trustee be paid to the City.

Application of Eminent Domain Proceeds. If all or any part of the Leased Property will be taken by eminent domain proceedings (or sold to a government threatening to exercise the power of eminent domain) the Net Proceeds therefrom will be deposited with the Trustee in the Insurance and Condemnation Fund pursuant to the Facility Lease and will be applied and disbursed by the Trustee as follows:

(i) If the City has not given written notice to the Trustee, within forty-five (45) days following the date on which such Net Proceeds are deposited with the Trustee, of its determination that such Net Proceeds are needed for the replacement of the Leased Property or such portion thereof, the Trustee will transfer such Net Proceeds to the Redemption Fund to be applied towards the redemption of the Bonds pursuant to the provisions of the Indenture described under “THE SERIES 2012 BONDS – Redemption Provisions – *Special Mandatory Redemption*” in the front part of this Official Statement.

(ii) If the City has given written notice to the Trustee, within forty-five (45) days following the date on which such Net Proceeds are deposited with the Trustee, of its determination that such Net Proceeds are needed for replacement of the Leased Property or such portion thereof, the Trustee shall pay to the City, or to its order, from said proceeds such amounts as the City may expend for such repair or rehabilitation, upon the filing of Written Requisitions of the City as agent for the Authority in the form and containing the provisions set forth in the Indenture as described above under “– *Application of Insurance Proceeds.*” Each such Written Requisition will be sufficient evidence to the Trustee of the facts stated therein and the Trustee will have no duty to confirm the accuracy of such facts.

Title Insurance. Proceeds of any policy of title insurance received by the Trustee in respect of the Leased Property or any portion thereof for the benefit of the Owners, will be applied and disbursed by the Trustee as follows:

(i) If the City determines that the title defect giving rise to such proceeds has not materially affected the City’s right to the use and possession of the Leased Property and will not result in an abatement of Base Rental Payments by the City under the Facility Lease, upon Written Request of the City such proceeds will, if there is first delivered to the Trustee a Written Certificate of a City Representative to the effect that the annual fair rental value of the Leased Property, notwithstanding the title defect for which the payment was made, is at least equal to the maximum amount of Base Rental Payments becoming due under the Facility Lease in the then current Lease Year or any

subsequent Lease Year, be paid to the City to be used for any lawful purpose. If the City cannot deliver the certificate described in the preceding sentence, then such amounts will be transferred to the Redemption Fund and used to redeem Bonds pursuant to terms of the Indenture as described under “THE SERIES 2015 BONDS – Redemption Provisions – *Special Mandatory Redemption*” in the front part of this Official Statement, unless the City otherwise directs in writing that such amounts are to be transferred to the Rebate Fund.

(ii) If any portion of the Leased Property has been affected by such title defect and if the City certifies in writing that such title defect will result in an abatement of Base Rental Payments by the City under the Facility Lease, then upon Written Request of the City: either (A) such insurance proceeds will be used by the City to remove the title defect, or (B) the Trustee will, if not notified in writing by a City Representative within 90 days of the receipt by the Trustee of the insurance proceeds that the City will use the proceeds to remove the title defect, deposit such proceeds in the Redemption Fund and such proceeds will be applied to redeem Bonds in the manner provided in the Indenture as described under “THE SERIES 2015 BONDS – Redemption Provisions – *Special Mandatory Redemption*” in the front part of this Official Statement.

(iii) Any excess proceeds with respect to title insurance remaining after application pursuant to the terms of this Indenture will be paid to the City to be used for any lawful purpose.

Particular Covenants

Punctual Payment.

The Authority will punctually pay or cause to be paid the principal of and interest on all the Bonds in strict conformity with the terms of the Bonds and of the Indenture, according to the true intent and meaning thereof, but only out of Revenues and other assets pledged for such payment as provided in the Indenture.

Against Encumbrances.

The Authority will not create, or permit the creation of, any pledge, lien, charge or other encumbrance upon the Revenues and other assets pledged or assigned under the Indenture while any of the Bonds are Outstanding, except the pledge and assignment created by the Indenture. Subject to this limitation, the Authority expressly reserves the right to enter into one or more other indentures for any of its corporate purposes, and reserves the right to issue other obligations for such purposes. Nothing in this section shall in any way limit the City’s ability (i) to encumber its assets other than Leased Property or (ii) to encumber the Leased Property in accordance with the terms of the Facility Lease.

Power to Issue Bonds and Make Pledge and Assignment.

The Authority is duly authorized pursuant to law to issue the Bonds and to enter into the Indenture and to pledge and assign the Revenues and other assets purported to be pledged and assigned, respectively, under the Indenture in the manner and to the extent provided in the Indenture. The Bonds and the provisions of the Indenture are and will be the legal, valid and binding special obligations of the Authority in accordance with their terms, and the Authority and the Trustee will at all times, subject to the provisions of the Indenture and to the extent permitted by law, defend, preserve and protect said pledge and assignment of Revenues and other assets and all the rights of the Bond Owners under the Indenture against all claims and demands of all persons whomsoever.

Accounting Records.

The Trustee will at all times keep, or cause to be kept, proper books of record and account, prepared in accordance with corporate trust industry standards, in which complete and accurate entries will be made of all

transactions made by it relating to the proceeds of Bonds, the Revenues, the Facility Lease and all funds and accounts established pursuant to the Indenture. Such books of record and account will be available for inspection by the Authority and the City, during business hours and under reasonable circumstances.

Compliance with Indenture.

The Trustee will not execute or deliver any Bonds in any manner other than in accordance with the provisions of the Indenture, and the Authority will not suffer or permit any default by it to occur under the Indenture, but will faithfully comply with, keep, observe and perform all the agreements, conditions, covenants and terms of the Indenture required to be complied with, kept, observed and performed by it.

Tax Covenants for Series 2015 Bonds.

The Authority covenants to and for the benefit of the Owners of the Series 2015 Bonds that, notwithstanding any other provisions of the Indenture (other than as described under the subheading “Miscellaneous – *Liability of Authority Limited to Revenues*” herein), it will:

(a) neither make or use nor cause to be made or used any investment or other use of the proceeds of the Series 2015 Bonds or the moneys and investments held in the funds and accounts established under the Indenture which would cause the Series 2015 Bonds to be arbitrage bonds under section 103(b) and section 148 of the Code or which would otherwise cause the interest payable on the Series 2015 Bonds to be includable in gross income for federal income tax purposes;

(b) not take or cause to be taken any other action or actions, or fail to take any action or actions, which would cause the interest payable on the Series 2015 Bonds to be includable in gross income for federal income tax purposes;

(c) at all times do and perform all acts and things permitted by law and necessary or desirable in order to assure that interest paid by the Authority on the Series 2015 Bonds will be excluded from the gross income, for federal income tax purposes, of the Owners pursuant to section 103 of the Code; and

(d) not take any action or permit or suffer any action to be taken if the result of the same would be to cause the Series 2015 Bonds to be “federally guaranteed” within the meaning of section 149(b) of the Code.

In furtherance of the provisions of the Indenture, the Authority will execute, deliver and comply with the provisions of the Tax Certificate for Series 2015 Bonds, which is by this reference incorporated into the Indenture and made a part of the Indenture as if set forth in the Indenture in full including all of the defined terms therein, and by its acceptance of the Indenture the Trustee acknowledges receipt of such Tax Certificate and acknowledges its incorporation in the Indenture by this reference. The Trustee agrees it will invest funds held under the Indenture in accordance with the terms of the Indenture (this covenant will extend throughout the term of the Series 2015 Bonds, to all funds and accounts created under the Indenture and all moneys on deposit to the credit of any fund or account).

Rebate Fund for the Series 2015 Bonds.

(a) The Trustee will establish and maintain, when required, a fund separate from any other fund established and maintained under the Indenture designated as the Rebate Fund for the Series 2015 Bonds, which is not pledged to the Bonds. Neither the Authority nor the Owner of any Bonds will have any rights in or claim to such money. Within the Rebate Fund, the Trustee will maintain such accounts as will be necessary to comply with instructions of the City given pursuant to the terms and conditions of the Tax Certificate. Subject to the transfer provisions provided in paragraph (e) below, all money at any time deposited in the Rebate Fund will be held by the Trustee in trust, to the extent required to satisfy the Rebate Requirement (as

defined in the Tax Certificate) for the Series 2015 Bonds, for payment to the federal government of the United States of America.

All amounts deposited into or on deposit in the Rebate Fund shall be governed by the Indenture and by the Tax Certificate (which is incorporated in the Indenture by reference). The Trustee shall be deemed conclusively to have complied with such provisions if it follows the Written Request of the City including supplying all necessary information in the manner provided in the Tax Certificate, and will have no liability or responsibility to enforce compliance by the Authority or City with the terms of the Tax Certificate or any other tax covenants contained in the Indenture. The Trustee will not be responsible for calculating rebate amounts or for the adequacy or correctness of any rebate report or rebate calculations. The Trustee will have no independent duty to review such calculations or enforce the compliance by the City with such rebate requirements. The Trustee will have no duty or obligation to determine the applicability of the Code and will only be obligated to act in accordance with Written Request provided by the City.

(b) Upon the City's Written Request, an amount will be deposited to the Rebate Fund by the Trustee from deposits by the City, if and to the extent required, so that the balance in the Rebate Fund will equal the Rebate Requirement for the Series 2015 Bonds. Computations of the Rebate Requirement will be furnished by or on behalf of the City in accordance with the Tax Certificate. The Trustee will supply to the City all necessary information in the manner provided in the Tax Certificate, to the extent such information is reasonably available to the Trustee.

(c) The Trustee shall have no obligation to rebate any amounts required to be rebated, other than from moneys held in the funds and accounts created under this Indenture or from other moneys provided to it by the City.

(d) At the Written Request of the City, the Trustee shall invest all amounts held in the Rebate Fund in Permitted Investments. Moneys shall not be transferred from the Rebate Fund except as provided in paragraph (e) below. The Trustee shall not be liable for any consequences arising from such investment.

(e) Upon receipt of the City's Written Request, the Trustee will remit part or all of the balances in the Rebate Fund to the United States, as so directed. In addition, if the City so directs, the Trustee will deposit money into or transfer money out of the Rebate Fund from or into such accounts or funds as directed by the City's Written Request; provided, however, only moneys in excess of the Rebate Requirement may, at the written direction of the City, be transferred out of the Rebate Fund to such other accounts or funds or to anyone other than the United States in satisfaction of the arbitrage rebate obligation. Any funds remaining in the Rebate Fund after each five year remission to the United States, redemption and payment of all of the Bonds and payment and satisfaction of any Rebate Requirement, or provision made therefor satisfactory to the Trustee, shall be withdrawn and remitted to the City.

(f) Notwithstanding any other provision of the Indenture, including in particular the provisions relating to the defeasance of Bonds, the obligation to remit the Rebate Requirement to the United States and to comply with all other requirements of provisions of the Indenture relating to tax covenants and to the Rebate Fund for the Series 2015 Bonds and the Tax Certificate will survive the defeasance or payment in full of the Series 2015 Bonds.

Against Sale or Disposition of the Leased Property.

Except as provided in the Facility Lease, the Authority will not sell or otherwise dispose of the Leased Property, enter into any agreement which impairs the use of the Leased Property or any part thereof necessary to secure adequate Revenues for the payment of the interest on and principal of and redemption premiums, if any, with respect to the Bonds, or which would otherwise impair the rights of the Owners with respect to the Revenues.

Payment of Claims.

The Authority will pay and discharge or cause to be paid and discharged any and all lawful claims for labor, materials or supplies which, if unpaid, might become a legal charge or lien upon the Leased Property or the Revenues or any part thereof or upon any funds under the control of the Authority or the Trustee superior to or on a parity with the charge and lien upon the Revenues securing the Bonds, or which might impair the security of the Bonds.

Collection of Amounts Due Under Lease; Amendments.

The Trustee will promptly collect all amounts due from the City pursuant to the Facility Lease. Subject to the provisions of the Indenture, the Trustee will enforce, and take all steps, actions and proceedings which the Trustee determines to be reasonably necessary for the enforcement of all of its rights under the Indenture as assignee of the Authority, for the enforcement of all of the obligations of the City under the Facility Lease.

The Authority will not amend, modify or terminate any of the terms of the Facility Lease or the Site Lease, or consent to any such amendment, modification or termination, without the prior written consent of the Trustee. The Trustee will give such written consent only if it determines the requirements of the Facility Lease have been complied with.

Waiver of Laws.

The Authority shall not at any time insist upon or plead in any manner whatsoever, or claim or take the benefit or advantage of, any stay or extension of law now or at any time hereafter in force that may affect the covenants and agreements contained in the Indenture or in the Bonds, and all benefit or advantage of any such law or laws is hereby expressly waived by the Authority to the extent permitted by law.

Further Assurances.

The Authority will make, execute and deliver any and all such further indentures, instruments and assurances as may be reasonably necessary or proper to carry out the intention or to facilitate the performance of the Indenture and for the better assuring and confirming unto the Owners of the Bonds of the rights and benefits provided in the Indenture.

Events of Default and Remedies

Events of Default; Notice.

The following events will be Events of Default under the Indenture:

(a) Default in the due and punctual payment of the principal, redemption premium, if any or sinking fund installments of any Bonds when and as the same will become due and payable, whether at maturity as expressed in the Indenture, by proceedings for redemption (other than with respect to conditional redemption as permitted by the Indenture) or otherwise.

(b) Default in the due and punctual payment of any installment of interest on any Bonds when and as the same shall become due and payable.

(c) Default by the Authority in the observance of any of the other covenants, agreements or conditions on its part in the Indenture or in the Bonds contained, if such default will have continued for a period of sixty (60) days after written notice thereof, specifying such default and requiring the same to be remedied, will have been given to the Authority by the Trustee; provided, however, that if in the reasonable

opinion of the Authority the default stated in the notice can be corrected, but not within such sixty (60) day period, such default will not constitute an Event of Default under the Indenture if the Authority will commence to cure such default within such sixty (60) day period and thereafter diligently and in good faith cure such failure in a reasonable period of time.

(d) The occurrence and continuation of an event of default under and as defined in the Facility Lease.

If an Event of Default occurs under the Indenture, the Trustee will give notice, at the expense of the City, of such Event of Default to the Owners. Such notice will state that an Event of Default has occurred and shall provide a brief description of such Event of Default. The Trustee in its discretion may withhold notice if it deems it in the best interests of the Owners. Such notice provided will be given by first-class mail, postage prepaid, to the Owners within 30 days of the Trustee's receipt of knowledge of the occurrence of such Event of Default.

Remedies Upon Event of Default.

(a) Upon the occurrence and continuance of any Event of Default, then and in every such case the Trustee in its discretion may, and upon the written request of the Owners of not less than 50% in principal amount of the Bonds then Outstanding and receipt of indemnity to its satisfaction, and payment of its fees and expenses, including the fees and expenses of its counsel, shall in its own name and as the Trustee of an express trust:

(i) by mandamus, or other suit, action or proceeding at law or in equity, enforce all rights of the Owners under the Indenture, and require the Authority or the City to carry out any agreements with or for the benefit of the Owners of Bonds and to perform its or their duties under the Facility Lease and the Indenture, provided that any such remedy may be taken only to the extent permitted under the applicable provisions of the Facility Lease or the Indenture, as the case may be;

(ii) bring suit upon the Bonds;

(iii) by action or suit in equity require the Authority to account as if it were the trustee of an express trust for the Owners of Bonds; or

(iv) by action or suit in equity enjoin any acts or things which may be unlawful or in violation of the rights of the Owners of Bonds under the Indenture.

(b) Upon the occurrence of an Event of Default, the Trustee will be entitled as a matter of right to the appointment of a receiver or receivers for the Revenues, ex parte, and without notice, and the Authority consents to the appointment of such receiver upon the occurrence of an Event of Default. In the case of any receivership, insolvency, bankruptcy, or other judicial proceedings affecting the Authority or the City, the Trustee will be entitled to file such proofs of claims and other documents as may be necessary or advisable in order to have the claims of the Trustee and the Bond Owners allowed in such proceedings, without prejudice, however, to the right of any Bond Owner to file a claim on his or her own behalf; provided, the Trustee will be entitled to compensation and reimbursement for the reasonable fees and expenses of its counsel and indemnity for its reasonable expenses and liability from the Authority, the City or the Bond Owners, as appropriate.

(c) Notwithstanding the foregoing, neither the Indenture nor the Bonds provide for the remedy of acceleration of principal or interest due with respect to the Bonds prior to their stated due dates.

Application of Revenues and Other Funds After Default.

If an Event of Default shall occur and be continuing, all Revenues and any other funds then held or thereafter received by the Trustee under any of the provisions of the Indenture shall be applied by the Trustee as follows and in the following order:

(a) To the payment of any expenses necessary in the opinion of the Trustee to protect the interests of the Owners of the Bonds and payment of reasonable fees, charges and expenses of the Trustee (including reasonable fees and disbursements of its counsel) incurred in and about the performance of its powers and duties under this Indenture;

(b) To the payment of the principal of and interest then due on the Bonds (upon presentation of the Bonds to be paid, and stamping or otherwise noting thereon of the payment if only partially paid, or surrender thereof if fully paid) in accordance with the provisions of the Indenture, as follows:

First: To the payment to the persons entitled thereto of all installments of interest then due in the order of the maturity of such installments, and, if the amount available will not be sufficient to pay in full any installment or installments maturing on the same date, then to the payment thereof ratably, according to the amounts due thereon, to the persons entitled thereto, without any discrimination or preference; and

Second: To the payment to the persons entitled thereto of the unpaid principal of any Bonds which will have become due, whether at maturity or by redemption, with interest on the overdue principal at the rate borne by the respective Bonds (to the extent permitted by law), and, if the amount available will not be sufficient to pay in full all the Bonds, together with such interest, then to the payment thereof ratably, according to the amounts of principal due on such date to the persons entitled thereto, without any discrimination or preference.

Trustee to Represent Bond Owners.

The Trustee is irrevocably appointed (and the successive respective Owners of the Bonds, by taking and holding the same, will be conclusively deemed to have so appointed the Trustee) as trustee and true and lawful attorney-in-fact of the Owners of the Bonds for the purpose of exercising and prosecuting on their behalf such rights and remedies as may be available to such Owners under the provisions of the Bonds, the Indenture and applicable provisions of any law. Upon the occurrence and continuance of an Event of Default or other occasion giving rise to a right in the Trustee to represent the Bond Owners, the Trustee in its discretion may, and upon the written request of the Owners of a majority in aggregate principal amount of the Bonds then Outstanding, and upon being indemnified to its satisfaction therefor, the Trustee will, proceed to protect or enforce its rights or the rights of such Owners by such appropriate action, suit, mandamus or other proceedings as it shall deem most effectual to protect and enforce any such right, at law or in equity, either for the specific performance of any covenant or agreement contained in the Indenture, or in aid of the execution of any power granted by the Indenture, or for the enforcement of any other appropriate legal or equitable right or remedy vested in the Trustee or in such Owners under the Bonds, the Indenture or any other law; and upon instituting such proceeding, the Trustee will be entitled, as a matter of right, to the appointment of a receiver of the Revenues and other assets pledged under the Indenture, pending such proceedings. All rights of action under the Indenture or the Bonds or otherwise may be prosecuted and enforced by the Trustee without the possession of any of the Bonds or the production thereof in any proceeding relating thereto, and any such suit, action or proceeding instituted by the Trustee will be brought in the name of the Trustee for the benefit and protection of all the Owners of such Bonds, subject to the provisions of the Indenture.

Bond Owners' Direction of Proceedings.

Anything in the Indenture to the contrary notwithstanding, the Owners of a majority in aggregate principal amount of the Bonds then Outstanding will have the right, by an instrument or concurrent instruments in writing executed and delivered to the Trustee, and upon indemnification of the Trustee to its reasonable satisfaction, to direct the method of conducting all remedial proceedings taken by the Trustee under the Indenture, provided that such direction will not be otherwise than in accordance with law and the provisions of the Indenture, and that the Trustee will have the right to decline to follow any such direction which in the opinion of the Trustee would expose it to liability.

Limitation on Bond Owners' Right to Sue.

Notwithstanding any other provision of the Indenture, no Owner of any Bonds will have the right to institute any suit, action or proceeding at law or in equity, for the protection or enforcement of any right or remedy under the Indenture, the Facility Lease or any other applicable law with respect to such Bonds, unless (a) such Owner shall have given to the Trustee written notice of the occurrence of an Event of Default; (b) the Owners of a majority in aggregate principal amount of the Bonds then Outstanding will have made written request upon the Trustee to exercise the powers granted in the Indenture or to institute such suit, action or proceeding in its own name; (c) such Owner or Owners will have tendered to the Trustee reasonable indemnity against the costs, expenses and liabilities to be incurred in compliance with such request; (d) the Trustee will have failed to comply with such request for a period of sixty (60) days after such written request will have been received by, and said tender of indemnity will have been made to, the Trustee; and (e) no direction inconsistent with such written request will have been given to the Trustee during such sixty (60) day period by the Owners of a majority in aggregate principal amount of the Bonds then Outstanding.

Such notification, request, tender of indemnity and refusal or omission are hereby declared, in every case, to be conditions precedent to the exercise by any Owner of Bonds of any remedy under the Indenture or under law; it being understood and intended that no one or more Owners of Bonds will have any right in any manner whatever by his or their action to affect, disturb or prejudice the security of the Indenture or the rights of any other Owners of Bonds, or to enforce any right under the Bonds, the Indenture, the Facility Lease or other applicable law with respect to the Bonds, except in the manner provided in the Indenture, and that all proceedings at law or in equity to enforce any such right will be instituted, had and maintained in the manner provided in the Indenture and for the benefit and protection of all Owners of the Outstanding Bonds, subject to the provisions of the Indenture.

Absolute Obligation of Authority.

Nothing in Indenture as described herein under the subheading “– Events of Default and Remedies – *Limitation on Bond Owners' Right to Sue*” or in any other provision of the Indenture or in the Bonds contained shall affect or impair the obligation of the Authority, which is absolute and unconditional, to pay the principal of and interest and premium (if any) on the Bonds to the respective Owners of the Bonds at their respective dates of maturity, or upon call for redemption, as provided in the Indenture, but only out of the Revenues and other assets herein pledged therefor, or affect or impair the right of such Owners, which is also absolute and unconditional, to enforce such payment by virtue of the contract embodied in the Bonds.

