"WHEREAS, the City Council has had under consideration for almost three years the location of public buildings to be constructed in the City of San Diego; and
WHEREAS, the Planning Commission and several appointed Citizens' Committees have brought in recommendations that these buildings be located on Cedar Street; and
WHEREAS, the City Council decided that the question of locating public buildings on Cedar Street should be referred to a vote of the people; and
WHEREAS, at the insistence of certain organizations and individuals that the location of City, County and State office buildings in Balboa Park should be referred to a vote of the people at the same election; and
WHEREAS, the City Council did cause to be placed on the ballot the two above-mentioned proposals; and
WHEREAS, there is a widespread interest and desire on the part of the people to obtain full factual information respecting this matter; NOW, THEREFORE,
BE IT RESOLVED By the Council of The City of San Diego, as follows:
That this City Council does hereby present the following facts:
1. That there is now available in cash in the City treasury an amount estimated to be sufficient for the purchase of land for, and construction of, a new City Library. This is the only public building proposed for construction in the near future by the City of San Diego.
2. The only other known funds available are those for the construction of a School Administration Building, bonds for which were voted by the people on last November 5; and for the construction of a State Office Building, funds for which were appropriated by the State Legislature in 1945.
3. This City Council has no intention, nor does it have funds available, to acquire large areas involving twenty or more square blocks of land which might be needed for public buildings in the long-range future of the City.
4. In the event that the proposal to locate these public buildings along Cedar Street is ratified by the people of The City of San Diego, the City Council has no intention and does not propose to close any public streets.
5. The construction of any future buildings will probably require bond issues for their financing, which will require ratification of a two-thirds vote of the people of this City in each instance.
6. In view of the over-whelming weight of facts and the great necessity for preventing the unwise destruction of Balboa Park, and in order that the best interests of the City and its people will be served, the City Council hereby unanimously recommends a "Yes" vote on Proposition No. 4, calling for the placement of presently required public buildings on Cedar Street."

On motion of Councilman Wincote, seconded by Councilman Blase, it was determined that the Council found it advisable to include in the Budget funds to provide for employment of an Assistant Director at the Fine Arts Gallery. All the members of the Council present voted in favor of the motion.

Mr. John F. Borchers, Secretary of San Diego Taxpayers' Association, asked questions on figures for the next fiscal year's tax rate, which questions were answered by the Budget Officer.

Mr. George A. Wallace, Secretary of the Tunaboat Owners' Association, stated that there were many thefts aboard tunaboats, particularly during the night, but that such thefts were seldom if ever reported to the Police Department. Present---Councilmen Crary, Wincote, Blase, Godfrey, Mayor Knox

WAIVER OF NOTICE OF SPECIAL MEETING

We, the undersigned, being all of the members of the Council of The City of San Diego, do hereby jointly and severally waive notice of the Special Meeting of the Council, to be held in the Council Chamber in the Administration Building, Civic Center in the City of San Diego, State of California, on Friday the 27th day of June, 1947, at the hour of 10:00 o'clock A.M., and hereby consent to such special meeting.

(Signed) Harley E. Knox, G. C. Crary, Charles B. Wincote, Elmer H. Blase,
Chas. C. Dail, Ernest J. Boud, Vincent T. Godfrey.

The hour of 10:00 o'clock A.M. having arrived, being the time set for the second of two hearings on the Annual Appropriation Ordinance Appropriating Moneys for Municipal Purposes and Fixing Allowances for the Various Departments and Offices of the City of San Diego for the Fiscal Year 1947-1948, the Mayor announced that the Council would hear anyone who wished to speak in connection therewith, and he invited all interested persons present to express themselves on the proposed Ordinance.

The City Manager reported verbally on the request of several persons made at yesterday's hearing for the establishing of a Harbor Patrol. He recommended that an item be not placed in the Budget, but stated that he believes he can provide the service before the end of the year and possibly within six months.

