WHEREAS, This Common Council has heard with deep regret of the death of Captain John L. Sehon, which occurred at his home, 3520 Third Street, in this City, Sunday evening, May 18th, 1913, and

WHEREAS, It is deemed fitting that this body should take some official recognition of the passing of one who has so recently been a fellow member, NOW BE IT

RESOLVED, that this Common Council do and it does hereby adopt this minute of respect to his memory.

Captain John Leicester Sehon was born in Atlanta, Georgia, June 9th, 1862. His boyhood was spent in Louisville, Kentucky, following the death of his parents. Graduating from a military academy in Missouri, he was appointed by President Chester A. Arthur as a second lieutenant in the United States Army. He served with the Fourth Infantry from October 12th, 1883, to March 12th, 1891, when he was promoted to first lieutenant and assigned to the Eleventh Infantry, soon afterwards being transferred to the Twentieth Infantry. Because of physical disability he was retired with the rank of Captain, November 15th, 1898.

Soon thereafter he came to San Diego to take up his residence and here he has served the municipality in the capacities of Member of the Board of Delegates from 1903 to 1905, as Mayor from 1905 to 1907, and as a Member of the Common Council from 1909 to 1913. As Mayor he ably directed the local situation at the time of the disastrous explosion on the gunboat Bennington in this Harbor, and as Superintendent of the Department of Police, while a Member of the Common Council, he won the commendation of all patriotic citizens by his fearless handling of affairs incident to the street speaking controversy in 1912.

As a Member of the Common Council he was ever alert to the public interests, and steadfastly stood for those things which he considered right.

BE IT FURTHER RESOLVED, That this Common Council does hereby extend its sincere

sympathy to the family of the deceased; and be it further

RESOLVED, That this minute be entered in full on the records of this body and a copy thereof, under seal of the City, be forwarded by the City Clerk to Mrs. Sehon, and be it further

RESOLVED, That, as a further mark of respect that this Council do now adjourn."

The following report of the Superintendent of Water on the petition of F.S. Sessions for a special water rate, is read and adopted, viz:

"San Diego, Calif., May 24, 1913.

To the Honorable,

The Common Council of the City of

San Diego, California.

Gentlemen:-

I respectfully return without my approval the petition of Frank S. Sessions for special water rate. I base my action on the following reasons, namely: That the petitioner's necessity for the use of water is in connection with a commercialized effort on his part to gain a profit in the business which he has established and I do not consider that he is entitled to any special privilege which would not be equally just if granted to all large consumers in any line of business. With the rapid growth of this city at the present time the anticipated very low rate of eight (8) cents per hundred cubic feet should be

be satisfactory to any consumer and with the establishment that Mr. Sessions has at Pacific Beach the mere change in rate from five cents per 100 cubic feet to eight cents per 100 cubic feet means but one dollar a week increase to him. Furthermore, the one noticeable advantage in an increase of rate which we have had very forcibly brought before us is that it tends to conserve the water supply of this community.

Very respectfully,

H.R. Fay, Superintendent."

Thereupon on motion petition is denied.

The following Message from the Mayor vetoing an ordinance prescribing rules and regulations governing sparring exhibitions, is presented and read, viz:

"May 22, 1913.

To the Honorable,

The Common Council of the City of San Diego.

Gentlemen:-

I return to you herewith proposed ordinance prescribing rules and regulations governing sparring exhibitions in this city, with my veto.

I disapprove of the ordinance for several reasons, among them being that the ordinance provides that licenses shall be granted only by the Common Council, and yet it does not state that the Common Council has any discretion as to the revoking of any licenses or permits granted under this ordinance. The revocation rests only with the Police Department. I do not think it wise to take from the Council this right.

This ordinance also states that no minors under the age of eighteen years shall

be admitted to a sparring exhibition or boxing contest, as spectator, principal, or a member of the club. The ordinance does not provide any penalty for the violation of this, or the other restrictions contained in the ordinance.

