Returned herewith route slip and Document #557112 application of Danny Topaz for position of Organist at the Balboa Park organ.

On Tuesday, October 8th, the Organ Concert Committee with Councilman Schneider, Chairman, met in the Council Conference Room. The Committee authorized the Park and Recreation Director to negotiate an agreement with Mr. Douglas I. Duncan to provide one organ concert a week for the balance of the fiscal year. When terms of this agreement are completed, it will be submitted to the City Manager and the City Council for approval.

Members of the City Council

Gentlemen,

Since reading in the newspapers the discussion concerning the Spreckles organ in Balboa Park, I would like to suggest alternating weekly a program of more popular music with the program of music now presented by Mr. Shatto.

If such a program is considered I would like to be the organist for the alternating program.

I have had training on
the Spreckles organ by the
late Mr. Humphrey Stewart.

I would like to include
a program of light Operettas,
semi-classical and Broadway Show
tunes.

Thank you for giving
this your consideration.

Very Truly Yours
