### **Faulconer on Mayor's Proposal: 'We're Off To A Good Start'**

"I want to commend the Mayor and his team. They've certainly done some commendable work. They're proposing numerous structural changes and a leaner, more efficient workforce with minimal impacts to core City services.

"Closing a budget deficit of this size obviously isn't easy, but it appears we're off to a good start. I'm looking forward to analyzing the Mayor's proposal, and hearing from the IBA and the public.

"As a councilmember and chairman of the Audit Committee, I've worked hard to help San Diego regain its financial footing. So I see this as the latest in a series of opportunities that all add up to one important goal: Delivering outstanding City services without loosening the fiscal reforms we've worked so hard to put in place."
