

District 7 Advisory Council:

One of Councilmember Marti Emerald's campaign promises was to put together an advisory council; a group of community members who expressed a desire to be involved but who don't have the time to commit to attending monthly meetings.

This committee doesn't duplicate the exceptional work done by the many Community Planning Groups and Community/Town Councils from District 7 that meet once a month. This Advisory Council meets quarterly and discusses one or two current events and concerns important to the District.

This is a list of those who, during the campaign, asked to be included on the advisory council:
