The purpose of this form is to request enhanced inspection services. See Information Bulletin 120, Project Inspections for a more detailed description of these services, including the fees. Note that enhanced inspections are subject to inspector availability.

Submit a request for one of the enhanced inspection options listed below. A separate form must be submitted for each permit. If an inspector is available to perform the inspection, an invoice will be created to be paid online. All enhanced inspections require the payment of a fee in advance. After the invoice has been paid, the inspection will be scheduled and the applicant will be notified by email.

Any fees paid will not be refunded for enhanced inspections. To cancel a scheduled enhanced inspection, call 858-492-5070.
