

OFFICE OF COUNCILMEMBER TODD GLORIA
City of San Diego

M E M O R A N D U M

DATE: July 24, 2015
TO: Linda Marabian, Deputy Director, Transportation and Storm Water Department
FROM: Councilmember Todd Gloria 
SUBJECT: Proposed All-Way Stop at Intersection of 29th Street and North Park Way

In accordance with Council Policy 200-08, Section C, Alternative Process, several concerned North Park neighbors have requested the installation of all-way stop signs at the intersection of 29th Street and North Park Way.

Initial studies at 29th Street and North Park Way in February of 2015 conducted by City traffic engineering staff indicated the intersection did not meet the criteria for a stop sign.

The proposal for the all-way stops was then presented to the North Park Panning Committee on July 21, 2015.

The North Park Panning Committee heard the proposal and the committee voted 10-0-0 in favor of recommending installation of an all-way stop at the intersection, which gives the Third District City Councilmember the discretion to place the stop sign at the intersection.

Thank you for your attention to this matter. Please keep me informed of the progress of the installation of this stop sign so that I may relay that information to my constituents.

cc: Gary Pence, Senior Traffic Engineer, Transportation and Engineering Department
Vicki Granowitz, Chair, North Park Planning Committee
