Absent Aldermen. Johnson, Woolman Jones and Landis.
Said Ordinance as adopted is as follows Viz:

Ordinance No. 1868.

An Ordinance applying to the Senate and Assembly of the State of California, for the passage of a Concurrent Resolution approving the Amendments to the Charter of the City of San Diego, California, ratified by the Electors thereof on the seventh day of January, 1905.

Whereas, at a special election duly held in the City of San Diego, California, on the seventh day of January, 1905, under and pursuant to Ordinance number Eighteen Hundred and One of the ordinances of the City of San Diego, California, approved by the Mayor of said City on the 25th day of November, 1904, twenty seven certain proposed amendments to the Charter of said City were submitted to the Electors of said City for ratification or rejection; and,

Whereas, the Common Council of said City has declared and determined that at said special election each and all of said proposed amendments were duly carried, adopted and ratified by the electors of said City; and,

Whereas, said Common Council desires that the Honorable Senate of the State of California, and the Honorable Assembly of the State of California, approved the ratification by said electors of the said proposed amendments to said Charter by the adoption of a Concurrent Resolution, Now, Therefore,

Be it Ordained, By the Common Council of the City of San Diego, as follows:

Section 1. That the Honorable Senate of the State of California, and the Honorable Assembly of the State of California, be, and they are hereby, respectfully requested

to approve, by the adoption of a concurrent Resolution, the ratification by the electors of said City of the said proposed amendments to the Charter of said City.

Section 2. That after said twenty-seven proposed amendments so ratified by said electors of said City shall have been so approved by the Senate and Assembly of the State of California, that a copy of said amendments duly certified by the Mayor of said City and authenticated by the seal of said City, setting forth the submission of such amendments to the electors of said City, and the ratification of said amendments by said electors, shall be made in duplicate and deposited one copy in the office of the Secretary of State of California, and the other filed in the office of the County Recorder of the County of San Diego, State of California, which copy of the said amendments so ratified and approved, after having been recorded in said County Recorder's Office, shall be deposited in the archives of the said City of San Diego, and thereafter all Courts shall take judicial notice of the said amendments to the said Charter.

Section 3. That this ordinance shall take effect and be in force from and after its passage and approval.

Ordinance No. 1881.

An Ordinance declaring the Grade of "E" street, in the City of San Diego, California, between the east line of Twenty-fifth street and the west line of Twenty-sixth street, to be changed, and establishing the grade of the same.

Whereas, the Common Council of the City of San Diego, a municipal corporation in the County of San Diego, State of California, on the 5th day of December, 1904, duly passed a Resolution of Intention to Change and establish the

grade of "E" street, in the City of San Diego, California, between the east line of Twenty-fifth street and the west line of Twenty-sixth street, which Resolution was approved by the Mayor of said City on the 9th day of December, 1904, and which Resolution of Intention described the said proposed change of grade; and,

Whereas, said Common Council in and by said Resolution of Intention duly designated and established the district to be benefited by said proposed change of grade and to be assessed to pay the costs of the same; and,

Whereas, said Resolution of Intention was published for ten days in the newspaper of said City in which the official notices of the Common Council of said City are usually printed and published, to wit, the San Diego Union and Daily Bee, in every regular issue of said newspaper during said period of ten days, as directed by said Resolution of Intention, and in the manner and by the persons required by law; and,

Whereas, the Superintendent of streets of said City, within five days after the first publication of said Resolution of Intention, duly caused notice of the passage of said Resolution of Intention to be conspicuously posted within said district, in the manner and form required by law; and,

Whereas, more than thirty days have elapsed since the first publication of said notice in said newspaper aforesaid, and no objection or objections to said proposed change of grade, or claims for damages to property on account of said proposed change of grade, have been made or filed with the Clerk of said Common Council; and,

Whereas, a petition of the owners of a majority of the property affected by said proposed change of grade, praying that said grade be so changed, has been duly filed with the Clerk of the said Common Council, and presented to this Common Council, as required by law; and,

Whereas, it is not deemed necessary that an assessment be levied to pay the expenses of the proceedings for so changing the grade of the said "E" street, between the points above named, now, therefore:

Be it ordained, by the Common Council of the City of San Diego, as follows:

Section 1. That the grade of the said "E" street, in the City of San Diego, California, between the east line of Twenty-fifth street and the west line of Twenty-sixth street be, and the same is hereby changed and established and declared to be in confor-

comity with the said Resolution of Intention, as follows:

At the north-east corner of the intersection of the said "E" street and Twenty-fifth street, the grade elevation to remain at One Hundred and Eighty-four and fifty hundredths feet; at the south-east corner of the intersection of the said "E" street and Twenty-fifth street, the grade elevation to remain at one hundred and eighty-three and fifty hundredths feet.

