Application for Use of Alternate Materials & Methods

CASE NUMBER

INSTRUCTIONS	<p>1. Municipal Code Section 129.0109 gives the Building Official the authority to approve the use of any alternate material, design, or construction method if the Building Official determines the following: (a) That the proposed alternate material, design, or construction method would comply with the Building, Electrical, Plumbing, or Mechanical Regulations; (b) That the proposed alternate material, design, or construction method is at least equivalent to the standards prescribed in the applicable regulation in terms of suitability, quality, strength, effectiveness, fire resistance, durability, safety, and sanitation; and (c) That sufficient evidence has been submitted to</p>	<p>substantiate any claims that may be made regarding the use of any proposed alternate material, design, or construction method.</p> <p>2. Address all communications to: Chief Building Official, Development Services, MS 401, 1222 First Ave, San Diego, CA 92101. Telephone (619) 446-5406. THIS FORM MUST BE SIGNED BY THE BUILDING OWNER.</p> <p>3. Requests to use alternate materials, design or construction methods that are denied by the Chief Building Official may be appealed to the Board of Building Appeals and Advisors. See BNL 1-4B, form DS-104A and Section 111.0207 of the SDMC.</p>
