A Message from the Mayor vetoing an ordinance creating a Department of Public Health, and defining the duties of the Superintendent thereof, is presented and read, viz:

"San Diego, California, November 23rd, 1916.

The Honorable, The Common Council,  
City of San Diego, California.

Gentlemen:-

I am herewith returning to your Honorable Body without my approval, an Ordinance entitled "An Ordinance Creating a Department of Public Health, and Defining the Duties of the Superintendent Thereof," for the following reasons:

Under the provisions of Article IX, Chapter III of the City Charter, a Board of Health shall be established; this is mandatory. Under the same provisions, Section 5, this same Board of Health shall appoint a Health Officer, This is also mandatory.

It appears from the wording of the proposed ordinance that a "Department of Public Health" is to be created, authorizing the appointment of a Superintendent of the Department of Public Health. The duties of which clearly overlaps the authority of the Board of Health, and further that it duplicates and complicates the duties of said Board. It is a useless proceeding. I therefore disapprove the said ordinance.

Very truly,

Edwin M. Capps,

Mayor of the City of San Diego, California."

Thereupon a Resolution declaring that Edwin M. Capps, Mayor, has failed to perform his official duty in the matter of the appointment of a Chief of Police, is presented and read, viz:

#### RESOLUTION NO.22124.

A RESOLUTION DECLARING THAT THE MAYOR OF THE CITY OF SAN DIEGO, SINCE THE FIRST DAY OF MAY, 1915, HAS FAILED, NEGLECTED AND REFUSED TO APPOINT A CHIEF OF THE POLICE DEPARTMENT OF THE CITY OF SAN DIEGO; THAT SAID MAYOR, DURING SAID TIME HAS BEEN ATTEMPTING TO PERFORM THE DUTIES OF THE OFFICE OF THE CHIEF OF POLICE; THAT THE FAILURE TO APPOINT A CHIEF OF POLICE AND THE ATTEMPTED EXERCISE OF THE DUTIES OF SAID OFFICE BY THE MAYOR HAS RESULTED IN A DISORGANIZED AND INEFFICIENT CONDITION OF THE POLICE DEPARTMENT AND A FAILURE TO PREVENT CRIME AND SUPPRESS VICE IN THE MUNICIPALITY BY SAID POLICE DEPARTMENT; AND DEMANDING THAT THE MAYOR PERFORM HIS DUTY IN THIS REGARD AND APPOINT A CHIEF OF POLICE; AND DIRECTING THE CITY ATTORNEY TO INSTITUTE MANDAMUS PROCEEDINGS TO COMPEL THE MAYOR TO PERFORM HIS OFFICIAL DUTY AND APPOINT A CHIEF OF THE POLICE DEPARTMENT OF THE CITY OF SAN DIEGO.

FOR THAT WHEREAS, Section 11 of Chapter I of Article III of the Charter of the City of San Diego provides as follows:

"Sec.11. The Mayor shall appoint the Chief of Police, which appointment shall become effective only upon the confirmation of the Common Council. The removal of the Chief of Police shall be by the Mayor, if confirmed by a majority of the Common Council, or by the Common Council alone by a two-thirds vote;"

and

WHEREAS, paragraph f of Section 2 of Chapter I of Article II of the City Charter

is as follows:

"(f) The administrative functions now performed by the Police Department shall be vested in a department to be known as the Police Department. The executive head of such Department shall be known as the Superintendent or Chief of Police;" and

WHEREAS, the foregoing provisions of the City Charter have been operative since the first day of May, 1915; and

WHEREAS, Honorable Edwin M. Capps has been the duly elected, qualified and acting Mayor of the City of San Diego since the first day of May, 1915; and

WHEREAS, said Honorable Edwin M. Capps has, since said first day of May, 1915, wholly neglected and failed to perform the duty of appointing a Chief of Police of the City of San Diego, which duty is specifically enjoined upon said Honorable Edwin M. Capps, Mayor, by the Charter provision hereinbefore set forth; and

WHEREAS, there is no power in the Common Council of said City to appoint a Chief of Police; and

