

DISTRICT 6 DISPATCH

CITY OF SAN DIEGO DECEMBER 2015

CHRIS CATE

THANK YOU

Thanks to everyone that donated clothes for The Dress Code drive we held in November. A special thank you to the Soroptimist International of Mission Bay for a bulk of the donation. These items will help women transition from the military to the civilian workforce by providing female veterans with the professional attire needed to begin their new life. <http://www.thedresscodeca.com/>

D6 SESSION SAISON

On November 11th, our entire D6 staff came to participate in AleSmith Brewing Company's unveiling of their "D6 Session Saison." Proceeds benefit PsychArmor, a nonprofit that provides free educational support for Americans who care for and work with veterans. Thanks to White Labs for donating the yeast and Stone Distribution for distributing the beer. #D6Beer www.D6Beer.com

RICE DRIVE

On November 21st, Maria & I assisted with distributing bags of rice at the 6th Annual Rice Drive hosted by the Asian Youth Organization, in partnership with the San Diego Police Department. A special thank you to the Asian Business Association of San Diego, Convoy District, Union of Pan Asian Communities and Ito-Girard, for their rice donations.

A PLACE FOR KIDS & FAMILIES

On November 18th, dozens of marines from MCAS Miramar's Single Marine Program and I unveiled and dedicated a new area for kids and families at the Toby Wells YMCA in Kearny Mesa. This [project](#) celebrates the 20th anniversary of the Single Marine Program at MCAS Miramar and the 10th anniversary of the Toby Wells YMCA. I supported their endeavors with a \$15,000 grant from the City of San Diego.

MY VOICE IN THE ARTS

On November 12th, Councilmember Scott Sherman and I kicked off the San Diego Opera's "My Voice in the Arts" program. Research finds that sustained learning in music and theater directly correlates with higher achievement in both math and reading. Now through December 16th, sixth through twelfth graders can submit an application 'describing a time when they were affected by the arts.' Two youth from each council district will be selected to receive a ticket package for San Diego Opera's 2016 season.
