## **Bernardo Fire Update**

As of 8:30 a.m., the Bernardo Fire is 25 percent contained and the goal for fire officials is to get that to 50 percent by the end of today. For many of you who were evacuated or were on standby, I want to thank you for your cooperation with our first responders. They have done an incredible job fighting the fire and keeping our communities safe.

The weather conditions continue to be a challenge for our fire fighters. Today's forecast is again for hot temperatures, high winds and low humidity so we must remain alert and be prepared for potential flare-ups.

For updated information on the fire, I recommend the following resources:

I will also continue to update my [Twitter](#) and [Facebook page](#) as appropriate.

If you have any questions, please don't hesitate to contact my office at (619) 236-6555 or [markkersey@sandiego.gov](mailto:markkersey@sandiego.gov).

Stay safe,  
Mark
