Bernardo Fire Information

The Bernardo Fire is burning around 4S Ranch and Santa Luz. More than 1,000 homes and businesses are under mandatory evacuation orders. Surrounding areas have also been alerted. San Diego Police is handling the evacuations and road closures.

The best place for information about road closures and street-by-street evacuations is by following [@SanDiegoPD](#) on Twitter.

According to San Diego Police, the main Evacuation Center is located at:

- Rancho Bernardo High School: 13010 Paseo Lucido, San Diego, CA 92128

You can also download the County Emergency Application for updates <http://www.sdcounty.ca.gov/appcenter/>.

If you live in any of the affected areas, please respect the direction of our first responders when it comes to evacuation. Lives depend on all of our cooperation. If you feel your family is in danger and you have not received an evacuation notice, voluntary evacuation is an option.

I'll continue to update my [Twitter](#) and [Facebook page](#) as information becomes available.

Stay safe,

Mark
