## Night Closures on State Route 905

Motorists are advised that Caltrans will close eastbound State Route 905 (SR-905) from La Media Road to Siempre Viva Road on Tuesday through Thursday, May 27-29, from 9 p.m. to 5 a.m. The closures are needed so crews can install bridge falsework to construct the State Route 11/SR-905 connector as part of the SR-11 Otay Mesa East Port of Entry Project. Delays may be up to a half-hour.

Travelers on eastbound SR-905 will be detoured onto southbound La Media Road, then eastbound on Siempre Viva Road and to the eastbound SR-905 on-ramp. Additional nighttime closures of westbound SR-905 from the U.S./Mexico Border to La Media Road will be scheduled in early June – dates and times to be announced.

If you have questions, you may contact Caltrans Media Relations Officer Cathryne Bruce-Johnson at (619) 688-6670. You can find project information on our webpage at [www.dot.ca.gov/dist11](http://www.dot.ca.gov/dist11). Follow us on Twitter @SDCaltrans for the latest traffic conditions.
