"October 1, 1913.

To the Honorable Common Council,
 of the City of San Diego.

Gentlemen:-

I herewith return to you proposed ordinance regulating the excavation of base-
 ments under sidewalks. This ordinance I have vetoed for the following reason: Article 2,
 Chapter 1, Section 10, Charter of the City of San Diego, read as follows:

"No ordinance shall be revised, re-enacted, or amended by reference to its title;
 but the ordinance to be revised or re-enacted, or the section thereof amended, shall be
 re-enacted at length as revised or amended."

In order to make this proposed ordinance legal Section 22 of the Building Ordi-

A message from the Mayor vetoing an ordinance authorizing the purchase of certain sewer pipe, is presented and read, viz:

"December 1st, 1913.

To the Honorable,

The Common Council of the City of San Diego.

Gentlemen:-

I return herewith proposed ordinance authorizing the purchase of approximately Three Thousand (\$3000.00) Dollars worth of sewer pipes, with my veto.

My reason for vetoing this proposed ordinance is, that it specifies this pipe is to be purchased without advertising for bids. Inasmuch as this is not an emergency ordinance and, as it would deprive many firms of an opportunity to sell to the City, I see no reason why it could not be reenacted in regular form. I believe that better prices can be obtained on materials by advertising for competitive bids than by purchase in private.

Yours very respectfully,

Charles F. O'Neill,

Mayor of the City of San Diego."

A Message from the Mayor vetoing an ordinance granting permission to the Pacific Wood & Coal Company to extend its oil pipe line at the foot of Beech street, is presented and read, viz:

"December 1st, 1913.

To The Honorable,

The Common Council of the City of San Diego.

Gentlemen:-

I return herewith proposed ordinance granting permission to the Pacific Woods & Coal Company to extend its oil pipe line at the foot of Beech street to the sea wall and to install in said wall and oil meter.

This ordinance I have vetoed for the reason that it is a special privilege and is not productive of any remuneration to the City or of benefit to the general public, and it is very probable that other corporations will request similar privileges if this is granted.

It occurs to me, that while an oiling apparatus is necessary for ships to unload their cargo that a privilege of this kind should be in the nature of a franchise at so much per month, subject to the conditions governing all franchises.

For these reasons, I have decided to veto this ordinance.

Yours very respectfully,

Charles F. O'Neill,

Mayor of the City of San Diego."

A Message from the Mayor vetoing an ordinance authorizing the purchase of 3000 feet of water pipe, is presented and read, viz:

"San Diego, California, December 9th, 1913.

To the Honorable,

The Common Council of the City of San Diego.

Gentlemen:-

I herewith return proposed ordinance authorizing purchase of Three Thousand (3000) feet of 10-inch water pipe and gate valves without my approval.

This ordinance I have vetoed for the reason that it provides for purchasing without advertising for bids in excess of \$500. and for the additional reason that same is not an emergency ordinance.

I am quite sure that clerical error was made in drafting this ordinance, for the reason that your honorable body has sustained previous vetoes for the reasons enumerated herein. I am certain that your body agrees with me that it would be better to buy by competitive bids.

Yours very truly,

Chas. F. O'Neill,

Mayor of the City of San Diego, California."

On motion the veto of the Mayor is sustained by the following vote, to-wit:

\*\*\*\*\*

The Common Council of the City of San Diego, California.

I return herewith proposed ordinance, creating the position of Superintendent of the Lighting System, fixing compensation at \$1500.00 per year.

This ordinance I have decided to veto for the following reasons:

First.- The law creating lighting districts specifies that the City Engineer is to supervise the street lighting, and all improvements connected with street lighting must, according to the statutes, be referred to that department.

My second reason for vetoing this ordinance is:- That I consider the sum of \$1500.00 per annum for services of this character entirely too much.

I have taken the matter up with the City Engineer's office, with the Treasurer, and Auditor, any of whom agrees to keep account of the expiration of contracts and to notify your Honorable Body before expiration of same, thereby preventing lapses, and that they, or either of them, will do this without extra compensation, thereby saving the City the amount stated in proposed ordinance.

I would suggest that your Honorable Body order the engineer's office to make a schedule of existing contract and their expirations, and require that that office see to it that lapses do not hereafter occur, and should any occur by reason of negligence, that party responsible for such negligence be required to pay for their neglect. By confining all details pertaining to the street lighting system in the one office, convenience, economy and responsibility are properly placed.

For these reasons I have vetoed this ordinance.

Yours very truly,

Charles F. O'Neill,

Mayor of the City of San Diego, California."

It is moved and seconded that said ordinance be adopted notwithstanding the veto of the Mayor, which motion is defeated by the following vote, to-wit:

A Message from the Mayor vetoing an ordinance increasing salary of Chief Deputy City Attorney to \$200.00 per month, is presented and read, viz:

"San Diego, California, January 22nd, 1914.

To the Honorable,

The Common Council of the City of San Diego.

Gentlemen:-

I have returned without my approval, ordinance increasing the salary of the Chief Deputy City Attorney, allowing same to become effective by reason of ten day limit prescribed by Charter.

I believe that the position should pay the salary to which it has been advanced, but I do not approve of raising any more salaries at this time. I trust that any further raises will be carefully considered, on account of the fact that we are to have so many extraordinary expenditures for this year in the various departments of the City. We cannot meet those expenditures and allow any general increase of wages, even though same may be thoroughly deserved.

Yours very truly,

Charles F. O'Neill,

Mayor of the City of San Diego, California."

It is moved and seconded that said ordinance be reconsidered, which motion is adopted.

A Message from the Mayor vetoing an ordinance retiring Patrolman Guy C. Smith on half pay, is presented and read, viz:

"San Diego, California, January 27th, 1914.

To the Honorable,

The Common Council of the City of San Diego.

Gentlemen:-

I return herewith proposed ordinance, retiring Patrolman Guy C. Smith on half pay, with my veto.

This ordinance I have vetoed for the reasons that said Smith, according to information furnished me, was hurt while on a trip for his own pleasure and not while engaged in active duty, and for the further reason that he has since the introduction of this ordinance been convicted in Justice Court for theft.

Regarding all future pensions, I would advise that before retiring on part pay, any officer, that a pension committee be appointed to thoroughly investigate all of the conditions surrounding the accident for causes that lead to such retirement, thereby preventing the useless or undeserved pensions.

For these reasons I have decided to veto this ordinance.

Yours very truly,

Charles F. O'Neill,

Mayor of the City of San Diego, California."