At a point on the north line of said "E" street two hundred and forty feet east of the east line of Twenty-fifth street, the grade elevation is hereby changed from one hundred and eighty-six feet to one hundred and sixty feet; at a point on the north line of said "E" street, twenty feet east of the last named point, the grade elevation is hereby changed from one hundred and eighty-six and twelve hundredths feet to one hundred and eighty-nine feet; at a point on the north line of the said "E" street, sixty feet east of the last named point, the grade elevation is hereby changed from one hundred and eighty-seven and fifty hundredths feet to one hundred and fifty feet.

At a point on the south line of the said "E" street, two hundred and forty feet east of the east line of Twenty-fifth street, the grade elevation is hereby changed from one hundred and eighty-five feet to one hundred and fifty-eight feet; at a point on the south line of the said "E" street, twenty feet east of the last named point, the grade elevation is hereby changed from one hundred and eighty-five and twelve hundredths feet to one hundred and fifty-seven feet; at a point on the south line of the said "E" street, sixty feet east of the last named point, the grade elevation is hereby changed from one hundred and eighty-five and fifty hundredths feet to one hundred and fifty-eight feet.

At the north-west corner of the intersection of the said "E" street and Twenty-sixth street, the grade elevation to remain at one hundred and eighty-eight feet; at the south-west corner of the intersection of the said "E" street and Twenty-sixth street, the grade elevation to remain at one hundred and eighty-seven feet.

That at all points between the said designated points, the grade elevation is hereby changed and established so as to conform to a straight line drawn between said designated points; provided, that the center line of the said "E" street, between the said east line of Twenty-fifth street and the said west line of Twenty-sixth

street, shall have an average elevation of the opposite curb grades.

All of said grade elevations to be above the datum line of levels as fixed by Ordinance No. 3. of the ordinances of the said City of San Diego, entitled, "An Ordinance establishing a datum line for the grading of streets in the City of San Diego, State of California, and providing for the manner of establishing grades by ordinance" approved on the 30th day of June, 1884.

Section 2. That all ordinances or parts of ordinances in conflict herewith be, and the same are hereby, repealed.

Section 3. That this ordinance shall take effect and be in force from and after its passage and approval.

Section 4. That the City Clerk of the said City of San Diego be, and he is hereby authorized and directed immediately after the approval of this ordinance, to publish or cause the same to be published once in the City official newspaper of said City, to-wit, the San Diego Union and Daily Bee.

Whereupon a Resolution Ordering the Work of Closing up a small portion of said 28th Street, is read and on motion of Alderman Johnson, adopted by the following vote to wit:

Ayes, Aldermen: Crippen, Johnson, Woolman, Perrin—
 Jones, Landis, Kelly and Steade,
 Nays, None,

Absent, Alderman Myers.

Said Resolution as adopted is as follows viz:

Resolution Ordering the Work,

Of Closing up a portion of Twenty eighth Street, in the City of San Diego, California,

Whereas, The Board of Aldermen of the Common Council of the City of San Diego, a municipal Corporation, in the County of San Diego, State of California, on the 24th day of October, 1904, and the Board of Delegates of said Common Council, on the 24th day of October, 1904, duly passed and adopted a Resolution declaring its intention to order the Closing up of that portion of Twenty eighth Street in the said City of San Diego, herein after described, which Resolution declaring intention was duly approved by the Mayor of said City on the 31st day of October 1904, and fully described said work, and stated that it was deemed unnecessary that any land be taken therefor, and specified the exterior boundaries of the district of lands to be affected and benefited by said work and improvement, and to be assessed to pay the damages, costs and expenses thereof; and

Whereas, The Superintendent of Streets of said City on the 6th day of December, 1904, caused to be conspicuously posted along the line of said contemplated work, notices of the passage of said Resolution declaring intention, in the manner and form required by law, and also caused a notice, similar in substance to that posted, to be duly published in the manner and form required by law, for a period of ten days in the