WHEREAS, this Common Council is of the opinion that the present disorganized and inefficient condition of the Police force of the City of San Diego is due wholly and entirely to the failure of Honorable Edwin M. Capps, Mayor, to perform the duties imposed upon him by Charter provision, and to appoint a Chief of Police of the City of San Diego, and to the consequent lack of authority of the present acting head of the Police Department and to the uncertainty which exists, and since the first day of May, 1915, has existed, with reference to the tenure of office of the present acting head of the Police Department and the uncertainty as to the appointment or time of appointment of any successor, and the consequent lack of organization and discipline in the Police Department and the attendant lack of efficient direction by the acting head of said Department; and

WHEREAS, Honorable Edwin M. Capps, Mayor of the City of San Diego, has, on the 22nd day of November, 1916, handed to each member of the Common Council a communication, attached to which are copies of reports of investigations made of certain cafes in the City of San Diego wherein intoxicating liquors are sold, and in which reports certain conditions are detailed and alleged to exist which should have been suppressed by the Police Department of said City immediately upon the ascertainment of the alleged facts set forth in said reports; and

WHEREAS, such investigations and reports have been made by members of the Police Department, which Department, under the Charter provisions and under the State law is vested with the power and charged with the responsibility of preventing crime and suppressing vice; and

WHEREAS, no report has been filed with this Common Council by the acting head of the Police Department, J. Keno Wilson, in any manner touching upon the reports of the respective members of the Police Department, which reports have been made to Honorable Edwin M. Capps, Mayor; and

WHEREAS, this Common Council did, on the 3rd day of May, 1915, being the first regular meeting of the present Common Council of said City, pass resolutions appointing the heads of the respective departments where the Common Council was authorized to appoint such heads of departments; and

WHEREAS, Honorable Edwin M. Capps, Mayor, has failed, neglected and refused to appoint a Chief of Police, or to submit to the Common Council for confirmation the name of any person to act as Chief of Police, and has failed, neglected and refused to re-appoint J. Keno Wilson Chief of Police, or to submit to this Common Council for confirmation the name of J. Keno Wilson for reappointment; and

WHEREAS, this Common Council is of the opinion that since the first day of May, 1915, Honorable Edwin M. Capps, Mayor, has been attempting to act as Chief of Police of the City of San Diego and to direct the policy of the Police Department, and to this end has wilfully failed and refused to comply with the provisions of the Charter and appoint one other than himself to act in such capacity; and

WHEREAS, this Common Council is of the opinion that such action on behalf of Honorable Edwin M. Capps, Mayor, has resulted in and is wholly and entirely the cause of the present deplorable condition of the Police Department of the City of San Diego, and as a direct result and consequence thereof has allowed the existence of conditions in this municipality which would not be possible with a well organized and efficient Police Department; and

WHEREAS, it is the desire of this Common Council to do all in their power to compel Honorable Edwin M. Capps, Mayor, to perform his duties as defined by Charter Provision in the matter of the appointment of a Chief of Police; and

WHEREAS, it is the desire of this Common Council to do all in its power to assist in the organization of an efficient Police Department, in order that crime may be prevented and vice suppressed; NOW THEREFOR,

Capps, Mayor, of the duties of Superintendent or Chief of Police, has resulted in a disorganized and inefficient Police Department and a consequent failure to apprehend criminals and prevent violations of State and municipal laws.

Fourth: That it is the desire of this Common Council to take such steps as will remedy the evils now existing as the result of conditions above set forth.

Fifth: That the Common Council of the City of San Diego hereby call upon and demand Honorable Edwin M. Capps, Mayor of the City of San Diego, to immediately appoint a Chief of Police as authorized and required by the provisions of Section 11 of Chapter I of Article III of the City Charter of said City of San Diego.

The following Resolution is presented and read, viz:

"RESOLUTION NO. 22130.

A RESOLUTION DECLARING THAT THE PRESENT DISORGANIZED AND INEFFICIENT CONDITION OF THE POLICE DEPARTMENT, DUE TO THE REFUSAL OF THE MAYOR TO APPOINT A CHIEF OF POLICE AND TO PERFORM HIS DUTY AS REQUIRED BY CHARTER IN THIS PARTICULAR, HAS RESULTED IN CONDITIONS DEMANDING THAT DRASTIC ACTION BE TAKEN BY THE COMMON COUNCIL, AND DIRECTING THE AUDITOR TO REFUSE TO ISSUE OR RENEW SOCIAL CLUB OR RESTAURANT LIQUOR LICENSES.

