NOW, THEREFORE,

A new assignment of a mounted policeman for that portion of the city was made the first of July, last, and that section is now being covered regularly as formerly.

A message from the Mayor vetoing an ordinance "Authorizing construction of a sewer in the Park grounds from Ash street to Date street" is presented and read.

Councilman Dodson moves that the ordinance be adopted over the veto of the Mayor. A roll call is taken and said motion fails of adoption by the following vote, to-wit:

AYES: None.

NOES: Councilmen Dodson, Woods, Woolman and Sehon.

ABSENT: Councilman Salmons.

Said Message is as follows viz;

"I herewith return without my approval this ordinance, entitled, "An Ordinance Authorizing the Construction of a Sewer on the Park Grounds from Ash to Date Streets in the City of San Diego, California, and Appropriating Money Therefor," for the reason that this Ordinance authorizes and directs the Superintendent of the Department of Fire and Sewers to cause to be constructed and laid a sewer in the City Park, while under the City Charter the exclusive management and control of all public parks in the City of San Diego is vested in the Board of Park Commissioners, and it does not appear that the consent of the Board of Park Commissioners has been obtained for the construction of this proposed sewer in the City Park.

Section 3, Chapter 7, Article 5, of the City Charter, as amended, reads as follows:

"All parks, plazas and squares now open and dedicated to the public use, or which may hereafter be opened or dedicated to the public use, shall be under the exclusive control and management of said Board of Park Commissioners, with power to lay out, regulate and improve the same."

Therefore, I am of the opinion that the legislative body does not have the power to prescribe, or in any manner, direct the nature of improvements within the limits of public parks without the consent of the Board of Park Commissioners. I am of the opinion that before any improvements such as contemplated in this ordinance can be made by the Common Council the consent of the Board of Park Commissioners must be secured, and I would suggest that your Honorable Body ask the Board of Park Commissioners to adopt a resolution granting the Common Council permission to construct the proposed sewer in the City Park and that said resolution be incorporated in the ordinance authorizing the construction of the proposed sewer.

(Signed) Grant Conard.  
Mayor of the City of San Diego, California.

Dated San Diego, California, July 30th, 1909."

In the matter of the petitions of John R. Seifert for a wholesale and retail liquor licenses, having been referred to the Superintendent of the Department of Police, Health and Morals by the Committee of the Whole, the Superintendent of the Department of Police, Health and Morals makes the following report:

"Honorable Common Council  
of the City of San Diego, California.  
Gentlemen:-

I herewith return the application of John R. Seifert for a wholesale liquor license at No. 1170 Fifth street also an application from Mr. Seifert for a retail liquor license at the same address No. 1170 Fifth street.

Mr. Seifert appeared at the meeting of the Committee of the Whole yesterday afternoon August 11, 1909, and requested that his application for a wholesale liquor license be withdrawn and that he be granted a retail liquor license at No. 1170 Fifth street.

These two applications were referred by the Committee of the Whole to the Department of Police for investigation and report. These applications are submitted by Mr. Seifert in consequence of the action taken by the Common Council August 9, 1909, in revoking the retail liquor license held by the San Diego Wine Co., John R. Seifert Proprietor at No. 1341 B street.

At the meeting of the Common Council at 10.30 A.M. on August 9, 1909, Mr. Seifert denied that he had violated the liquor ordinances or disobeyed the laws, or in any way failed to comply with the directions of the Police Department except in the one particular that he refused to make the necessary alterations in his building in order to meet the requirements of Ordinance No. 1998, "Peoples Ordinance"

Notice of revocation of the license issued to the San Diego Wine Co., John R. Seifert proprietor was served by Officer Warren of the Police Department at 4.30 P.M., August 9th, 1909.

Upon August 10th, the day following the revocation of the license issued to the San Diego Wine Co., Mr. John R. Seifert, without having a license at all, either retail or whole sale, personally sold liquor at his place of business, 1170 Fifth street and I herewith attach affidavits of two parties who purchased liquor personally from Mr. Seifert. I also submit the accompanying bottles one pint and one half pint of Guckenheimer Pure Rye Whiskey which were purchased by the two parties named.

I am strongly opposed to Mr. Seifert being granted a retail liquor license, as he seems to consider that he is not required to comply with the liquor ordinances, and recommend such application be denied, and that while having previously stated, I would not oppose a wholesale license for Mr. Seifert, I would now recommend that all action upon Mr. Seifert's application for a wholesale license be held in abeyance for the present, as I am considering ordering complaints filed against Mr. Seifert for a violation of the liquor ordinances.

Very Respectfully,

(Signed) John L. Sehon,

Sup't Dept Police etc.

San Diego, Cal., August 12, 1909.

H.D. Crawford, appearing this day before Superintendent of the Department of Police, stated in connection with the matter of obtaining liquor from John R. Seifert, 1170 Fifth street on August 10th, 1909, as follows:-

On Tuesday, the 10th day of August, acting under instructions from the Police Department, I called at the store of John R. Seifert at 1.33 P.M. and came out at 1.39 P.M. After a very few moments of general conversation, I asked him what was the best brand of rye whiskey that he carried. Naming over several kinds of rye whiskey, he mentioned Guckenheimer I said that is the kind that I would prefer and asked for a pint and also the price. He said 75 cents and I purchased the pint, he taking it out of the case and wrapped it.

The purchase was made of Mr. John R. Seifert individually and the pint now in custody of the police department is the identical pint so purchased.

At the same time Officer McCarter, who was in plain clothes and with me at the time purchased a half pint of the same brand of rye whiskey in my presence, paying therefore a half dollar and receiving back ten cents in change. That purchase also being made of Mr. John R. Seifert.

F.A. McCarter, appearing this day before Superintendent of the Department of Police, stated in connection with the matter of obtaining liquor from John R. Seifert, 1170 Fifth street, on August 10th, 1909, as follows:-

On August 10th, working under the instructions of the Police Department, I went to Mr. John R. Seifert on Fifth and B streets at 1.33 in company with Mr. Crawford and purchased a half pint of Guckenheimer whiskey paying him fifty cents and receiving back ten cents.

Previously I saw Mr. Crawford purchase a pint of the same brand from Mr. Seifert in my presence and paid him a \$1.00, receiving twenty-five cents back.

Both purchases were made of Mr. Seifert personally and individually. I have known Mr. Seifert going on eight years.

A communication from Councilmen A.E. Dodson, F.A. Salmons and Percival E. Woods, reporting on their visit to the twelfth annual convention of the League of California Municipalities is presented, read and on motion ordered filed.

On motion a vote of thanks is tendered the Councilmen and the Clerk is instructed to spread the report on the minutes.

"San Diego, Cal., September 30, 1909.

To the Honorable Common Council:  
Gentlemen:-

The undersigned members of the Common Council at your designation, attended the twelfth annual convention of the "League of California Municipalities" held at Santa Cruz, from the 21st to the 24th inst. There were in attendance about 175 delegates, and some 58 cities were represented.

The program was very interesting and instructive. Nearly all the problems of general interest to a municipal government were discussed, and the cities represented were benefitted by the discussions. Street work and electric lighting were among the leading questions under consideration. Our Mr. Salmons paid especial attention to these matters; Mr. Woods attended the department of Clerks and Auditors and Mr. Dodson attended the sessions of city attorneys. Acting under your instructions to invite the league to hold its next meeting in this city, we desire to report that the convention decided upon the first ballot to accept our invitation. Much interest was manifested by the various delegates as to the Commission form of government. At present, San Diego and Berkeley are the only cities to adopt the measure and our success in this departure is being closely watched.

We are unanimous in our belief that these annual gatherings are of great benefit to municipalities, and would respectfully ask that the City of San Diego in due time take the necessary steps to prepare for the next convention and endeavor to make it a decided success.

Respectfully submitted,

Signed      A.E. Dodson  
                 Percival E. Woods  
                 Frank A. Salmons. "

At this time the President announced the Council would take up the matter of the hearing of the proposed plans and specifications for the repairing and re-opening of the Grand Theater. Whereupon, Mr. L.A.Wright, Attorney for the petitioner Mr. E.J.Louis, owner of the Grand Theater, arose and said, "Captain Sehon, you have stated that three or four times before, that is not a fact, sir". The Chairman then informed Mr. Wright that he was out of order, whereupon Mr. Wright continued to speak and the chair did repeatedly rule Mr. Wright out of order. Thereupon Councilman Salmons stated that he thought Mr. Wright should be heard and Councilman Dodson moved that Mr. Wright be heard. The Chairman stated that the chair had announced the business and issue before the Council, and if it was the understanding that the question was not as stated by the chair, it was within the power of the Council to reverse the ruling of the chairman and the chair would then state the business before it. Mr. Wright continued to speak and the chair again ruled Mr. Wright out of order and announced that the chairman having stated the business before the Council, it was for that body to decide if the issue was properly stated, and pending such decision, Mr. Wright was out of order and that upon the determination of the proper issue before the body, Mr. Wright would be given an opportunity to address the Council. Mr. Wright continued to speak and the Chair repeatedly ruled him out of order, Mr. Wright refusing to desist speaking, the chairman requested Mr. Wright "to resume his seat". Mr. Wright stated "I will not take my seat, you cannot make me take my seat;I will not take my seat and I am not out of order, Captain Sehon". Mr. Wright continued to talk and the chair repeatedly ruled him "out of order" and requested him "to resume his seat", which Mr. Wright refused to do.

Thereupon the Chairman sent for the Sergeant at Arms and notified him to remove Mr. Wright from the room.

At this time Councilman Woods moved that the Council adjourn.

Whereupon Council Salmons said there was a motion already before the Council.

The Chair announced that a motion to adjourn was always in order and took precedence over other motions and directed the Clerk to call the roll on adjournment which is as follows:

AYES: Councilmen Woods and Sehon.

NOES: Councilmen Dodson, Salmons and Woolman.

Said motion was thereupon declared lost.

As Sergeant at Arms George approached him Mr. Wright exclaimed, speaking to the Sergeant at Arms, "Dont you touch me, if you do it will be at your own peril. If you lay a hand on me it will be an assault". Sergeant at Arms George approaching Mr. Wright said, "Now Mr. Wright, you know", whereupon Mr. Wright interrupting Sergeant at Arms George said, "Dont you touch me, if you do it will be an assault". Thereupon Sergeant at Arms George left the room and the Council continued its deliberations and Mr. Wright resumed his seat inside the rail where he had been standing before.

At this time on motion of Councilman Woods, the Council took a recess of fifteen minutes for the purpose of considering further, as a Committee of the Whole, the question of the proposed repairs to said Grand Theater according to the plans and specifications submitted.

Upon re-assembling the roll-call shows the following members present.

Councilmen Dodson, Salmons, Woods, Woolman and Sehon.

A report from the Superintendent of the Department of Police, Health and Morals, which is as follows:

"To the Honorable Common Council,  
of the City of San Diego, California.

Gentlemen:

I desire to report that the following named parties, Dominico Ricci, Proprietor, Buon Gusto Restaurant, 1520 "I" St.; George Restovich, Proprietor, Overland Restaurant, 1235 F St.; and Tom Doran, Proprietor, Del Monte Restaurant, 1415 G St., have been guilty of violating the provisions of the Liquor Ordinance of the City, regarding the sale of wine, ale or beer upon Sundays.

These three places have been under Police surveillance for some little time and the Department has evidence showing that the privilege of selling wine, ale or beer upon Sundays has been abused by all three of the above named restaurant proprietors by making sales of beer without a bona fide meal, upon Sunday, October 24th, and Sunday October 31st, 1909.

Section 7 of Ordinance No. 2341, permits the sale of wine, ale or beer with a bona fide meal, on Sundays, between the hours of 11.00 o'clock A.M. and 12:00 o'clock P.M., but the above named parties have, on Sundays, under color of authority of Section 7 of said Ordinance, conducted their places practically as a Sunday "Booze Joint".

I recommend that the proprietors of the three restaurants above named be served with a notice to appear before the Common Council, Monday, November 8th, 1909, at 10.30 A.M., and show cause why their restaurant liquor license should not be revoked.

The following communication from John L.Sehon, Superintendent of the Department of Police, Health and Morals, reporting on the communication of E.J.Louis, relative to securing insurance on the Building known as the Grand Theater, is presented, and read, viz:

"Respectfully returned to the Common Council with the information that the statements contained in the within communication, asserting that the undersigned had stated that no insurance company other than in Mr. Louis's agency would write insurance on the Grand Theater, are incorrect.

I think the matter is quite well understood by all of the members of the Common Council and the City Clerk, that the undersigned inquired of Mr. Louis, what insurance, if any, he had upon the building, and that Mr. Louis replied that he had no insurance of any material amount; that the undersigned then inquired what amount of insurance, if any Mr. Louis carried on the Grand Theater, to which Mr. Louis replied, that he had none at all.

The undersigned then inquired of Mr. Louis if he thought he could obtain any insurance upon the building and if so, in any insurance companies other than the ones re-

presented by himself.

Mr. Louis in the within communication misconstrues these statements asked him and asserts the same to be direct assertions of the undersigned.

