KNOW ALL MEN BY THESE PRESENTS, That The Coronado Beach Company, a corporation organized under and in pursuance of the laws of the State of California, Grantor, for and in consideration of One Dollar (\$1.00) to it in hand paid by the City of San Diego, State of California, Grantee, Does hereby Grant, Convey and Quitclaim unto the said Grantee, a right of way for the carrying of the waters to be taken by said Grantee from the Cottonwood Creek or through the Dulzura Conduit, and the head waters of the stream known as the Dulzura Creek, and also known as the Jamul Creek and Water Course, across and over Jamul Rancho, along the line of the Jamul Creek from the point where said Creek enters said Rancho on the south side, near the southeast corner of said Rancho, to the point where said Creek leaves said Rancho coming westward into the Northwest Quarter of Section four (4), Township eighteen (18) south, Range one (1) east, in said County; the said right of way to be one hundred (100) feet wide, and to consist of a strip of land fifty (50) feet wide on each side of the thread or middle of the bed of said stream or water course, of which the grantee shall have exclusive occupancy or possession, with the right to fence the same in order to exclude all persons, cattle or stock from said stream, and to prevent the pollution of the waters carried thereby. Said right of way shall be definitely located by a survey to be made at the expense of the said Grantee, within sixty (60) days from the delivery of these presents.

Said rights to include the right to have and to take all waters arising on or flowing through or naturally tributary to said stream from any part of the said Jamul Rancho, including not only the right to have all waters arising on or flowing through said Rancho and naturally tributary to said stream flow to and into the Lower Otay Reservoir, but also the right to use the bed of said stream for the purpose of conducting any water into the Lower Otay Reservoir which may flow from the Dulzura Conduit into said stream.

Excepting, however, from the operation of this deed the land formerly conveyed by the Southern California Mountain Water Company to Graham E. Babcock, by deed of June 26, 1903, recorded and appearing of record in Book No. 323 of Deeds, at page 136, et seq., in the office of the County Recorder of San Diego County, California, and the deed from said Southern California Mountain Water Company to said Graham E. Babcock, dated November 14, 1904, and recorded and appearing of record in Book No. 355 of Deeds, at page 383, et seq., Records in the office of the County Recorder of San Diego County.

TO HAVE AND TO HOLD, all and singular the above granted and described rights and premises unto the said Grantee, its successors and assigns forever.

IN WITNESS WHEREOF, the said Coronado Beach Company has caused these presents to be executed by its president and attested by its Secretary, and the seal thereof to be hereto attached, this 25th day of January, A. D. 1913.

K N O W A L L M E N B Y T H E S E P R E S E N T S :-

The consent of the Railroad Commission of the State of California having been first had and obtained, that the SOUTHERN CALIFORNIA MOUNTAIN WATER COMPANY, a corporation organized and existing under and by virtue of the laws of the State of California, having its principal place of business in the City of San Diego, County of San Diego, State of California, for and in consideration of the sum of TWO MILLION FIVE HUNDRED THOUSAND DOLLARS, in lawful money of the United States of America, the receipt whereof is hereby acknowledged, DOES HEREBY GRANT, BARGAIN, AND SELL to the CITY OF SAN DIEGO, a municipal corporation organized and existing under and by virtue of the constitution and laws of the State of California, and having its principal place of business in the County of San Diego, State of California, all those certain portions of the system of water works of the said Southern California Mountain Water Company, and including all those certain lots, pieces, and parcels of real property and property rights, situated in the County of San Diego, State of California, described as follows:

1. The Barrett Dam Site and Reservoir Site, consisting of nine hundred and

thirty-six acres of land, together with eight hundred and twenty-four acres in addition thereto adjoining and adjacent to the same, with buildings, and construction plant, including all lands in the Barrett Reservoir Site to the one hundred and seventy-five foot contour line, above the bed of the stream at the Barrett Dam Site.

