Class of 2015 Walls of Excellence Induction Ceremony
Saturday, June 6, 2015 | 10:30 a.m.
Northwest Corner of Imperial Avenue at Willie James Jones Avenue

Graduation season is upon us. The time has come for our 15th Annual Walls of Excellence Induction Ceremony. Established in 2000, the **Walls of Excellence** recognizes the academic excellence and outstanding community service of exemplary high school seniors that are graduating from the four (4) high schools in the Fourth Council District.

It is with great pride that I acknowledge the Class of 2015 exemplary students who will be inducted into the Walls of Excellence. These students have a minimum 3.0 grade point average, have a history of community involvement, have demonstrated significant improvement, and are proud residents of the Fourth Council District. **This event is free and open to the public.**

San Diego Strengthens Pedestrian Safety with Crosswalk Policy
June is Pedestrian Safety Awareness Month

On Tuesday, my Council Colleagues joined me in proclaiming June as Pedestrian Safety Awareness Month which was a poignant way to punctuate our announcement of a critical policy action that will result in greater pedestrian safety throughout San Diego (see special insert for photo gallery, safety tips, and full story on the Pedestrian Safety Awareness Month Proclamation in Council Chambers).

This amendment to Council Policy 200-07 "Marked Crosswalk Criteria at Uncontrolled Locations" incorporates changes in pedestrian safety practices and technology. The good news for us is that the City anticipates installing four times as many crosswalks in the upcoming year as occurred in the previous year. The bottom line: **we all want livable communities that provide pedestrian amenities that make our neighborhoods safe, walkable, and accessible and these policy changes take us closer to bringing this to fruition.**

Please visit: www.wastenowater.org, www.sandiego.gov/water/, www.sandiego.gov/water/conservation/drought/index.shtml for a few tips on how you can conserve water at work and at home. We need all San Diegans to be water wise. By working together, we can meet our conservation goals while maintaining the quality of life we have come to expect in our world-class city. Thank you for your dedication and contributions to our neighborhoods.

Pedestrian Safety

June is Pedestrian Safety Awareness Month

This month, we are promoting the issue of Pedestrian Safety Awareness. Pedestrian safety depends on an integrated approach that involves the 3E's: **engineering, enforcement, and education**. The following representatives involved in the 3E's of Pedestrian Safety joined Councilmember Cole at City Hall to help promote the month:

- ✓ **Linda Marabian**, Deputy Director of the City's Transportation & Storm Water Department. Linda is involved in providing public **engineering** solutions for pedestrian safety.
- ✓ **Lieutenant Steve Behrendt** from our Southeastern Division of the San Diego Police Department. Lt. Behrendt represents the men and women in blue involved in the **enforcement** of the laws that keep us all safe.
- ✓ **Marybeth Moran** with Safe Routes to School at Rady's Children's Hospital; **Jim Stone**, the Executive Director of Circulate San Diego along with **Kathleen Ferrier**. Marybeth, Jim and Kathleen are involved in the **education** aspect of keeping us safe. Also, for the education aspect, Marybeth brought along **Eduardo Velazco**, a 3rd Grader from Horton Elementary's Safe Routes to School Program, to share some safety tips with us. We will share safety tips for the entire month of June.

Here are just a few tips:

- **Put our cell phones AWAY when walking.**
- **Look both ways before crossing the street. We can't assume a car will see us and stop for us.**
- **Wait for the walk signal. We must use the crosswalks.**