Termination of Proceedings.

If any proceedings taken by the Trustee or any one or more Bond Owners on account of any Event of Default will have been discontinued or abandoned for any reason or will have been determined adversely to the Trustee or the Bond Owners, then the Authority, the Trustee and the Bond Owners, subject to any determination in such proceedings, will be restored to their former positions and rights under the Indenture, severally and respectively, and all rights, remedies, powers and duties of the Authority, the Trustee and the Bond Owners will continue as though no such proceedings had been taken.

Remedies Not Exclusive.

No remedy conferred upon or reserved to the Trustee or the Owners of the Bonds in the Indenture is intended to be exclusive of any other remedy or remedies, and each and every such remedy, to the extent permitted by law, will be cumulative and in addition to any other remedy given under the Indenture or now or hereafter existing at law or in equity or otherwise.

No Waiver of Default.

No delay or omission of the Trustee or any Owner of the Bonds to exercise any right or power arising upon the occurrence of any Event of Default will impair any such right or power or will be construed to be a waiver of any such Event of Default or an acquiescence therein; and every power and remedy given by the Indenture to the Trustee or the Owners of the Bonds may be exercised from time to time and as often as may be deemed expedient.

Parties Interested Herein.

Nothing in the Indenture expressed or implied is intended or will be construed to confer upon, or to give to, any person or entity, other than the City, the Authority, the Trustee, their officers, employees and agents, and the Owners any right, remedy or claim under or by reason of the Indenture, or any covenant, condition or stipulation of the Indenture, and all covenants, stipulations, promises and agreements in the Indenture contained by and on behalf of the Authority will be for the sole and exclusive benefit of the City, the Authority, the Trustee, their officers, employees and agents, and the Owners.

Remedies Subject to Provisions of Law.

All rights, remedies and powers provided by the Indenture may be exercised only to the extent that the exercise thereof does not violate any applicable provision of the City Charter and other applicable law, and all of the provisions of the Indenture are intended to be subject to the City Charter and all other applicable mandatory provisions of law which may be controlling and to be limited to the extent necessary so that they will not render this instrument or the provisions of the Indenture invalid or unenforceable under the provisions of the City Charter or other applicable law.

Modification or Amendment of the Indenture

Amendments Permitted.

(a) The Indenture and any of the rights and obligations of the Authority and of the Owners of the Bonds and of the Trustee may be modified or amended from time to time and at any time by an indenture or indentures supplemental thereto, which the Authority and the Trustee may enter into when the written consents of the Owners of a majority in aggregate principal amount of all Bonds then Outstanding which are affected by the amendment, will have been filed with the Trustee; provided, however, no such modification or amendment without the consent of the Owners of all of the Bonds then Outstanding which would be affected thereby, will (i) extend the fixed maturity of any Bonds, or reduce the amount of principal thereof or extend the time of payment, or change the method of computing the rate of interest thereon, or extend the time of payment of interest thereon, without the consent of the Owner of each Bond so affected, or (ii) reduce the aforesaid percentage of Bonds the consent of the Owners of which is required to effect any such modification or amendment, or (iii) permit the creation of any lien on the Revenues and other assets pledged under the Indenture prior to or on a parity with the lien created by the Indenture except as permitted in the Indenture, or (iv) deprive the Owners of the Bonds of the lien created by the Indenture on such Revenues and other assets (except as expressly provided in the Indenture), without the consent of the Owners of all of the Bonds then Outstanding. It will not be necessary for the consent of the Bond Owners to approve the particular form of any

Supplemental Indenture, but it shall be sufficient if such consent will approve the substance thereof. Consent of the Owners may be obtained as provided in the Indenture.

(b) In addition to any Supplemental Indenture authorized pursuant to the Indenture, the Indenture and the rights and obligations of the Authority, of the Trustee and the Owners of the Bonds may also be modified or amended from time to time and at any time by a Supplemental Indenture, which the Authority and the Trustee may enter into without the consent of any Bond Owners, for any one or more of the following purposes:

(i) to add to the covenants and agreements of the Authority in the Indenture contained, other covenants and agreements thereafter to be observed, to pledge or assign additional security for the Bonds (or any portion thereof), or to surrender any right or power reserved to or conferred upon the Authority in the Indenture, or to close the Indenture against, or provide limitations and restrictions in addition to the limitations and restrictions contained in the Indenture on, the authentication and delivery of Additional Bonds;

(ii) to make such provisions for the purpose of curing any ambiguity, inconsistency or omission, or of curing or correcting any defective provision, contained in the Indenture, or in regard to matters or questions arising under the Indenture, as the Authority may deem necessary or desirable;

(iii) to modify, amend or supplement the Indenture in such manner as to permit the qualification under the Trust Indenture Act of 1939, as amended, or any similar federal statute hereafter in effect, and to add such other terms, conditions and provisions as may be permitted by said act or similar federal statute;

(iv) to modify, amend or supplement the Indenture in such manner as to cause interest on the Bonds to remain excludable from gross income under the Code;

(v) to permit the Trustee to comply with any duties imposed upon it by law;

(vi) to provide for the refunding or advance refunding of any Bonds, so long as such amendment is not inconsistent with the provisions of the Indenture relating to the defeasance of Bonds;

(vii) to evidence the appointment of a separate trustee or the succession of a new trustee under the Indenture;

(viii) to make any amendments appropriate or necessary to provide for or facilitate the delivery of credit enhancement for any Bonds; or

(ix) for any other reason, provided such modification or amendment does not, in the judgment of the Trustee, materially adversely affect the interests of the Owners of the Bonds then Outstanding.

(c) The Trustee may in its discretion, but will not be obligated to, enter into any such Supplemental Indenture authorized by paragraphs (a) or (b) under this subheading which materially adversely affects the Trustee's own rights, duties or immunities under the Indenture or otherwise.

(d) Prior to the Trustee entering into any Supplemental Indenture under the Indenture, there will be delivered to the Trustee an opinion of Bond Counsel stating, in substance, that such Supplemental Indenture has been adopted in compliance with the requirements of the Indenture and that the adoption of such Supplemental Indenture will not, in and of itself, adversely affect the exclusion from gross income for purposes of federal income taxes of interest on the Bonds.

(e) Provisions of the Indenture described under this subheading are subject to the provisions of the Indenture described under the subheading “Modification or Amendment of the Indenture – *City’s Consent to Supplemental Indentures*” herein.

Consent of Owners.

(a) If at any time the Authority (or the City on behalf of the Authority) will request the Trustee to enter into any Supplemental Indenture requiring consent of the Owners, the Trustee, upon being satisfactorily indemnified with respect to expenses, will cause notice (unless waived by the affected Owners in their consent) of the proposed Supplemental Agreement to be mailed to each affected Owners, as shown in the Registration Books at the close of business on the 15th day preceding that mailing and at its address as it appears on the Registration Books on that 15th day preceding the mailing. The notice will describe briefly the nature of the proposed amendment and will state that copies thereof are on file at the office of the Trustee designated therein for inspection by all such Owners.

Consent of Owners may also be evidenced: (i) by Bonds being sold to such Owners under an official statement or other offering document which describes the proposed amendment and states that their purchase shall be treated as their consent to such amendment; or (ii) in any other manner acceptable to the Trustee.

If the Supplemental Indenture will not take effect so long as any particular Bonds remain Outstanding, the consent of the Owners of such Bonds will not be required and such Bonds will not be deemed to be Outstanding for the purpose of determining the required consents.

(b) Disqualified Bonds. Bonds owned or held by or for the account of the Authority or the City will not be deemed Outstanding for the purpose of any consent or other action or any calculation of Outstanding Bonds provided in the Indenture as described under this subheading “Modification or Amendment of the Indenture,” and will not be entitled to consent to or take any other action provided in the Indenture as described under this subheading “– Modification or Amendment of the Indenture”; provided, however, that the Trustee will not be deemed to have knowledge that any Bond is owned or held by or for the account of the Authority or the City unless the Authority or the City is the registered Owner or the Trustee has received written notice that any other registered Owner is holding for the account of the Authority or City.

(c) The Trustee will not be subject to any liability to any Owner of Bonds by reason of the Trustee’s failure to mail, or the failure of any such Owner to receive, the notice required by the Indenture as described under this subheading. Any failure of that nature will not affect the validity of the Supplemental Indenture when there has been consent thereto as provided in the Indenture as described under this subheading.

(d) If the Trustee will receive, within a period not exceeding one year as prescribed by the City upon behalf of the Authority, following the mailing of the notice (unless waived by the affected Owners in their consent), an instrument or document or instruments or documents, in a form or forms to which the Trustee does not object reasonably, purporting to be executed by the Owners of not less than a majority in aggregate principal amount of the affected Outstanding Bonds, but not otherwise, the Trustee will execute and deliver the Supplemental Indenture in substantially the form to which reference is made in the notice, without liability or responsibility to any affected Owner, regardless of whether that Owner shall have consented thereto. The instrument or document or instruments or documents described in this paragraph will refer to the proposed Supplemental Indenture in the form described in the notice and will consent specifically to the Supplemental Indenture in substantially that form.

(e) At any time after the Owners of the required percentage of the Bonds will have filed their consents with the Trustee to the Supplemental Indenture, the Trustee will make and file with the Authority and City a written statement that the Owners of the required percentage of the Bonds have filed those consents. That written statement will be conclusive evidence that the consents have been so filed. Prior to the Trustee

filing such written statement, a consent may be revoked in writing by the Owner who gave the consent or by a subsequent Owner of the Bonds by a written revocation received by the Trustee.

City's Consent to Supplemental Indentures.

Anything to the contrary notwithstanding, so long as the City is not in default under the Facility Lease, a Supplemental Indenture under the Indenture will not become effective unless and until the City will have consented in writing to the execution and delivery of such Supplemental Indenture. In this regard, the Trustee will cause notice of the proposed execution and delivery of any Supplemental Indenture, together with a copy of the proposed Supplemental Indenture, to be mailed by first-class mail to the City at least 30 days prior to the proposed date of execution and delivery of any Supplemental Indenture.

Effect of Supplemental Indenture.

Upon the execution of any Supplemental Indenture pursuant to the Indenture, the Indenture will be deemed to be modified and amended in accordance therewith, and the respective rights, duties and obligations under the Indenture of the Authority, the Trustee and all Owners of Bonds Outstanding will thereafter be determined, exercised and enforced under the Indenture subject in all respects to such modification and amendment, and all the terms and conditions of any such Supplemental Indenture will be deemed to be part of the terms and conditions of the Indenture for any and all purposes.

Endorsement of Bonds; Preparation of New Bonds.

Bonds delivered after the execution of any Supplemental Indenture pursuant to the Indenture may, and if the Authority so determines will, bear a notation by endorsement or otherwise in form approved by the Authority and the Trustee as to any modification or amendment provided for in such Supplemental Indenture, and, in that case, upon demand on the Owner of any Bonds Outstanding at the time of such execution and presentation of his Bonds for the purpose at the Office of the Trustee or at such additional offices as the Trustee may select and designate for that purpose, a suitable notation shall be made on such Bonds. If the Supplemental Indenture will so provide, new Bonds so modified as to conform, in the opinion of the Authority and the Trustee, to any modification or amendment contained in such Supplemental Indenture, will be prepared and executed by the Authority and authenticated by the Trustee, and upon demand on the Owners of any Bonds then Outstanding will be exchanged at the Office of the Trustee, without cost to any Bond Owner, for Bonds then Outstanding, upon surrender for cancellation of such Bonds, in equal aggregate principal amount of the same series and maturity.

Amendment of Particular Bonds.

The provisions of the Indenture as described under this subheading “– Modification or Amendment of the Indenture” will not prevent any Bond Owner from accepting any amendment as to the particular Bonds held by him.

Defeasance

Discharge of Indenture.

(a) Any or all of the Outstanding Bonds may be paid by the Authority in any of the following ways, provided that the Authority also pays or causes to be paid any other sums payable under the Indenture by the Authority:

(i) by paying or causing to be paid the principal of and interest and premium (if any) on such Bonds, as and when the same become due and payable;

(ii) by depositing with the Trustee, in trust, at or before maturity, Defeasance Obligations in the necessary amount and in accordance with the terms of the Indenture to pay or redeem such Bonds; or

(iii) by delivering to the Trustee, for cancellation by it, such Bonds.

If the Authority will also pay or cause to be paid all other sums payable under the Indenture by the Authority, then and in that case, at the election of the Authority evidenced by a Written Certificate of the Authority (or of the City upon behalf of the Authority), filed with the Trustee, signifying the intention of the Authority to discharge all such indebtedness and the Indenture), and notwithstanding that any of such Bonds will not have been surrendered for payment, the Indenture and the pledge of Revenues and other assets made under the Indenture with respect to such Bonds and all covenants, agreements and other obligations of the Authority under the Indenture with respect to such Bonds will cease, terminate, become void and be completely discharged and satisfied (except for those provisions surviving by reason of those provisions of the Indenture described under paragraph (c) below in the event that the Bonds are deemed to be paid and discharged pursuant to the provisions of the Indenture described under the subheading “–*Deposit of Money or Securities with Trustee to Defeas Bonds*” below). In such event, upon the Written Request of the Authority (or of the City upon behalf of the Authority), the Trustee will execute and deliver to the Authority and City all such instruments as may be necessary or desirable to evidence such discharge and satisfaction, and the Trustee will pay over, transfer, assign or deliver to the City all moneys or securities or other Leased Property held by it pursuant to the Indenture which are not required for the payment or redemption of any of such Bonds not theretofore surrendered for such payment or redemption.

If the Authority will pay or cause to be paid, or there will otherwise be paid, to the Owners of the Outstanding Bonds of a particular Series, or of a particular maturity or particular Bonds within a Series, the Debt Service due or to become due thereon, at the times and in the manner stipulated therein and in the Indenture, such Bonds will cease to be entitled to any lien, pledge, benefit or security under the Indenture, and all covenants, agreements and obligations of the Authority to the Owners of such Bonds will thereupon cease, terminate and become void and be discharged and satisfied (subject to provisions of the Indenture described in paragraph (c) below).

Bonds or interest installments, for the payment or redemption of which moneys will have been set aside and held in trust by the Trustee (through deposit by the City of funds for such payment or redemption or otherwise) at the maturity or redemption date thereof, will be deemed to have been paid within the meaning and with the effect expressed in paragraph (a) under this subheading.

(b) If, in connection with a redemption of all or any part of the Bonds, or in connection with providing for payment of all or any part of the Bonds pursuant to the Indenture as described herein under the subheading “Defeasance”, moneys and/or Defeasance Obligations are deposited with the Trustee sufficient to pay Debt Service on all or a portion of the Bonds being defeased in accordance with the provisions of the Indenture described under the subheading “Deposit of Money or Securities with Trustee to Defeas Bonds” below to any date after the first date on which such Bonds may be redeemed, the City on behalf of the Authority may expressly reserve and retain the right to subsequently change the date on which any such Bonds are to be redeemed. The City may further reserve and retain the right to restructure the moneys and/or Defeasance Obligations held by the Trustee for payment of such Bonds provided in the Indenture as described in paragraphs (c), (d) or (e) under the subheading “– *Deposit of Money or Securities with Trustee to Defeas Bonds*” below, and to apply any of the proceeds, which are available following such restructuring and are not needed to pay Debt Service on the Bonds being defeased, for any lawful purpose.

If the City desires to reserve and retain any such rights, it will so advise the Trustee at the time of the deposits of such funds with the Trustee and the Trustee will include a statement of such reserved and retained rights in the notice given to Owners pursuant to the Indenture.

- (c) Notwithstanding the foregoing, any provisions of the Indenture which relate to:
- (i) the maturity of Bonds;
 - (ii) the interest payments and dates thereof;
 - (iii) the optional and mandatory redemption provisions;
 - (iv) the credits against any mandatory sinking fund requirements;
 - (v) the exchange, transfer and registration of Bonds;
 - (vi) the replacement of mutilated, destroyed, lost or stolen Bonds;
 - (vii) the safekeeping and cancellation of Bonds;
 - (viii) the nonpresentment of Bonds;
 - (ix) the holding of moneys in trust;
 - (x) the repayments to the Authority from the escrow fund;
 - (xi) the timely payment of any rebate of arbitrage earnings to the United States and any other provisions which relate to exclusion of interest on the Bonds from gross income for federal income tax purposes; and
 - (xii) the duties of the Trustee in connection with all of the foregoing and payment of its fees and expenses;

will remain in effect and will be binding upon the Authority, the Trustee and the Owners, notwithstanding the release, discharge and satisfaction of the Indenture. The provisions of the Indenture described under this paragraph (c) will survive the release, discharge and satisfaction of the Indenture.

Deposit of Money or Securities with Trustee to Defeas Bonds.

(a) Whenever in the Indenture it is provided or permitted that there be deposited with or held in trust by the Trustee money or securities in the necessary amount to pay or redeem any Bonds, the money or securities so to be deposited or held may include money or securities held by the Trustee in the funds and accounts established pursuant to this Indenture and available for such purposes.

(b) Subject to the provisions of paragraphs (c) and (d) of this subheading, any Outstanding Bonds will, prior to the maturity or redemption date thereof, be deemed to have been paid, within the meaning and with the effect expressed in paragraph (a) under the subheading “– *Discharge of Indenture*” above, if:

(i) in case any of said Bonds are to be redeemed on any date prior to their maturity, the City upon behalf of the Authority will have given to the Trustee written instructions, accepted in writing by the Trustee, to mail as provided in the Indenture notice of redemption of such Bonds (other than Bonds which have been purchased or otherwise acquired by the City and delivered to the Trustee as provided in the Indenture prior to the mailing of such notice of redemption);

(ii) there shall have been deposited with the Trustee (or another trust company selected by the City which meets the requirements of the Indenture), in trust for the Owners of such Bonds, either moneys in an amount which will be sufficient, or Defeasance Obligations (including any

Defeasance Obligations issued or held in book-entry form on the books of the Department of the Treasury of the United States) the principal of and the interest on which when due will provide moneys which, together with the moneys, if any, deposited with the Trustee at the same time, will be sufficient (without regard to further investment or reinvestment of either the principal amount thereof or the interest earnings therefrom, which earnings are to be held likewise in trust and so committed, except as provided in the Indenture) to pay when due the Debt Service due and to become due on said Bonds on or prior to the redemption date or maturity date thereof, as the case may be;

(iii) in the event said Bonds are not by their terms subject to redemption within the next succeeding 60 days, the City upon behalf of the Authority will have given written instructions to the Trustee in form satisfactory to it to mail a notice to the Owners of such Bonds, within 15 days of the date on which the Bonds are deemed to be paid and discharged, at their address as it appears on the Registration Books on that date on which such Bonds are deemed to be paid and discharged. The notice will: (1) state the numbers of the Bonds deemed to be paid and discharged, or shall state that all Bonds of a particular Series are deemed to be paid and discharged; (2) that the deposit required by (ii) above has been made with the Trustee and that said Bonds are deemed to have been paid in accordance with the terms of the Indenture described under this subheading; and (3) state such maturity or redemption date upon which moneys are expected to be available for the payment of the Debt Service on said Bonds (other than Bonds which have been purchased or otherwise acquired by the City and delivered to the Trustee as provided in the Indenture prior to the mailing of the notice of redemption referred to in clause (i) under this subheading);

(iv) the Trustee will have received a report of an independent firm of certified public accountants or a financial consulting firm of recognized standing in the field of municipal bonds to the effect that the amount of principal of and interest when due on the Defeasance Obligations and any money deposited at the same time with the Trustee will be sufficient to pay when due the Debt Service due and to become due on said Bonds prior to and on the redemption or maturity date thereof, as the case may be; and

(v) if the Bonds deemed paid with Defeasance Obligations were issued as obligations the interest on which was excluded from gross income for federal tax purposes, then the City will furnish to the Trustee an opinion of Bond Counsel to the effect that the provisions for paying such Bonds (assuming compliance by the Authority, the City and the Trustee with their duties under the Indenture and any related escrow agreement) will not, by itself, cause such Bonds to lose such exclusion.

Any notice of redemption mailed pursuant to (i) with respect to Bonds which constitute less than all of the Outstanding Bonds of any maturity within a Series will specify the letter and number or other distinguishing mark of each such Bond.

Defeasance Obligations will consist of securities which are not subject to redemption prior to their maturity other than at the option of the holder thereof, or shall consist of securities as to which an irrevocable notice of redemption of such securities on a specified redemption date has been given and such securities are not otherwise subject to redemption prior to such specified date.

(c) The Trustee shall, if so directed by the City, (i) prior to the maturity date of Bonds that have been deemed to have been paid in accordance with provisions of the Indenture described under this subheading (the "Defeased Bonds") which are not to be redeemed prior to their maturity date or (ii) prior to mailing of the notice of redemption referred to in clause (i) above with respect to any Defeased Bonds which are to be redeemed on any date prior to their maturity, apply moneys deposited with the Trustee for such Defeased Bonds and redeem or sell Defeasance Obligations so deposited with the Trustee and apply the proceeds thereof to the purchase of such Defeased Bonds and the Trustee will immediately thereafter cancel all such Defeased Bonds so purchased; provided, however, that the moneys and Defeasance Obligations remaining on deposit with the Trustee after such purchase and cancellation of such Defeasance Bonds must be determined by the

Trustee to be sufficient to pay when due the Debt Service due or to become due on all remaining unpaid Defeased Bonds, in respect of which such moneys and Defeasance Obligations are being held by the Trustee, on or prior to the redemption date or maturity date thereof, as the case may be.