2. All the water rights on Pine Creek, and all the lands and riparian rights of the Southern California Mountain Water Company along Pine Creek and the Cottonwood Creek from the Dulzura Conduit intakes to the International Boundary line between the United States and Mexico.

3. The Dulzura Conduit running from and including the diverting intakes at the Pine and Cottonwood Creeks, to the Dulzura Divide, said Divide being near the center of Section Ten, Range Two East, Township eighteen South, San Bernardino Meridian, with all the lands and rights of way owned by the Southern California Mountain Water Company along the same.

4. All flowage rights, riparian rights, rights of way, and lands of the Southern California Mountain Water Company along the Dulzura and Jamul Creeks, from the western end of the Dulzura Conduit as above described to the Lower Otay Reservoir.

5. The Upper Otay Dam and Reservoir consisting of One hundred and sixty-four acres of land, together with the lands adjoining, appurtenant, and adjacent thereto, consisting of four hundred and fifty and sixty-four hundredths acres, subject to the shooting and fishing privileges of E. S. Babcock.

6. The Lower Otay Dam and Reservoir consisting of One thousand acres of land, and the lands owned by the Southern California Mountain Water Company, adjoining, appurtenant, and adjacent to the same, consisting of one thousand four hundred twenty-one and eighteen hundredths acres, including all buildings, gardens, orchards, and improvements thereon.

7. The Pipe System and rights of way therefor, from the Lower Otay Dam and Reservoir to the University Heights Reservoir, in the City of San Diego, California, with pipe walkers' houses along the same.

8. The Chollas Heights Reservoir consisting of fifteen and seventy-three hundredths acres, together with the lands adjoining and adjacent thereto, consisting of one hundred and sixty-four and twenty-seven hundredths acres, and also the water filtering plant with the land adjoining and adjacent thereto, consisting of five acres.

The conveyance hereby made of the property described herein, is made subject to the water rights of the said Southern California Mountain Water Company, on the Cottonwood Creek east of the Barrett Reservoir Site, and to all property rights of the said Southern California Mountain Water Company, to lands lying east of the east line of the Barrett Reservoir Site, including the right of the said Southern California Mountain Water Company to maintain the Morena Dam, and to catch, impound and store water in the Morena Reservoir, and to take, draw, and divert water therefrom, and to sell and deliver the same for domestic, irrigation and other purposes outside of and beyond the watershed of the Morena Reservoir, subject to the rights of the said City of San Diego to lease and purchase the same, as set forth in that certain agreement and lease dated the 20th day of December, 1912, between the Southern California Mountain Water Company and the City of San Diego. The said land hereby sold and conveyed by the said Southern California Mountain Water Company to the said City of San Diego, California, is more particularly described in that certain map and schedule attached to, marked "Exhibit A" and made a part of that certain instrument filed in the office of the City Clerk of the City of San Diego, California, on the 14th day of February, 1912 and numbered "Document No. 48806"----as Lots numbered forty-nine to one hundred and forty-seven, both inclusive, and consisting of seven thousand and fifty-three and ninety-four hundredths acres of land.

The lands from which said riparian rights have been acquired are designated as Lots numbered from two hundred and one to two hundred and fourteen, both inclusive, on said map and schedule attached to said instrument and marked Exhibit "A" and filed in the office of the City Clerk of said City of San Diego, on the 14th day of February, 1912, and numbered "Document No. 48806" and consists of ten thousand nine hundred and eighteen acres of land.