If Mr. Louis can secure the amount of insurance as represented in the attached statement, I should judge it would be good business policy upon his part to immediately insure the Grand Theater to the extent of its fullest insurable value.

(Signed) John L. Sehon,

President of the Common Council. "

The Ordinance ratifying and confirming the granting of a wharf franchise to the Western Lumber Co., is presented and read by title.

An agreement of the Western Lumber Co., offering the use of said wharf by said city is then presented and read.

A communication from the Hotel and Rooming House Keepers Ass'n protesting against the ratification of said franchise is presented, read and on motion ordered filed.

A communication from Councilman A.E.Dodson in said matter is presented, read, ordered filed and spread upon the minutes, viz:

"Nature has given us one of the finest harbors in the world, and it remains for man to utilize it and obtain full benefits from such a gift. Our natural advantages should not be bottled up or laid away in a napkin. We will never obtain the full benefits to be derived from our harbor if we do not permit it to be used. Because other councils have given away large areas of water front, far beyond the actual requirements, it is no reason why we should refuse to let anyone else compete with them.

In reference to the application of the Western Lumber Company for a franchise, I have given the matter much consideration, and have heard much said for and against the measure. Which ever way we act, I realize there will be people who honestly differ with us.

The first thing to be considered is whether or not the object is in support of legitimate enterprise, or is it to obtain and tie up a locality for speculation. In answer to this, we find the applicants are and have been for years engaged in the lumber business, and this privilege is asked for the purpose of continuing their business. When we consider that outside of the lumber trade our bay has so few interests, it strikes me that we should do all we can to increase the business of our magnificent harbor. We must not waste our water front; we must not let it go into the hands of speculators; but we certainly should use it and encourage its use for all legitimate commercial purposes.

As to the size of territory included on the tide lands, I should certainly oppose the grant were it to deny the use of the same for railroad and other public purposes. But this franchise does not preclude such privileges. Furthermore, as under the general laws of the state, all wharfs are allowed 150 feet on each side, there is not room for more than one wharf in the territory between the Santa Fe wharf and the Russ Lumber Company. The grant does not extend to deep water, nor can it do so on account of the arm of the Santa Fe wharf, which has taken up all the deep water frontage. The site selected cannot without dredging, be used for deep water vessels; it is, however, specially adapted for the lumber trade; a trade to which we should offer special inducements. I would much rather see some other portion of the bay used for the lumber trade, but it is contended that all available locations further east are controlled by the two railroads. This being so, it is but natural that the applicants seek to be freed of any obligations to ship over any particular line of road. It goes without saying that railroads cannot deliver lumber to our city as cheap as ocean schooners. If we were to force a company to bring lumber to San Diego by rail, it is evident that the consumer would pay the additional tariff. If San Pedro and Los Angeles were dependent upon railroads for their lumber, the great lumber industry now had at San Pedro would be down and out. We want our share of this lumber trade and must help obtain it. San Diego in the past has played the dog in the manger policy. It appears to me that it is about time to get out and boost.

Unfortunately, the Common Council cannot alter, modify or amend the grant made by the Harbor Commissioners. We must accept it or reject it as it comes to us. All the benefits we can secure for the city must be made by a separate agreement. All of which shows the necessity of ascertaining definitely whether the control of the water front belongs to the State Board of Harbor Commissioners, or to the Common Council.

This is not an unconditional grant of water front, for in addition to the reservation allowing other railroads full use of this strip of land, the council has also secured the privilege of laying a water pipe line upon this wharf for the purpose of furnishing water at city rates to all vessels desiring to purchase the same. We also have reserved the use of the wharf for municipal purposes. While it is true we should have a wharf of our own, it is certainly better to have the use of one than to refuse this and be without any. The franchise is only for sixteen years, and can be repealed upon equitable terms prior to that time if occasion demands. Those of us in a position to know, realize that we are unable at the present time to construct the much desired municipal wharf and belt line railroad. We can, however, lay our plans toward that end, and should, at the earliest possible occasion present the project to the people of San Diego for their

approval. The request to have E street, or some other available water front set apart for wharf purposes should be acted upon at once. In the meantime, our harbor should be utilized for legitimate purposes.

If we want commerce on our bay we must encourage it and grant facilities for it. Because former councils have made extravagant franchises, it is no reason why we should refuse to grant any.

Personally the grant as presented by the Harbor Commissioners was not entirely in accord with my views, but the Council had to act upon it as presented to it. However, I believe by the agreement secured, we have removed the greater part of the objectionable features, and obtained certain concessions which will be of value to the city of San Diego.

