The Honorable Mayor,  
Members of The Common Council  
The City of San Diego, California

Gentlemen:

The San Diego Rose Society for 25 years has advocated the establishment of a Municipal Rose Garden in Balboa Park.

We have a plan which we wish to present to you, which we believe will make it feasible to give our beloved city this most important recreational feature.

The San Diego Rose Society is ready and willing to give its material cooperation to this enterprise.

We therefore ask that you do us the kindness to meet with us in conference that we may go fully into the matter.

If you will set a time, say an hour some afternoon which will be convenient to all of you, and will so advise us, we shall be happy to meet with you then.

Most Respectfully your,

The Municipal Rose Garden Committee  
of The San Diego Rose Society
