**Councilmember Gloria Announces Influx of Infrastructure Investment
121 Miles of Roads to be Resurfaced with Today's Action**

SAN DIEGO, CA (March 15, 2011) – Councilmember Todd Gloria is pleased to announce that the City Council today approved an investment of \$22 million to resurface roads. This will allow 121 miles of street repairs throughout the City before May 2012.

“Our current backlog of needed infrastructure projects is estimated to be \$800-\$900 million. Reducing this backlog and preventing further deterioration of our streets and facilities is one of my highest priorities, so I am excited about today's investment,” said Councilmember Todd Gloria.

Of the approved projects, 19 miles will be repaired in District Three's neighborhoods. Since Councilmember Gloria took office in December 2008, 300 blocks of streets have been repaved in his district – the equivalent of more than 27 miles.

A map and lists of District Three streets to be repaired are attached and will soon be posted: www.sandiego.gov/cd3.