It also states in Article (f), that no intoxicating liquor will be permitted on the premises where boxing exhibitions are held. In Article (h), it says that the club giving sparring exhibitions or contests shall be held strictly responsible for the maintenance of order, shall exclude minors under eighteen years, prevent disorder, riot and brutality, the use of profane or obscene language, and the presence of intoxicating liquors upon the premises during the time of such contests.

It seems to me that Article (h) and Article (f) contradict each other, inasmuch as one states that "no liquors will be permitted," and the other states that they will not be permitted "during the time of such contests."

I believe that a continuation of the present conditions restricting and regulating contests of this character would be for the best interests of the City of San Diego. It seems to me that the twenty round exhibitions would be more in the nature of prize-fights than sparring or boxing contests.

For these reasons I have decided to veto this ordinance.

Yours respectfully,

Chas. F. O'Neill,

Mayor of the City of San Diego, California."

The following report of the Superintendent of Police and Harbor Affairs on a com-  
munication from the Wide-Awake Improvement Club requesting revocation of contract with  
Mesmer & Rice for construction of municipal pier, is read and adopted, viz:

"June 12, 1913.

Regarding the within complaint of the Wide-Awake Club as to tardiness of contractors  
in completing municipal pier, and the Club's recommendation that the contract of Mesmer &  
Rice be abrogated and the pier finished by the City by day labor at Contractor's expense;  
it is recommended that the Wide-awake Club be informed that although the contractors will  
hardly be able to finish the pier within the specified time they will doubtless finish it  
at an earlier date than could the City as it is more than probable that the City would be  
enjoined from proceeding with the work.

Also referring to the request of the wide-awake club that the Harbor Engineer  
be fully vested with all the powers of a Supervising Architect with authority to approve  
and condemn work as it progresses, giving him the same authority as is granted architects  
and superintendents, it is recommended that the Wide-Awake Club be informed that the Harbor  
Engineer now possesses all power given by the contract and specifications and that they were  
drawn by himself.

H.N. Manney,

Superintendent of Police and Harbor Affairs."

A message from the Mayor vetoing an ordinance regulating the distribution of hand bills is presented and read, viz:

" San Diego, California, June 12th, 1913.

To the Honorable Common Council  
of the City of San Diego.

Mr. President & Gentlemen:

I herewith return the proposed ordinance, regarding the distribution of hand bills in the City of San Diego, which I have vetoed. My reasons for vetoing this proposed ordinance are as follows:

Section 2 provides, "that it shall be unlawful for any person to post or tack any such hand bill, dodger, poster, circular or other notice of advertisement upon any tree or structure within any public park or upon any fence, gate or enclosure thereof, thereon or therein, or surrounding the same in the City of San Diego, California, or to place or throw any such hand bill, dodger, poster, circular or other notice of advertisement, in any vacant lot or in any yard or any building or store, unless the same is delivered personally to some person in such yard, building or store."

In my opinion, this would prevent the City from Posting notices of street work on the vacant lots, and it would also prevent posting of notices as to rewards offered for fugitives from justice.

Section 3 provides, "that it shall be unlawful for anyone other than a carrier of U.S. mail or any employee of the post office department to place any hand bill, dodger, poster, circular, notice or any other paper or samples of merchandise, or other advertisement or printed matter in any box or receptacle on any residence, or on any fences or post appurtenant to the property of any such residence or in any private mail box wheresoever in said city."

This section, if adopted, would make it unlawful for the delivery of daily papers unless handed in person to the subscriber as the section specifies "any printed matter or any paper."

I do not believe that the ordinance was intended to restrict the delivery of papers the posting of notices of fugitives from justice, or the posting of notices of public improvement.

Yours very truly,

Charles F. O'Neill,

Mayor of the City of San Diego."

"July 7, 1913.

To the Honorable,

The Common Council of the City of San Diego.

Gentlemen:-

I return herewith proposed ordinance authorizing the purchase of approximately 186 tons of cast iron water pipe, with my veto. My reason for vetoing this proposed ordinance is that it specifies that this pipe is to be purchase without advertising for bids.

