Members of the City Council
Civic Center
San Diego, California

Dear Sirs -

As you know the State Highway Department has decided to put the Freeway thru the Park where our shuffleboard courts, horse shoe courts, and building, now are.

The Park Recreation Department has shown us a sketch of the proposed new building and courts at or near the bird cage near Fifth and Juniper Streets. We of The Balboa Club are very anxious to have the new building and courts finished before the others are destroyed and therefore we would appreciate it very much if you would do all you can to have the new place completed as soon as possible.

We think we furnish more winter visitors with cheap recreation than any other place in the City and hope we can be moved in to the new place in time for the winter tourists.

Sincerely

BEN FISH
