**Pipeline Rehabilitation Project Z-1A**

*Upcoming District improvements*

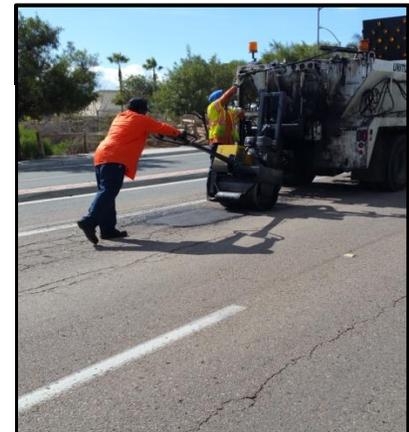

Infrastructure concerns like eroded roads, potholes, and outdated sewers are problems never to be taken lightly, especially in my District. I have worked diligently on addressing these issues, and we are getting things done with the new Pipeline Rehabilitation Project.

The project proposes to rehabilitate 35,407 feet of existing sewer remains in the Encanto, Skyline, Paradise Hills and Southeastern San Diego communities. It also includes point repairs, manhole replacements, cleanout installation, curb ramp installation and street resurfacing.

The estimated construction start time for the Pipeline Rehabilitation Project is April 2016 and is expected to last up to 11 months. Please make sure to report any street inconveniences around your neighborhood to our office to ensure that our communities are safe and accessible to all residents.