(Signed) A.E.Dodson. "

Mr. M.A.Graham, President and General Manager of the Western Lumber Co., is at this time heard in said matter.

The Communication from the President John L.Sehon, heretofore presented and read, is ordered filed and spread upon the minutes, viz:

"To the Honorable Common Council  
of the City of San Diego.

Gentlemen:-

In the matter of the application of the Western Lumber Company for a wharf franchise 125 feet wide and extending from the east line of Columbia street out approximately 1340 feet into the Bay, with an L section extending to the westward from the west side of said pier, between the line of mean high tide and the bulkhead line established by the United States War Department, to a position defined by the line of the east side of Arctic street projected to intersect bulkhead line, I am of the opinion that such franchise should not be granted.

In my opinion, the section of the bay within which the proposed wharf franchise would be located, is the strategical point on the bay for probable wharves in the future for some passenger or general merchandise service and I do not think that a franchise for should now be granted for a wharf at this location for a manufacturing purpose.

Blocks 23 and 24, New Town Addition, in this city, have been acquired by the San Diego & Arizona Railroad Company and that portion of State Street lying between Blocks 23 and 24 has been closed from the south line of H street to the water front, and these two blocks have been thrown into one tract to be used for a railroad depot. (See copy of map hereto attached.)

The westerly end of this tract rests upon Columbia street which is the line of the eastern boundary of this proposed franchise for the Western Lumber Company and I am strongly of the opinion that it would be much better for the public interests to reserve a franchise in this locality for a wharf to be used for future passenger service, or some general merchandise or commercial interests.

In my opinion wharves for manufacturing purposes of this class should be located further east along the bay front. The particular feature of this franchise which seems to me unwise to grant, however, is the L section extending westward to the east line of Arctic street. Whether or not the claim made that other corporations have been granted franchises largely in excess in area than this proposed franchise, seems to me to be immaterial, as applications from such other corporations are not now before this council for consideration. There is a probability that at some time in the near future the issue may be raised whether the State or the municipality should control this harbor frontage and

I do not think that the City of San Diego should at this time surrender the control of such an extended width of its bay front. Whether it would be possible for any other parties to obtain a wharf franchise between the Santa Fe wharf and this proposed wharf franchise, should not be considered as a conclusive reason for surrendering the portion of the front included within the boundaries of the L section of this franchise, as the City of San Diego may have other purposes and uses in the future for this L section of the proposed franchise.

The offer of the Western Lumber Company to grant certain privileges to the city for the use of this proposed wharf, under certain conditions, provided said franchise is ratified by the Common Council, lessens to some extent my objections to this franchise but it is a serious question whether or not any conditions and agreement made by the Western Lumber Company could be made forcible in the future.

If the Western Lumber Company should submit a reasonable application for a wharf franchise further to the east and in a locality where it would naturally seem the heavy manufacturing interests should be centered, I should favor granting such wharf franchise.

Respectfully,

(See sketch)

"To the Honorable Common Council  
of the City of San Diego.

Gentlemen:-

I return the application of Mr. A.A.Finley, for permission to transfer his retail liquor license from the building located at No. 568 Fifth street, corner of 5th and H streets, to No.544 Fifth street, this city.

William Morgan, bar tender for Mr. A.A.Finley, proprietor of the Mint Saloon, is charged with selling whiskey to Indians. In a recent trial of this case, conducted by the District Attorney, in the Township Justice Court, the jury disagreed, standing nine for conviction and three for acquittal. A complaint has been filed in the Federal Court against said William Morgan and he has been held to answer by Commissioner H.T.Christian to appear before the District Court in Los Angeles some time in January, 1910. It may be necessary at a later date for your Honorable Body to take official notice of the proceedings in the Federal Court in this matter.

However, the lease now held by Mr. A.A.Finley, proprietor of the Mint Saloon, terminates January 1st, 1910, and as he is unable to renew this lease he is forced to move. I have notified Mr. Finley, that any permission granted him by the Common Council to transfer his license from his present location No. 568 Fifth street to No.544 Fifth street, is not to be construed by him as in any manner condoning the offense charged against his bar-keeper, said William Morgan, or in any wise waiving the full right of the Common Council to take whatever action it may deem proper in the future.

Under these circumstances, I therefore recommend that Mr. Finley be granted permission to change the location of the Mint Saloon from No.568 Fifth street to No.544 Fifth street.

Respectfully submitted,

(Signed) John L.Sehon,
