CITY OF SAN DIEGO  
SIXTH DISTRICT**

**M E M O R A N D U M**

**DATE:** November 9, 2015  
**TO:** Kris McFadden, Director, Transportation and Stormwater Department  
**FROM:** Councilmember Chris Cate, District 6   
**SUBJECT:** Council District 6 Priority Stormwater Channels

---

Thank you for allowing the opportunity to provide high-risk stormwater channel locations in my district.

As San Diego prepares for what is expected to be a strong El Niño this year, it is imperative we proactively work with the San Diego Regional Water Quality Control Board to secure all necessary emergency permits for priority locations.

In addition to the District 6 locations identified in the September 25, 2015 memorandum, I submit the following additional locations for your consideration, which have subsequently been brought to my attention by members of the community:

1. The south side of Chateau Drive from Diane Avenue to Paola Way
2. 6094 Carroll Canyon Road
  - a. A portion of this site was recently addressed but not in its entirety
