Community Clean-ups are continuing to be held throughout the 4th District.

I commend, thank, and congratulate the many community volunteers, the exceptional staff of the Environmental Services Department (ESD), non-profit organizations and EDCO Waste & Recycling Services that assist in these efforts. Keeping our communities clean and free of debris is an ongoing effort we all must continue to be involved in. Special community cleanup event areas are selected based upon citizen requests, pledges of community involvement and previous citizen participation levels. Please feel free to call Solid Waste Code Enforcement Officer Alejandro Alvarado at (858) 627-3317 if you would like to request a clean-up in your area and/or if you have questions.

On April 7, 2010, EDS and the community of Skyline conducted a mini community clean-up. This successful clean-up removed a total of 4.96 tons of waste of which 4.46 tons consisted of non-recyclables and .50 tons of recyclables from the neighborhood. A special thanks to community member Mr. John Tilaro and the fine staff of ESD. For more information on this clean-up, contact Solid Waste Code Enforcement Officer Michael Flores at (858) 627-3314.