FOR THAT WHEREAS, this Common Council did on the first day of December, 1916, by the unanimous vote of all its members, pass and adopt a resolution, entitled, "A Resolution declaring that the Mayor of the City of San Diego, since the first day of May, 1915, has failed, neglected and refused to appoint a Chief of the Police Department of the City of San Diego; that said Mayor, during said time has been attempting to perform the duties of the office of the Chief of Police; that the failure to appoint a Chief of Police and the attempted exercise of the duties of said office by the Mayor has resulted in a disorganized and inefficient condition of the Police Department and a failure to prevent crime and suppress vice in the municipality by said Police Department; and demanding that the Mayor perform his duty in this regard and appoint a Chief of Police; and directing the City Attorney to institute mandamus proceedings to compel the Mayor to perform his official duty and appoint a Chief of the Police Department of the City of San Diego"; and

WHEREAS, since said first day of December, 1916, and since the service of a copy of said resolution upon Honorable Edwin M. Capps, Mayor, said Honorable Edwin M. Capps has publicly declared and through the newspapers of this municipality has published a statement that he will refuse to comply with the provisions of the City Charter, that he will refuse to observe the wishes of the Common Council requesting him to perform his duty in this regard, and that he will not appoint a Chief of Police until compelled so to do by order of Court; and

WHEREAS, by reason of the unreasonable, arbitrary and unlawful action of the Mayor

as above recited, this Common Council is powerless to take any action toward the appointment of a Chief of Police and a consequent betterment of conditions resulting from the disorganized and inefficient condition of the Police Department; and

WHEREAS, this Common Council realizes that so long as the Mayor refuses to appoint a Chief of Police and continues to usurp the powers of the Chief of Police and to dictate the policy of the Police Department, a disorganized and inefficient condition of affairs will continue in the Police Department, that patrolmen and police officers, by reason of the absence of an authoritative head of such department will be unable to inaugurate any policy for the complete and efficient regulation of institutions wherein the sale and consumption of intoxicating liquors at retail is permitted; and

WHEREAS, it is the desire of this Common Council, nevertheless, to take some action to prevent the continuance of conditions said to exist in restaurants and in social clubs where intoxicating liquors are dispensed at retail; and

WHEREAS, such action on the part of the Common Council is compelled by the failure of the Police Department to properly perform its functions, resulting wholly from the action of Honorable Edwin M. Capps, Mayor, in refusing to appoint a Chief of Police; and

WHEREAS, it is the opinion of this Common Council that upon the appointment of a Chief of Police and a proper exercise of the functions of the Police Department, matters relating to regulation of institutions of the character above mentioned may be safely left in the hands of the Police Department; but that until such time as the Chief of Police is appointed and the Police Department is properly exercising its functions, sweeping and drastic action is necessary by this Common Council, NOW THEREFORE,

BE IT RESOLVED By the Common Council of the City of San Diego, as follows:

That H.L. Moody, Auditor of the City of San Diego, be and he is hereby directed to refuse to issue or to renew any licenses for the sale of intoxicating liquors in restaurants or eating houses, being either Class A or Class B licenses, or in social clubs within the limits of the City of San Diego, from and after this date and until further order of this Common Council,

PRESENTED BY: O.M. Schmidt  
C.W. Fox  
P.J. Benbough  
Walter P. Moore  
Herbert R. Fay

"San Diego, California, December 19th, 1916.

The Honorable, The Common Council

City of San Diego, California.

Gentlemen:-

I am herewith returning to your Honorable Body, without my approval, and Ordinance entitled, "An Ordinance creating and establishing the office of Assistant Superintendent of the Department of Public Health of the City of San Diego, Defining the duties thereof and fixing the compensation appurtenant thereto, for the following reasons:"

The ordinance in question proposes to create a new position, to-wit: "The office of Assistant Superintendent" of the Department of Public Health, which is superfluous, complicating and overlapping the Charter provision governing the Board of Health. All of which is objectionable.

The wording of the ordinance is meaningless, in part, in that it attempts to fix the salary of the proposed "Assistant Superintendent" to correspond to that of an office that does not now exist, nor never did exist, to-wit: "Chief Clerk of said Department"; undoubtedly meaning the Board of Health, but don't say so.

Very truly,

Edwin M. Capps,

Mayor of the City of San Diego, Calif."

A Message from the Mayor vetoing an ordinance providing for licensing and regulating certain businesses, trades, professions, callings and occupations in the City of San Diego, is presented and read, viz:

"San Diego, California, December 11th, 1916.

