**Wednesday, July 14, 2010  
6:00 p.m. until 8:00 p.m.

In this tough economy, your city government should do everything we can to create and keep businesses here in San Diego. It is with this strong belief that the City Council created the CRREC. The Commission is charged with examining our revenue sources and looking at how the City is able to jumpstart our local economy.

A major factor towards the success of the Commission lies with you your suggestions on what needs to be eliminated, improved upon, and implemented. We need your input and your ideas to keep San Diego competitive in all areas. You can present the Commission with specific recommendations that affect your industry.

For more information on the Commission, please visit their website at [www.sandiego.gov/crrec](http://www.sandiego.gov/crrec).

**Community Clean-ups are continuing to be held throughout the 4th District.**

Keeping our communities clean and free of debris is an ongoing effort we all must continue to be involved in. Special community cleanup event areas are selected based upon citizen requests, pledges of community involvement and previous citizen participation levels.