San Diego Union and Daily Bee, a daily newspaper published and circulated, and of general circulation in said City, and designated by said Common Council for that purpose, which publication commenced on the 17th day of December, 1904, and ended on the 16th day of December, 1904; and

Whereas, No person has, within ten days after the expiration of the time of said publication of said notice, or at all, made any objections to said work, or made or filed any claim for damages for said work; and

Whereas, The said Common Council has acquired jurisdiction of the premises, and the said work being for the closing up of that portion of Twenty-eighth street hereinafter described; and it appearing to the satisfaction of said Common Council that no assessment to pay the damages, costs, or expenses of said work is necessary; now, therefore,

Be it Resolved, By the said Common Council of the said City of San Diego, that the public interest and convenience of said City requires the closing up of that portion of the said Twenty-eighth street in the said City of San Diego, and that the same be and is hereby closed up and abandoned as a public highway, which portion of the said Twenty-eighth street, so closed up and abandoned is situated in the said City of San Diego, and is described as follows, to-wit;

Commencing where the east line of Twenty-eighth street, in South Park Addition, intersects the south line of said Park Addition; thence running east twenty feet to the east line of said Twenty-eighth street, in E. W. Morse's Addition; thence running south along the said east line of said Twenty-eighth street, in said E. W. Morse's addition, to the north line of "A" street; thence running west to a point that would be intersected by the east line of said Twenty-eighth street in said South Park addition, if the said east line of the said Twenty-eighth street in said South Park Addition was extended south to the north line of the intersection of said Twenty-eighth street and "A" street in said E. W. Morse's Addition; thence running north to the place of beginning.

Said South Park Addition (formerly known as Park Addition), being a subdivision of the south half of Pueblo Lot number Eleven Hundred and Forty-one, according to the official map thereof filed in the Office of the Recorder of San Diego County, California, on the 11th day of February, 1890. The said E. W. Morse's Addition being a subdivision of Pueblo Lot number 1150 and the northwest quarter

of Pueblo Lot number Eleven Hundred and Fifty-one, according to the official map thereof filed in the office of the Recorder of San Diego County, California, on the 30th. day of December, 1871.

At this time Alderman Syers enters and takes his seat in the Board.

The Clerk presents the affidavit of the publication of the Resolution of Intention to change a portion of the grade of Fir and Albatross streets.

Also the affidavit of posting the notice of the passage of said Resolution which affidavits are ordered filed.

Thereupon an Ordinance declaring the grade of a portion of Fir and Albatross streets, is read and on motion of Alderman Johnson adopted by the following vote, to-wit:
 Ayes: Alderman, Cropper, Johnson, Woolman, Perrin, Jones, Syers, Landis, Kelly and Steade;

Noes, None.

Absent, None.

Said Ordinance as adopted is as follows, viz:
 Ordinance No. 1853.

An Ordinance declaring the grade of a portion of Fir and Albatross streets, in the City of San Diego, California, and the intersection thereof, to be changed, and establishing the grade of the same.

Whereas, the Common Council of the City of San Diego a municipal corporation in the County of San Diego, State of California, on the 31st day of October, 1904, duly passed a Resolution of Intention to change and establish the grade of the south one-half of the west one hundred feet of that portion of Fir street, in the City of San Diego, California, lying between block numbered 222 and block numbered 235 Horton's addition in said City; also to change and establish the grade of that portion of Albatross street, in said City, lying between the West line of said block 222 and the center line of the public street lying west of said block 222; also to change and establish the grade of the intersection of said Albatross and Fir streets, which Resolution of Intention was approved by the Mayor of said City on the 9th day of November, 1904, and which Resolution of Intention described the said proposed change of grade, and,

Whereas, said Common Council in and by said Resolution of Intention duly designated and established the district

to be benefited by said proposed change of grade and to be assessed to pay the costs of the same; and

Whereas, Said Resolution of Intention was published for ten days in the newspaper of said City in which the official notices of the Common Council of said City are usually printed and published, to-wit, the San Diego Union and Daily Bee, in every regular issue of said newspaper during said period of ten days, as directed by said Resolution of Intention, and in the manner and by the persons required by law; and,

