July 21<sup>st</sup>, 1904.

To the Members of the Common Council  
of the City of San Diego, California.

Gentlemen:-

Having this day issued a call for, and  
called, a special session of your Honorable Body for  
this evening, at your usual and accustomed place of  
meeting, I now desire to, and do hereby, notify you,  
being assembled pursuant to said call, of the object

sider and act upon the advisability of adopting an  
ordinance regulating the use of water for irrigation in  
the City of San Diego, California, and to take such other

deemed advisable by your Honorable Body.

I sincerely trust that your Honorable Body will  
adopt some ordinance at this meeting establishing rea-  
sonable regulations for the use of water for irrigation  
purposes in this City, as it seems that the amount of water

to supply water for both household purposes and irriga-  
tion purposes without some restrictions as to irrigation.

The people of the higher levels in this City are entitled  
to have such regulations fixed as will give them sufficient  
water for household purposes, and some ordinance which  
will accomplish this end should be adopted by your  
Honorable Body at this meeting.

All of which is respectfully submitted,

Frank P. Frary