(d) If, at any time (i) prior to the maturity date of Defeased Bonds which are not to be redeemed prior to their maturity date or (ii) prior to the mailing of the notice of redemption referred to in clause (i) with respect to any Defeased Bonds which are to be redeemed on any date prior to their maturity, the City will purchase or otherwise acquire any such Defeased Bonds and deliver such Defeased Bonds to the Trustee prior to their maturity date or redemption date, as the case may be, the Trustee will immediately cancel all such Defeased Bonds so delivered; and such delivery of Defeased Bonds to the Trustee will be accompanied by Written Request from the City to the Trustee as to the manner in which such Defeased Bonds are to be applied against the obligation of the Trustee to pay or redeem Defeased Bonds. Such directions of the City will also specify the portion, if any, of such Defeased Bonds so purchased or delivered and cancelled to be applied against the obligation of the Trustee to pay Defeased Bonds upon their maturity date or dates and the portion, if any, of such Defeased Bonds so purchased or delivered and cancelled to be applied against the obligation of the Trustee to redeem Defeased Bonds on any date or dates prior to their maturity.

(e) If on any date: (i) as a result of any purchases, acquisitions and cancellations of Defeased Bonds as provided in the Indenture as described under this subheading the total amount of moneys and Defeasance Obligations remaining on deposit with the Trustee under the Indenture as described under this subheading is in excess of the total, determined by the Trustee, which would have been required to be deposited with the Trustee on such date in respect of the remaining unpaid Defeased Bonds in order to satisfy paragraph (b)(ii) under this subheading, the Trustee will, if requested by the City in Written Certificate, sell specified Defeasance Obligations and transfer the amount of such excess as directed by the City; or (ii) the City directs the Trustee in Written Certificate to sell and re-invest specified Defeasance Obligations as directed by the City;

then before any such excess is so transferred or any such Defeasance Obligations sold and re-invested, as applicable, the Trustee will have received a report, of an independent firm of certified public accountants or a financial consulting firm of recognized standing in the field of municipal bonds, to the effect that the amount of money and the principal of and interest when due on the Defeasance Obligations remaining on deposit with the Trustee after such transfer or sale or re-investment, as applicable, will be sufficient to pay when due the Debt Service due and to become due on said unpaid Defeased Bonds on or prior to the redemption or maturity date thereof, as the case may be.

(f) Except as otherwise provided under this subheading, neither Defeasance Obligations nor moneys deposited with the Trustee pursuant to this subheading nor principal or interest payments on any such Defeasance Obligations will be withdrawn or used for any purpose other than, and will be held in trust by the Trustee solely for, the payment of the Debt Service on the Defeased Bonds; provided that any cash received from such principal or interest payments on such Defeasance Obligations deposited with the Trustee (i) to the extent such cash will not be required at any time for such purpose as determined by the Trustee, will be transferred as directed by the City, and (ii) to the extent such cash will be required for such purpose at a later date, shall, to the extent practicable and as directed by the City, be reinvested by the Trustee in Defeasance Obligations maturing at times and in amounts sufficient to pay when due the Debt Service due on said remaining unpaid Defeased Bonds on or prior to such redemption date or maturity date thereof, as the case may be, and interest earned from such reinvestments will be transferred as directed by the City.

Miscellaneous

Liability of Authority Limited to Revenues.

Notwithstanding anything in the Indenture or in the Bonds, the Authority will not be required to advance any moneys derived from any source other than the Revenues and other assets pledged under the

Indenture for any of the purposes in the Indenture mentioned, whether for the payment of the principal of or interest on the Bonds or for any other purpose of the Indenture. Nevertheless, the Authority may, but will not be required to, advance for any of the purposes of the Indenture any funds of the Authority which may be made available to it for such purposes.

Limitation of Rights to Parties and Bond Owners.

Nothing in the Indenture or in the Bonds expressed or implied is intended or will be construed to give to any person other than the Authority, the Trustee, the City and the Owners of the Bonds, any legal or equitable right, remedy or claim under or in respect of the Indenture or any covenant, condition or provision therein or contained in the Indenture; and all such covenants, conditions and provisions are and will be held to be for the sole and exclusive benefit of the Trustee, the City, the Authority and the Owners of the Bonds.

Unclaimed Funds.

Notwithstanding any provisions of the Indenture, and subject to applicable provisions of State law, any moneys held by the Trustee in trust for the payment of the principal of, premium, if any, or interest on, any Bonds and remaining unclaimed for two (2) years after the principal of all of the Bonds has become due and payable (whether at maturity or upon call for redemption as provided in the Indenture), if such moneys were so held at such date, or two (2) years after the date of deposit of such moneys if deposited after said date when all of the Bonds became due and payable, shall be repaid to the City free from the trusts created by the Indenture, and all liability of the Trustee with respect to such moneys will thereupon cease; provided, however, that before the repayment of such moneys to the City as aforesaid, the Trustee will (at the written request and cost of the City) first mail to the Owners of Bonds which have not yet been paid, at the addresses shown on the Registration Books, a notice, in such form as may be deemed appropriate by the Trustee with respect to the Bonds so payable and not presented and with respect to the provisions relating to the repayment to the City of the moneys held for the payment thereof. Thereafter, the Owner of such Bond will look only to the City for payment and then only to the extent of the amount so returned to the City without any interest thereon, and the Trustee will have no responsibility with respect to such money.

During any period in which the Trustee holds such unclaimed money, the Trustee will not be required to invest such money; nonetheless if the Trustee should invest such money any earnings on such amounts will be remitted to the City as such earnings are realized.

Waiver of Notice; Requirement of Mailed Notice.

Whenever in the Indenture the giving of notice by mail or otherwise is required, the giving of such notice may be waived in writing by the person entitled to receive such notice and in any such case the giving or receipt of such notice will not be a condition precedent to the validity of any action taken in reliance upon such waiver. Whenever in the Indenture any notice will be required to be given by mail, such requirement will be satisfied by the deposit of such notice in the United States mail, postage prepaid, by first class mail.

Evidence of Acts of Owners.

(a) Any request, direction, consent or other instrument provided to be signed and executed by the Owners may be in any number of concurrent writings of similar tenor and may be signed or executed by such Owners in person or by agent appointed in writing. Proof of the execution of any such request, direction or other instrument or of the writing appointing any such agent and of the ownership of Bonds, if made in the following manner, will be sufficient for any of the purposes of the Indenture and will be conclusive in favor of the Trustee, Authority and City, with regard to any action taken by them, or either of them, under such request or other instrument, namely:

(i) The fact and date of the execution by any person of any such writing may be proved by the certificate of any officer in any jurisdiction who by law has power to take acknowledgments in such jurisdiction, that the person signing such writing acknowledged before him the execution thereof, or by the affidavit of a witness of such execution; and

(ii) The ownership of Bonds shall be proved by the Registration Books.

Nothing in this subheading will be construed as limiting the Trustee to the proof specified in the Indenture, it being intended that the Trustee may accept any other evidence of the matters stated in the Indenture which it may deem sufficient including, without limitation, an affidavit evidencing beneficial ownership of Bonds while the Bonds are held in book-entry only system.

(b) Any action taken or suffered by the Trustee pursuant to any provision of the Indenture, upon the request or with the assent of any person who at the time is the Owner of any Bond or Bonds, will be conclusive and binding upon all future Owners of the same Bond or Bonds.

(c) Any request, consent, or other instrument or writing of the Owner of any Bond will bind every future Owner of the same Bond and the Owner of every Bond issued in exchange therefor or in lieu thereof, in respect of anything done or suffered to be done by the Trustee or the Authority in accordance therewith or reliance thereon.

Holidays.

If the date for making any payment or the last date for performance of any act or the exercising of any right, as provided in the Indenture, will be a legal holiday or a day on which the Authority, the City, the Trustee or banking institutions in the State are authorized by law or otherwise to remain closed, such payment may be made or act performed or right exercised on the next succeeding day not a legal holiday or a day on which the Authority, the City, the Trustee or such banking institutions are authorized by law or otherwise to remain closed, with the same force and effect as if done on the nominal date provided in the Indenture, and no interest shall accrue for the period after such nominal date.

Waiver of Personal Liability.

No member, officer, agent or employee of the Authority will be individually or personally liable for the payment of the principal of or interest or premium (if any) on the Bonds or be subject to any personal liability or accountability by reason of the issuance thereof; but nothing contained in the Indenture will relieve any such member, officer, agent or employee from the performance of any official duty provided by law or by the Indenture.

THE FACILITY LEASE

Certain provisions of the Facility Lease are summarized below. This summary does not purport to be complete or definitive and is qualified in its entirety by reference to the Facility Lease.

The Leased Property

Lease of the Leased Property.

The Authority leases to the City, and the City rents and hires from the Authority, the Leased Property on the conditions and terms set forth in the Facility Lease. The City agrees and covenants that during the term of the Facility Lease, except as provided in the Facility Lease, it will use the Leased Property for public purposes so as to afford the public the benefits contemplated thereby and so as to permit the Authority to carry out its agreements and covenants contained in the Facility Lease and in the Indenture, and the City further agrees and covenants that during the term of the Facility Lease that it will not abandon or vacate the Leased Property.

Quiet Enjoyment.

The parties to the Facility Lease mutually covenant that the City, so long as it observes and performs the agreements, conditions, covenants and terms required to be observed or performed by it contained in the Facility Lease and is not in default under the Facility Lease, will at all times during the term of the Facility Lease peaceably and quietly have, hold and enjoy the Leased Property without suit, trouble or hindrance from the Authority.

Right of Entry and Inspection.

The Authority will have the right to enter the Leased Property and inspect the Leased Property during reasonable business hours (and in emergencies at all times) for any purpose connected with the Authority's rights or obligations under the Facility Lease and for all other lawful purposes.

Prohibition Against Encumbrance or Sale.

The City and the Authority will not create or suffer to be created any mortgage, pledge, lien, charge or encumbrance upon the Leased Property, except Permitted Encumbrances. The City and the Authority will not sell or otherwise dispose of the Leased Property or any property essential to the proper operation of the Leased Property, except as otherwise provided in the Facility Lease. Notwithstanding anything to the contrary contained in the Facility Lease, the City may assign, transfer or sublease any and all of the Leased Property or its other rights under the Facility Lease, provided that (i) the rights of any assignee, transferee or sublessee will be subordinate to all rights of the Authority under the Facility Lease; (ii) no such assignment, transfer or sublease will relieve the City of any of its obligations under the Facility Lease; (iii) the assignment, transfer or sublease will not result in a breach of any covenant of the City contained in any section of the Facility Lease; (iv) any such assignment, transfer or sublease will by its terms expressly provide that the fair rental value of the Leased Property for all purposes will be first allocated to the Facility Lease, as the same may be amended from time to time before or after any such assignment, transfer or sublease; and (v) no such assignment, transfer or sublease will confer upon the parties to the Facility Lease (other than the City) any remedy which allows reentry upon the Leased Property.

Liens.

In the event the City will at any time during the term of the Facility Lease cause any improvements to the Leased Property to be constructed or materials to be supplied in or upon or attached to the Leased Property, the City will pay or cause to be paid when due all sums of money that may become due or purporting to be due

for any labor, services, materials, supplies or equipment furnished or alleged to have been furnished to or for the City in, upon, about or relating to the Leased Property and will keep the Leased Property free of any and all liens against the Leased Property or the Authority's interest therein. In the event any such lien attaches to or is filed against the Leased Property or the Authority's interest therein, and the enforcement thereof is not stayed or if so stayed such stay thereafter expires, the City will cause each such lien to be fully discharged and released at the time the performance of any obligation secured by any such lien matures or becomes due. If any such lien is reduced to final judgment and such judgment or any process as may be issued for the enforcement thereof is not promptly stayed, or if so stayed and such stay thereafter expires, the City will forthwith pay and discharge or cause to be paid and discharged such judgment.

Substitution or Removal of Leased Property.

(a) The City and the Authority may amend the Facility Lease to substitute and/or add real property and/or improvements (the "Substituted Property") for the existing Leased Property or to remove real property (including undivided interests therein) or improvements from the definition of Leased Property, upon compliance with all of the conditions set forth in subsection (b). After a Substitution or Removal, the part of the Leased Property for which the Substitution or Removal has been effected will be released from the leasehold under the Facility Lease.

(b) No Substitution or Removal will take place under the Facility Lease until the City delivers to the Authority and the Trustee the following:

(i) a Certificate of the City containing a description of all or part of the Leased Property to be released and, in the event of a Substitution, a description of the Substituted Property to be substituted in its place;

(ii) a Certificate of the City stating that the annual fair rental value of the Leased Property after a Substitution or Removal, in each year during the remaining term of this Facility Lease, is at least equal to the maximum annual Base Rental Payments attributable to the Leased Property following said Substitution or Removal, as determined by the City on the basis of an appraisal of the Leased Property taking into account said Substitution or Removal conducted by a member of the American Institute of Real Estate Appraisers or the American Society of Appraisers designated by the City;

(iii) an Opinion of Counsel to the effect that the amendments to the Facility Lease in connection with such Substitution or Removal have been duly authorized, executed and delivered and constitute the valid and binding obligations of the City and the Authority enforceable in accordance with their terms;

(iv) in the event of a Substitution, a policy of title insurance in an amount equal to the value of the Substituted Property such that the total amount of title insurance for the Leased Property following the Substitution is at least equal to the principal amount of the Refunding Bonds then Outstanding, insuring the leasehold estate of the Authority under the Site Lease and the City under the Facility Lease in the Substituted Property (except any portion thereof which is not real property) subject to Permitted Encumbrances, together with an endorsement thereto making said policy payable to the Trustee for the benefit of the Owners of the Bonds;

(v) in the event of a Substitution, an opinion of the City Attorney of the City to the effect that the exceptions, if any, contained in the title insurance policy referred to in (4) above do not interfere with the beneficial use and occupancy of the Substituted Property described in such policy by the City for the purposes of leasing or using the Substituted Property;

(vi) an Opinion of Counsel that the Substitution or Removal will not, in and of itself, cause the interest on the Bonds to be includable in gross income of the Owners thereof for federal income tax purposes;

(vii) a Certificate of the City stating that the City has complied with the requirements of the Facility Lease pertaining to fire and extended coverage insurance and use and occupancy insurance with respect to the Substituted Property; and

(viii) evidence that the City has delivered to each of the Rating Agencies then rating the Refunding Bonds, if any, copies of the certificates and appraisal described in clauses (i) and (ii) above, and evidence from each of the Rating Agencies, if any, then rating the Refunding Bonds that such Substitution or Removal, in and of itself, will not result in a reduction of its rating on the Refunding Bonds from the rating which then prevails.

Term of the Facility Lease

Commencement of the Facility Lease.

The term of the Facility Lease commenced on February 14, 2002, and will end on the Expiry Date, unless the Expiry Date is extended or is sooner terminated as provided under the Facility Lease. If on the Expiry Date, the stated rental payable under the Facility Lease will not be fully paid and all Refunding Bonds will not be fully paid and defeased, or if the rental payable under the Facility Lease will have been abated at any time or for any reason, then the term of the Facility Lease will be extended until the first Business Day following the day the rental payable under the Facility Lease will be fully paid and all Refunding Bonds will be fully paid and defeased, except that the term of the Facility Lease will in no event be extended beyond October 14, 2041. If prior to the Expiry Date, the rental payable under the Facility Lease will be fully paid and all Refunding Bonds will have been fully paid or defeased in accordance with the Indenture, the term of the Facility Lease will end the first Business Day thereafter or ten (10) days after written notice by the City to the Authority to the effect that the rental payable under the Facility Lease will be fully paid and all Refunding Bonds have been fully paid, whichever is earlier, and the Facility Lease will thereupon terminate.

Use of Proceeds; Tax Covenants; Continuing Disclosure

Use of Proceeds.

The parties to the Facility Lease agree that the proceeds of the Refunding Bonds will be used to pay the costs of issuance of the Refunding Bonds and the remainder will be deposited with the Escrow Agent pursuant to the Escrow Agreement for the redemption of the Series 2007A Bonds in accordance with the Indenture.

Tax Covenants.

The City will not take any action, or fail to take any action, if such action or failure to take such action would adversely affect the exclusion from gross income of the interest on the Refunding Bonds pursuant to Section 103 of the Code and specifically the City will not directly or indirectly use or make any use of the proceeds of the Refunding Bonds or any other funds of the City or take or omit to take any action that would cause the Refunding Bonds to be “arbitrage bonds” subject to federal income taxation by reason of Section 148 of the Code or obligations subject to federal income taxation because they are “federally guaranteed” as provided in Section 149(b) of the Code, as applicable. The City, with respect to the proceeds of the Refunding Bonds and such other funds, will comply with all requirements of such sections of the Code to the extent that such requirements are, at the time, applicable and in effect; provided, however, that if the City obtains an Opinion of Counsel to the effect that any action required under the Facility Lease is no longer required, or to the effect that some further action is required, to maintain the exclusion from gross income of the interest on

the Refunding Bonds pursuant to Section 103 of the Code, as applicable, the City may rely conclusively on such opinion in complying with the provisions of the Facility Lease. In the event that at any time the City is of the opinion that for purposes of the Facility Lease it is necessary to restrict or limit the yield on the investment of any moneys held by the Trustee under the Indenture or otherwise the City will so instruct the Trustee in writing, and the Trustee will take such action as may be necessary in accordance with such instructions.

Rental Payments

Rental Payments.

The City agrees to pay to the Authority, its successors or assigns, without deduction or offset of any kind, as rental for the use and occupancy of the Leased Property, the following amounts at the following times:

Base Rental. The City will pay to the Authority Base Rental Payments with respect to the Leased Property at the times and in the amounts set forth in the Base Rental Payment Schedule attached to the Facility Lease as Exhibit B and incorporated therein. The City will deposit with the Authority not later than the third Business Day preceding each October 15, the Base Rental Payment due on such October 15, and the same will be held by the Authority as security for the Base Rental Payments due on such dates.

Additional Rental. The City will also pay, as rental under the Facility Lease in addition to the Base Rental Payments, to the Authority or the Trustee, as hereinafter provided, such amounts in each year as will be required for the payment of all costs and expenses incurred by the Authority in connection with the execution, performance or enforcement of the Facility Lease or the assignment of the Facility Lease pursuant to the Indenture, the Indenture or the respective interests in the Leased Property and the lease of the Leased Property by the Authority to the City under the Facility Lease, including but not limited to all fees, costs and expenses and all administrative costs of the Authority relating to the Leased Property including, without limiting the generality of the foregoing, salaries and wages of employees, overhead, insurance premiums, taxes and assessments (if any), expenses, compensation and indemnification of the Trustee (to the extent not paid or otherwise provided for out of the proceeds of the sale of the Bonds), fees of auditors, accountants, attorneys or engineers, insurance premiums, rebate amounts payable to the United States pursuant to the Tax Certificate, and all other reasonable and necessary administrative costs of the Authority or charges required to be paid by it to comply with the terms of the Bonds or the Indenture.

(i) The foregoing Additional Rental will be billed to the City by the Authority or the Trustee from time to time, together with a statement certifying that the amount billed has been incurred or paid by the Authority, the Trustee or the Trustee on behalf of the Authority for one or more of the items above described, or that such amount is then so payable for such items. Amounts so billed will be paid by the City not later than the latest time as such amounts may be paid without penalty or, if no penalty is associated with a late payment of such amounts, within 30 days after receipt of a bill by the City for such amounts.

(ii) The Authority may issue bonds and may enter into leases to finance facilities other than the Leased Property. The administrative costs of the Authority will be allocated among said facilities and the Leased Property, as hereinafter in this paragraph provided. Any taxes levied against the Authority with respect to the Leased Property, the fees of the Trustee, and any other expenses directly attributable to the Leased Property will be included in the Additional Rental payable under the Facility Lease. Any taxes levied against the Authority with respect to real property other than the Leased Property, the fees of any trustee or paying agent under any resolution securing bonds of the Authority or any trust agreement or indenture other than the Indenture, and any other expenses directly attributable to any facilities other than the Leased Property will not be included in the administrative costs of the Leased Property and will not be paid from the Additional Rental payable under the Facility Lease. Any expenses of the Authority not directly attributable to any particular project of the Authority will be equitably allocated among all such projects, including the Leased Property, in accordance with sound accounting practice. In the event of any question or dispute as to such allocation, the written opinion of an independent firm of certified public accountants, employed by the

Authority to consider the question and render an opinion thereon, will be final and conclusive determination as to such allocation. The Trustee may conclusively rely upon a Certificate of the Authority in making any determination that costs are payable as Additional Rental under the Facility Lease, and will not be required to make any investigation as to whether or not the items so requested to be paid are expenses of operation of the Leased Property.

Consideration. Payments of Base Rental Payments and Additional Rental for each Lease Year or portion thereof during the term of the Facility Lease will constitute the total rental for such Lease Year or portion thereof and will be paid or payable by the City for and in consideration of the right of the use and possession of, and the continued quiet use and enjoyment of, the Leased Property. On the Closing Date, the City will deliver a Certificate to the Authority and the Trustee which will set forth the minimum annual fair rental value of the Leased Property. The parties to the Facility Lease have agreed and determined that the annual fair rental value of the Leased Property is not less than the maximum Base Rental Payments payable under the Facility Lease in any year. In making such determinations of annual fair rental value, consideration has been given to a variety of factors including the costs of the improvements located on the Leased Property, the replacement costs of such improvements, other obligations of the parties under the Facility Lease, the uses and purposes which may be served by the improvements on the Leased Property and the benefits therefrom which will accrue to the City and the general public.

The parties acknowledge under the Facility Lease that the parties may amend the Facility Lease from time to time to increase the Base Rental Payments payable under the Facility Lease so that Additional Bonds may be issued pursuant to provisions of the Lease and the Indenture. The proceeds of such Additional Bonds will be used as provided in the Indenture. Notwithstanding anything to the contrary contained in the Facility Lease, the Facility Lease may not be amended in a manner such that the sum of Base Rental Payments, including Base Rental Payments payable pursuant to such amendment, and Additional Rental with respect to Outstanding Refunding Bonds and Additional Bonds in any year is in excess of the annual fair rental value of the Leased Property and other land and improvements leased to the City under the Facility Lease after giving effect to the application of proceeds of any Additional Bonds issued in connection therewith.

Application of Rental Payments.

All rental payments received will be applied first to the Base Rental Payments due under the Facility Lease (including any prepayment premium components) and thereafter to all Additional Rental due under the Facility Lease, but no such application of any payments which are less than the total rental due and owing will be deemed a waiver of any default under the Facility Lease.

