BE IT RESOLVED, by the Council of the City of San Diego, as follows:

As a very distinct shock to his legions of friends in every walk of life in this community came the word on April 1, 1937, that Virgilio G. Bruschi had been called from their midst by death, which had come to him as he slept at his home, 905 Twentieth Street.

From the northern mining sections of the State he had come as a comparatively young man to enter the business field here. With the ruggedness which had been engendered by his years in the open and with an innate honesty and stability of character which had come with his contact with real men of the gold regions he took up a new line of endeavor.

Generous in the extreme, with a kindly interest in his fellow men, of whatever race, creed or color, he endeared himself to all in an unostentatious manner which was typical of him.

To his adopted community he gave twelve years of active service as a councilman, and during such service he gave wholeheartedly of his sound judgment and unbiased opinions, and particularly so marked was his campaign to save to the city its tide-land rights, making possible the greater development of the water-front.

This Council, thus appreciating the work of this stalwart citizen, does now join with many other groups in adopting a resolution of respect to his memory and of deep-felt sympathy to the members of his family.

The City Clerk is hereby directed to incorporate in full in the Minutes of the Council this Resolution and to send a copy to the family and furnish copies to the press.

Thereupon, on motion the meeting was adjourned.

Mayor of the City of San Diego,
California.

RESOLUTION NO. 67482, recorded in Book 61 of Resolutions, was on motion of Councilman Crandall, seconded by Councilman Siebert, adopted, and read as follows, to-wit:

BE IT RESOLVED, by the Council of the City of San Diego, as follows:

ALLEN H. WRIGHT--- A MAN

No greater eulogy can be pronounced. A true friend, a devoted public servant for twenty-eight years as City Clerk, truly the warmth of the great central sun of human kindness has been lessened.

Appreciating and understanding that expressions of condolence wholly fail in compensation, yet the City Council of the City of San Diego desires to publicly express the heartfelt sympathy of a sincere community to his immediate family.

He was a public servant always, an official rarely. His interest in public affairs has never faltered and his understanding, affability and uniform courtesy to all his fellow men made him beloved and respected and a universal favorite.

It can truly be said that in his public duties and in his social circle he always did his part nobly and was a monumental ornament of A MAN.

And it is deemed eminently fitting and proper that this token of respect for his memory be made a matter of perpetual record by being spread upon the minutes of this body and that the Acting Clerk of the City Council transmit a copy hereof to his bereaved family as an expression of our sympathy for their loss.

RESOLUTION NO. 67483, recorded in Book 61 of Resolutions, was on motion of Councilman Fish, seconded by Councilman Housh, adopted, and read as follows, to-wit:

That Fred W. Sick is hereby appointed Acting City Clerk of the City of San Diego, to fill the vacancy created by the death of Allen H. Wright, to hold office until a permanent appointment shall be made.

Communication from the City Manager relative to the construction of a portion of the Police Headquarters, Jail and Courts on the Market Street site, and reporting as follows, to-wit:

"In view of the fact that since commencing the advertisement for bids information is at hand that there is a possibility of securing Federal aid for the construction of the buildings to house the police headquarters, jail, etc., it appears a matter of wisdom at this time not to let a contract for a portion only of the structures, to-wit: up to the ground floor only.

Obviously, this recommendation should be made at this time if there was no suit pending and there were no objections to proceeding.

In fairness it would seem advisable to instruct the Acting Clerk to notify contractors who have taken plans that the City will not proceed at this time and that bids received will not be opened."

RESOLUTION NO. 67484, recorded in Book 61 of Resolutions, authorizing the Acting City Clerk to notify prospective bidders, by appropriate advertising, or otherwise, that the Council does not contemplate opening bids for the Police Headquarters and Jail as called for on May 3rd, 1938, and that any bids submitted will be returned unopened.

This action is not to be construed as an intent to abandon the project, was on motion of Councilman Wansley, seconded by Councilman Housh, adopted.

Dear Mr. Clark:

Major Macaulay's tempest-in-a-teapot, manufactured and timed deliberately to embarrass this administration, has apparently blown itself out and has died down to less than a San Diego summer zephyr.

We are convinced, after independent investigation, and after observation of the public reaction to his campaign against the administration, that a great majority of the people desire this council to decide this matter in accordance with its own best judgment.

If the legal difficulties with regard to the Market Street site are cleared up and the City's application for Federal funds is granted, we propose to proceed with our plans to build a police headquarters and jail on that site at the earliest feasible date.

We, therefore, believe that a continuation of the controversy in further meetings at this time would not inure to the benefit of this Community.

Very truly yours,
City Council