It seems to me the City would secure better prices on materials by advertising for competitive bids than by purchasing privately. It also gives an opportunity to all persons wishing to sell to the City to place their wares in competition with the wares of other firms. This ordinance is not an emergency ordinance, and I see no reason why bids could not be called for.

Yours respectfully,

Charles F. O'Neill,

Mayor of the City of San Diego, California."

"July 29, 1913.

To the Honorable Common Council  
of the City of San Diego.

Gentlemen:-

I return to you herewith proposed ordinance authorizing the purchase of an auto service wagon to be used in the Water Department. This ordinance I have vetoed for the following reasons:

1. I believe that expenditures involving any sum in excess of five hundred dollars should be advertised for competitive bids. I believe that in this manner the City will secure keener competition in the purchasing of any and all commodities.

2. Part of Section One states that the auto desired is for the Water Department, whereas the ordinance under which this money was voted was for Water Extension service. This auto if bought should be used only for that purpose.

3. It is stated in Section Two of the proposed ordinance that "the cost of the said auto service wagon, less wear and tear thereof, shall be paid into the said Water Extension Bond Fund out of the Water Fund of said City and the said wagon shall be the property of the Water Department thereof." I believe that the property of the Bond Fund should be sold by order of the Council at public auction and if the Water Department wishes to buy from the Water Extension Bond Fund any article offered for sale they may do so in that manner.

For these reasons I have vetoed this ordinance.

Very truly Yours,

Charles F. O'Neill,

Mayor of the City of San Diego."

The following Message from the Mayor vetoing an ordinance transferring \$903.75 from Water Extension Fund to Water Fund, is presented and read, viz:

"August 1st, 1913.

To the Honorable, The Common Council  
                     of the City of San Diego.

Gentlemen:-

I return to you herewith my veto of proposed ordinance "transferring money from the Water Extension Fund of 1913 to the Water Fund of the City of San Diego," amounting to Nine Hundred and Three Dollars and Seventy-five cents, on account of the office pay roll accounting and engineering, in the Water Department for the month of May, 1913. This ordinance I vetoed for the following reason:

The ordinance under which the Water Extension Bonds were voted does not specify that any office expenses or accounting can be paid out of the bond Funds. The money was voted for specific purposes and cannot be diverted for any purpose other than that specified in the ordinance calling the election.

For this reason I have vetoed this ordinance.

Very respectfully,

Charles F. O'Neill,

Mayor of the City of San Diego."

A message from the Mayor vetoing an ordinance transferring \$2752.80 from Water Extension Bond Fund to Water Fund, is presented and read viz:

"July 29, 1913.

To the Honorable, the Common Council  
                     of the City of San Diego.

Gentlemen:-

I am returning to you herewith proposed ordinance "transferring \$2752.80 from the Water Extension Bond Fund to the Water Fund." This ordinance I have vetoed for the following reason:

The proposed ordinance does not state for what purpose this money was paid out by the Water Fund, although it does state in Section One that the expenditures are named in a preamble of this ordinance. If this statement is correct I judge that the money asked for would be in payment of the calling of the special election. I do not believe, if such is the case, that it is the proper charge against the fund..

Yours very truly,

Charles, F. O'Neill,

Mayor of the City of San Diego.

"SEPTEMBER 16th, 1913.

The Honorable Common Council,  
City of San Diego.

Gentlemen:-

I return with my veto proposed ordinance granting permission to the Pacific Telephone and Telegraph Company to carry a telephone cable over the suspension bridge on Spruce street.

This ordinance I have vetoed for the reason that it is a special privilege and is of no benefit to the city, and it is very probable that other corporations will request similar privileges if this is granted this company. I cannot see any reason why this company cannot use poles for this cable as they have done in other parts of the city where no bridges were constructed.

For these reasons I have decided to veto this ordinance.

Very respectfully,  
Charles F. O'Neill,

Mayor of the City of San Diego."