Rental Abatement.

(a) Except to the extent of (i) amounts held by the Trustee in the Interest Account or Principal Account of the Revenue Fund, (ii) amounts received in respect of use and occupancy insurance, and (iii) amounts, if any, otherwise legally available to the Trustee for payments in respect of the Refunding Bonds, during any period in which, by reason of material damage, destruction, title defect or condemnation there is substantial interference with the use and possession by the City of any portion of the Leased Property, rental payments due under the Facility Lease with respect to the Leased Property will be abated to the extent that the annual fair rental value of the portion of the Leased Property in respect of which there is no substantial interference is less than the annual Base Rental Payments and Additional Rental, in which case rental payments will be abated only by an amount equal to the difference. In the event the City will assign, transfer or sublease any or all of the Leased Property or other rights under the Facility Lease, for purposes of determining the annual fair rental value available to pay Base Rental Payments and Additional Rental, annual fair rental value of the Leased Property will first be allocated to the Facility Lease.

Any abatement of rental payments pursuant to the Facility Lease as described under this subheading will not be considered an Event of Default as defined in the Facility Lease, but will result in the extension of

the Expiry Date by a period equal to the period of abatement for which Base Rental Payment has not been paid in full (but in no event later than October 14, 2041), and Base Rental Payment for such extension period will be equal to the unpaid Base Rental Payments during the period of abatement but without interest thereon. The City waives the benefits of California Civil Code Sections 1932(2) and 1933(4) and any and all other rights to terminate the Facility Lease by virtue of any such interference and the Facility Lease will continue in full force and effect.

(b) In the event that rental is abated, in whole or in part, pursuant to the Facility Lease as described under this subheading due to damage, destruction, title defect or condemnation of any part of the Leased Property and the City is unable to repair, replace or rebuild the Leased Property from the Net Proceeds, if any, the City agrees to apply for and to use its best efforts to obtain any appropriate state and/or federal disaster relief in order to obtain funds to repair, replace or rebuild the Leased Property.

Prepayment of Base Rental Payments.

(a) The Authority grants an option to the City to prepay, from Net Proceeds received by it pursuant to the Facility Lease, all or any portion of the components of Base Rental Payments relating to any portion of the Leased Property then unpaid on any date, in whole or in part, so that the aggregate annual amounts of Base Rental Payments which will be payable after such prepayment date will as nearly as possible increase or decrease to no greater extent from year to year than did annual Base Rental Payments before giving effect to such prepayment of Base Rental Payments, with respect to the portion of the Leased Property so prepaid.

(b) The City may prepay, from any source of available moneys and in accordance with the provisions of the Indenture, all or any part (in an integral multiple of an Authorized Denomination) of the Base Rental Payments then unpaid so that the aggregate annual amounts of Base Rental Payments under the Facility Lease which will be payable after such prepayment date will (i) as nearly as possible increase or decrease to no greater extent from year to year than did annual Base Rental Payments before giving effect to such prepayment of Base Rental Payments, or (ii) not exceed in any year the fair rental value of the Leased Property for such year, at a prepayment amount equal to the principal component prepaid plus accrued interest thereon to the date of prepayment plus any applicable premium.

(c) Before making any prepayment pursuant to the Facility Lease as described under this subheading, at least 45 days before the prepayment date the City shall give written notice to the Authority and the Trustee describing such event and specifying the date on which the prepayment will be made, which date shall be not less than 30 nor more than 60 days from the date such written notice is given to the Authority and the Trustee.

Obligation to Make Rental Payments.

The agreements and covenants on the part of the City contained in the Facility Lease will be deemed to be and will be construed to be ministerial duties imposed by law and it will be the duty of each and every public official of the City to take such action and do such things as are required by law and by the City Charter in the performance of the official duty of such officials to enable the City to carry out and perform the agreements and covenants contained in the Facility Lease agreed to be carried out and performed by the City.

THE OBLIGATION OF THE CITY OF SAN DIEGO TO MAKE BASE RENTAL PAYMENTS DOES NOT CONSTITUTE AN OBLIGATION OF THE CITY FOR WHICH THE CITY IS OBLIGATED TO LEVY OR PLEDGE ANY FORM OF TAXATION OR FOR WHICH THE CITY HAS LEVIED OR PLEDGED ANY FORM OF TAXATION. NEITHER THE REFUNDING BONDS NOR THE OBLIGATION TO MAKE BASE RENTAL PAYMENTS CONSTITUTES AN INDEBTEDNESS OF THE CITY, THE COUNTY OF SAN DIEGO, THE STATE OF CALIFORNIA OR ANY POLITICAL

SUBDIVISION THEREOF WITHIN THE MEANING OF ANY CONSTITUTIONAL OR STATUTORY DEBT LIMITATION OR RESTRICTION.

Additional Bonds.

In addition to the Refunding Bonds to be issued under the Indenture the Authority may, from time to time, but only upon satisfaction of the conditions to the issuance of Additional Bonds set forth in the Indenture, enter into a Supplemental Indenture to execute and deliver Additional Bonds on a parity with the Refunding Bonds and any previously issued Additional Bonds (unless otherwise provided in the related Supplemental Indenture), the proceeds of which may be used as provided in the Indenture and as provided in the Supplemental Indenture; provided that prior to or concurrently with the issuance of the Additional Bonds, the City and the Authority will have entered into an amendment to the Facility Lease providing for an increase in the Base Rental Payments to be made under the Facility Lease subject to the limitations set forth in the Facility Lease pertaining to fair rental value.

Insurance and other Charges

Insurance.

(a) The City will procure or cause to be procured and maintain or cause to be maintained throughout the term of the Facility Lease for the Leased Property insurance against the following risks in the following respective amounts:

(i) Insurance against loss or damage to the Leased Property caused by fire and lightning but exclusive of earthquake, with an extended coverage endorsement covering the risk of vandalism and malicious mischief, sprinkler system leakage and boiler loss. The insurance described in this paragraph (i) will be in an amount equal to the lesser of (A) replacement cost (without deduction for depreciation) of improvements located or to be located on the Leased Property; or (B) the remaining unpaid principal amount of Bonds Outstanding plus the amount of use and occupancy coverage described in paragraph (ii) below, except that such insurance may be subject to deductible clauses of not to exceed the first one hundred thousand dollars (\$100,000) of the amount of any one loss. Insurance described in this paragraph (i) and in paragraph (ii) below may be in the form of a policy which covers the Leased Property and one or more additional parcels of real property insured by the City; provided that the amount of coverage available thereunder will be at least equal to the cumulative replacement values of the Leased Property and any other such property which is the subject of a lease, installment purchase or other financing arrangement (“Financed Property”) for which bonds, certificates of participation or other obligations will have been issued (“Obligations”) plus the amount of use and occupancy coverage required by paragraph (ii) below; in the event the City elects to obtain insurance for the Leased Property and one or more additional parcels of real property and the amount of the insurance proceeds available to pay all claims thereunder is not sufficient to cover the replacement values of all such properties, then any such proceeds will be used first to rebuild or repair the Leased Property and all Financed Properties or to repay all Obligations and the Refunding Bonds.

(ii) Use and occupancy insurance against loss, total or partial, of the use and occupancy of the Ballpark as a result of any of the hazards covered by the insurance required by paragraph (i) above, in an amount sufficient to pay the Base Rental Payments attributable to the Leased Property at the maximum annual debt service for any ensuing twenty-four month period; provided, that the amount of such insurance need not exceed the total remaining Base Rental Payments; provided further, that such insurance may be part of a policy permitted under paragraph (i) above, which policy may provide that insurance proceeds paid for coverages contemplated by paragraph (i) above may reduce amounts payable under coverage required by this paragraph (ii), and vice-versa; the City may obtain use and occupancy insurance covering the Ballpark as well as other parcels of property owned by the City, provided that the cumulative amount thereof is at least equal to the cumulative amount of use and occupancy insurance required by this paragraph (ii) and any agreements relating to Financed Property in respect of which Obligations are outstanding.

(b) The City will adjust all moneys which may become due and payable under any policies contemplated by paragraphs (i) and (ii) above, may compromise any and all claims thereunder and will cause the deposit of the Net Proceeds with the Trustee for application as provided in the Facility Lease or in the Indenture. The Trustee will not be responsible for the sufficiency of any insurance required under the Facility Lease. The Trustee will be fully protected in accepting payment on account of such insurance or any adjustment, compromise or settlement of any loss agreed to by the City.

(c) Any insurance policy issued pursuant to paragraph (a)(i) above will be so written or endorsed as to make losses, if any, payable to the City, the Authority, the Padres and the Trustee as their respective interests may appear and the Net Proceeds of the insurance required by paragraph (a)(i) above will be applied as provided in the Facility Lease. The net proceeds, if any, of the insurance policy described in paragraph (a)(i) above will, to the extent that such proceeds are paid on account of loss or damage to the Leased Property, be payable to the Trustee and deposited in the Insurance Proceeds and Condemnation Awards Fund and applied as described in the Indenture. The net proceeds, if any, of the insurance policy described in paragraph (a)(ii) above will, to the extent that such proceeds relate to the use and occupancy of the Leased Property, be payable to the Trustee and deposited in the Revenue Fund. Each insurance policy provided for in the Facility Lease will contain a provision to the effect that the insurance company will not cancel the policy or modify it materially and adversely to the interests of the Authority and the Trustee without first giving written notice thereof to the Authority and the Trustee at least 60 days in advance of such intended cancellation or modification. If the insurance carrier cannot include this notice provision, the policy shall require the insurance company to so notify the Padres who will notify the Authority and the Trustee.

(d) The City will file a certificate with the Authority and the Trustee no later than May 1 each year, commencing with May 1, 2016, certifying that the insurance required by the Facility Lease is in full force and effect and that the Trustee and the Authority are named as loss payees on each insurance policy which the Facility Lease requires to be so endorsed.

Advances.

In the event the City fails to maintain the full insurance coverage required by the Facility Lease or fails to keep the Leased Property in good repair and operating condition, the Authority may (but will be under no obligation to) purchase the required policies of insurance and pay the premiums on the same or may make such repairs or replacements as are necessary and provide for payment thereof; and all amounts so advanced therefor by the Authority will become Additional Rental, which amounts the City agrees to pay within 30 days of a written request therefor, together with interest thereon at the maximum rate allowed by law.

Title Insurance.

The City covenants and agrees to deliver or cause to be delivered to the Trustee on the Closing Date a CLTA leasehold policy or policies, or a commitment for such policy or policies, with respect to the Leased Property with liability in the aggregate amount equal to the principal amount represented by the Refunding Bonds. Such policy or policies, when issued, will name the Trustee as the insured and will insure the leasehold estate of the Authority under the Site Lease and the City under the Facility Lease in the Leased Property subject only to such exceptions as do not materially affect the City's right to the use and occupancy of the Leased Property.

Damage, Destruction, Title Defect and Condemnation

Damage, Destruction, Title Defect and Condemnation; Use of Net Proceeds.

(a) If prior to the termination of the term of the Facility Lease (i) the Leased Property or any improvements in or on the Leased Property are damaged (each of which is hereinafter called "Damaged Improvements") by a peril covered by a policy of insurance described under "SECURITY AND SOURCES

OF PAYMENT FOR THE SERIES 2015 BONDS – Fire and Extended Coverage Insurance” in the front part of this Official Statement (an “Insured Peril”); or (ii) title to, or the temporary use of, the Leased Property or any portion thereof or the estate of the City or the Authority in the Leased Property or any portion thereof is defective or shall be taken under the exercise of the power of eminent domain by any governmental body or by any person or firm or corporation acting under governmental authority, then the City and the Authority will cause the Net Proceeds of any insurance claim (other than rental interruption insurance as described under “SECURITY AND SOURCES OF PAYMENT FOR THE SERIES 2015 BONDS – Use and Occupancy Insurance” which will be directly transferred to the Trustee for deposit in the Revenue Fund pursuant to the Facility Lease) or condemnation award to be transferred to the Trustee for deposit in the Insurance Proceeds and Condemnation Awards Fund established pursuant to the Indenture and applied as follows:

(i) *Net Proceeds Exceeding Costs.* Within 120 days of the date of said Insured Peril, the City will obtain a written estimate(s) of the (i) cost of the repair, replacement and reconstruction of the Damaged Improvements (collectively referred to herein as the “Reconstruction”); and (ii) Net Proceeds available to pay such costs. Copies of such estimate(s) will be made available to the Trustee at the Trustee’s request. If the 120 day period is insufficient to obtain said estimates, the period will be reasonably extended by the Mayor or Chief Financial Officer of the City. If the Net Proceeds (not including proceeds of any policy of title insurance or condemnation award received by the Trustee in respect of the Leased Property) exceed the estimated costs of Reconstruction, the Damaged Improvements will be repaired, replaced and reconstructed to the same or better quality as existed before the damage occurred. The City will commence and manage the Reconstruction and will complete the Reconstruction as soon as reasonably possible after the occurrence of such damage. Any balance of Net Proceeds remaining after the Reconstruction has been completed will be transferred to the Trustee with directions to apply the proceeds to the Redemption Fund established under the Indenture to redeem Outstanding Bonds in the manner provided by the Indenture as described under “THE SERIES 2015 BONDS – Redemption Provisions – *Special Mandatory Redemption*” in the front part of this Official Statement.

(ii) *Costs Exceeding Net Proceeds.* If the estimated costs of Reconstruction exceed the Net Proceeds (not including proceeds of any policy of title insurance or condemnation award received by the Trustee in respect of the Leased Property), the City, in its sole discretion, may elect to budget and appropriate to the Reconstruction the amount of such excess, whether the same is greater or less than the estimated excess, and to manage the Reconstruction as set forth in paragraph (a)(v) under this subheading. The City will exercise this election by written notice thereof delivered to the Trustee within 30 days after the City obtains said written estimate(s).

(iii) *Net Proceeds Sufficient to Redeem All Bonds.* If the City does not exercise the election to reconstruct pursuant to paragraph (a)(ii) above and Net Proceeds are at least sufficient to redeem all Outstanding Bonds pursuant to the Indenture as described under “THE SERIES 2015 BONDS – Redemption Provisions – *Special Mandatory Redemption*” in the front part of this Official Statement, such Net Proceeds will be transferred to the Trustee with directions to apply the proceeds to the Redemption Fund established under the Indenture to redeem all Outstanding Bonds in the manner provided by the Indenture as described under “THE SERIES 2015 BONDS – Redemption Provisions – *Special Mandatory Redemption*” in the front part of this Official Statement. If the Net Proceeds (not including proceeds of any policy of title insurance or condemnation award received by the Trustee in respect of the Leased Property) exceed the amount necessary to redeem all Outstanding Bonds, the City will be entitled to the amount of proceeds remaining after redemption of all Outstanding Bonds (“Excess Proceeds”) and such Excess Proceeds will be transferred to the City to use for any lawful purpose.

(iv) *Net Proceeds Insufficient to Redeem All Bonds.* If the City does not exercise the election to reconstruct pursuant to paragraph (a)(ii) above and Net Proceeds are insufficient to redeem all Outstanding Bonds pursuant to the Indenture as described under “THE SERIES 2015 BONDS –

Redemption Provisions – *Special Mandatory Redemption*” in the front part of this Official Statement, the City, in its sole discretion, may elect to budget and appropriate funds to cause the redemption of the remaining Outstanding Bonds and the Net Proceeds, together with such funds, will be transferred to the Trustee with directions to apply the proceeds to the Redemption Fund established under the Indenture to redeem all Outstanding Bonds in the manner provided by the Indenture described under “THE SERIES 2015 BONDS – Redemption Provisions – *Special Mandatory Redemption*” in the front part of this Official Statement; provided, that if the City elects not to appropriate funds for the redemption of the remaining Outstanding Bonds, the City will apply Net Proceeds (not including proceeds of any policy of title insurance or condemnation award received by the Trustee in respect of the Leased Property) to the Reconstruction. If the City, in its sole discretion, elects to budget or appropriate funds for the redemption of the remaining Outstanding Bonds, the City will transfer such funds to the Trustee for deposit in the Redemption Fund established pursuant to the Indenture.

(v) *Management of Reconstruction.* If the Leased Property or any part thereof becomes Damaged Improvements, the City will promptly cause, manage and supervise the Reconstruction. Nothing described under this subheading will be construed to preclude the City and the Padres from cooperating in the Reconstruction of any of the Damaged Improvements, including executing a joint contract for the Reconstruction under which the Padres may act as the agent for the City, subject to revocation if the Padres do not diligently pursue the Reconstruction.

(b) The proceeds of any policy of title insurance or condemnation award received by the Trustee in respect of the Leased Property will be applied in accordance with the Indenture as described under “THE INDENTURE – Revenues; Funds and Accounts; Payment of Principal and Interest – *Insurance and Condemnation Fund; Title Insurance – Application of Insurance Proceeds*” above.

Disclaimer of Warranties; Use of the Leased Property

Disclaimer of Warranties.

THE AUTHORITY MAKES NO AGREEMENT, WARRANTY OR REPRESENTATION, EITHER EXPRESS OR IMPLIED, AS TO THE VALUE, DESIGN, CONDITION, MERCHANTABILITY OR FITNESS FOR PARTICULAR PURPOSE OR FITNESS FOR USE OF THE LEASED PROPERTY, OR WARRANTY WITH RESPECT THERETO. THE CITY ACKNOWLEDGES THAT THE AUTHORITY IS NOT A MANUFACTURER OF ANY PORTION OF THE LEASED PROPERTY OR A DEALER THEREIN, THAT THE CITY LEASES THE LEASED PROPERTY AS-IS, IT BEING AGREED THAT ALL OF THE AFOREMENTIONED RISKS ARE TO BE BORNE BY THE CITY. In no event will the Authority or its assigns be liable for any incidental, indirect, special, punitive or consequential damage in connection with or arising out of the Facility Lease or the existence, furnishing, functioning or the City’s use of the Leased Property as provided by the Facility Lease.

Use of the Leased Property.

The City will not use, operate or maintain the Leased Property in violation of any applicable law or in a manner contrary to that contemplated by the Facility Lease. The City will provide all permits and licenses, if any, necessary for the use of the Leased Property. In addition, the City agrees to comply in all respects (including, without limitation, with respect to the use, maintenance and operation of each portion of the Leased Property) with all laws of the jurisdictions in which its operations involving any portion of the Leased Property may extend and any legislative, executive, administrative or judicial body exercising any power or jurisdiction over the Leased Property; provided, that the City may contest in good faith the validity or application of any such law or rule in any reasonable manner which does not, in the opinion of the City adversely affect the estate of the Authority in and to the Leased Property or its interest or rights under the Facility Lease.

Assignment and Indemnification

Assignment by Authority.

The parties understand that certain of the rights of the Authority under the Facility Lease will be assigned to the Trustee pursuant to the Indenture and accordingly the City agrees to make all payments due under the Facility Lease to the Trustee, notwithstanding any claim, defense, setoff or counterclaim whatsoever (whether arising from a breach of the Facility Lease or otherwise) that the City may from time to time have against the Authority. The City agrees to execute all documents, including notices of assignment and chattel mortgages or financing statements, which may be reasonably requested by the Authority or the Trustee to protect their interests in the Leased Property during the term of the Facility Lease.

Assignment by City.

The Facility Lease and the interest of the City in the Leased Property may not be assigned or encumbered by the City except as permitted by the Facility Lease as described under “SECURITY AND SOURCES OF PAYMENT FOR THE SERIES 2015 BONDS – Repair and Maintenance; Taxes and Assessments; Insurance; Modification of the Leased Property” in the front part of this Official Statement.

Indemnification.

The City will, to the full extent permitted by law, indemnify, protect, hold harmless, save and keep harmless the Authority and the Trustee and their respective directors, officers and employees from and against any and all liability, obligations, losses, claims and damages whatsoever, regardless of the cause thereof, and expenses in connection therewith, including, without limitation, counsel fees and expenses as incurred, penalties and interest (collectively, a “Claim”), arising out of or as the result of entering into the Financing Documents, and the acquisition, construction, reconstruction, operation, use, condition, or possession of the Leased Property and any portion thereof, including:

- (a) any accident in connection with the operation, use, condition or possession of the Leased Property and any portion thereof, resulting in damage to property or injury to or death to any person including, without limitation, any Claim alleging latent and other defects, whether or not discoverable by the City or the Authority;
- (b) patent, trademark or copyright infringement as a consequence of the operation of the Leased Property and any portion thereof;
- (c) strict liability in tort as a consequence of the operation of the Leased Property and any portion thereof;
- (d) any environmental law or regulation as a consequence of the operation of the Leased Property;
- (e) delivery, storage or release of hazardous materials at the Leased Property or any part thereof, or the contamination of property arising therefrom; and
- (f) the Trustee’s acceptance or administration of the trusts imposed by the Indenture, including performance of the Trustee’s duties, to the extent provided in the Facility Lease;

except that the City will not indemnify or be obligated to indemnify for a Claim arising out of or relating to any act or omission of the Padres arising from the operation of the Ballpark.

Default

Default.

(a) The following events will be “Events of Default” under the Facility Lease and the terms “Event of Default” and “Default” shall mean, whenever they are used in the Facility Lease, any one or more of the following events:

(i) the City will fail to deposit with the Trustee any Base Rental Payment required to be so deposited by the close of business on the day such deposit is required pursuant to the Facility Lease, provided, that the failure to deposit any Base Rental Payments abated pursuant to the Facility Lease will not constitute an Event of Default;

(ii) subject to the provisions described in paragraph (c) below, the City fails to pay any item of Additional Rental when the same becomes due and payable pursuant to the Facility Lease; or

(iii) the City will breach any other terms, covenants or conditions contained in the Facility Lease or in the Indenture, and shall fail to remedy any such breach with all reasonable dispatch within a period of 30 days after written notice thereof from the Authority to the City; provided, however, that if the failure stated in the notice cannot be corrected within such period, then the Authority will not unreasonably withhold its consent to an extension of such time if corrective action is instituted by the City within such period and is diligently pursued until the default is corrected.

