Dear Mrs. Gillespie:

This will acknowledge your letter of July 16, addressed to the City Council, requesting assistance with the forthcoming U. N. exhibitions of service achievement to be held in October.

The City Council will be most happy to cooperate with your efforts by providing such facilities that may be necessary in Balboa Park. On behalf of the organizations affiliated with the commemorative celebration of the founding of the U. N. Way, will you make proper application for these facilities as soon as possible.

Sincerely,

To The Honorable  
The Mayor of San Diego and  
The City Council

Dear Mayor Dail and Members of The City Council:

Your Council, we believe, received petitions during March from some of the service groups that worked with the "Mayor's Advisory Committee" on The Tenth Anniversary Festival of The United Nations last fall.

Pursuant to those petitions for your "official sanction, cooperation, and such modest financial support as may be needed, so that the Assembly may carry on and increase its influence", we respectfully petition you now to approve the financial estimate for our exhibits of service achievement to be held in The Electric Building, Balboa Park next October 20 and 21:

Custodians and stage arrangement:	\$100.00
Last year	\$104.
Correspondence, paper, stencils,	\$100.00
Programs listing participants, projects, appreciations, entertainment, etc.	200.00
Miscellaneous, signs, posters, etc.	100.00
	<hr/>
	\$500.

We plan to raise this amount through the efforts of our finance committee, (hoping to have a finance consultant on the Mayor's Advisory Committee). We should, however, appreciate the Council's underwriting any deficit that might be incurred should we fail in our endeavor to finance our needs. Would this be possible?

Very sincerely and respectfully,

The San Diego Assembly (of service groups)  
for the U.N. Way.