Mr. George A. Wallace, Secretary of the Tunaboat Owners' Association, again stressed the need for establishing a Harbor Patrol, and he gave a detailed verbal report on recent thefts aboard tuna boats.

Mr. Alonzo de Jessop mentioned the possibility of prowler cars with search lights doing some of such harbor patrol work, or having patrol boats on duty.

Several members of the Council expressed themselves in favor of the creation of a Harbor Patrol, but no action was taken.

Mr. Guilford Whitney, representing the San Diego Taxpayers' Association, favored the City providing protection for property on and along the Bay.

The City Manager reported verbally on the matter of the City paying to the Federal Government (F.W.A.) on the cost of water distribution lines, and recommended adding funds in Capital Outlays for that purpose, thereby saving the City a large sum.

Mr. Whitney spoke again, setting out the views of the San Diego Taxpayers' Association, stating that a committee of the Association had given much study to the current budget before making its written recommendations to the Council. He stated that the Association would favor inclusion of funds in the budget which might effect eventual economies.

The Mayor stated that he felt that many of the needed improvements should not be undertaken at this time. He said that further reductions should be made in the budget.

The City Manager recommended verbally that the sum of \$250,000.00 be added to Capital Outlays Fund.

Mr. Carl F. Hahn, president of the San Diego Taxpayers' Association, asked about and advocated the transferring of the approximate figures of \$359,000.00 now remaining in the Camp Callan Acquisition Trust Fund to Capital Outlays Fund.

Councilman Godfrey moved that the sum of \$250,000.00 be taken from Capital Outlays Fund for Water Mains installation, rather than adding it to the budget, for F.W.A. payments; funds to be transferred from Camp Callan Acquisition Trust Fund to the Capital Outlays Fund at a later date. The motion was seconded by Councilman Blase. The roll call on the motion showed the following: Yeas--Councilmen Blase, Godfrey, Mayor Knox. Nays Councilmen Crary, Wincote. Absent--Councilmen Boud, Dail.

The Mayor expressed himself as feeling it to be necessary to keep the tax rate for 1947-1948 at the present level, or lower. He told the Council of added revenues which are to come from the State to the City.

The Mayor requested the City Manager to make specific reductions by making certain deletions from the Budget.

The City Manager stated that the Unappropriated Balance Fund and the Public Works Fund can be reduced.

Mr. Hahn agreed with the Mayor on the feasibility of decreasing the Unappropriated Balance Fund.

Councilman Godfrey moved that the City Manager be requested to reduce the Unappropriated Balance Fund by \$30,000.00 and reduce the Public Works Capital Outlays Fund by \$10,000.00. The Veterans Cab Company of San Diego, Inc., continued from the morning session, was resumed at this time.

Bill Miller, of La Jolla Cab Co., stated on being questioned by the Council, that he has licenses for five taxicabs but only four are in operation, due to his not being able to get a meter. The fifth cab will be put into service as soon as the meter becomes available.

At this point Mayor Knox entered and took the Chair.

Ed Hornung, of Lo Fare Cab Company, expressed the opinion that no new cabs are needed; and that business has dropped off. He said that he would like to see the number of taxicabs now licensed, reduced.

Mr. Hetherington said his company intends to place some of its cabs in the outlying districts to serve areas which now have little or no service, instead of concentrating on the downtown district.

Albert Franklin said that Lo Fare cab drivers consistently turn down business, waiting for long-haul fares.

E. R. Thornton spoke again, and said he has waited in the East San Diego area for a cab as long as an hour.

Ray Blair, of the Checker Cab Company, stated that business has dropped off around 33%; also that about ten of his drivers did not make their "minimums".

The City Manager said that the Yellow Cab Company has cabs tied up, not on account of lack of business, but because there are not enough drivers available.

Members of the Council ^{asked} for an explanation of the Veterans Cab Co. of San Diego, Inc., financial setup. Mr. Kahn gave a detailed verbal statement of the financial arrangement of the company.

At this point the Mayor declared the hearing closed, and turned the matter over to the Council for its discussion.