(b) Upon the happening of any Event of Default, the Authority or its assignee, subject to the terms of the Facility Lease, may exercise only those remedies granted to it under the Facility Lease and no other. Such remedies will consist solely and exclusively of commencing an action to recover any amount of unpaid amounts of Base Rental Payments then due and owing under the Facility Lease or to seek by writ of mandate (1) the performance by the City of any action which the City failed to take which resulted in an Event of Default, or (2) the prevention of action by the City the occurrence of which resulted in an Event of Default; **PROVIDED, HOWEVER, THE AUTHORITY WILL NOT HAVE ANY RIGHTS OF RE-ENTRY UPON OR RECOVERY OF POSSESSION OF THE LEASED PROPERTY, AND THE AUTHORITY, FOR ITSELF AND ASSIGNS WAIVES ANY AND ALL SUCH RIGHTS OF RE-ENTRY AND RECOVERY AND AGREES TO KEEP THE LEASE IN FULL FORCE AND EFFECT NOTWITHSTANDING THE OCCURRENCE OF AN EVENT OF DEFAULT OR AN EVENT WHICH WITH THE PASSAGE OF TIME OR THE GIVING OF NOTICE OR BOTH COULD BECOME AN EVENT OF DEFAULT.**

(c) The Authority expressly waives the right to receive any amount from the City pursuant to Section 1951.2(a)(3) of the California Civil Code.

(d) In addition to any default resulting from breach by the City of any agreement, condition, covenant or term of the Facility Lease, if (i) the City’s interest under the Facility Lease or any part thereof be assigned, sublet or transferred without the written consent of the Authority (except as otherwise permitted by the Facility Lease), either voluntarily or by operation of law; or (ii) the City or any assignee shall file any petition or institute any proceedings under any act or acts, state or federal, dealing with or relating to the subject of bankruptcy or insolvency or under any amendment of such act or acts, either as a bankrupt or as an insolvent or as a debtor or in any similar capacity, wherein or whereby the City asks or seeks or prays to be adjudicated a bankrupt, or is to be discharged from any or all of its debts or obligations, or offers to its creditors to effect a composition or extension of time to pay its debts, or asks, seeks or prays for a reorganization or to effect a plan of reorganization or for a readjustment of its debts or for any other similar relief, or if the City will make a general or any assignment for the benefit of its creditors; or (iii) the City will

abandon or vacate the Leased Property or any portion thereof (except as permitted by the Facility Lease); then in each and every such case an Event of Default will be deemed to have occurred under the Facility Lease.

(e) The City and Authority and its successors and assigns will honor the exclusive rights of the City under the Facility Lease to use the Leased Property.

Miscellaneous

Net Lease.

The Facility Lease is a triple net lease. It is the purpose and intent of the Authority and the City that lease payments under the Facility Lease will be absolutely net to the Authority so that the Facility Lease will yield to the Authority the lease payments, free of any charges, assessments or impositions of any kind charged, assessed or imposed on or against the Leased Property, and without counterclaim, deduction, defense, deferment or set-off by the City except as specifically otherwise provided in the Facility Lease. The Authority will not be expected or required to pay any such charge, assessment or imposition, or be under any obligation or liability under the Facility Lease except as expressly set forth in the Facility Lease, and all costs, expenses and obligations of any kind relating to the maintenance and operation of the Leased Property which may arise or become due during the term of the Facility Lease will be paid by the City.

Amendments to Facility Lease.

(a) The Facility Lease may be amended in writing as may be mutually agreed by the Authority and the City, subject to the written approval of the Trustee; provided, however, that no such amendment which materially adversely affects the rights of the Owners will be effective unless it will have been consented to by the Owners of more than 50% in principal amount of the Bonds Outstanding, and provided further, that no such amendment will (i) extend the payment date of any Base Rental Payment, or reduce the interest, principal or prepayment premium component of any Base Rental Payment, without the prior written consent of the Owner of each Bond so affected; or (ii) reduce the percentage of the value of the Bonds Outstanding the consent of the Owners of which is required for the execution of any amendment of the Facility Lease.

(b) The Facility Lease and the rights and obligations of the Authority and the City under the Facility Lease may also be amended or supplemented at any time by an amendment of the Facility Lease or supplement to the Facility Lease which will become binding upon execution without the written consents of any Owners, but only to the extent permitted by law and only for any one or more of the following purposes:

(i) to add to the agreements, conditions, covenants and terms required by the Authority or the City to be observed or performed in the Facility Lease and other agreements, conditions, covenants and terms thereafter to be observed or performed by the Authority or the City, or to surrender any right or power reserved in the Facility Lease to or conferred in the Facility Lease on the Authority or the City, and which in either case will not materially adversely affect the interests of the Owners;

(ii) to make such provisions for the purpose of curing any ambiguity or of correcting, curing or supplementing any defective provision contained in the Facility Lease or in regard to questions arising under the Facility Lease which the Authority or the City may deem desirable or necessary and not inconsistent with the Facility Lease, and which will not materially adversely affect the interests of the Owners;

(iii) to effect a Substitution or Removal in accordance with the Facility Lease;

(iv) to facilitate the issuance of Additional Bonds in accordance with the Facility Lease;

or

(v) to make any other addition, amendment or deletion which does not materially adversely affect the interests of the Owners.

Discharge of City.

Upon the payment to the Owners of all Outstanding Bonds in accordance with the provisions of the Indenture described herein under the subheading “THE INDENTURE – Defeasance,” all of the obligations of the City under the Facility Lease will thereupon cease, terminate and become void and will be discharged and satisfied.

THE SITE LEASE

Certain provisions of the Site Lease are summarized below. This summary does not purport to be complete or definitive and is qualified in its entirety by reference to the Site Lease.

Lease of the Leased Property

The City leases to the Authority and the Authority rents and hires from the City, on the terms and conditions set forth in the Site Lease, the Leased Property.

Term

The term of the Site Lease commenced on February 14, 2002 and will end on the Expiry Date, unless such term is sooner terminated as provided in the Facility Lease. If prior to the Expiry Date, all rental payable under the Facility Lease will have been paid, or provision therefor has been made in accordance with the Indenture, the term of the Site Lease will end the first Business Day thereafter or ten (10) days after written notice by the Authority to the City in accordance with the Site Lease to the effect that the rental payable under the Facility Lease is fully paid and all Refunding Bonds have been fully paid, whichever is earlier. The term of the Site Lease will not be extended beyond the Expiry Date except as otherwise provided in the Facility Lease.

Rent

The Authority will pay to the City an advance rent of \$1.00 as full consideration for the Site Lease over its term. The Authority waives any right that it may have under the laws of the State of California to receive a rebate of such rent in full or in part in the event there is a substantial interference with the use and right of possession by the Authority of the Leased Property or portion thereof as a result of material damage, destruction or condemnation.

Purpose

The Authority will use the Leased Property solely for the purpose of subleasing the same to the City and the City leases the Leased Property to the Authority expressly on said condition; provided, however, that in the event of default by the City under the Facility Lease, the Authority may exercise the remedies provided in the Facility Lease.

Owner in Fee

The City covenants that it has the right to lease the Leased Property under the Site Lease free and clear of all liens, claims or encumbrances which affect marketability.

Assignments and Subleases

The Authority may not, without the prior written consent of the City, assign its rights under the Site Lease or sublet the Leased Property, except as contemplated by the Facility Lease and as security for the Series 2015 Bonds and any Additional Bonds.

Right of Entry

The City reserves the right for any of its duly authorized representatives to enter upon the Leased Property at any reasonable time to inspect the same or to make any repairs, improvements or changes necessary for the preservation thereof.

Termination

The Authority agrees, upon the termination of the Site Lease, to quit and surrender the Leased Property in the same good order and condition as the same was in at the time of commencement of the term of the Site Lease, reasonable wear and tear excepted, and agrees that any additions, improvements or alterations to the Leased Property at the time of the termination of the Site Lease will remain thereon and title thereto will vest in the City.

Default

In the event the Authority will be in default in the performance of any obligation on its part to be performed under the terms of the Site Lease, which default continues for thirty (30) days following notice and demand for correction thereof to the Authority, the City may exercise any and all remedies granted by law, except that no merger of the Site Lease and the Facility Lease will be deemed to occur as a result thereof; provided, prior to the Expiry Date, the City will have no power to terminate the Site Lease by reason of any default on the part of the Authority, if such termination would affect or impair any assignment of the Facility Lease then in effect between the Authority and the Trustee.

Quiet Enjoyment

The Authority at all times during the term of the Site Lease will peaceably and quietly have, hold and enjoy the Leased Property without suit, trouble or hindrance from the City.

Waiver of Personal Liability

All liabilities under the Site Lease on the part of the Authority will be solely corporate liabilities of the Authority, and the City releases each and every director, officer and employee of the Authority of and from any personal or individual liability under the Site Lease. No director, officer or employee of the Authority will at any time or under any circumstances be individually or personally liable under the Site Lease for anything done or omitted to be done by the Authority under the Site Lease.

Eminent Domain

In the event the whole or any portion of the Leased Property is taken by eminent domain proceedings, any interests of the Authority will be recognized in accordance with the provisions of the Facility Lease described under the subheading “- Damage, Destruction, Title Defect and Condemnation; Use of Net Proceeds.”

Amendments

The Site Lease may be amended for the purpose of effecting a Substitution or Removal, as further described in the Facility Lease.

THE JOINT USE AND MANAGEMENT AGREEMENT

Certain provisions of the Joint Use and Management Agreement are summarized below. This summary does not purport to be complete or definitive and is qualified in its entirety by reference to the Joint Use and Management Agreement

The Joint Use and Management Agreement governs the day-to-day use and occupancy of the Ballpark Facility, outlines obligations of the parties regarding scheduling of events, revenue sharing for such events, obligations to pay expenses of operating the Ballpark Facility, defines rights of access and promotion related to the Ballpark Facility, and the cleaning, maintenance, and capital repair of the Ballpark Facility. The City Council adopted Resolution Number R-292706 on February 1, 2000, authorizing the execution of the Joint Use and Management Agreement. On May 21, 2012, the City and the Padres entered into Amendment No. 1 to Joint Use and Management Agreement (“Amendment No. 1”).

The Joint Use and Management Agreement sets forth the clear priority of the terms, covenants, and provisions of the Site Lease, the Ballpark Facility Lease, the Indenture, and the MOU.

Term and Rent

The term of the Joint Use and Management Agreement shall expire on the earlier of:

- (i) the date the agreement is terminated in accordance with its terms or is otherwise terminated by written agreement of the City and the Padres, or upon termination prior to the Commencement Date of the obligations of the parties under the MOU in accordance with the terms of the MOU or by agreement of the parties to the MOU; or
- (ii) the date that is the later of twenty-two years after the Commencement Date or the earlier of the expiration date of the initial City Financing (including refinancing) or thirty years after the Commencement Date.

The Padres have the option to extend the agreement for two five-year terms by delivering a written notice of intent to renew at least 365 days prior to the end of that term. The Padres are obligated to pay rent to the City in recognition for the rights granted to it by the City. Annual rent is now \$632,992 subject to adjustment after each five-year interval in an amount equal to the percentage increase, if any, in the CPI for that five-year interval. The rent is payable semi-annually. In addition, the net incremental revenue or net incremental loss for events other than baseball games held at the Ballpark is allocated 70% to the Padres and 30% to the City. Under Amendment No. 1, the Padres have agreed to pay the City a minimum of \$300,000 in net incremental revenue each fiscal year.

Use and Occupancy

The Padres shall be entitled to use the Ballpark Facility for such events and activities as may be permitted by law, including:

- (i) up to 125 days during each calendar year included in the term for Padres Games and Events;
- (ii) the year-round operation, maintenance and repair of the Ballpark Facility;
- (iii) the installation and construction of Improvements;
- (iv) the occupancy and operation of the Padres Offices for general office and administrative purposes;

- (v) the sale of food and alcoholic and non-alcoholic beverages, souvenirs and other items normally considered “concessions”;
- (vi) the promotion, marketing, and licensing of Private Suites;
- (vii) the sale of advertising; and
- (viii) any and all other activities which, from time to time during the term, are associated with, are customarily conducted in connection with, or are related to, the conduct of the business of a Major League Baseball team.

The City shall be entitled to use the Ballpark Facility for such events and activities as may be permitted by law, including:

- (i) up to 240 days during each calendar year included in the term for City Events;
- (ii) the installation and construction of Improvements to the City Exclusive Use Areas at reasonable times and after reasonable notice to the Padres as manager of the Ballpark Facility; and
- (iii) the occupancy and operation of the City Exclusive Use Areas for their intended purposes.

Scheduling and Accounting

The City and the Padres agree to recognize and in good faith, attempt to accommodate the legitimate interests of the other with respect to the scheduling of Events at the Ballpark Facility. The Padres will establish and maintain the master calendar for Events at the Ballpark Facility and an accounting system that tracks separate and joint expenses and revenues. The agreement sets out the scheduling priorities and the respective allocation of revenues for the different events.

Management, Maintenance, Repair and Improvements

The Padres are responsible for all Ballpark Facility management. Upon notice from the City to the Padres of two (2) alleged defaults of the Padres’ performance of material Ballpark Facility management obligations and failure of the Padres to cure the alleged defaults, the parties shall enter binding arbitration to determine their respective rights. If the arbitration decision rendered determines that the Padres did fail to timely perform the Padres’ material Ballpark Facility management obligations and failed to cure such defaults, then the City can terminate the Ballpark Facility management responsibilities of the Padres and select a nationally recognized management company to manage the Ballpark Facility. Any such termination of Ballpark Facility management responsibilities will not have any effect on the Padres’ tenancy, rent and other rights and obligations.

The Padres will also be responsible for performing the day-to-day landscaping and maintenance of the playing field and other portions of the Ballpark Facility. Furthermore, the Padres will provide regular cleaning and trash removal services, utilities, supervising personnel, crowd control and management services, emergency medical assistance, security guards and night watchmen, all necessary emergency maintenance and repairs and improvements which directly affect the public’s safety. The City will be responsible for traffic and public safety personnel, and other customary City operations.

Ownership and Operating Expenses

The Padres will provide and bear all costs of acquisition of all Padres Property and all taxes relating the property. Upon the expiration of the term of the agreement or any earlier termination of the agreement, all

Padres Property will be automatically transferred to the City, without further consideration, free and clear of all liens and obligations.

Joint Ballpark ownership expenses include the following costs associated with the maintenance, repair, operation, use and ownership of the Ballpark Facility:

- (i) wages, salaries, and benefits of all year-round event staff, year-round maintenance, repair, operations and security staff, together with taxes and insurance related thereto;
- (ii) the cost of all supplies and materials used by the Padres in the routine maintenance, repair and operation of the Ballpark Facility;
- (iii) the cost of all utilities for the Ballpark Facility;
- (iv) the costs of all routine maintenance, repair, and upkeep for the Ballpark Facility;
- (v) the assessments imposed upon the owner of the underlying Ballpark Facility;
- (vi) the costs of all insurance;
- (vii) the costs of all professional fees; and
- (viii) any common area maintenance costs related to the Ballpark Facility;

For each fiscal year, the City shall pay to the Padres the amount (the “City Share of Joint Ballpark Expenses”) equal to the lesser of:

- (i) seventy percent (70%) of the joint ownership expenses for such fiscal year; or
- (ii) the City’s joint expense cap for such fiscal year.

For the fiscal year that includes the Commencement Date, the City’s joint expense cap shall be three million five hundred thousand dollars (\$3,500,000) increased in each subsequent year by the percentage increase, if any, in (i) the CPI for the period which includes January 1 in such fiscal year, over (ii) the CPI for the period which includes January 1 in the previous fiscal year.

Approved Capital Expenditures shall be paid for with funds on deposit in the capital expenditure reserve fund, created by the Joint Use and Management Agreement. The Padres shall be responsible for the timely payment of all approved Capital Expenditures that cannot be paid out of the then-remaining balance in the capital expenditure reserve fund. Under Amendment No. 1, the Padres have agreed to make capital expenditures on an average annual basis over the remaining term of the Agreement of not less than \$1,000,000 per year.

The Joint Use and Management Agreement sets forth the Padres’ rights and obligations to install fixtures and equipment owned by the Padres into the Ballpark Facility. The Padres may not remove such items and must repair or replace the items when damaged. Such fixtures and equipment, the Padres Property, reverts to the ownership of the City upon the termination of the Joint Use and Management Agreement. Due to the reversionary interest of the City in the Padres Property, the Padres have granted a first priority lien on such Padres Property to the City (subject to certain restrictions on foreclosure as set forth in the agreement and certain priority granted to lenders or vendors in connection with the acquisition and installation of the Padres Property by the Padres).

Concessions, Advertising, Naming Rights, and Broadcasting

The Padres shall have the right and obligation to select concessionaires for the Ballpark Facility, negotiate and enter into concession agreements for the Ballpark Facility to provide concession services for all events occurring during the term of the agreement. Generally, all concession commissions payable in connection with concessions at Padres' Games and Events shall be retained by the Padres, while all concession commissions payable in connection with concessions at City Events shall be remitted to the City.

The Padres shall have the exclusive right to sell advertising within all parts of the Ballpark Facility, including, subject to all applicable laws, advertising outside the Ballpark Facility, and on the exterior of the Ballpark Facility and/or its systems.

All broadcast fees related to Padres' Games and Events shall be retained and exclusively controlled by the Padres. Broadcast fees for all City Events shall be retained and exclusively controlled by the City.

The Padres shall have the exclusive right to solicit for and enter into agreements granting persons rights to have a name or names associated with all or any portion of the Ballpark Facility on the condition that: (a) the Padres right to so solicit and enter into any such agreement, and the naming rights granted to any person shall not extend beyond the term; (b) the City may elect that any such agreement or naming right is not terminable by the City upon default by the Padres under the Joint Use and Management Agreement; and (c) each name associated with all or any portion of the Ballpark Facility shall be tasteful and not be a cause for embarrassment to the City. The Padres may retain all funds derived before or during the term from the sale of naming rights.

Non-Relocation of the Team and Sale of the Franchise

Generally, the Padres shall not allow any Major League Baseball Game in which it acts as the home team to be played in any facility other than the Ballpark Facility without first obtaining the written approval of the City, which approval may be withheld in its sole and absolute discretion. The Padres may, however, without the City's consent, play a certain number of games outside the continental U.S. and in Asia. During the period after the opening date and for the remainder of the term, the Padres agree not to relocate the team to a location other than the City of San Diego, California.

The Padres have the right to transfer ownership of the Padres' franchise during the term to the extent permitted by Major League Baseball, without the City's consent; provided, however, that in connection with such sale, the new franchise owner must (i) concurrently acquire all of the Padres rights and obligations in, to and under the franchise and the Joint Use and Management Agreement, and (ii) concurrently agree in writing to assume all of the Padres' obligations under the Joint Use and Management Agreement for the remainder of the term.

Insurance and Subrogation

The Padres shall obtain and maintain throughout the term, sufficient insurance to satisfy the requirements of the Site Lease, Ballpark Facility Lease, Recognition and Attornment Agreements, Offering Document, Indenture and all documents related to the issuance of the 2002 Bonds plus the following specific requirements:

- (a) commercial general liability insurance covering the Ballpark Facility and operations with a combined single limit of \$1,000,000 per occurrence;
- (b) excess liability insurance on an "occurrence" form providing a combined bodily injury and property damage limit of \$50,000,000 per occurrence, subject to annual aggregate of \$50,000,000;

- (c) comprehensive business automobile insurance for bodily injury and property damage providing coverage to a combined single limit of \$1,000,000 per occurrence covering all of the Padres owned, hired and non-owned automobiles;
- (d) property insurance upon the City Property and the Padres Property on an “all-risk of loss” form, including coverage for earthquakes (the unavailability of earthquake insurance shall be considered an event of force majeure for so long as it is unavailable). The all-risk property insurance for casualties other than earthquake and flood is in a single limit amount of the greater of replacement cost or the outstanding principal amount of the Series 2015 Bonds, plus rental interruption insurance, subject to a \$100,000 deductible. The property insurance coverage for earthquake set forth in the Joint Use and Management Agreement is the lesser of probable maximum loss caused by earthquake or one-half of replacement cost, but not less than \$50 million, subject to a deductible of 5% of total insured value. However, the current earthquake policy is subject to a \$100 million limit per occurrence. The property insurance coverage for flood set forth in the Joint Use and Management Agreement is the greater of replacement cost or outstanding principal amount of the Series 2015 Bonds, plus rental interruption insurance. However, the current coverage for flood is subject to a deductible of \$1.0 million and a \$275 million limit per occurrence;
- (e) State of California workers compensation insurance with a minimum of \$1,000,000 of employer’s liability coverage; and
- (f) use and occupancy insurance to the extent required in Section 6.03(a)(ii) of the Ballpark Facility Lease.

Right of First Refusal

If during the term of this agreement, the City proposes to sell the City Property to any third party, the City will first make a written offer to sell the property to the Padres on the same terms and conditions as to the third party.

Indemnification

The Padres and the City have certain indemnity obligations to the other parties arising out of the agreement.

Default and Remedies

The occurrence of any one or more of the following events constitutes a default by the Padres under this Agreement:

- (a) failure to pay any sums payable by the Padres to the City for more than 20 days after notice from the City that payment is due;
- (b) failure by the Padres to observe or perform any other covenant, agreement, condition, or provision for more than 30 days after notice from the City;
- (c) The Padres admit in writing their inability to pay the Padres’ debts as they mature or make an assignment for the benefit of creditors, the appointment of a receiver, or bankruptcy, reorganization, receivership, arrangement, insolvency, or liquidation.

The City, as a remedy, may:

- (a) enforce the provisions of the Joint Use and Management Agreement by suit or suits in equity or at law for the specific performance of any covenant or agreement;
- (b) recover monetary damages and all moneys due and not yet paid;
- (c) utilize all California statutory remedies; and
- (d) seek any other relief to the extent permitted by law.

Until such time as a Padres' default is cured, the City may offset any obligation the City otherwise might have to make deposits or payments into the capital expenditure reserve fund and the Padres right to repayment of any interest-free advance shall be tolled.

