City of San Diego ▪ District Three

Friends,

A couple of exciting neighborhood events are scheduled for this weekend, and I hope you are able to join me as an active District Three community member! In addition to participating in the events highlighted below, I will make two important announcements next week. Curious? Stay tuned!

**Water Conservation Garden is Almost Complete**

The community of Azalea Park will be the focus of renovation and revitalization this Saturday, and I will be proud to participate. Along with the outstanding neighbors from the area, I will help complete the Water Conservation Garden at the Azalea Park Recreation Center. In addition to the garden and other park improvements, a nearby home will be repainted.

I am thankful to Azalea Park residents for championing these projects and to Rebuilding Together San Diego, Cricket Wireless, Estrada Land Planning, the Park and Recreation Department, and all others who are contributing their expertise, time and energy to this worthwhile effort.

Work kicks off at 8:30 a.m. and will continue until approximately 5:00 p.m. Please come and be a part of what promises to be a model for sustainable park space and neighborhood improvement.

**Coffee with your Councilmember**

Please join me for my community coffee on Sunday to learn the latest news from City Hall and share your input and questions with me. This venue makes my normal open forum coffee format difficult, so I will take individual questions and concerns as you arrive. I appreciate the Hillcrest Business Association's invitation to hold the coffee at the Hillcrest Farmers Market, and look forward to an informative morning.
