"May 10th, 1927.

To The Honorable Common Council,
Of The City of San Diego, California.
Gentlemen:

I am returning herewith, with my veto, Document #205803 being an ordinance for the regulation of taxicabs on the public streets of San Diego which was adopted by the Common Council on April 29th, 1927.

Due to the fact that this ordinance was passed by the Council prior to my taking office I return same with considerable hesitancy, however, as the ordinance appears to me to be rather vague and uncertain I feel that the approval of this ordinance by the Mayor would probably lead to litigation and would block for some time the regulation of taxicabs which is attempted by this document.

The document is not returned because of any objection that I may have to working out a reasonable regulation of taxicabs in this city, and in returning this ordinance to the Council I would recommend that they have another ordinance prepared covering the same matters embodied in this ordinance together with an addition requiring taxicabs to carry liability insurance.

Respectfully submitted,
Harry C. Clark, Mayor."

"July 23rd, 1927

To The Honorable Common Council,
Of The City of San Diego, California.

Gentlemen:

I am returning herewith Document No. 209594, passed by your Honorable Body July 18th, 1927 and being an ordinance waiving residence requirement for the employment of a General Foreman of Water in Operating Department. This ordinance is returned with my veto, based on the following grounds:

First, that Mr W. W. Albin, referred to in the above-mentioned ordinance, of properly qualified by certification from the Civil Service Commission does not require this ordinance waiving residence requirements to make his appointment effective.

Second, that by the provisions of subdivision 2-A of Rule 2 of the Civil Service Rules, no person can be admitted to an examination for any position in the classified service who is not both an elector of the City of San Diego, and an actual resident therein for at least one year, and it is my opinion that the City Council cannot, by ordinance make valid an appointment which would be, but for that ordinance, void.

Third, the Civil Service Rule above referred to has a provision that for certain positions requiring peculiar and exceptional qualifications, the residence requirement may be waived but there is nothing in the ordinance which indicates that this appointment would come under that head. Therefore, this ordinance, even if approved, would be void and of no force or effect.

Respectfully submitted,

Harry C. Clark
Mayor."

Noes--Councilman Dowell. Absent--None. Thereupon, on motion said ordinance was adopted by the following vote, to-wit: Ayes--Councilmen Bruschi, Maire, McMullen and Seifert. Noes--Councilman Dowell. "JANUARY 27th, 1928

To The Honorable Common Council,
Of The City of San Diego, California.
Gentlemen:

I am returning herewith an ordinance regulating Taxicabs, being Document #218401, adopted by the Common Council Jan. 16th, 1928, with my veto for the following reasons:

First, that Paragraph "f", Section 1 would include, in my opinion, under the term taxicab as therein defined, all for hire cars being operated in the City of San Diego and I do not believe that it was the intention of your Honorable Body to include therein what is known as the for hire car.

Secondly, that in Section 12 of the Ordinance there is placed in the Traffic Commission of the City of San Diego the power to grant or deny any and all permits mentioned in this ordinance, also to revoke or suspend any permit for violation of the terms of the ordinance. It is my opinion that this section cannot be enforced and would probably lead to litigation and a new ordinance could be worked out so as to leave a right of appeal to applicant from the ruling of the Traffic Commission to the Common Council.

In sending back this ordinance with my veto I do not want it understood that I am opposed to the Taxicab Ordinance but feel that it is preferable that these two matters that I have referred to in particular should be cleared up in a new draft rather than adopted and then amended later to make the necessary changes.

Respectfully Submitted,
Harry C. Clark, Mayor."

Thereupon, the roll call on the adoption of said ordinance, notwithstanding the Mayor's Veto, showed the following vote, to-wit: Ayes--None. Noes--Councilmen Bruschi, Dowell, Maire and McMullen. Absent--Councilman Seifert.

At this time a majority of the members of the Common Council signed a lease with Palmer Hughes and E. K. Lewis for a portion of Pueblo Lot 1311 for the purpose of erecting an oil station thereon.

Thereupon, on motion Council adjourned.

Harry C. Clark
President of the Common Council of the
City of San Diego, California.