The Padres further acknowledge that the City will be irreparably harmed by the Padres breach of the exclusive venue, non-relocation, and sale of the franchise covenants and accordingly, the Padres acknowledge and agree that the City has no adequate remedy at law for such breach and therefore in the event of such breach, the City shall, without posting any bond, be entitled to seek and obtain an injunction from any court of competent jurisdiction, to enjoin any violation of these covenants.

The occurrence of any one or more of the following events constitutes a default by the City under the Joint Use and Management Agreement:

- (a) failure to pay any material sums payable for more than twenty (20) days after notice;
- (b) failure of the City to observe or perform any other material covenant or agreement for thirty (30) days after notice;
- (c) a trustee or receiver is appointed for the City for a significant part of its property; or
- (d) bankruptcy, reorganization, receivership provisions are undertaken against the City.

The Padres may enforce the provisions of the Joint Use and Management Agreement and may enforce and protect the rights of the Padres by a suit or suits in equity or law for the specific performance of any covenant or agreement contained herein, including recovery of monetary damages (including consequential damages). The Padres may take action to fund City obligations in this event, but may not undertake their rights to terminate the agreement until a second uncured material default by the City of material covenants has taken place within a single calendar year.

Upon any breach of the Joint Use and Management Agreement by either the City or the Padres, the non-breaching party may set-off such damages as it reasonably determines was sustained, against such payments as the non-breaching party owes or will owe to the other party under the Joint Use and Management Agreement (including, without limitation, the City share of joint ownership expenses, incremental expenses associated with City Events and rent payable by the Padres). Notwithstanding the foregoing, (a) the Padres shall have no set-off right against City Event and 70/30 Event revenues; (b) the City shall not have the right to effect a set-off as a consequence of a failure of the Padres to complete the Phase 1 hotels except to the extent of the City share of the joint ownership expenses; and (c) nothing in the Joint Use and Management Agreement is intended to exculpate a party for damages suffered by the other party (including interest at the default rate) in the event that it affirmatively is determined by a court or arbiter that the first party wrongfully effected a set-off.

This summary is meant to merely highlight, generally, the major terms and conditions of the Joint Use and Management Agreement. This summary must be read in conjunction with the Joint Use and Management Agreement and does not constitute a change of any terms and conditions found in the Joint Use and Management Agreement or the MOU. Please refer to the complete Joint Use and Management Agreement for a discussion of the full terms and conditions evidencing the definitive agreement between the City and the Padres on these matters.

APPENDIX D

FORM OF BOND COUNSEL OPINION

_____, 2015

City of San Diego
San Diego, California

Public Facilities Financing Authority of the City of San Diego
San Diego, California

Re: \$_____ Public Facilities Financing Authority of the City of San Diego Lease Revenue
Refunding Bonds, Series 2015 (Ballpark Refunding)

Ladies and Gentlemen:

We have acted as Bond Counsel to the City of San Diego (the “City”) in connection with the issuance by the Public Facilities Financing Authority of the City of San Diego (the “Authority”) of \$_____ aggregate principal amount of its Lease Revenue Refunding Bonds, Series 2015 (Ballpark Refunding) (the “Bonds”) dated the date hereof. The Bonds are being issued pursuant to an Indenture, dated as of July 1, 2015 (the “Indenture”), by and between the Authority and Wells Fargo Bank, National Association, as trustee (the “Trustee”).

In such connection, we have reviewed: (i) the Indenture; (ii) the Amended and Restated Site Lease, dated as of July 1, 2015 (the “Site Lease”), by and between the City and the Authority; (iii) the Amended and Restated Ballpark Facility Lease, dated as of July 1, 2015 (“Facility Lease”), by and between the Authority and the City; (iv) the Third Reaffirmation of Assignment Agreement, dated as of July 1, 2015 (the “Assignment Agreement”), by and between the Authority and the Trustee; (v) the Indenture, dated as of July 1, 2015 (the “Indenture”), by and between the Authority and the Trustee; (vi) a Tax and Nonarbitrage Certificate of the Authority and the City with Exhibits, dated the date hereof (the “Tax Certificate”); (vii) opinions of the City Attorney, counsel to the Authority and counsel to the Trustee; (viii) certificates of the City, the Trustee, the Authority and others; and (ix) such other documents, opinions and matters to the extent we deemed necessary to render the opinions set forth herein. Capitalized terms not otherwise defined herein shall have the meanings ascribed thereto in the Indenture and the Facility Lease.

The opinions expressed herein are based on an analysis of existing laws, regulations, rulings and court decisions and cover certain matters not directly addressed by such authorities. Such opinions may be affected by actions taken or omitted or events occurring after the date hereof. We have not undertaken to determine, or to inform any person, whether any such actions are taken or omitted or such events do occur or any other matters come to our attention after the date hereof. Our engagement with respect to the Bonds is concluded with their issuance on this date and we disclaim any obligation to update this opinion. We have assumed and relied on, without undertaking to verify, the genuineness of the documents, certificates and opinions presented to us (whether as originals or as copies) and of the signatures thereon, the accuracy of the factual matters represented, warranted or certified in such documents and certificates, the correctness of the legal conclusions contained in such opinions, and the due and legal execution of such documents and certificates by, and validity thereof against, any parties other than the City and the Authority. Furthermore, we have relied upon the accuracy, which we have not independently verified, of the representations and certifications, and have assumed compliance with the covenants, of the City and the Authority in the Site Lease, the Facility Lease, Assignment Agreement, the Indenture, the Tax Certificate and other relevant documents to which each is a party. The rights and obligations under the Bonds, the Site Lease, the Facility Lease, the Assignment

Agreement, the Indenture, and their enforceability, may be subject to bankruptcy, insolvency, reorganization, moratorium, arrangement, fraudulent conveyance and other laws relating to or affecting creditors' rights, to the application of equitable principles, to the exercise of judicial discretion in appropriate cases, and to the limitations on legal remedies against charter cities and joint power authorities in the State of California (the "State"). We express no opinion with respect to any indemnification, contribution, penalty, choice of law, choice of forum or waiver provisions contained in the documents mentioned in the preceding sentence, nor do we express any opinion with respect to the state or quality of title to, or any interest in, any of the Leased Property described in or subject to the Site Lease or the Facility Lease or the accuracy or sufficiency of the description of any such property contained therein. Finally, we undertake no responsibility for the accuracy, completeness or fairness of the Official Statement or other offering material relating to the Bonds and express no opinion with respect thereto.

The Authority, the City, the City in its capacity as the designated successor agency to the former Redevelopment Agency of the City of San Diego, and the Housing Authority of the City of San Diego (the "San Diego Entities") are defendants in litigation challenging the Authority's Lease Revenue Bonds 2015 Series A and 2015 Series B (Capital Improvement Projects) (the "2015 CIP Bonds"). In two separate cases the litigation challenges the City ordinance and the Authority resolutions approving the 2015 CIP Bonds and related documents (the "CIP Bond Approvals"). The San Diego Entities denied the challenges and sought judgments validating the 2015 CIP Bonds and the CIP Bond Approvals.

The San Diego Entities prevailed in both trial court actions and both cases are on appeal. The appeals are not expected to be decided until after the 2015 CIP Bonds and the Series 2015 Bonds have been issued and sold. The San Diego City Attorney has opined that the plaintiff's allegations in the complaints challenging the 2015 CIP Bonds and the CIP Bond Approvals are without merit in that such counsel believes under the law as in effect on the date of such opinion, based on the analysis set forth in such opinion, the California Supreme Court, acting reasonably and properly briefed on the issues, would not conclude that the CIP Bond Approvals are invalid based on such allegations.

The Series 2015 Bonds are not the subject of this litigation. California Code of Civil Procedure Section 863 (made applicable to the Series 2015 Bonds through California Government Code Section 6516.6(e)) provides that any interested person seeking to challenge the validity of the Authority's or the City's action approving the issuance of the Series 2015 Bonds and the related documents must do so within 60 days of the Authority's or the City's adoption of the resolution or ordinance approving such actions. Challenges to such approvals brought after 60 days following the adoption of such approvals should be time barred. The date of final adoption of both the City's ordinance and the Authority's resolution approving the issuance of the Series 2015 Bonds and the related documents was March 17, 2015.

Based on and subject to the foregoing, and in reliance thereon, as of the date hereof and under existing law, we are of the following opinions:

1. The Bonds constitute the valid and binding limited obligations of the Authority as provided in the Indenture.
2. The Indenture has been duly authorized, executed and delivered by, and constitutes the valid and binding obligation of, the Authority. The Indenture creates a valid pledge, to secure the payment of principal of and interest on the Bonds and any Additional Bonds which may subsequently be issued under the Indenture, of the Revenues and other amounts held by the Trustee in certain funds and accounts established pursuant to the Indenture, subject to the provisions of the Indenture permitting the application thereof for other purposes and on the terms and conditions set forth therein.
3. The Assignment Agreement has been duly authorized, executed and delivered by the Authority and creates a valid and enforceable assignment to the Trustee of certain rights of the Authority in the

Facility Lease, including the right to receive the Base Rental Payments from the City to the extent and as more particularly described therein.

4. The Facility Lease and the Site Lease have been duly authorized, executed and delivered by the City and the Authority and constitute the valid and binding obligations of the City and of the Authority, respectively, enforceable against the City and the Authority in accordance with the terms thereof. The obligation of the City to make the Base Rental Payments during the term of the Facility Lease constitutes a valid and binding obligation of the City, payable from funds of the City lawfully available therefor, and does not constitute a debt of the City or of the State or of any political subdivision thereof within the meaning of any constitutional or statutory debt limit or restriction, and does not constitute an obligation for which the City or the State is obligated to levy or pledge any form of taxation or for which the City or the State has levied or pledged any form of taxation.

5. The Internal Revenue Code of 1986 (the "Code") sets forth certain requirements which must be met subsequent to the issuance and delivery of the Bonds for interest thereon to be and remain excluded from gross income for federal income tax purposes. Noncompliance with such requirements could cause the interest on the Bonds to be included in gross income for federal income tax purposes retroactive to the date of issue of the Bonds. Pursuant to the Indenture, the Facility Lease and the Tax Certificate, the Authority and the City have covenanted to comply with the applicable requirements of the Code in order to maintain the exclusion of the interest on the Bonds from gross income for federal income tax purposes pursuant to Section 103 of the Code. In addition, the Authority and the City have made certain representations and certifications in the Indenture, the Facility Lease and the Tax Certificate. We have not independently verified the accuracy of those certifications and representations.

Under existing law, assuming compliance with the tax covenants described herein and the accuracy of the aforementioned representations and certifications, interest on the Bonds is excluded from gross income for federal income tax purposes under Section 103 of the Code. We are also of the opinion that such interest is not treated as a preference item in calculating the alternative minimum tax imposed under the Code with respect to individuals and corporations. Interest on the Bonds is, however, included in the adjusted current earnings of certain corporations for purposes of computing the alternative minimum tax imposed on such corporations.

6. Interest on the Bonds is exempt from personal income taxes of the State under present state law.

7. We are further of the opinion that the difference between the principal amount of the Bonds maturing on October 1, ___ and ___ (the "Discount Bonds") and the initial offering price to the public (excluding bond houses, brokers, or similar persons or organizations acting in the capacity of underwriters or wholesalers) at which price a substantial amount of such Discount Bonds of the same maturity was sold constitutes original issue discount which is excluded from gross income for federal income tax purposes to the same extent as interest on the Bonds. Further, such original issue discount accrues actuarially on a constant interest rate basis over the term of each Discount Bond and the basis of each Discount Bond acquired at such initial offering price by an initial purchaser thereof will be increased by the amount of such accrued original issue discount. The accrual of original issue discount may be taken into account as an increase in the amount of tax-exempt income for purposes of determining various other tax consequences of owning the Discount Bonds, even though there will not be a corresponding cash payment.

The opinions set forth in paragraphs 1 through 3 above assume that the Trustee has duly authenticated the Bonds and that the Indenture and the Assignment Agreement are the legally valid, binding and enforceable agreements of the Trustee.

In rendering the opinions set forth in paragraph 5 and 7 above, we are relying upon representations and covenants of the Authority and the City in the Indenture, the Facility Lease, and the Tax Certificate concerning the investment and use of Bond proceeds, the rebate to the federal government of certain earnings

thereon, and the use of the property and facilities refinanced with the proceeds of the Bonds. In addition, we have assumed that all such representations are true and correct and that the Authority and the City will comply with such covenants. We express no opinion with respect to the exclusion of the interest on the Bonds from gross income under Section 103(a) of the Code in the event that any of such representations are untrue or the Authority or the City fails to comply with such covenants, unless such failure to comply is based on our advice or opinion.

Except as stated in paragraphs 5 through 7 above, we express no opinion as to any other federal, state or local tax consequences of the ownership or disposition of the Bonds. Furthermore, we express no opinion as to any federal, state or local tax law consequences with respect to the Bonds, or the interest thereon, if any action is taken with respect to the Bonds or the proceeds thereof upon the advice or approval of other counsel.

This opinion is expressly limited to the matters set forth above and we render no opinion, whether by implication or otherwise, as to any other matters. We assume no obligation to update or supplement this opinion to reflect any facts or circumstances which may hereafter come to our attention or any changes in laws which may hereafter occur.

We call attention to the fact that the opinions expressed herein and the exclusion from gross income for federal income tax purposes of the interest on the Bonds may be affected by actions taken or omitted or events occurring or failing to occur after the date hereof. We have not undertaken to determine, or inform any person, whether any such actions are taken, omitted, occur or fail to occur.

Respectfully submitted,

APPENDIX E

DTC AND THE BOOK-ENTRY ONLY SYSTEM

None of the City, the Authority, the Trustee or the Underwriters can or do give any assurances that DTC, the Participants or others will distribute payments of principal of or interest on the Series 2015 Bonds paid to DTC or its nominee as the registered owner, or will distribute any prepayment notices or other notices, to the Beneficial Owners, or that they will do so on a timely basis or will serve and act in the manner described in this Official Statement. None of the City, the Authority, the Trustee or the Underwriters are responsible or liable for the failure of DTC or any Participant to make any payment or give any notice to a Beneficial Owner with respect to the Series 2015 Bonds or an error or delay relating thereto.

The following information concerning The Depository Trust Company, New York, New York (“DTC”) and DTC’s book-entry system has been obtained from sources that the City, the Authority and the Underwriters believe to be reliable, but none of the City, the Authority or the Underwriters takes responsibility for the accuracy thereof. Capitalized terms used herein and not otherwise defined herein shall have the meanings set forth in this Official Statement and in APPENDIX C — “SUMMARY OF LEGAL DOCUMENTS.”

DTC will act as securities depository for the Series 2015 Bonds. The Series 2015 Bonds will be issued as fully-registered securities registered in the name of Cede & Co. (DTC’s partnership nominee) or such other name as may be requested by an authorized representative of DTC. One fully-registered Bond certificate will be issued for each maturity of the Series 2015 Bonds, each in the aggregate principal amount of such maturity, and will be deposited with DTC.

DTC, the world’s largest securities depository, is a limited-purpose trust company organized under the New York Banking Law, a “banking organization” within the meaning of the New York Banking Law, a member of the Federal Reserve System, a “clearing corporation” within the meaning of the New York Uniform Commercial Code, and a “clearing agency” registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds and provides asset servicing for over 3.6 million issues of U.S. and non-U.S. equity issues, corporate and municipal debt issues, and money market instruments (from over 100 countries) that DTC’s participants (“Direct Participants”) deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities, through electronic computerized book-entry transfers and pledges between Direct Participants’ accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation (“DTCC”). DTCC is the holding company for DTC, National Securities Clearing Corporation and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by the users of its regulated subsidiaries. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly (“Indirect Participants”). DTC has a Standard & Poor’s rating of AA+. The DTC Rules applicable to its Participants are on file with the Securities and Exchange Commission. More information about DTC can be found at www.dtcc.com.

Purchases of Series 2015 Bonds under the DTC system must be made by or through Direct Participants, which will receive a credit for the Series 2015 Bonds on DTC’s records. The ownership interest of each actual purchaser of each Bond (“Beneficial Owner”) is in turn to be recorded on the Direct and Indirect Participants’ records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Series 2015 Bonds are to be accomplished by entries made on the books of Direct and Indirect Participants acting on behalf of

Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in Series 2015 Bonds, except in the event that use of the book-entry system for the Series 2015 Bonds is discontinued.

To facilitate subsequent transfers, all Series 2015 Bonds deposited by Direct Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co., or such other name as may be requested by an authorized representative of DTC. The deposit of Series 2015 Bonds with DTC and their registration in the name of Cede & Co. or such other DTC nominee do not effect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Series 2015 Bonds; DTC's records reflect only the identity of the Direct Participants to whose accounts such Series 2015 Bonds are credited, which may or may not be the Beneficial Owners. The Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time. Beneficial Owners of Series 2015 Bonds may wish to take certain steps to augment the transmission to them of notices of significant events with respect to the Series 2015 Bonds, such as redemptions, tenders, defaults, and proposed amendments to the Bond documents. For example, Beneficial Owners of Series 2015 Bonds may wish to ascertain that the nominee holding the Series 2015 Bonds for their benefit has agreed to obtain and transmit notices to Beneficial Owners. In the alternative, Beneficial Owners may wish to provide their names and addresses to the registrar and request that copies of notices be provided directly to them.

Redemption notices shall be sent to DTC. If less than all of the Series 2015 Bonds within an issue are being redeemed, DTC's practice is to determine by lot the amount of the interest of each Direct Participant in such issue to be redeemed.

Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to Series 2015 Bonds unless authorized by a Direct Participant in accordance with DTC's MMI Procedures. Under its usual procedures, DTC mails an Omnibus Proxy to the City, as the issuer of the Series 2015 Bonds, as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts Series 2015 Bonds are credited on the record date (identified in a listing attached to the Omnibus Proxy).

Redemption proceeds, distributions, and interest payments on the Series 2015 Bonds will be made to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts upon DTC's receipt of funds and corresponding detail information from the City or the Trustee, on payable date in accordance with their respective holdings shown on DTC's records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Participant and not of DTC, the Trustee, or the City, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of redemption proceeds, distributions, and interest payments to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of the City or the Trustee, disbursement of such payments to Direct Participants will be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners will be the responsibility of Direct and Indirect Participants.

DTC may discontinue providing its services as depository with respect to the Series 2015 Bonds at any time by giving reasonable notice to the City, the Authority or the Trustee. Under such circumstances, in the event that a successor depository is not obtained, certificates for the Series 2015 Bonds are required to be printed and delivered in such principal amount or amounts, in authorized denominations, and registered in whatever name or names DTC shall designate.

The Authority may decide to discontinue use of the system of book-entry-only transfers through DTC (or a successor securities depository). In that event, certificates for the Series 2015 Bonds will be printed and delivered in such principal amount or amounts, in authorized denominations, and registered in whatever name or names DTC shall designate.

The information in this section concerning DTC and DTC's book-entry system has been obtained from sources that the City and the Authority believe to be reliable, but neither the City nor the Authority take any responsibility for the accuracy thereof.

Risks Regarding the Book-Entry Only System

AS LONG AS CEDE & CO. OR ITS SUCCESSOR IS THE REGISTERED HOLDER OF THE SERIES 2015 BONDS, AS NOMINEE OF DTC, REFERENCES HEREIN TO THE REGISTERED HOLDERS OF THE SERIES 2015 BONDS SHALL MEAN CEDE & CO., AS AFORESAID, AND SHALL NOT MEAN THE BENEFICIAL OWNERS OF THE SERIES 2015 BONDS. ANY FAILURE OF DTC TO ADVISE ANY PARTICIPANT, OR OF ANY PARTICIPANT TO NOTIFY ANY BENEFICIAL OWNER, OF ANY NOTICE AND ITS CONTEXT OR EFFECT WILL NOT AFFECT THE VALIDITY OR SUFFICIENCY OF THE PROCEEDINGS RELATING TO THE REDEMPTION OF THE SERIES 2015 BONDS CALLED FOR REDEMPTION OR OF ANY OTHER ACTION PREMISED ON SUCH NOTICE. Each person for whom a Participant acquires an interest in the Series 2015 Bonds, as nominee, may desire to make arrangements with such Participant to receive a credit balance in the records of such Participant, and may desire to make arrangements with such Participant to have all notices of redemption or other communications to DTC, which may affect such person, forwarded in writing by such Participant and to receive notification of all interest payments.

NONE OF THE CITY, THE AUTHORITY, THE TRUSTEE OR THE UNDERWRITERS WILL HAVE ANY RESPONSIBILITY OR OBLIGATION WITH RESPECT TO THE PAYMENTS TO THE DIRECT PARTICIPANTS, ANY INDIRECT PARTICIPANTS OR THE BENEFICIAL OWNERS, THE SELECTION OF THE BENEFICIAL INTERESTS IN THE SERIES 2015 BONDS TO BE REDEEMED IN THE EVENT OF REDEMPTION OF LESS THAN ALL SERIES 2015 BONDS OF A PARTICULAR MATURITY OR THE PROVISION OF NOTICE TO THE DIRECT PARTICIPANTS, ANY INDIRECT PARTICIPANTS OR THE BENEFICIAL OWNERS WITH RESPECT TO THE SERIES 2015 BONDS. NO ASSURANCE CAN BE GIVEN BY THE CITY, THE AUTHORITY THE TRUSTEE OR THE UNDERWRITERS THAT DTC, DIRECT PARTICIPANTS, INDIRECT PARTICIPANTS OR OTHER NOMINEES OF THE BENEFICIAL OWNERS WILL MAKE PROMPT TRANSFER OF PAYMENTS TO THE BENEFICIAL OWNERS, THAT THEY WILL DISTRIBUTE NOTICES, INCLUDING REDEMPTION NOTICES (REFERRED TO ABOVE), RECEIVED AS THE REGISTERED OWNER OF THE SERIES 2015 BONDS TO THE BENEFICIAL OWNERS, THAT THEY WILL DO SO ON A TIMELY BASIS, OR THAT DTC WILL ACT IN THE MANNER DESCRIBED IN THIS OFFICIAL STATEMENT.