The Honorable, the Common Council,

City of San Diego, California.

Gentlemen:-

I am herewith returning to your Honorable Body, without my approval, an ordinance entitled, 'An Ordinance providing for licensing and regulating certain business, trades, professions, callings and occupations in the City of San Diego,' for the following reasons:

First: Referring to Section 7, which reads as follows:

'Upon the contents of the report of the License Inspector the Chief of Police of said City may grant or deny the application, or may, in his discretion, require a further investigation by said License Inspector, or by other means. The Chief of Police shall have the power to deny any application if it be deemed by him that the applicant is not a suitable or proper person to carry on the business for which a license is required, or if the place at which the same is proposed to be located, practiced, carried on, or conducted is not a suitable or proper place therefor. If any application is denied, the amount of money deposited with the License Inspector by the applicant shall be returned to the applicant.

The said Chief of Police of said City shall on or before the tenth day of each month send to the Common Council of said City two reports, one a detailed report of all licenses applied for and granted during the preceding month, and the other a detailed report of all licenses applied for and denied during the preceding month. The said monthly reports made as herein provided shall be filed with the City Clerk of said City, and shall form a part of the records of said City Clerk.'

It is seen from this provision that the Chief of Police is to grant or deny any license applied for, which appears to be final, but as will be observed in reading the second paragraph of Section 12, which reads as follows:

'The Common Council shall upon the filing of a written petition with the City Clerk appoint a time for the hearing of an application for a license herein provided for which has been denied by the Chief of Police. At least one day's notice of such hearing shall be given by said City Clerk to the License Inspector and to the Chief of Police. Upon the hearing of the application the Common Council may approve the order of the Chief of Police refusing a license, or order a license to be granted, or refer the application to the License Inspector for further consideration.'

The power of the Chief of Police to deny an application for a license is deftly taken away from him and placed in the Council, which annuls the force of the whole provision.

The power conferred upon the Chief of Police to grant a license, should also confer the absolute power to deny. Also the power conferred upon the Chief of Police to grant a license, should also grant the power to revoke a license.

In the last statement, the power to revoke a license lies entirely in the Common Council, as will be seen by reading the first paragraph of Section 12, which reads as follows:

'The Common Council may at any time, for any cause by them deemed sufficient, revoke any license herein provided for, which has been granted or issued. When any license has been revoked, the Common Council may or may not, in its discretion, return that part of the paid license fee which is proportionate to the period which would otherwise have elapsed before the termination of the license.'

It is evident from reading these sections that the Common Council slyly unloads the responsibility of handling these upon the Chief of Police, which the Charter and the Ordinances of this City make it the plain duty of the Common Council to perform.

The Council at the same time in the proposed ordinance retaining full power to undermine the Chief of Police when it is advantageous to them to do so.

These powers should exist absolutely, either in the Common Council or in the Chief of Police, but not in both.

Section 19 reads as follows:

'No license shall be granted or issued to any person to occupy for private purposes any part of any public street, sidewalk, alley or other public place unless such person shall file with the License Inspector the written consent of the person in possession of the real property abutting upon the proposed fixed location of the business, vehicle, stand, or other object contemplated by the person desiring such license.

No license contemplated in this ordinance shall be granted or issued to any person to occupy any portion of any public street, sidewalk, alley, or other public place, within that certain district of the City of San Diego to be known as the central congested district or that district bounded as follows, to-wit: On the north by the north side of B street, on the east by the east side of Seventh street, on the south by the south side of F street, and on the west by the west side of First street.'

This provision is objectionable, for the reason that the streets of this City belong to its citizens, and should at all times be under the direct control of the City Authorities. Under the provisions of the section referred to in the proposed ordinance, the City practically conveys to the abutting property holder the streets in front of their respective properties to be used by them for hire, directly reducing the authority of the Police Department in governing street traffic, and incidentally conferring upon the property holder the right to collect tribute from public property that he is not entitled to.

I am of the opinion that basements under the sidewalks should pay a rental to the City for their use.

Section 30 of the proposed ordinance reads as follows:

'For selling newspapers or periodicals by outcry and all other hawkers of goods or merchandise upon any public street, sidewalk, alley or other public place not herein specifically enumerated the sum of \$15.00 per quarter; except by special permit of the Chief of Police of said City of San Diego.'

