

DISTRICT 6 DISPATCH

CITY OF SAN DIEGO

MARCH 2015

CHRIS CATE

RETIRED SENIOR VOLUNTEER PATROL

Congratulations to the San Diego Police Department's newest class of Retired Senior Volunteer Patrol (RSVP) officers! These individuals are uniformed volunteers who supplement the police department by performing many important non-confrontational and educational duties. www.sandiego.gov/volunteer-program/opportunities/police.shtml#rsvp

MIRA MESA HIGH SCHOOL

I celebrated with the Mira Mesa Sapphire Sound Band & Color Guard for their formal invitation to participate in the 2016 Tournament of Roses Parade. March on, Marauders! www.tournamentofroses.com/

LUNAR NEW YEAR

It was an honor to officially recognize Lunar New Year throughout the City of San Diego. In the sixth District, 1 out of every 3 residents is of Asian American descent.

READ ACROSS AMERICA DAY

To kick off Read Across America Day, I presented \$15,070.99 in City funding to three District 6 libraries. In addition, the San Diego Public Library Foundation made a surprise announcement that they will be matching the funds allocated from the City of San Diego. The Foundation's funds will be used for programs and books at the libraries in District 6. <http://supportmylibrary.org/>

UCSD ALUMNI SERVICE DAY

We showed our Triton spirit at [UCSD Alumni](http://alumni.ucsd.edu)'s service day. Volunteers created an inviting garden at Ross Elementary for students to learn hands-on about science and nutrition. <http://alumni.ucsd.edu>

GROUNDBREAKING

I joined Mayor Faulconer, Councilmember Kersey, City staff and volunteers, as we broke ground for the new Los Peñasquitos Canyon Preserve Black Mountain Ranger Station. This ranger station will serve as a conduit for all neighborhoods in the sixth district and beyond to enjoy a wholesome, safe, and rewarding outdoor experience.