In the event the Authority determines not to continue the book-entry system or DTC determines to discontinue its services with respect to the Series 2015 Bonds, and the Authority does not select another qualified securities depository, the Authority shall deliver one or more Series 2015 Bonds in such principal amount or amounts, in authorized denominations, and registered in whatever name or names, as DTC shall designate. In such event, transfer and exchanges of Series 2015 Bonds will be governed by the provisions of the Indenture.

[Remainder of Page Intentionally Left Blank]

APPENDIX F

FORM OF CONTINUING DISCLOSURE CERTIFICATE

This Continuing Disclosure Certificate (this “Certificate”) is executed and delivered by the City of San Diego (the “City”) as of July 1, 2015 in connection with \$_____ aggregate principal amount of Public Facilities Financing Authority of the City of San Diego Lease Revenue Refunding Bonds, Series 2015 (Ballpark Refunding) (the “Series 2015 Bonds”). The Series 2015 Bonds are being issued pursuant to the terms of the Indenture (as defined herein). The City hereby covenants and agrees as follows:

1. **Purpose of Certificate.** This Certificate is being executed and delivered by the City on behalf of the Authority for the benefit of the Bondowners and Beneficial Owners of the Series 2015 Bonds and in order to assist the Participating Underwriters in complying with the Rule (as defined below). The City is the only Obligated Person (as defined in the Rule) for the Series 2015 Bonds.

2. **Definitions.** In addition to the definitions set forth in the Indenture, which apply to any capitalized term used in this Certificate unless otherwise defined in this Section, the following capitalized terms have the following meanings:

“*Annual Report*” means any Annual Report provided by the City pursuant to, and as described in, Sections 3 and 4 of this Certificate.

“*Authority*” means the Public Facilities Financing Authority of the City of San Diego.

“*Beneficial Owner*” means any person which (a) has the power, directly or indirectly, to vote or consent with respect to, or to dispose of ownership of, any Series 2015 Bonds (including persons holding Series 2015 Bonds through nominees, depositories or other intermediaries), or (b) is treated as the owner of any Series 2015 Bonds for federal income tax purposes.

“*Commission*” means the Securities and Exchange Commission.

“*Dissemination Agent*” means the City and any Person designated by the City to serve as Dissemination Agent.

“*Indenture*” means the Indenture, dated as of July 1, 2015, by and between the Authority and the Trustee, as it may from time to time be supplemented, modified or amended by any Supplemental Indenture pursuant to the provisions thereof.

“*MSRB*” means the Municipal Securities Rulemaking Board through its Electronic Municipal Market Access system.

“*Notice Event*” means any of the events listed in Section 5(a) and (b) of this Certificate.

“*Participating Underwriters*” means any of the original purchasers of the Series 2015 Bonds required to comply with the Rule in connection with the offering of the Series 2015 Bonds.

“*Official Statement*” means the Official Statement dated _____, 2015, prepared and distributed in connection with the initial sale of the Series 2015 Bonds.

“*Person*” means any individual, corporation, partnership, joint venture, association, joint stock company, trust, unincorporated organization or government or any agency or political subdivision thereof.

“Rule” means paragraph (b)(5) of Rule 15c2-12 adopted by the Commission under the Securities Exchange Act of 1934, as the same may be amended from time to time, and including any official interpretations thereof issued either before or after the effective date of this Certificate which are applicable to this Certificate.

“Trustee” means Wells Fargo Bank, National Association, or any successor trust under the Indenture.

3. Provision of Annual Reports.

(a) The City shall, or shall cause the Dissemination Agent (if other than the City) to, not later than April 10 each year (or the next succeeding business day, if that day is not a business day) (the “Filing Date”) after the end of the City’s fiscal year (which currently ends June 30th), commencing with the report for the fiscal year ending June 30, 2015, provide to the MSRB, in a format prescribed by the MSRB, copies of an Annual Report which is consistent with the requirements of Section 4 of this Certificate. As of the date of this Certificate, the format prescribed by the MSRB is the Electronic Municipal Market Access (“EMMA”) system. Information regarding requirement for submissions to EMMA is available at emma.msrb.org.

The Annual Report may be submitted as a single document or as separate documents comprising a package, and may include by reference other information as provided in Section 4 of this Certificate; provided that the audited financial statements of the City may be submitted separately from the balance of the Annual Report and later than the date required above for the filing of the Annual Report if they are not available by that date. If the City’s fiscal year changes, it shall give notice of such change in the same manner as for a Notice Event under subsection 5(c).

(b) Not later than 15 Business Days prior to the Filing Date for providing the Annual Report to the MSRB, the City shall provide the Annual Report to the Dissemination Agent (if other than the City). If the City is unable to provide to the MSRB an Annual Report by the Filing Date, the City shall, in a timely manner, send a notice to the MSRB in substantially the form of Exhibit A to this Certificate, in an electronic format as prescribed by the MSRB.

(c) The Dissemination Agent (if other than the City) shall:

(i) determine each year prior to the date for providing the Annual Report the format for filing with the MSRB; and

(ii) file a report with the City certifying that the Annual Report has been provided pursuant to this Certificate, stating the date it was provided to the MSRB.

4. Content of Annual Reports. The City’s Annual Report shall contain or include by reference the following:

(a) The audited financial statements of the City for the fiscal year most recently ended, prepared in accordance with generally accepted accounting principles as promulgated to apply to governmental entities from time to time by the Governmental Accounting Standards Board and reporting standards as set forth by the State Controller in “State of California Accounting Standards and Procedures for Counties.” If the City’s audited financial statements are not available by the time the Annual Report is required to be filed pursuant to subsection 3(a) of this Certificate, the Annual Report shall contain unaudited financial statements in a format similar to the financial statements contained in the Official Statement, and the audited financial statements shall be filed in the same manner as the Annual Report when they become available.

(b) To the extent not included in the financial statements, the following types of information will be provided in one or more reports in a format similar to that in the Official Statement:

(i) An update to the information generally in the form presented in Table A-3 (titled “City of San Diego General Fund Operating Budget Summary”) of Appendix A to the Official Statement for the most recently completed Fiscal Year.

(ii) An update to the information generally in the form presented in Table A-4 (titled “Assessed Valuation”) of Appendix A to the Official Statement for the most recently completed Fiscal Year.

(iii) An update to the information generally in the form presented in Table A-5 (titled “Secured Tax Levies and Collections”) of Appendix A to the Official Statement for the most recently completed Fiscal Year.

(iv) An update of the information generally in the form presented in Table A-8 (titled “City of San Diego Schedule of Funding Progress”) of Appendix A to the Official Statement for the most recently completed Fiscal Year.

(v) An update for the information generally in the form presented in Table A-9 (titled “City of San Diego Pension Contribution”) of Appendix A to the Official Statement, for the most recently completed Fiscal Year.

(vi) An update to the information generally in the form presented in Table A-11 (titled “Schedule of Funding Progress (DB OPEB Plan)”) of Appendix A to the Official Statement for the most recently completed Fiscal Year.

(vii) An update to the information generally in the form presented in Table A-15 (titled “City of San Diego General Fund Lease Obligations and General Fund Obligations”) of Appendix A to the Official Statement for the most recently completed Fiscal Year.

(viii) An update to the information generally in the form presented in Table A-16 (titled “City of San Diego General Fund Supported Obligations”) of Appendix A to the Official Statement for the most recently completed Fiscal Year.

Any or all of the items listed above may be included by specific reference to other documents, including official statements of debt issues of the City or related public entities, which have been submitted to the MSRB or the Commission. The City shall clearly identify each such other document so included by reference.

The contents, presentation and format of the Annual Reports may be modified from time to time as determined in the judgment of the City to conform to changes in accounting or disclosure principles or practices and legal requirements followed by or applicable to the City or to reflect changes in the business, structure, operations, legal form of the City or any mergers, consolidations, acquisitions or dispositions made by or affecting the City; provided that any such modifications shall comply with the requirements of the Rule.

5. Reporting of Significant Events.

(a) Pursuant to the provisions of this Section 5, the City shall give, or cause to be given, notice of the occurrence of any of the following events with respect to the Series 2015 Bonds, in a timely manner not in excess of ten (10) Business Days after the occurrence of such Notice Event to the MSRB through EMMA:

(i) principal and interest payment delinquencies;

- (ii) unscheduled draws on debt service reserves reflecting financial difficulties^{*};
- (iii) unscheduled draws on credit enhancements reflecting financial difficulties^{**};
- (iv) substitution of credit or liquidity providers, or their failure to perform^{**};
- (v) adverse tax opinions or the issuance by the Internal Revenue Service of proposed or final determinations of taxability or Notices of Proposed Issue (IRS Form 5701-TEB);
- (vi) tender offers;
- (vii) defeasances;
- (viii) rating changes; and
- (ix) bankruptcy, insolvency, receivership or similar event of the City (such event being considered to occur when any of the following occur: the appointment of a receiver, fiscal agent or similar officer for the City in a proceeding under the U.S. Bankruptcy Code or in any other proceeding under state or federal law in which a court or government authority has assumed jurisdiction over substantially all of the assets or business of the City, or if such jurisdiction has been assumed by leaving the existing governing body and officials or officers in possession but subject to the supervision and orders of a court or governmental authority, or the entry of an order confirming a plan of reorganization, arrangement or liquidation by a court or governmental authority having supervision or jurisdiction over substantially all of the assets or business of the City).

(b) Pursuant to the provisions of this Section 5, the City shall give, or cause to be given, notice of the occurrence of any of the following events with respect to the Series 2015 Bonds, if material, in a timely manner not in excess of ten (10) Business Days after the occurrence of such Notice Event to the MSRB through EMMA:

- (i) non-payment related defaults;
- (ii) Unless described in Section 5(a)(v), other notices or determinations with respect to the tax status of the Series 2015 Bonds, or other events affecting the tax status of the Series 2015 Bonds;
- (iii) modifications to rights of the holders of the Series 2015 Bonds;
- (iv) bond calls^{***};
- (v) release, substitution or sale of property securing repayment of the Series 2015 Bonds;
- (vi) the consummation of a merger, consolidation, or acquisition involving the City or the sale of all or substantially all of the assets thereof, other than in the ordinary

* The City will not establish or maintain a reserve fund for the Series 2015 Bonds.

** The City has not obtained or provided, and does not expect to obtain or provide, any credit enhancements or credit or liquidity providers for the Series 2015 Bonds.

*** Any scheduled redemption of Series 2015 Bonds pursuant to mandatory sinking fund redemption requirements does not constitute a Notice Event within the meaning of the Rule.

course of business, the entry into a definitive agreement to undertake such an action or the termination of a definitive agreement relating to any such actions, other than pursuant to its terms; and

(vii) appointment of a successor or additional trustee or the change of name of a trustee.

(c) If the City determines that knowledge of the occurrence of a Notice Event under subsection (b) above would be material under applicable federal securities laws, the City shall promptly file, or cause to be filed, a notice of such event with the MSRB through EMMA. Notwithstanding the foregoing, notice of Notice Events described in subsections (a)(vii) and (b)(iv) above need not be given under this subsection (c) any earlier than the notice, if any, of the underlying event is given to Owners of affected Bonds pursuant to the Indenture.

6. Termination of Reporting Obligation. The City's obligations under this Certificate shall terminate upon the legal defeasance, prior redemption or payment in full of all of the Series 2015 Bonds. If such termination occurs prior to the final maturity of the Series 2015 Bonds, the City shall give notice of such termination in the same manner as for a Notice Event under subsection 5(c).

7. Dissemination Agent. The City may, from time to time, appoint or engage a Dissemination Agent to assist it in carrying out its obligation under this Certificate, and may discharge any such Dissemination Agent, with or without appointing a successor Dissemination Agent. The Dissemination Agent, if other than the City, shall not be responsible in any manner for the content of any notice or report prepared by the City pursuant to this Certificate. The initial Dissemination Agent shall be the City.

8. Amendment: Waiver. Notwithstanding any other provision of this Certificate, the City may amend this Certificate, and any provision of this Certificate may be waived, provided that the following conditions are satisfied:

(a) If the amendment or waiver relates to the provisions of subsection 3(a), Section 4, or subsection 5, it may only be made in connection with a change in circumstances that arises from a change in legal requirements, change in law, or change in the identity, nature or status of an obligated person with respect to the Series 2015 Bonds, or the type of business conducted;

(b) The undertakings, as amended or taking into account such waiver, would, in the opinion of nationally recognized bond counsel, have complied with the requirements of the Rule at the time of the issuance of the Series 2015 Bonds, after taking into account any amendments or interpretations of the Rule, as well as any change in circumstances; and

(c) The amendment or waiver either (i) is approved by the Owners majority of outstanding principal amount of the Series 2015 Bonds, in the same manner as provided in the Indenture for amendments to the Indenture with the consent of the Bondowners, or (ii) does not, in the opinion of nationally recognized bond counsel, materially impair the interests of the Bondowners or Beneficial Owners of the Series 2015 Bonds.

In the event of any amendment or waiver of a provision of this Certificate, the City shall describe such amendment in the next Annual Report, and shall include, as applicable, a narrative explanation of the reason for the amendment or waiver and its impact on the type (or, in the case of a change of accounting principles, on the presentation) of financial information or operating data being presented by the City. In addition, if the amendment relates to the accounting principles to be followed in preparing financial statements, (i) notice of such change shall be given in the same manner as for a Notice Event under subsection 5(c), and (ii) the Annual Report for the year in which the change is made shall present a comparison (in narrative form and also, if

feasible, in quantitative form) between the financial statements as prepared on the basis of the new accounting principles and those prepared on the basis of the former accounting principles.

9. Additional Information. Nothing in this Certificate shall be deemed to prevent the City from disseminating any other information, including the information then contained in Appendix A to the City's official statements relating to debt issuances, using the means of dissemination set forth in this Certificate or any other means of communication, or including any other information in any Annual Report or notice of occurrence of a Notice Event, in addition to that which is required by this Certificate. If the City chooses to include any information in any Annual Report or notice of occurrence of a Notice Event in addition to that which is specifically required by this Certificate, the City shall have no obligation under this Certificate to update such information or include it in any future Annual Report or notice of occurrence of a Notice Event.

10. Default. In the event of a failure of the City to comply with any provision of this Certificate, any Bondowner or Beneficial Owner of the Series 2015 Bonds may commence an action in a court of competent jurisdiction in San Diego, California, seeking mandamus or specific performance by court order, to cause the City to comply with its obligations under this Certificate; provided that any Beneficial Owner seeking to require the City to comply with this Certificate shall first provide at least 30 days' prior written notice to the City of the City's failure, giving reasonable detail of such failure, following which notice the City shall have 30 days to comply. A default under this Certificate shall not be deemed an Event of Default under the Indenture with respect to the Series 2015 Bonds, and the sole remedy under this Certificate in the event or any failure of the City to comply with this Certificate shall be an action to compel performance, and no person or entity shall be entitled to recover monetary damages under this Certificate.

11. Duties Immunities and Liabilities of Dissemination Agent. The Dissemination Agent shall have only such duties as are specifically set forth in this Certificate.

12. Beneficiaries. This Certificate shall inure solely to the benefit of the City, the Dissemination Agent the Bondowners and Beneficial Owners from time to time of the Series 2015 Bonds, and shall create no rights in any other person or entity.

13. Governing Law. This Certificate shall be governed by the laws of the State of California and the federal securities laws.

IN WITNESS WHEREOF, the City of San Diego has executed this Continuing Disclosure Certificate as of the date first set forth herein.

CITY OF SAN DIEGO

APPENDIX G

OPINION OF CITY ATTORNEY REGARDING 2015 CIP BONDS LITIGATION

_____, 2015

Public Facilities Financing Authority of the City of San Diego
San Diego, California 92101

City of San Diego
San Diego, California 92101

Re: \$_____ *Public Facilities Financing Authority of the City of San Diego Lease Revenue Refunding Bonds Series 2015C (Ballpark Refunding)*

Ladies and Gentlemen:

We represent the City of San Diego (the “City”), the Public Facilities Financing Authority of the City of San Diego (the “Authority”), the City in its capacity as the designated successor agency (the “Successor Agency”) to the former Redevelopment Agency of the City of San Diego (the “Former RDA”) and the Housing Authority of the City of San Diego (the “Housing Authority”)(collectively, the “San Diego Entities”) in two actions titled *San Diegans for Open Government v. City of San Diego et al.*, Case No. 37-2014-00009217-CU-MC-CTL (“2015A Bonds Litigation”) and *San Diegans for Open Government v. Public Facilities Financing Authority of the City of San Diego et al.*, Case No. 37-2014-00018335-CU-MC-CTL (“2015B Bonds Litigation”)(collectively, with the 2015A Bond Litigation, the “2015 Bonds Litigation”). Collectively, and as discussed below, the 2015A Bonds Litigation and the 2015B Bonds Litigation challenge, respectively, the validity of the Authority’s Lease Revenue Bonds, Series 2015A (“2015A Bonds”) and Lease Revenue Bonds, Series 2015B (“2015B Bonds”)(collectively, the “2015 Bonds”).

The opinions expressed herein are based on an analysis of existing laws, regulations, rulings and court decisions and cover certain matters not directly addressed by such authorities. Such opinions may be affected by actions taken or omitted or events occurring after the date hereof. We have not undertaken to determine, or to inform any person, whether any such actions are taken or omitted or events do occur or any other matters come to our attention after the date hereof. Accordingly, this letter speaks only as of its date and is not intended to, and may not, be relied upon or otherwise used in connection with any such actions, events or matters. We disclaim any obligation to update this letter.

A. On April 1, 2014, *San Diegans for Open Government* (referred to herein as “plaintiff”) filed the 2015A Bonds Litigation, a reverse validation lawsuit in the San Diego County Superior Court, against the San Diego Entities and all interested parties. The plaintiff sought a judgment declaring that the resolution of the Authority and the ordinance and initial resolution of the City adopted with respect to the 2015A Bonds (together, the “2015A Bond Approvals”) fail to comply with all applicable laws rendering the 2015A Bond Approvals, null and void, invalid and without legal effect, and injunctive relief prohibiting the defendants from taking any action contemplated by the 2015A Bond Approvals. The San Diego Entities denied all the plaintiff’s allegations and requested the court render a judgment finding that the 2015A Bonds, the Bond Approvals and all other resolutions and actions taken by the San Diego Entities approving the 2015A Bonds are conclusively valid and binding pursuant to Code of Civil Procedure Section 870 and any other applicable law. The Superior Court ruled against the plaintiff with respect to all the allegations raised by plaintiff in the 2015A Bonds Litigation and entered judgment in favor of the San Diego Entities in the matter. On December 12, 2014, the plaintiff filed a notice of appeal which appeals the ruling of the Superior Court to the California Court of Appeal where the matter is now pending.

On June 6, 2014, plaintiff filed the 2015B Bonds Litigation, a second reverse validation lawsuit in the San Diego County Superior Court against the San Diego Entities and all interested parties. The plaintiff sought a judgment declaring that the resolution of the Authority adopted with respect to the 2015B Bonds (the “2015B Bond Approval”)(together with the 2015A Bond Approvals, the “Bond Approvals”) fails to comply with all applicable laws rendering the 2015B Bond Approval null and void, invalid and without legal effect, and injunctive relief prohibiting the defendants from taking any action contemplated by the 2015B Bond Approval. The San Diego Entities denied all the plaintiff’s allegations and requested the court render a judgment finding that the 2015B Bonds, the 2015B Bond Approval and all other resolutions and actions taken by the San Diego Entities approving the 2015B Bonds are conclusively valid and binding pursuant to Code of Civil Procedure Section 870 and any other applicable law.

The San Diego Entities filed a motion for summary judgment in the 2015B Bonds Litigation requesting that the Superior Court enter a judgment in favor of the San Diego Entities and deny plaintiff any of its requested relief. On January 12, 2015 the Superior Court entered an order of dismissal with prejudice in the case on the grounds that plaintiff failed to timely serve the Attorney General of the State of California and the Treasurer of the State of California with a copy of the complaint in the 2015B Bonds Litigation as required by Government Code Section 6599. Plaintiff then filed a motion pursuant to Code of Civil Procedure Section 473 requesting relief from the order of dismissal with prejudice for its failure to properly serve the complaint in a timely manner. On January 27, 2015, that motion was denied by the Superior Court. On March 3, 2015, the plaintiff filed a notice of appeal from the January 27, 2015 ruling which appeals the Superior Court’s order denying relief from the order of dismissal with prejudice to the California Court of Appeal where the matter is now pending.

B. The gravamen of the complaints in the Bonds Litigation (as detailed in the pleadings filed, the briefs submitted and the arguments made by the plaintiff) (collectively, the “Complaints”) is that (i) the Bond Approvals are invalid because the Authority was not lawfully formed, and they contemplate a structure contrary to the JPA Agreement and require the Authority to act in excess of its lawful powers, (ii) the financing structure approved by the Bond Approvals was not approved by the San Diego electorate in violation of the debt limitations contained in Article XVI, Section 18(a) of the California Constitution (the “Constitutional Debt Limit”) and San Diego City Charter Sections 90a and 99 (the “Charter Provisions” and, together with the Constitutional Debt Limit, the “Debt Limits”) and by the Revenue Bond Law of 1941, Chapter 6 of Division 2 of Title 5 of the California Government Code (the “Revenue Bond Law of 1941”), (iii) the financing structure approved by the Bond Approvals constitutes an impermissible gift or loan of the City’s credit to the Authority in violation of City Charter Section 93, and (iv) the Bond Approvals violated Section 22.0901 of the City’s Municipal Code due to the City’s failure to adopt a required resolution under that section.

C. The particular issues upon which the Complaints base their allegations that the Bond Approvals are not valid are discussed below.

- (i) (a) The Complaints allege that the JPA Agreement is void because both the Successor Agency and the Housing Authority lacked the legal authority to enter into the JPA Agreement and because the JPA Agreement specifies the Former RDA as the entity whose restrictions must be complied with in exercising common powers of the members of the Authority. Each of these allegations is addressed separately below.

The Complaints allege that given the dissolution of the Former RDA, the Successor Agency lacked the power to enter into the JPA Agreement which results in a limitation on the powers of the Authority to issue the 2015 Bonds. Pursuant to California Health and Safety Code Section 34173 and Resolution Number R-307238, adopted by the City Council on January 12, 2012, the City serves as the Successor Agency to the Former RDA.