The clause, "except by special permit of the Chief of Police of said City of San Diego," is objectionable and practically vitiates the whole section in that the Chief of Police will be importuned by every one for a free license. It is self-evident that no one will be willing to pay the \$15.00 quarterly license fee, if he can induce the Chief of Police to grant him a license for nothing. This would cause no end of trouble for the Chief of Police, accusation of favoritism, resultant friction and dissatisfaction. This clause should be expunged.

Sections 53 and 54 of the proposed ordinance reads as follows:

'Section 53. For every person, firm or corporation maintaining, carrying on, engaging in or pursuing the business of a laundry or wash house conducted for profit, operated by machinery driven by power other than muscular power, where clothing, suits, garments, handkerchiefs and other similar articles are cleansed or pressed, the sum of \$10.00 per year.

Section 54. For every person, firm, or corporation maintaining, carrying on, or engaging in or pursuing the business of a laundry or wash house conducted for profit, not operated by machinery driven by power other than muscular power, where clothing, suits, garments, handkerchiefs and other similar articles are cleansed or pressed, the sum of \$5.00 per year.'

If the washing and cleaning of soiled linen is not a most necessary function of modern civilization, I do not know what it is. Why tax this business any more than tax dry goods stores, grocery stores, etc. It certainly does not require police regulation any more than the last named businesses.

Very truly,

Edwin M. Capps,

Mayor of the City of San Diego, Calif."

vetoing an ordinance

A Message from the Mayor requiring the procuring of permits for band practice, is presented and read, viz:

"San Diego, California, December 22nd, 1916.

The Honorable, The Common Council,

City of San Diego, California.

Gentlemen:-

I am herewith returning to your Honorable Body, without my approval, an ordinance entitled, "An Ordinance requiring the procuring of permits for band practice in the City of San Diego, exempting certain places in the City of San Diego from the provisions of the ordinance, and fixing a penalty for the violation of said ordinance," for the reasons as follows:

First: The ordinance in question confers upon the City License Inspector the sole power to grant licenses for band practice, but does not confer any power upon the License Inspector to revoke said licenses; the two should go together. A properly drawn ordinance should contain such a clause, to prevent the abuse of a permit once granted.

Second: I beg leave to inform your Honorable Body that there is no such office as "License Inspector of the City of San Diego," established either by ordinance or resolution. It would therefor appear to this office that, before power can be conferred upon a public official, it would be well to first create such a position, and appoint such an official.

By way of suggestion, I would recommend, that if it is not too much trouble to your Honorable Body that, before passing ordinances, you scrutinize them more closely.

Very truly,

Edwin M. Capps,

Mayor of the City of San Diego, California."

"San Diego, California, February 1st, 1917.

The Honorable, The Common Council,  
 City of San Diego, California.

Gentlemen:-

I am herewith returning to your Honorable Body, without my approval, an ordinance entitled, "An Ordinance creating and establishing certain offices and employments in the Fire Alarm and Police Telegraph Department of the City of San Diego, and fixing the compensation appurtenant thereto," for the reason that the proposed ordinance fixes the date

of commencement of the salaries expressed therein, on the first day of January, 1916; and for the further reason that the raising of salaries is objectionable at this time.

It may be well to scrutinize ordinances more fully before passing them.

Very truly,

Edwin M. Capps,

Mayor of the City of San Diego, Calif."

A Message from the Mayor vetoing an ordinance establishing position of Juvenile Officer within the Police Department, is presented and read, viz:

"San Diego, California, February 2nd, 1917.

The Honorable, The Common Council,

City of San Diego, California.

Gentlemen:-

I am herewith returning to your Honorable Body, without my approval, an ordinance entitled, "An Ordinance establishing the position of Juvenile Officer within the Police Department of the City of San Diego," for the following reasons:

First: That it is ill-advised to impoverish the budget fund of the Police Department for the purpose of providing the salary of \$1500.00 for the juvenile officer as proposed.

Second: The employment of the emergency clause in this case is entirely inapplicable. The courts have recently decreed that this emergency provision of our Charter can only be made a part of an ordinance when great public distress exists. The creation of the position for a juvenile officer cannot be so construed.

Very truly,

Edwin M. Capps,

Mayor of the City of San Diego, Calif.