Whereas, the Superintendent of Streets of said City, within five days after the first publication of said Resolution of Intention, duly caused notices of the passage of said Resolution of Intention to be conspicuously posted within said district, in the manner and form required by law; and,

Whereas, more than thirty days have elapsed since the first publication of said notice in said newspaper aforesaid, and no objections or objections to said proposed change of grade, or claims for damages to property on account of said proposed change of grade, have been made or filed with the Clerk of said Common Council; and,

Whereas, a Petition of the owners of a majority of the property affected by said proposed change of grade, praying that said grade be so changed, has been filed with the Clerk of said Common Council, and presented to this Common Council, as required by law; and

Whereas, it is not deemed necessary that an assessment be levied to pay the expenses of the proceedings for so changing the grade of the said portions of said streets above named and described, now, therefore;

Be it Ordained, By the Common Council of the City of San Diego, as follows:

Section 1. That the grade of the south one-half of the west one hundred feet of that portion of Gir street in the City of San Diego, California, lying between block numbered 222 and block numbered 235 of Horton's addition in said City, and that the grade of that portion of Albatross street, in said City, lying between the west line of said block numbered 222 and the center line of the Public street lying west of said block numbered 222, and that the grade of the intersection of said Albatross and Gir streets, be, and the same are hereby changed

and established and declared to be in conformity with the said Resolution of Intention, as follows:

At the south-east corner of the intersection of said Gir street and said Albatross street, the grade elevation is hereby changed from ninety-one feet above the datum line of levels, as fixed by ordinance No. 3 of the ordinances of the said City of San Diego, entitled, "An ordinance establishing a datum line for the grading of streets in the City of San Diego, State of California, and providing for the manner of establishing grades by ordinance," approved June 30th, 1886, to ninety-two feet above said datum of levels.

At a point on the south line of said Gir street one hundred feet east of the south-east corner of the intersection of said Gir street and said Albatross street, the grade is hereby fixed and established at an elevation of ninety-five and fifty hundredths feet above said datum line of levels.

That the grade of the said Gir street between the two grade points last above named, shall be a straight line connecting the said last two named grade points.

That the grade of the said portion of Gir street be, and the same is hereby, changed, fixed and established to conform to the grade points herein above fixed and established.

That the grade of said Albatross street along the west line of said block numbered 222 be, and the same is hereby, changed and established to conform to a straight line connecting the grade point heretofore established at the northeast corner of the intersection of Albatross and Date streets, and the grade point herein fixed and established at the south-east corner of the intersection of said Albatross and Gir streets.

That the grade of the street joining said block numbered 222 on the west to the center line thereof, is hereby changed and established so as to conform to the grade along the west line of said block numbered 222 as herein fixed.

That the grade of the intersection of said Albatross and Gir streets is hereby changed and established so as to conform to the said change of grade of said streets as herein established.

The said Horton's Addition being an addition in the City of San Diego, according to the official map made by L. L. Lockling and on file in the office of the Recorder of

San Diego County, California.

Section 2. That this ordinance shall take effect and be in force from and after its passage and approval.

Section 3. That the City Clerk of the said City of San Diego be, and he is hereby, authorized and directed, immediately after the approval of this ordinance, to publish or cause the same to be published once in the City official newspaper of said City, to-wit, the San Diego Union and Daily Bee.

said Resolution as adopted is as follows, viz:

Resolution Ordering the Work.

Of grading Main Street, from the west line of Mammasse and Schiller's Addition to the west line of Thirty-second street.

Resolved by the Common Council of the City of San Diego, a municipal corporation in the County of San Diego, State of California, that the Public interest and convenience of said City require that the street work hereinafter described be done, and therefore the said Common Council hereby orders the following street work to be done in said City, to-wit:

The grading of Main street in the City of San Diego, California, including the sidewalks thereof, from the west line of Mammasse and Schiller's Addition (being a subdivision of Pueblo Lot 1157) to the west line of Thirty-second street, including all intersections of streets between said points and the sidewalks of such intersections (excepting such portions of the said Main street and the said intersections of streets, between said points, required by law to be kept in order or repair by any person or Company having railroad tracks thereon, and also excepting that portion of the said Main street and said intersections of streets between said points, already graded to the official grade thereof) to the official grade thereof according to the specifications therefor contained in ordinance numbered Eleven hundred and forty-one of the ordinances of said City of San Diego, entitled, "An ordinance providing specifications for the grading of streets in the City of San Diego, California," approved on the seventeenth day of June, Nineteen hundred and Two.