California Health and Safety Code Sections 34173(a) and 34178(b) provide that the Successor Agency succeeds to the position of the Former RDA under the JPA Agreement by operation of the act adding such section. Although California Health and Safety Code Section 34178(a) generally provides that agreements between the City and the Former RDA are invalid and not binding on the successor agency, California Health and Safety Code Section 34178(b)(3) expressly provides that a joint exercise of powers agreement in which a redevelopment agency is a member of the joint powers authority “is not invalid and may bind the successor agency.”

Further, California Health and Safety Code Section 34178(a) provides that the City and Successor Agency are authorized to “enter or reenter into agreements” subject to approval of the Oversight Board. The JPA Agreement was approved by the Oversight Board to the Successor Agency pursuant to Oversight Board Resolution Number OB-2012-39, adopted December 11, 2012 (“Oversight Board Resolution”), as required by California Health and Safety Code Sections 34178(a) and 34180(h). The Oversight Board Resolution was submitted to the California Department of Finance on December 11, 2012, in electronic form in the manner directed by the Department, as required by California Health and Safety Code Sections 34179(h) and 34180(j). Because the California Department of Finance did not request review of the Oversight Board Resolution within five business days of this submittal, the Oversight Board Resolution became effective on December 19, 2012. (Cal. Health & Saf. Code Section 34179(h).)

While California Health and Safety Code Section 34178(b) limits the Successor Agency’s rights, duties and performance obligations under the JPA Agreement, such constraints do not limit the Authority’s ability to issue the 2015 Bonds. The Authority’s activities are governed by the JPA Act (Cal. Govt. Code Section 6500, *et seq.*), and the JPA Agreement.

The Complaints also allege that the Housing Authority did not have the legal authority to enter into the JPA Agreement. Pursuant to California Government Code Section 6502 (“Section 6502”), two or more public agencies by agreement may jointly exercise any power common to the contracting parties. As the Housing Authority constitutes a “public agency” for purposes of Section 6502, and the City, the Successor Agency and the Housing Authority possess one or more of the necessary common powers, the Housing Authority possessed the power to enter into the JPA Agreement.

Section 6502 defines “public agency” to include, among other entities, “any state department or agency, ... [or] public corporation.” Housing authorities formed and functioning pursuant to the Housing Authorities Law, (Cal. Health & Saf. Code Section 34200, *et seq.*), are public bodies, corporate and politic (Cal. Health & Saf. Code Section 34240) and, as they are created pursuant to State law to fulfill State purposes, are agencies of the State of California (Housing Authority of Los Angeles v. Los Angeles (1952) 38 Cal.2d 853). Thus, the Housing Authority was authorized to enter into the JPA Agreement.

The City, Housing Authority and Successor Agency are each authorized to issue bonds, acquire and dispose of property, construct public improvements and other developments, and otherwise expend bond proceeds for their public purposes. Thus, the City, Housing Authority and Successor Agency have common powers within the meaning of the JPA Act. See, e.g. Zach v. Marin Emergency Radio Authority, 118 Cal.App.4th 617 (2004) (various public agencies have the implied authority to construct and operate emergency communications system).

The Complaints further allege that the Authority lacks the legal authority to issue the 2015 Bonds because Section 4 of the JPA Agreement provides that the manner in which the

Authority shall exercise its powers and perform its duties “shall be subject to the restrictions upon the manner of exercising such power as are imposed upon the [Former] Agency in the exercise of similar powers, as provided in Section 6509 of the [JPA] Act.” Specifically, the Complaints allege that since the Former RDA has been dissolved and its powers have been withdrawn by the Legislature, this reference to the Former RDA in Section 4 of the JPA Agreement renders the Authority powerless to act.

First, this allegation is contrary to the express purpose of California Health and Safety Code Section 34178(b)(3) discussed above which intends for joint exercise of powers agreements to remain valid following assignment to a successor agency. Second, Section 6509 is not applicable to the Authority’s actions taken with respect to the 2015 Bonds. Section 6509 provides that the power of the Authority “shall be subject to the restrictions upon the manner of exercising the power of one of the contracting parties, which party shall be designated by the agreement.” However, Section 6509 and the related language in the JPA Agreement only apply in instances where the Authority is exercising common powers of the members. In issuing the 2015 Bonds, the Authority is not exercising a common power of its members but an independent power granted by the Marks-Roos Act.

In City of San Diego v. Rider (18 Cal. 4th 1035 (1998) (“Rider”), the California Supreme Court held that Section 6509 “does not apply when a joint powers agency exercises a power it holds independently of the contracting parties.” Id. at 1052 The Authority is exercising its powers to issue the 2015 Bonds under the provisions of Article 4 of the JPA Act. Article 4 of the JPA Act confers independent power on the Authority to issue bonds and is not the exercise of a common power. Cal. Govt. Code Section 6588; Id. at 1053. Thus, even if the reference in Section 4 of the JPA Agreement is deemed to have eliminated the power of the Authority to exercise common powers of its members, it did not eliminate the power to exercise the independent power to issue bonds under the Marks-Roos Act.

(b) The Complaints allege the 2015 Bonds violate the provisions of Section 8 of the JPA Agreement, which prohibits any bonded indebtedness that relies in whole or in part on any pledge of the City’s “faith and credit.” These allegations are contrary to the express language in Section 8 of the JPA Agreement and the 2015 Bonds.

Government Code Section 6508.1 provides that if a joint exercise of powers agreement creates a separate agency “...the debts, liabilities, and obligations of the agency shall be debts, liabilities and obligations of the parties to the agreement, unless the agreement specifies otherwise.” [Emphasis added.] Section 8 of the JPA Agreement provides in relevant part that bonds issued by the Authority: “shall not be deemed to constitute a debt of the City...or pledge of the faith and credit of the City...nor shall the City be obligated to make any appropriation for such payment.”

The 2015A Bonds specifically provide that the 2015A Bonds are not obligations of the City. The form of the 2015A Bonds appended to the Second Supplemental Indenture provides in relevant part:

“The Series 2015A Bonds are special, limited obligations of the Authority and do not constitute a debt, liability or obligation of the City or of the State of California (the “State”) or any political subdivision thereof and neither the faith and credit of the City nor the State are pledged to the payment of the principal of or interest on the Series 2015A Bonds. The Authority has no taxing power.”

Similarly, the 2015B Bonds specifically provide that the 2015B Bonds are not obligations of the City. The form of the 2015B Bonds appended to the Third Supplemental Indenture provides in relevant part:

“The Series 2015B Bonds are special, limited obligations of the Authority and do not constitute a debt, liability or obligation of the City or of the State of California (the “State”) or any political subdivision thereof and neither the faith and credit of the City nor the State are pledged to the payment of the principal of or interest on the Series 2015B Bonds. The Authority has no taxing power.”

In Rider, the Supreme Court held that a lease revenue bond of a joint powers agency is not a debt or obligation of a member of the agency even if such bonds are payable primarily from lease payments to be made under a lease between the agency and such member. The Supreme Court recognized that in a lease revenue bond transaction the obligations of the lessee (in this case the City) are restricted to its obligations under the lease. 18 Cal 4th at 1044.

(c) The Complaints allege that the Bond Approvals and the issuance of the 2015 Bonds are invalid because they fail to comply with various provisions of Article 2 of the JPA Act. However, the 2015 Bonds are being issued pursuant to the Marks-Roos Act which constitutes Article 4 of the JPA Act ((Cal. Govt. Code Section 6584, *et seq.*) Government Code Section 6587, a part of Article 4, provides that:

This article shall be deemed to provide a complete and supplemental method for exercising the powers authorized by this article, and shall be deemed as being supplemental to the powers conferred by other applicable laws. The issuance of bonds, financing or refinancing under this article need not comply with the requirements of any other state laws applicable to the issuance of bonds, including, but not limited to, other articles of this chapter.” [Emphasis added].

Government Code Section 6588 expressly provides that the powers granted joint powers agencies such as the Authority under Article 4 are in addition to the other powers specified in the joint powers agreement and Article 2 of the JPA Act. Section 6588(c) authorizes the Authority to issue bonds to pay the cost of any public capital improvement.

(d) The Complaints allege that even if the JPA Agreement is valid, the Authority lacks the power to issue the 2015 Bonds, because following the dissolution of the Former RDA, the Former RDA, the Successor Agency and the City lack a common power. As discussed above, the Authority possesses independent powers under Article 4 of the JPA Act such that the absence of a common power among its members would not preclude the issuance of the 2015 Bonds. Government Code Section 6588, which is a part of the Marks-Roos Act pursuant to which the 2015 Bonds are being issued, provides that the powers granted pursuant to that section are in addition to the common powers specified in a joint powers agreement. The Supreme Court in the Rider case rejected the position that a joint powers agency’s authority to issue bonds had to be a common power of the parties to the joint powers agreement. 18 Cal. 4th at 1053. The Supreme Court held in relevant part:

The power to issue bonds under articles 2 and 4 of the Act is a power a joint powers agency holds independently. For example article 2 states that the power to issue bonds “is additional to the powers common to the parties to the joint powers agreement. (Gov. Code 6547.)” Similarly,

article 4 provides that the power to issue bonds is “[i]n addition to other powers specified in the agreement. (Gov. Code 6588, subd. (c)).” Moreover, even if we were to adopt plaintiff’s argument that section 6509 is, by its own terms, somehow applicable to the issuance of bonds under articles 2 and 4, then the express exemption in article 4 would come into play. Id. at 1503-1054

- (ii) The Complaints allege that the City’s use of the Authority to issue bonds, instead of issuing bonds in its own name, is an artifice and subterfuge designed to circumvent the voter-assent requirements of the Debt Limits and the Revenue Bond Law of 1941.

The Constitutional Debt Limit provides that a city may not incur any indebtedness or liability in any manner or for any purpose exceeding in any year the income and revenue received for such year. Charter Section 90 provides that the City may contract bonded indebtedness the purposes set forth therein, pledging the credit of the City or the property or revenue of any public utility owned by the City and that a vote of two-thirds of the electors voting at an election is required for the issuance of such bonds. Charter Section 99 provides in relevant part that the City shall not incur any indebtedness or liability in any manner or for any purpose exceeding in any year the income and revenue provided for such year unless approved by a majority of the voters.

With respect to the allegations in the Complaints relating to the Debt Limits, in *Rider*, the Supreme Court rejected substantially identical allegations in the context of a lease-back transaction involving a lease of facilities by the City and the issuance of lease revenue bonds by a joint powers agency of which the City was a member. In *Rider*, the Supreme Court reaffirmed the well-established principle that leases, commonly referred to as Offner-Dean or abatement leases, in which a city’s obligations to pay rent are conditioned upon the leased premises being available to the city, do not violate the Constitutional Debt Limit or analogous debt limit provisions, such as Charter Sections 90 and 93. 18 Cal. 4th at 1050. The Lease contains abatement provisions substantially the same as the abatement provisions in the lease before the Supreme Court in the *Rider* case. In summarizing its ruling, the Court stated:

In this case, we consider the validity of a financing plan under which a joint powers agency will issue bonds, use the bond proceeds to construct a capital improvement, and lease that improvement to a city. We conclude that the voter approval requirements that would apply if the city issued the bonds do not, by their terms, apply to the debts of a joint powers agency, and the city’s obligation to make rent payments to the joint powers agency does not itself constitute a debt requiring voter approval. We also conclude that the law governing joint powers agencies gives these agencies independent authority to issue bonds without complying with restrictions, such as voter approval requirements, that apply to local governments. Finally, we conclude that state law does not in this regard violate the “home rule” provision of the California Constitution. Accordingly, we affirm the judgment of the Court of Appeal. Id. at 1039.

Plaintiff attempts to distinguish *Rider* because the proceeds of the 2015 Bonds will be spent on improvements other than those comprising the leased property. Plaintiff asserts that in *Rider*, the property leased was the property where the proceeds were to be expended to expand the City’s convention center. In fact, the property leased in *Rider* consisted of the existing convention center and the site of the planned expansion. 18 Cal. 4th at 1040. Moreover, the use of the proceeds of the financings is not relevant for purposes of determining compliance with the Debt Limits. In *City of San Diego et al. v. Richard Rider*,

(47 Cal. App. 4th 1473 (1996)), a decision affirming a lower court decision upholding the validity of a lease-back financing by the City for a football stadium, the Court of Appeal stated:

Rider asserts it is improper under *Starr v. City and County of San Francisco*, supra, 72 Cal.App.3d 164, 140 Cal.Rptr. 73, to spend part of the bond proceeds on off-site improvements to build a training facility and offices for the San Diego Chargers. Rider attempts to take *Starr* too far.

In *Starr*, the court determined a municipal lease-back arrangement was valid because each rental payment would be supported by consideration furnished that year, i.e., occupancy and use of the project. (*Starr v. City and County of San Francisco*, supra, 72 Cal.App.3d at p. 172, 140 Cal.Rptr. 73.) A separate HUD repayment contract, however, was held not to satisfy the Offner–Dean rule because it created a “future charge against general funds,” which was not supported by consideration in the year the obligation was incurred and which could not be included in the yearly budget. (*Id.* at p. 176, 140 Cal.Rptr. 73.) Contrary to Rider’s contention, nothing in the opinion suggests a restriction on how or for what purpose a public entity may use bond proceeds obtained in the financing arrangement. *Id.* at 1492.

As to the financing structure approved by the Bond Approvals being an artifice or subterfuge to avoid the Debt Limits, the Supreme Court in the *Rider* case made the following statement:

We are not naive about the character of this transaction. If the City had issued bonds to pay for the Convention Center expansion, the two-thirds vote requirement would have applied. Here, the City and the Port District have created a financing mechanism that matches as closely as possible (in practical effect, if not in form) a City-financed project, but avoids the two-thirds vote requirement. Nevertheless, the law permits what the City and the Port District have done. Plaintiffs are correct that this conclusion allows local governments to burden taxpayers with potentially high costs that voters have not approved, but local governments impose similar burdens on taxpayers every time they enter into long-term leases involving property of substantial value. We have long held that the two-thirds vote requirement does not apply to these leases so long as the obligation to pay rent is contingent on continued use of the leased property.

18 Cal. 4th at 1055 (quoting *Dean v. Kuchel*, 35 Cal. 2d 444, 447-448 (1950); *Los Angeles v. Offner*, 19 Cal. 2d, 483, 487 (1942); *Doland v. Clark*, 143 Cal. 176, 181 (1904)).

The Complaints allege that the Authority is merely a component unit and subordinate agency of the City as evidenced by the overlap in governing board members and officers of the San Diego Entities, and is therefore subject to the voter approval requirements applicable to the City under the Debt Limits. The Supreme Court rejected a similar argument in the *Rider* case, stating:

The short answer to plaintiff’s argument is that the Constitution and the City’s charter permit the City to avoid the two-thirds vote requirement by creating a joint powers agency to finance public works projects. Therefore, however we might characterize the financing plan at issue here, we cannot characterize it as unlawful.

18 Cal. 4th at 1042.

By its terms, the Constitutional Debt Limit applies to counties, cities, towns, townships, boards of education, and school districts and is not applicable to entities such as the Authority which are not specified in the section. 18 Cal. 4th at 1043. As the 2015 Bonds are being issued by the Authority not the City, Charter Sections 90 and 99 are not applicable. The Complaints take the position the 2015 Bonds should be treated as debt of the City asserting that the 2015 Bonds are bonds of the City in substance if not in form. The Supreme Court disagreed with a virtually identical claim concerning the City Charter in the Rider case, where the Supreme Court stated:

The City's charter regulates the manner in which the City may incur certain indebtedness. In this case, the City is incurring no indebtedness; rather, the Financing Authority is incurring indebtedness. As we already have noted, the Financing Authority is a separate legal entity from the City (Gov. Code, § 6503.5), and the Financing Authority's debts are not the City's debts (Gov. Code, § 6508.1, 6551). On the other hand, articles 2 and 4 of the Act authorize joint powers agencies, including the Financing Authority, to issue bonds. Articles 2 and 4 do not authorize cities to issue bonds. Therefore, the two-thirds vote requirement in the City's charter does not conflict with articles 2 and 4 of the [Joint Exercise of Powers] Act because the former applies to the City, while the latter applies to the Financing Authority.

18 Cal. 4th at 1055.

The Complaints allege that because the voters of the City have not assented to the issuance of the 2015 Bonds as required by Government Code Section 54380 contained in the Revenue Bond Law of 1941, the issuance cannot satisfy the requirements of the Revenue Bond Law of 1941. In Government Code Section 54301.1, the Revenue Bond Law of 1941 provides an “alternate method of financing” and Government Code Section 54302 provides that the powers conferred under the Revenue Bond Law of 1941 “are in addition to, and the limitations imposed by this chapter do not affect, the powers conferred by any other law.” Thus, by its terms, the Revenue Bond Law of 1941 has no effect on the powers conferred upon the Authority by the Marks-Roos Act. Likewise, Government Code Section 6587 provides that bonds issued under the Marks-Roos Act, such as the 2015 Bonds, “need not comply with the requirements of any other state laws applicable to the issuance of bonds...”

- (iii) The Complaints allege that the leasing of City property to the Authority for a nominal sum pursuant to the Site Lease constitutes an unconstitutional gift of public funds and that the City is giving or loaning its credit to the Authority in violation of Section 93 of the City Charter. Article XVI Section 6 of the California Constitution prohibits California public agencies from making of any gift of any public money or thing of value to any individual, municipal or other corporation. Section 93 of the City’s Charter provides that “[t]he credit of the City shall not be given or loaned to or in aid of any individual, association or corporation; except that suitable provision may be made for the aid and support of the poor.” The City’s lease to the Authority does not violate either of these principles.

Acknowledging that gifts of public money violate the California Constitution, the California Court of Appeal, Fourth District, Division One, has stated, in *White v. California*, 88 Cal.App.4th 298, 311 (2001) (“White”), that “money spent for public purposes is not a gift” (quoting *County of Alameda v. Carleson*, 5 Cal. 3d 730, 746 (1971)). “The determination of what constitutes a public purpose is primarily a matter for legislative

discretion [citations] which is not disturbed by the courts so long as it has a reasonable basis [citations].” (Santa Barbara County Water Agency v. All Persons & Parties, 47 Cal.2d 699, 707-708 (1957) (“SBCWA”), reversed on other grounds by Ivanhoe v. McCracken, 357 U.S. 275 (1958); see also White, 88 Cal.App.4th at 311.) A contribution from one public agency to another must serve the public purpose of the donor agency (as opposed to the donee agency), but is legal if it does so, even if the contribution also serves the purposes of the donee agency. (SBCWA, 47 Cal.2d at 707; see also Oakland v. Garrison, 194 Cal. 298 (1924).) Further, pursuant to White, 88 Cal.App.4th at 312-313, “[a] showing of specific public benefit to the transferor agency is only necessary where there is not a substantial identity between the taxpayers who paid the taxes and those who will benefit.”

The City’s lease to the Authority of its facilities pursuant to the Site Lease for a nominal rental does not constitute a gift of public funds. The transaction must be viewed as a whole to determine whether an impermissible gift of public funds will occur. The lease to the Authority is made in consideration of a lease-back to the City and the ultimate issuance of debt to support public purposes of the City. Further, the taxpayers served by the City and the Authority are the same. Thus, the Site Lease does not constitute an impermissible gift of public funds.

The public purposes of the City are promoted by the proposed transaction. See, e.g., Housing Authority of County of Los Angeles v. Dockweiler, 14 Cal. 2d 437, 457 (1939) (appropriation of money by a city or county for the purpose of eliminating slums does not constitute a gift or loan of credit within the meaning of former Cal. Const. Art. IV, § 31). The City is not, through this financing transaction, giving or loaning its credit to the Authority.

- (iv) The Complaints allege that the Bond Approvals violated San Diego Municipal Code Section 22.0901 because they do not contain a resolution of the City stating the market value of the real estate as appraised by an independent fee appraiser or City staff. The lease of property authorized by the Bond Approvals does not violate Section 22.0901 for two reasons. First, Section 22.0901 is not applicable where a lease of property is provided for by ordinance as is the case here with the Bond Approvals. Section 22.0901 begins as follows: “Except as otherwise provided in the Charter, or by ordinance, the Council shall have the power to lease the real property of the City as follows...” Here, since the lease of the City property to the Authority was approved by Ordinance No. O-20350, the requirement in Section 22.0901 does not apply. Notwithstanding this fact, on March 24, 2015 the City adopted Resolution No. R-309564 which contains a statement of the market value of the real property leased by the City pursuant to the Site Lease as appraised by an independent appraiser. Even if Section 22.0901 is read as requiring the adoption of a resolution as a condition to the execution of the Second and Third Amendments to Site Lease authorized by the Bond Approvals, that resolution was adopted prior to the execution of the amendment and the issuance of the 2015 Bonds.

D. We are of the opinion that the plaintiff’s allegations in the Complaints are without merit in that we believe under the law as in effect on the date hereof, the California Supreme Court, acting reasonably and properly briefed on the issues, would not conclude that the Bond Approvals are invalid based on such allegations.

In connection with the 2015 Bonds Litigation we note that a court’s decisions regarding the matters raised in the 2015 Bonds Litigation would be based on the court’s own analysis and interpretation of the factual evidence before the court and of the applicable legal principles. The opinion expressed herein with respect to the plaintiff’s claims in the 2015 Bonds Litigation is not intended to be a guaranty as to what the California Supreme Court will actually hold if it considers the matter, but an opinion as to the conclusion the Supreme Court would reach if the facts were determined to be as recited in the administrative record for the 2015 Bonds presented to the Superior Court, the issues as to the plaintiff’s claims in the 2015 Bonds Litigation were

properly raised, briefed and presented to the Supreme Court and the Supreme Court followed what we believe to be the applicable legal principles in effect on the date hereof. We understand and acknowledge that Nixon Peabody LLP will rely on this opinion in giving their opinion with respect to the validity of the Authority's Lease Revenue Refunding Bonds Series 2015 (Ballpark Refunding) and we consent to such reliance.

Respectfully submitted,
