

# DISTRICT 6 DISPATCH

CITY OF SAN DIEGO JUNE 2015

**CHRIS CATE**

## BREAKFAST BUDGET BRIEFING

Several D6 residents attended our inaugural briefing receiving a “sneak peek” of our City's Proposed Fiscal Year 2016 budget. This event was held on May 22nd in Clairemont.

## LIGHT THE NIGHT

Thousands of people partook in the first-ever D6 Night Market. All D6 neighborhoods (Clairemont Mesa, Kearny Mesa, Mira Mesa, Rancho Peñasquitos, and Sorrento Valley) were represented at the event.

## FIESTA DE LOS PEÑASQUITOS | PARADE

On May 2nd, my team and I participated in the Parade and Fiesta for Rancho Peñasquitos, hosted by the Rancho Peñasquitos Town Council.

## CRAFT BEER

Congratulations to the Sorrento Valley Town Council on a successful event! On May 15th, they hosted their inaugural Craft Beer Festival, which was sold-out.

## MARINE CORPS AIR STATION MIRAMAR

I toured MCAS Miramar's Flight Line. The U.S. Marine Corps performs 90,000 flight ops per year from this air station.

MCAS Miramar's strategic location and mission are essential elements in the preparation of these young Marines and Sailors for combat.

MCAS Miramar is located in the center of a constellation of Marine and Navy installations and ranges in the Southwestern United States.

## WORLD CPR DAY

Sudden Cardiac Arrest (SCA) unexpectedly takes the lives of thousands of Americans each year. Studies show that survival from SCA can be doubled or tripled if CPR is administered until emergency medical services arrive.

94% of people who suffer sudden cardiac arrest die before ever reaching a hospital.

When by-standers perform compression-only CPR, the American Heart Association found that it is as effective as traditional CPR that utilizes breathing techniques.