This conveyance is also made subject to all pre-existing contracts heretofore made by, and under which the Southern California Mountain Water Company is now furnishing water for domestic and irrigation purposes, which contracts are more particularly described in that certain schedule attached to, marked "Exhibit B" and made a part of said "Document No. 48806", filed in the office of the City Clerk of said City of San Diego, on the 14th day of February, 1912, and also subject to that certain contract between the Southern California Mountain Water Company and the San Diego Land Company, dated on the 11th day of April, 1912, and filed in the office of the County Recorder of the County of San Diego, California, on the 24th day of June, 1912, and also including a contract between the Southern California Mountain Water Company and the Coronado Water Company, for the use of water for domestic and irrigation purposes upon the Peninsula of San Diego, as per grant thereof, known as North Island, City of Coronado, Tent City, the Brick Yards and Coronado Heights, and other consumers which are limited to the amount of water now being delivered to those who have connections with and are now being furnished with water from the Coronado pipe line, which pipe line commences on the Otay-San Diego Pipe line at the Coronado Junction, about two and three fourths miles below the Lower Otay outlet, and follows along the sand spit around the Bay of San Diego, into the City of Coronado, the price for such water to be eight cents per thousand gallons for the period of ten years from the date of contract and thereafter upon such rate, as the parties may agree upon, or, if unable to agree upon such rate, then such rate to be fixed by arbitration, one party selecting one arbitrator, and the other party selecting the second arbitrator, and if the two arbitrators so chosen, are unable to agree, they shall select a third arbitrator, whose decision shall be final, or at such rate as shall be fixed by lawful authority in existence at that time. The water shall be measured by a Venturi Meter, or other water meter equally as good, to be established along the Coronado Pipe Line at said Coronado Junction of said Coronado Pipe Line, and access shall be available to the employees of both the City of San Diego, and the Coronado Water Company, or its successors or assigns. Payment for such water shall be made monthly to the City of San Diego at the City Hall, on or before the tenth day of each month, in United States Gold Coin, for water furnished during the preceding month.

PERMIT FOR PLACING OF ANCHORS AND ANCHOR RODS.

I, A. R. Valentien, for and in consideration that the conditions hereinafter set forth shall be fulfilled satisfactory to the owner of the property, from the damage done to my property by the placing of anchors and anchor rods for staying and supporting the breast wall to be constructed between the east line of Park Boulevard and Florida Street, in the City of San Diego, California, in connection with the paving of University Avenue, from the east line of Park Boulevard to the eastern boundary of said city, do hereby grant to the said city of San Diego, a municipal corporation in the county of San Diego, California, an easement and right to construct and lay the necessary anchors and anchor-rods for staying and supporting the said breast wall, in, upon, along and across all that certain real property situated in the City of San Diego, County of San Diego, State of California, particularly described as follows, to-wit: Lot 24, Block 195, University Heights, as per the official map on file in the office of the County Recorder of San Diego County, California, upon the following conditions: That any and all anchors and anchor-rods shall be placed not less than three feet below the surface of the ground, and that all anchors shall be placed under the walk running along the side of the house and porch so as not to interfere with the foundation of said house and porch, all excavations for both anchors and anchor-rods to be refilled, wet down and tamped firmly in position; also that any and all damage done to the brick retaining wall, sidewalk, terraces, etc., by excavations shall be made good so as to leave the wall, sidewalk, terraces, etc., in the condition in which they were found. All top soil shall be carefully placed by itself and replaced on the top of all excavations, also where sod has been removed shall be resodded, and that any and all trees, plants and shrubbery that may be misplaced shall be replanted in their original position, and any that are lost through cutting, or removing, shall be replaced by others of the same sort or equally as good material, and replaced if necessary until such plants take root and grow, it being understood that all possible care will be taken not to disturb said plants in the first place; also that all debris must be removed after the work is finished.

Furthermore, in case that it is necessary in the future at any time to reconstruct or maintain said anchors, all damages arising from such entrance, shall be subject to the same conditions as hereinbefore mentioned and agreed upon, by being paid for by the City of San Diego.

The foregoing conditions are to be carried out to the satisfaction of the owner.

IN WITNESS Whereof, I have hereunto set my hand and seal this 19th day of June, 1913.

A. R. Valentien (SEAL)

I HEREBY CERTIFY that the above and foregoing is a full, true and correct copy of PERMIT FOR PLACING OF ANCHORS AND ANCHOR RODS --- to City of San Diego, California, being Document No. 71846.