Gentlemen:-

I am herewith returning to your Honorable Body, without my approval, an ordinance entitled, "An Ordinance creating and establishing offices and employments in the Department

of Public Health of the City of San Diego and fixing the compensation appurtenant thereto," for the reasons that such positions and salaries as prescribed in the proposed ordinance are superfluous, and conflict with the duties of the Board of Health, duplicating and complicating their control of matters coming under their direct supervision.

Very truly,

Edwin M. Capps,

Mayor of the City of San Diego, California."

"San Diego, California, February 7th, 1917.

The Honorable, The Common Council

City of San Diego, California.

Gentlemen:-

I am returning herewith to Your Honorable Body, without my approval, an ordinance entitled, "An ordinance fixing and determining the strength of the Police Department of the City of San Diego, and fixing the salaries of employees in the said department, and repealing certain ordinances," for the reason that the salary of the Superintendent of the Bureau of Identification has been raised from \$120.00 to \$135.00 per month. I am opposed to the raising of any salary of any public employee that is already receiving \$100.00 or more per month. The present conditions are such as to not warrant such legislation.

Very truly,

Edwin M. Capps,

Mayor of the City of San Diego, California."

A Message from the Mayor vetoing an ordinance readjusting and fixing anew the salaries of the Charter Officers, is presented and read, viz:

San Diego, California, February 2nd, 1917.

The Honorable, The Common Council

City of San Diego, California.

Gentlemen:-

I am herewith returning to your Honorable Body, without my approval, an ordinance entitled, "An ordinance readjusting and fixing anew the salaries of the Charter Officers of the City of San Diego,"

This proposed ordinance is objectionable in that it fixes the salary of the City Attorney at the exorbitant figure of \$6000 per year. For a city of less than 100,000 inhabitants this salary is abnormal, as will be seen from comparison with the salary paid in other cities:

Houston, Texas.	\$2,400	per year
Fort Worth, Texas.	2,500	" "
Dallas, Texas.	2,750	" "
Salt Lake City, Utah.	3,600.	" "
El Paso, Texas.	3,000	" "
Los Angeles, Cal.	4,000	" "
Portland, Oregon	4,800	" "
San Francisco, Cal.	5,000	" "
Oakland, Cal.	5,000	" "
Denver, Colo.	5,000	" "

In all the above, the City Attorney is required to give all of his time to the City.

With the exception of El Paso, the above cities are from more than one to six times the population of San Diego.

Very truly,

Edwin M. Capps

Mayor of the City of San Diego, Calif."

Gentlemen:-

I am herewith returning to your Honorable body, without my approval, an ordinance entitled, "An Ordinance readjusting and fixing anew the salaries of the Charter Officers of the City of San Diego," for the following reasons:

First: The salary of \$6000 per year fro the City Attorney is objectionable, for the same reasons as given by me in a veto of this date, accompanying the return of Document No.105302, to which document I respectfully refer.

Second: The raise in the salary of the Chief of the Fire Department from \$3,000 to \$3,600 per annum is objectionable at this time. The conditions of business, and abnormal taxes are such as to not warrant the increasing of salaries.

A Message from the Mayor vetoing an ordinance creating certain offices in the Library Department, is presented and read, viz:

"San Diego, California, February 23rd, 1917.

The Honorable, The Common Council.

City of San Diego, California.

Gentlemen:-

I am herewith returning to your Honorable Body, without my approval, an ordinance entitled, "An Ordinance creating and establishing certain offices and employments in the

Library Department, and fixing the compensation appurtenant thereto," for the reason the proposed ordinance raises the salary of the Librarian from \$125.00 to \$140.00 per month. It is objectionable to this office at this time to raise the salary of any city employee that is now drawing \$100.00 or more per month.

In this case it seems remarkable; in view of the fact that the Library is being kept closed for a part of the time for the reason of there being a lack of funds, a raise in salaries appears to be out of order.

Very truly,

Edwin M. Capps,

Mayor of the City of San Diego, California."

A Message from the Mayor vetoing an ordinance providing for licensing certain  
businesses, is presented and read, viz:

"San Diego, California, March 5th, 1917.

The Honorable, The Common Council,

City of San Diego, California.

Gentlemen:-

I am herewith returning to your Honorable body, without my approval, an ordinance entitled, "An Ordinance providing for licensing and regulating certain businesses, trades, professions, callings and occupations in the City of San Diego," for the following reasons:

First: Section 21, on page 7, is objectionable in that it permits the property holder to rent out the streets, a public property; and further, practically places the control of the street traffic in charge of the property holder for purposes of the character mentioned.