The intersection of the said Main street with Twenty-sixth street, to be so graded, is more particularly described as follows, to-wit:

Commencing at a point where the south line of Main street intersects the east line of Twenty-sixth street; thence in a northerly direction to a point where the north-east line of the said Main street intersects the east line of Twenty-sixth street; thence in a northwesterly direction to a point where the north-easterly line of said Main street intersects the west line of Twenty-sixth street; thence in a southerly direction following the west line of Twenty-sixth street to a point where the west line of the said Twenty-sixth street would be intersected by the south line of the said Main street if the said south line of the said Main street was produced westerly across the said Twenty-sixth street; thence in an easterly direction to the point or place of beginning.

Also the construction and furnishing of all labor and material necessary for the construction of five wooden culverts across the said Main street between said points as follows:

A Twenty-four inch by Thirty inch culvert, commencing on the north line of Main street at a point seventy-five feet east of the east line of Twenty-seventh street; thence extending in a south-westerly direction across the said

Main street to the south line of the said Main street at a point Twenty-five feet east of the said east line of the said Twenty-seventh street.

Also a Twenty-four inch by eighteen inch culvert commencing on the north line of the said Main street at a point Twenty-five feet west of the west line of Twenty-eighth street; thence extending in a south-westerly direction across the said Main street to a point on the south line of the said Main street seventy-five feet west of the west line of the said Twenty-eighth street.

Also a twelve inch by eighteen inch culvert, Commencing on the north line of said Main street at a point two hundred and twenty-five feet east of the east line of the said Twenty-eighth street; thence extending in a south-easterly direction across the said Main street to a point on the south line of the said Main street two hundred and seventy-five feet east of the said east line of the said Twenty-eighth street.

Also a twenty-four inch by thirty-six inch culvert, Commencing on the north line of the said Main street at a point four hundred and thirty-eight feet east of the east line of Twenty-ninth street; thence extending in a southerly direction across the said Main street to a point on the south line of the said Main street four hundred and thirty-eight feet east of the said east line of the said Twenty-ninth street.

Also a sixteen inch by twenty-four inch culvert, Commencing on the north line of the said Main street at a point ten feet east of the west line of Thirty-first street; thence extending in a south-westerly direction across the said Main street to a point on the south line of the said Main street fifty feet west of the said west line of the said Thirty-first street.

Said culverts to be constructed of two-inch redwood planks, and according to the plans, drawings and specifications therefor on file and of record in the office of the City Engineer of said City in Book entitled, "Street Estimate Book No. 2, Vol. 1", from page 46 to page 55 both inclusive.

That the points and places where the surplus earth to be obtained in so grading the said Main street, and said intersections of streets, shall be placed and deposited, is hereby designated and described as follows:

Fifty-seven hundred and forty-eight and two tenths

(5748.2) cubic yards of earth shall be placed and deposited immediately north-west of the point where the center line of Main street intersects the west line of Marmasse and Schiller's Addition.

One hundred and seventy-nine (179) cubic yards of earth shall be placed and deposited on Sicard street immediately north of the north line of Main street.

Four hundred and eighty (489) cubic yards of earth shall be placed and deposited on the west side of Thirty-first street immediately north of the north line of Main street.

All of said places being in the City of San Diego, County of San Diego, State of California.

That it has been heretofore declared to be the opinion of the said Common Council, and it has been heretofore found and determined by the said Common Council by Resolution of Intention No. 856, being Document No. 6476, approved on the 10th day of September, 1904, that the said proposed work and improvement as above described is of more than local and ordinary public benefit and that the expense of said work and improvement shall be chargeable upon the district hereinafter described, and that the exterior boundaries of the said district, and the exterior boundaries of the said district of lands which said Common Council by said Resolution of Intention has heretofore declared to be benefited by said work and improvement and to be assessed to pay the costs and expenses thereof are described as follows, to-wit:

Commencing at a point where the west line of Marmasse and Schiller's Addition intersects the north-east line of said Main street; thence running in a northeasterly direction at right angles with said Main street to the southwest line of the alley situated between said Main street and Newton Avenue, thence running in a south-easterly direction along the said south-west line of said alley to the east line of Twenty-sixth street; thence running in a southerly direction along the said east line of Twenty-sixth street to the south line of the alley situated between said Main street and Boston Avenue; thence running in an easterly direction along the said south line of said Alley to the west line of Thirty-second street; thence running in a southerly direction along the said west line of Thirty-second street to the north line of Colton Avenue; thence running in a westerly direction along the said

north line of Cotton avenue seventy-five feet; thence running in a northerly direction parallel with the said west line of Thirty-second street to the south line of the alley situated between said Main street and said Cotton Avenue; thence running in a westerly direction along the said south line of said alley to the west line of Twenty-sixth street; thence running in a northerly direction along the said west line of Twenty-sixth street to the north-east line of the alley in block seventy-seven of the San Diego Land and Town Company's Addition; thence running in a north-westerly direction along the said north-east line of said Alley and along the north-east line of the alley situated between said Main street and Pierce avenue to the west line of Mammasse and Schiller's Addition; thence running north along the said west line of Mammasse and Schiller's Addition to the place of beginning, except, however, that portion of the public streets and alleys contained within said district; all of the said district being in the said City of San Diego.

The said Mammasse and Schiller's Addition being a subdivision of Pueblo Lot Eleven Hundred and fifty-seven in the said City of San Diego, according to the official map thereof on file in the office of the Recorder of San Diego County, State of California.

The said San Diego Land and Town Company's Addition being a subdivision of Pueblo Lot Eleven Hundred and Fifty Eight and part of Pueblo Lots Eleven Hundred and Sixty-three and Eleven hundred and sixty-four in the said City of San Diego, according to the official map thereof filed in the office of the Recorder of the said County of San Diego, State of California.

The San Diego Union and Daily Bee, a daily newspaper published and circulated and of general circulation in said City of San Diego, is hereby designated as the newspaper in which this Resolution Ordering Work, and the notice of said work inviting sealed proposals for doing the same, shall be published, in the manner and form, and by the persons required by law.

The Clerk of the said City of San Diego is hereby directed to post conspicuously for five days or more near the Chamber door of the said Common Council, in the manner and form required by law, a notice with specifications inviting sealed proposals or bids for doing said work;

and said Clerk is hereby directed to publish, for two days, in the manner and form required by law, a notice of said work, inviting sealed proposals or bids for doing the said work, and referring to the specifications posted or on file, in the said newspaper designated as aforesaid for that purpose. Said notice shall require either a certified check or Bond, as prescribed by law, for an amount not less than ten percent, of the aggregate of the proposal.

Said Clerk of the said City of San Diego is also hereby directed to publish this resolution ordering work, for two days, in the manner required by law, in said newspaper hereinbefore designated for that purpose.

Absent, Aldermen, - Johnson, Landis and Kelly.

Said Ordinance as adopted is as follows, viz:

Ordinance No. 1899.

An Ordinance declaring the Grade of Beech Street, in the City of San Diego, California, between the east line of Seventh Street and the west line of Eighth Street, to be changed, and establishing the Grade of the same.

Whereas, the Common Council of the City of San Diego, a municipal corporation in the County of San Diego, State of California, on the 24th day of October, 1904, duly passed a Resolution of Intention to change and establish the grade of Beech Street, in the City of San Diego, California, between the east line of Seventh Street and the west line of Eighth Street, which Resolution of Intention was approved by the Mayor of said City on the 26th day of October, 1904, and which Resolution of Intention described the said proposed change of grade; and,

Whereas, said Common Council in and by said Resolution of Intention duly designated and established the district to be benefited by said proposed change of grade and to be assessed to pay costs of the same; and,

Whereas, said Resolution of Intention was published for ten days in the newspaper of said City in which the official notices of the Common Council of said City are usually printed and published, to-wit, The San Diego Union and Daily Bee, in every regular issue of said newspaper during said period of ten days, as described by said Resolution of Intention, and in the manner and by the persons required by law; and,

Whereas, the Superintendant of Streets of said City, within five days after the first publication of said Resolution of Intention, duly caused notices of the passage of said Resolution of Intention to be conspicuously posted within said district, in the manner and form required by law; and,

Whereas, more than thirty days have elapsed since the first publication of said notice in said newspaper aforesaid, and no objections or objections to said proposed change of grade, or claims for damages to pro-

party on account of said proposed change of grade, have been made or filed with the Clerk of said Common Council; and;

