"June 12th, 1917.

Gentlemen of The Council,

of The City of San Diego, California.

Honored Sirs:-

With reference to Ordinance which I have this day vetoed and am returning herewith, entitled, "An Ordinance amending Section 49 of Ordinance No.6949 of the ordinances of the City of San Diego, entitled, 'An Ordinance providing for licensing and regulating certain businesses, trades, professions, callings and occupations in the City of San Diego,' adopted February 26th, 1917,"

In the ordinance it should be provided that rank fakirs should be eliminated from the so-called scientific students of astrology and palmistry. All of this bunk of hidden fortunes discovered, lost lovers restored, and winning lottery tickets furnished should be abolished, as they are breeding places for blackmailing and such evil.

Also, twenty-five dollars a quarter is the other extreme, and the amount should be at least twenty-five dollars a month or one hundred dollars a quarter.

For the above reasons I have vetoed the ordinance.

Yours very truly,

L.J. Wilde,

Mayor of the City of San Diego, Cal."

A Message from the Mayor vetoing an ordinance regulating the wearing of bathing suits upon the public streets at La Jolla, is presented and read, viz:

"June 12th, 1917.

Gentlemen of the Council

of The City of San Diego, Calif.

Honored Sirs:

With reference to Ordinance which I have this day vetoed and am returning herewith, entitled, "An Ordinance regulating the wearing of bathing suits upon the public streets at La Jolla,"

The object of the ordinance is good, but it covers too much territory and not enough "form."

The influence of bathers on the streets near girls' school and in stores shopping in too abbreviated bathing suits is bad; the costumes are immodest and have a bad effect on children and young people. On the other hand, one properly clothed in a proper bathing suit, going from his or her home to the beach or along the beach, should not be humiliated by some officer who might exceed his authority in making an arrest.

La Jolla, being a beach resort, should recommend to the Common Council the proper and modest bathing suit, and also recommend that bathers not loiter on the streets or go out shopping in such an outfit. The regulation should not apply to children under ten years of age. For the above reasons I have vetoed the ordinance.

Yours very truly,

L.J. Wilde,

Mayor of the City of San Diego, Calif."

Gentlemen of the Council

Honored Sirs:-

With reference to the ordinance, which I have this day vetoed and am returning herewith, entitled, 'An Ordinance authorizing the payment of automobile allowance to W.S. Montgomery, an employe of the Operating Department of the City of San Diego, California.'

I feel this privilege is being abused. If we cannot find enough money in our budget so that a poor man, working for \$2.75 a day and with six children cannot save enough money beyond starvation, to buy simple clothing for his children, then we haven't any money to help pay the installments or the upkeep of automobiles of high salaried employes in various departments of the City.

Very truly yours,

L.J. Wilde,

Mayor of the City of San Diego, California."
