# Certificate of Compliance for Installation of CPVC Plumbing Materials

**FORM**  
**DS-107**  
 NOVEMBER 2008

I am licensed by the State of California as a plumbing contractor, and seek a building permit for residential construction, which involves the installation of CPVC plumbing materials as provided for under California Plumbing code section 604.1b. Pursuant to section 604, I hereby certify that:

- a. I am aware of the health and safety hazards associated with CPVC plumbing installations.
- b. My company's health and Injury Prevention Plan satisfies the worker training safety guidelines of the California Department of Industrial Relations, and includes information about the hazards associated with CPVC plumbing pipe installations.
- c. My company will comply with all of the installation and health and safety requirements of the California Plumbing Code applicable to the installation of CPVC plumbing materials, including the requirements set forth at CPC 2007 section 604 and Appendix I, section IS20-2005 thereto.
- d. All individuals working for this company performing work on CPVC piping, have completed a training course. Certificate of completion for this training for individuals working on CPVC are available upon request.