Whereas, a petition of the owners of a majority of the property affected by said proposed change of grade, praying that said grade be so changed, has been duly filed with the Clerk of the said Common Council, and presented to this Common Council, as required by law; and,

Whereas, it is not deemed necessary that an assessment be levied to pay the expenses of the proceedings for so changing the grade of the said Beech street, between the points above named, now, therefore:

Be it Ordained, By the Common Council of the City of San Diego, as follows:

Section 1. That the grade of the said Beech street, in the City of San Diego, California, between the east line of Seventh street and the west line of Eighth street be, and the same is hereby changed and established and declared to be in conformity with the said Resolution of Intention, as follows:

At a point on the north line of said Beech street midway between the east line of Seventh street and the west line of Eighth street, the grade elevation is hereby changed from one hundred and fifty-six feet to one hundred and fifty-four and eighty hundredths feet; at a point on the said north line of Beech street ten feet east of the last named point, the grade elevation is hereby changed from one hundred and fifty-four and six tenths feet to one hundred and fifty-four feet; that the grade elevation at the north-east corner of the intersection of said Beech and Seventh streets shall remain at one hundred and fifty-four feet; that the grade elevation at the north-west corner of the intersection of said Beech and Eighth streets shall remain at one hundred and forty-two feet; that the grade elevation of the said north line of Beech street between the said east line of Seventh street and the said west line of Eighth street shall be a straight line connecting the grade elevations above mentioned; that the grade of said Beech street between the said east line of Seventh street and the said west line of Eighth street be, and the same is hereby, changed to conform to the said changes of the said north line thereof; provided, that the center line of said Beech street between the said east line

of seventh street and the said west line of eighth street shall have an average elevation of the opposite curb grades.

That the grade elevations above mentioned shall be above the datum line of levels as fixed by ordinance No. 3, of the ordinances of said City, entitled, "An ordinance establishing a datum line for the grading of streets in the City of San Diego, State of California, and providing for the manner of establishing grades by ordinance", approved on the 30th day of June, 1886.

Section 2. That all ordinances or parts of ordinances in conflict herewith be, and the same are hereby, repealed.

Section 3. That this ordinance shall take effect and be in force from and after its passage and approval.

Section 4. That the City Clerk of the said City of San Diego be, and he is hereby, authorized and directed, immediately after the approval of this ordinance, to publish or cause the same to be published once in the City official newspaper of said City, to-wit, The San Diego Union and Daily Bee.

Said Ordinance as adopted is as follows. Viz.
Ordinance No. —

An Ordinance granting the privilege of maintaining waste paper and rubbish boxes on the streets in the City of San Diego, California.

Be it Ordained, By the Common Council of the City of San Diego, as follows:

Section 1. That the privilege be and is hereby given and granted to Clarence L. Smeltzer of placing and maintaining

upon any street corner, park corner, or the corner of any other public place in the City of San Diego, California, painted iron boxes, neat in appearance, and not more than two feet square nor more than four feet high, to be arranged for the use and to be used as receptacles for waste paper and dry odorless rubbish, which boxes shall be emptied and properly cleaned and cared for by the said grantee, and shall be placed on the sidewalk between the outside curb line and a line two feet inside of the outside curb line. That said boxes shall be emptied and cleaned as frequently as the street superintendent of said City shall require, but not more frequently than once a day, nor less frequently than once in every five days. That said boxes shall be placed, maintained, emptied, and cleaned under the supervision of the street superintendent of said City, and that said grantee shall also have the right and privilege of painting advertisements on said Boxes.

That a failure to comply with any of the conditions of this ordinance, or a failure or refusal of the said grantee to obey any of the instructions given to him by the superintendent of streets relative to placing, maintaining, emptying, or cleaning the said boxes shall work a forfeiture of the rights and privileges hereby granted.

Section 2. That the right to repeal, amend, or modify this ordinance be and is hereby reserved to the said Common Council.

Section 3. That this ordinance shall take effect and be in force from and after its passage and approval.

Section 4. That the City Clerk of the said City of San Diego be and he is hereby authorized and directed, immediately after the approval of this ordinance, to publish or cause the same to be published once in the city official newspaper of said City, to wit, The San Diego Union and Daily Bee.