In the second paragraph of the same section 21, last line, reading as follows: "At a point or place where there is congestion of traffic," is susceptible of endless interpretation, and consequently embarrassing the Police Department in administering the law.

Second: Section 49. Legislation upon astrologers, seers, soothsayers, fortune tellers, mind readers, palmists, and clairvoyants, placing a tax of \$300.00 per quarter upon them appears to be unreasonable if the businesses referred to are permissible at all, which under the provisions of the proposed ordinance it proposes to recognize them as such. The magnitude of the tax seems to decree their undesirability. If such is the case, they should not be permitted at all. The placing of a high tax on them does not in the least degree minimize their evil effects, if such they have.

Third: Section 54, page 17, objectionable, for the reason that it places a tax on the business of a laundry or wash house. In my opinion, this is unjust and discriminatory. Why place a tax on a laundry any more than any other business?

Fourth: Section 55, page 17, is objectionable for the same reasons as expressed last above mentioned.

Fifth: Section 56, page 17, is also objectionable for the reasons as stated in the third and fourth objections above.

Very truly,

Edwin M. Capps,

Mayor of the City of San Diego, California."

A Message from the Mayor vetoing an ordinance appropriating \$24.70 for the relief of Herbert R. Fay, is presented and read, viz:

"San Diego, California, March 6th, 1917.

The Honorable, The Common Council,

City of San Diego, California.

Gentlemen:-

I am herewith returning to your Honorable body, without my approval, an ordinance entitled, "An Ordinance appropriating the sum of \$24.70 out of Item 42, Series P, Operating Department Fund, for the relief of Herbert R. Fay," for the reasons as follows:

The expenditure of \$24.70 was and is a needless expense to the City, for the purpose as indicated in the document.

The U.S. mails could and should have been employed to send the certificate of tide lands lease to the Government Engineers at Los Angeles, which could not have cost more than 22 cents; this amount would have registered, paid special messenger and U.S. postage. The authorities at Sacramento had confidence enough in the mails to send the document down to this City by mail.

The Resolution No. 22360, authorizing this expenditure, recites:

"That Honorable H.R. Fay be and he is hereby authorized and directed to immediately proceed to Los Angeles, California, and there confer with G.B. Pillsbury, Major, Corps of Engineers, United States Engineers Office, for the purpose of ascertaining the attitude of the engineers of the War Department in the matter of pending and contemplated improvements to be undertaken by public and private capital in the Bay of San Diego.

That said Honorable H.R. Fay be and he is further authorized and directed to deliver to said Major G.B. Pillsbury certificates of the Surveyor General of the State of California and of the City Clerk of the City of San Diego showing title to the tide lands commonly known as Dutch Flats conveyed to the United States.

That authorization is hereby conferred to incur expense necessary or incident to observing the direction of this resolution."

There is no possible attitude of the U.S. Engineers in regard to any matter concerning this bay, that cannot be ascertained through correspondence out of the City Clerk's office at a cost of a few postage stamps.

The bill as rendered by Councilman Fay for this trip and presented to the Auditing Committee is as follows:

Railroad and Taxi Service	\$8.50
Hotel-Meals	15.00
Telephone and Telegrams	1.20
	<u>24.70</u>

Edwin M. Capps,

Mayor of the City of San Diego, Calif."

"San Diego, California, March 15th, 1917.

The Honorable, The Common Council,

City of San Diego, California.

Gentlemen:-

I am herewith returning to your Honorable Body, without my approval, an ordinance, entitled, "An Ordinance authorizing a majority of the members of the Common Council of the City of San Diego to enter into a lease with Geo. W. Bush, Trustee, for certain tide lands," for the following reasons:

The application for the tide land lease, as filed in the City Clerk's office under Document No. 108329, fails to give satisfactory statements in regard to the questions there propounded. The very foundation of the proposed lease is based upon the representations made in the application. No statement as to the amount of money proposed to be expended is made.

I am opposed to granting these valuable leases upon such hazy and flimsy representations. Absolute knowledge should be had first hand, of the financial standing, as well as the ability of the applicants to perform their part of any contract entered into by them.

I would recommend that your Honorable Body expend more time, and look into these matters more fully before passing them.

Very truly,

Edwin M. Capps,

Mayor of the City of San Diego, California."
