Councilmember Gloria Comments on SDFD Chief's Retirement

SAN DIEGO, CA (September 3, 2015) – Councilmember Todd Gloria today released the following comment about the retirement of San Diego Fire Department Chief Javier Mainar and the appointment of his successor Assistant Chief Brian Fennessy.

“Javier Mainar’s impeccable service to the City of San Diego over the last 35 years, including the last six as San Diego’s Fire Chief will be missed. While I am sad to bid farewell to such a talented and responsive member of the City’s executive team, I have every bit of faith that his appointed successor will provide a seamless transition for the department as our state continues to work through this record drought,” said Councilmember Todd Gloria. **“I applaud the selection of Assistant Chief Brian Fennessy to be San Diego’s 17th Fire Chief and look forward to the Mayor bringing his appointment forward to City Council for our consideration.”**
