The Honorable Mayor Butler and City Council
Civic Center Building
San Diego 1, California

Gentlemen:

I understand that you have before you now, or soon will have, the matter of a municipal rose garden in Balboa Park up for consideration. Believing that a beautiful rose garden would be a feature attraction that would bring much pleasure to our local residents, as well as to our visitors, I would like to urge your adoption of the plan and your approval of an appropriation for this project.

San Diego is fortunate to have such a beautiful park in the heart of the city,—the lawn, trees, and shrubs are beautiful. However, in my opinion, we need more attractive "centers of interest", such as the lily pond and the conservatory where the tropical plants are housed. Therefore, I would recommend your favorable consideration of the project for the municipal rose garden in Balboa Park.

Very truly yours,

Gen M. Miner
